

**HIGHLANDS COUNTY
BOARD OF COUNTY COMMISSIONERS
(HCBCC)
PURCHASING DIVISION**

Date: November 21, 2019
Solicitation: FWQ 20-007 Addendum No. 1
Project.: Asbestos Survey at 11800 US 27 South

This addendum is being issued to answer questions received for this solicitation.

Question:

Can you clarify the scope of work? There are conflicting statements in the description on page 1 and the requirements listed on page 4.

Answer:

At this time, we are only requesting a quote on the asbestos survey. The demolition will be solicited at a later date. Section 3 a. through Section 3 e. shall be omitted from this request. See strikethrough below.

3. REQUIREMENTS, DELIVERABLES AND QUALIFICATIONS

Asbestos survey will be required for the following structures on the diagram in appendix A: #1, 2, 3, 5, 6, 9, 10, & 11. Location of the project: 11800 U.S. 27 South Sebring, Florida 33876. Parcel ID: C-34-35-29-030-0070-0000

- ~~a. The CONTRACTOR shall submit all current licenses and certifications and permits required to satisfy all state and government regulations for the demolition, removal, disposal and cleanup of all debris of said properties.~~
- ~~b. The COUNTY shall address in writing to CONTRACTOR proof of negative results of said properties regarding asbestos contamination and removal of product if applicable.~~
- ~~c. The CONTRACTOR shall bear the responsibility of locating all utilities, disconnecting utilities, and obtaining proper permits.~~
- ~~d. The CONTRACTOR shall be responsible for pumping/abandoning (crushing or removing) said septic tank(s) on said property.~~
- ~~e. The CONTRACTOR shall bear the responsibility of removing all slabs to include: damaged concrete slab prior to demolition or if slab is damaged during demolition process. Only pristine slabs may remain.~~
