DATE: August 27, 2018  
TO: All Offerers  
FROM: Julie Smith Maxwell, Procurement Specialist  
SUBJECT: Addendum No. 2 – Public Space Furniture  
REQUEST FOR QUOTES DUE: August 29, 2018, at 2:30:00 p.m. Eastern Time

This addendum is being published to respond to questions asked by potential offerers regarding the above-referenced Request for Quotes. This addendum becomes a part of the Contract Document and modifies the original specifications as noted.

**Question 1:** This question is about the 2 Columbia Cascade items:

- Columbia Cascade Company TimberForm Renaissance Part Number 2861-8: Bench without Back, includes armrests- 8', Black Powder coated (Or approved equal)
  - Columbia Cascade Company TimberForm Renaissance Part Number 2802-6: Bench without Back, includes armrest- 6', Black Powder coated (Or approved equal)
- When looking at the model numbers/description in the RFQ, and the pictures at the end, and then at the Columbia Cascade website it doesn't all seem to match up. For example, I can't find any bench on their website that is model # 2861-8. I'm assuming they want the same bench (model 2802- 1st shown on the left side of the website), with a price for a 6' length, and a price for an 8' length?

Response: This is correct. The model numbers on the website differ from those in the Columbia catalog.

**Question 2:** I would be bidding some model from UltraSite. Would I need to get them approved from you prior?

Response: No. Submit items comparable. The City will determine approval prior to making an award.

**Question 3:** Please advise what color are you interested in for the following items: TF5206, TF2117, TF5117 Concrete Bench.

Response: Black or gray.

**Question 4:** What is the part number for the concrete bench 95 x 24 x 18?

Response: The City does not have a part number for this item.
