Re: RFQ– Airport Professional Services

Be advised that Johnson County, TN, intends to name Michael Baker International the provider for as needed Professional Airport Consulting Services according to their submitted Statement of Qualifications. Required services will be determined at a later time & according to future needs of the Johnson County Airport & Johnson County, TN. Final approval by the Johnson County Commission will be required to utilize Michael Baker International for these consulting services.

This letter is not to be construed as a final award of any project or contract, only as intent to utilize consulting services as needed upon approval. Final award for future contractual obligations will be subject to review by the County Commission, Administration, Finance, and Legal departments in order to determine compliance with purchasing procedures, funding availability, insurance coverage, and legal sufficiency.

This letter is not a Notice to Proceed with the any work.

For any questions, please contact us at (423) 727-7861.
