This addendum is being published to respond to a question asked by potential bidder regarding the above-referenced Request for Quotes. This addendum becomes a part of the Contract Document and modifies the original specifications as noted.

Question 1: We're very interested in bidding on the requested footwear. If the department would be interested in a substitution, I can put together some information on the styles our other government customers have been very happy with.

Response: The City will consider substitutions for footwear, however, the City does not intend to award to multiple vendors. All quote submissions are expected to provide pricing for all items requested.
