Please see below for the questions and answers:

Question: *Is there a precise number of trees or should we quote by spacing and percentage given?*

Answer: The intent for this quote request is to obtain the largest quantity of trees that aligns with the District's budget and requested percentage of tree species. Deviations from the percentages displayed on the Cost Schedule are not permitted. To reiterate, the percentages of trees requested are the following:

- Sweetbay 10%
- Red Cedar 10%
- Red Maple 10%
- Sweetgum 10%
- Cypress 60%

Please provide the largest quantity of trees at the lowest prices that align with the percentages above.

Please reference and complete the Cost Schedule (Exhibit 2) in Quote Request #35566's documentation.
