Addendum 2

Optional pre-bid meeting was held on 4/25/2019. These clarifications and modification are the result of the meeting.

1. The site plan was changed to clarify that the front parking lot was to be paved not sealed and restriped.
2. Curb Clarifications:
 - a. Within Parrish’s contract, a small amount of curb and gutter will be added to the exit of the front parking lot that was not to be included.
 - b. There will be a line item in their bid that will give a linear foot cost for the replacement of damaged curb and gutter; the areas to be replaced will be determined later.
3. There is a handicap ramp at the back near the kitchen that is not compliant; the above drawing for the new ramp will be used in it’s place.

No other changes were discussed.
