From: Jill Lin, Senior Buyer

Subject: Addendum No. 1 to Request for Quotation PW 20-046

Bid Deadline: Apr. 14, 2020 3:00 p.m. (local time, Phoenix, Arizona)

PURPOSE

This Addendum forms a part of the Contract and clarifies, corrects, or modifies the original Invitation for Bids document prepared by the City of Avondale. Acknowledge receipt of this Addendum in the space provided on the attached "Acknowledgment of Addenda Received" form; this acknowledgement must accompany the submitted quote. Failure to do so may subject the bidder to disqualification.

This Addendum No. 1 consists of Q&A as of Apr. 7, 2020:

Question 1: I took a look at the request for quotation regarding dead animal collection services and was hoping to get a little more information from you so that I can determine whether we may be competitive on pricing. If there is a current contract for this service with another vendor could you please send this to me? Another question I have is whether you have an idea about the frequency of pickups needed because this would affect our pricing since we are required to pay a gate fee ourselves to the treatment plant that would incinerate the animals

Answer 1: Current contract price sheet is attached hereto as Exhibit 1. The Contractor shall perform dead animal collection services on an as-needed basis. The City spends from \$10,720 up to \$14,500 a year in the past 5 years, not including pickup on private properties due to the property owner is responsible for paying the fees.
