

Town of Bluffton
Request for Quote (RFQ # 2018-24)
Bluffton Oyster Factory Reroof

The Town of Bluffton is soliciting quotes from experienced and qualified vendors to provide for the removal and replacement of all existing roof material from the main structure of the Bluffton Oyster Factory located at 63 Wharf Street in Bluffton, South Carolina. The scope of work includes replacing the structural material as necessary to support the new metal roof, remove and replace rotten structural members at rear of building, ensure leak free seams at transition at varying roof slopes, and clean up and remove all debris.

Questions and inquiries regarding this RFQ should be directed to:
