3.25. ADDITIONAL PROVISIONS:

3.25.1 Correction on quotes.

- (a) Mathematical errors - Errors in extension of unit prices or mathematical calculations may be corrected by the Purchasing Department or designee prior to award. The unit prices shall not be changed.
- (b) A vendor shall be permitted to correct clerical, non-judgmental mistakes of fact in their quote by Purchasing Director through a written directive.
- (c) Voluntary reduction of price—The CITY may accept a voluntary reduction from a low vendor after quote opening, if such reduction is not conditioned on, nor results in, the modification or deletion of any condition contained in the invitation for quotes. A voluntary reduction may NOT be used to ascertain the lowest responsive vendor.

3.25.2 Cancellation of quotes.

- (a) Any time prior to quote opening date and time, the CITY may cancel or postpone the quote opening or cancel the invitation for quote in its entirety.

- (b) After quotes are open, any or all quotes may be rejected by the CITY.
- 3.25.3 Withdrawal of quotes.
 - (a) Any vendor may voluntarily withdraw or amend their quote at any time prior to the quote opening by providing written notice to the CITY. Amendments should be forwarded to the Purchasing Director, sealed and identified.
 - (b) After quote opening, vendors shall not be allowed to withdraw a quote in less than ninety (90) days, or a specific time period stated in the invitation to quote with the following exception—The quote is so outrageous as to be a prima facie evidence of a quote mistake, but a mistake that cannot be corrected by correction of mathematical computation.

3.26. CANCELLATION FOR UNAPPROPRIATED FUNDS:

The obligation of the CITY for payment to a Contractor is limited to the availability of funds appropriated in the current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

3.27. UNCONTROLLABLE CIRCUMSTANCES ("FORCE MAJEURE")

The CITY and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

- 3.27.1 The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;
- 3.27.2 The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;
- 3.27.3 No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and
- 3.27.4 The nonperforming party uses its best efforts to remedy its inability to perform. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, the CITY may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

SECTION 4 – CRITERIA FOR AWARD

- 4.1 The award of the quote shall be to the lowest, responsive, and responsible vendor that is in the best interest of the CITY. In determining the lowest responsive and responsible vendor, in addition to price, the CITY shall consider the following:
 - (a) The ability, capacity and skill of the vendor to perform the contract.
 - (b) The vendor can perform the contract within the time specified, without delay or interference.

- (c) The character, integrity, reputation, judgement, experience and efficiency of the vendor.
- (d) The quality of performance on previous public or private contracts of similar type.
- (e) The previous and existing compliance by the vendor with laws and ordinances relating to this contract.
- (f) The ability of the vendor to provide future maintenance and service.

4.2 Tie quotes.

The tie may be broken and the Vendor selected by the following criteria presented in order of importance and consideration:

- (a) Quality of the items or services if it is ascertainable.
- (b) Except as prohibited by Federal or State law, location of business, specifically those located within the city limits (as evidenced by a business tax receipt), or
- (c) If no business is located within the CITY limits, to a county-based business or a certified minority business enterprise, as defined in F.S. § 288.703
- (d) Time of delivery if provided in the quote.
- (e) If the criteria in subsections (4.2)(a) through (4.2)(d) do not resolve the tie, the city may award a contract to that vendor whose quote was received first as indicated by the time stamp on the envelope containing the quote.
- (f) If the criteria in subsections (4.2)(a) through (4.2)(e) of this section do not resolve the quote tie, contract award shall be made by a lot drawn by the purchasing director before at least one (1) witness.

The CITY reserves the right to award a contract to a Vendor other than the lowest-priced vendor, considering the above factors. The CITY also reserves the right to reject all quotes and shall document its rationale for any quote rejection.

4.3 CONSIDERATION FOR AWARD/AWARD PROCEDURES:

After award of the contract, the Vendor/Contractor shall be instructed to commence the Work by written instruction in the form of a Purchase Order issued by the Purchasing Division and/or a Notice to Proceed issued by the Contract Administrator. The first Notice to Proceed and/or Purchase Order will not be issued until Vendor's/Contractor's submission to CITY of all required documents and after execution of the Contract by both parties.

If any liquidated damages are unpaid by the Contractor, the CITY shall be entitled to deduct these unpaid liquidated damages from the monies due the Contractor. The Contractor will make every attempt to supply the awarded services within the time frame(s) requested. Liquidated damages are hereby fixed and agreed upon by the parties, recognizing the impossibility of precisely ascertaining the amount of damages that will be sustained by CITY as a consequence of such delay, and both parties desiring to obviate any question or dispute concerning the amount of said damages and the cost and effect of the failure of Contractor to complete the services within the applicable Time and Performance.

The provisions and obligations of this section shall survive the expiration or earlier termination of this contract. To the extent considered necessary by the Contract Administrator and he City Attorney, any sums due Contractor under this Contract may be retained by CITY until all of CITY's claims for indemnification pursuant to this Contract have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by CITY.
