

Open RFQ – Architectural/Engineering Services

Thank you for your interest in the A/E Services RFQ. There is no specific RFQ document for this solicitation. We keep this request on our website at all times because we regularly accept submissions for A/E services to add to our files in the City of Knoxville Purchasing Division. Professional services providers are encouraged to submit their statements of qualifications, resumes, company brochures, letters of reference, etc. to the Purchasing Division where they are made available to the various departments. When a department begins planning a project that may require professional A/E Services, the departments have the option to come to the Purchasing Division and review the A/E submittals and then contact an individual or company they feel may be able to assist in the project.

Submissions may be mailed to:

City of Knoxville, Purchasing Department
C/O A/E Services
400 Main Street, Suite 667
Knoxville TN 37902

Or submissions may be emailed to:

citypurchasing@knoxvilletn.gov
