

**Q-2019-2 USB Flash Drives**

The Brevard County Sheriff's Office is seeking quotes for USB Flash Drives. Flash drives are to be USB 3.0 plug and play compatible and shall not require additional software in order to be used. Unauthorized software loading onto BCSO computers is forbidden per policy. Based on pricing received, it may be necessary to adjust quantities if it is more fiscally responsible to purchase a higher GB flash drive over a lesser GB flash drive.
