Important information:

- The warranty end dates are given in GMT time zone. Read this [article](#) for more information on how to convert to your local time zone.
- For details, please see [Terms of Sale, Service Contracts and Warranties](#)
- The warranty expiration dates for peripheral devices, such as monitors and batteries, may be different from the warranty end date for your product.
- If you purchased your product from an authorized third-party retailer or reseller, your warranty starts on the date of your original sales receipt or, in some regions, the product delivery date. Warranty expiration dates shown for these products may be an estimate. Learn how to [register your product with Dell](#)
