Request for Quote RFQ # 2018-40
Law Enforcement Center Installation of New Service
Countertop and Bullet Proof Glass Improvements

The Town of Bluffton is soliciting quotes from experienced and qualified licensed South Carolina General Contractors to install new countertops and bulletproof glass at the Town of Bluffton Law Enforcement Center located at 101 Progressive Street, Bluffton SC, 29910. All members of the construction team must go through a background check by the Town of Bluffton Police Department. The contractor is required to have a Town of Bluffton business license and proper workmen's compensation and general liability insurance.

The Contractor will furnish, fabricate and install 3cm (1 1/4") thick one star granite for counter tops in the outside lobby area and 3cm (1 1/4") thick one star granite for counter tops in the inside office area. The Contractor will furnish and install two (2) level #5 bullet proof glass windows including frames and two (2) deal trays. Additionally, the Contractor will furnish and install level #8 bullet proof protection under the counter wall, approximately 97" wide and 40" high. The Contractor will be responsible for making any repairs due to the installation. This project must be done after normal work hours (8:00AM-5:30PM Monday-Thursday and 8:00 AM-1:00 PM Friday) and weekends. A work schedule is required at the time the notice to proceed is issued to the successful bidder. To submit a response to this RFQ, provide a written quote to the contact person identified within this notice prior to 5:00 pm on 18th of December 2017

Award of contract will be made to the lowest responsive and responsible quote.
