**Surety Bonds**

The Contractor shall furnish separate performance and payment bonds to the County, as required by the Invitation for Bids. Each bond shall set forth a penal sum in the amount not less than the Contract Price. Each Bond furnished by the Contractor shall incorporate by reference the terms of this Contract as fully as though they were set forth verbatim in such bonds. In the event the Contract Price is adjusted by Change Order executed by the Contractor, the penal sum of both the performance bond and the payment bond shall be deemed increased by like amount. The performance and payment bonds furnished by the Contractor shall be in a form suitable to the County and shall be executed by a surety, or sureties, reasonably acceptable to the County.

**SECTION SIX**  
**Insurance Requirements**

The Contractor, at its own expense, shall at all times during the term of the Contract, maintain insurance as included in the General Terms and Conditions of IFB No. 2019-3282-4304-25, which is attached hereto and previously incorporated by reference. The County may contact the Contractor's insurer(s) or insurer(s)' agent(s) directly at any time regarding the Contractor's coverages, coverage amounts, or other such relevant and reasonable issues related to this Contract. The Contractor shall also require any subcontractors to carry the same coverages in the same amounts.

The County must be advised immediately of any changes in required coverages.

**SECTION SEVEN**  
**Compliance with Legal Requirements**

All applicable federal, state and local laws, ordinances, and rules and regulations of any authorities (including, but not limited to, any laws, ordinances or regulations relating to the S.C. Department of Revenue or the S.C. Board of Contractors) shall be binding upon the Contractor throughout the pendency of this Work. The Contractor shall be responsible for compliance with any such law, ordinance, rule or regulation, and shall hold the County harmless and indemnify same in the event of non-compliance as set forth in the Contract.

The Contractor certifies that it will comply with the applicable requirements of Title 8, Chapter 14 of South Carolina Code of Laws, 1976, as amended, and agrees to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to the Contractor and its subcontractors or sub-subcontractors; or (b) that the Contractor and its subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14.

Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony and, upon conviction, must be fined within the discretion of the Court or imprisoned for not more than five years, or both."

The Contractor agrees to include in any contracts with subcontractors, language requiring subcontractors to (a) comply with applicable requirements of Title 8, Chapter 14, and (b) include in its contracts with the sub-contractors language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14.

The Contractor agrees to and shall certify agreement to abide by the requirements under Title VII of the Civil Rights Act of 1964, and other non-discrimination authorities under Federal Executive Order Number 11246, as amended, and specifically, the provisions of the equal opportunity clause.

The Contractor shall comply with all federal, state and local laws, ordinances, rules and regulations of any authorities throughout the duration of this Contract. The Contractor shall be responsible for compliance with any such law, ordinance, rule or regulation, and shall hold County harmless and indemnify same in the event of non-compliance.

**SECTION EIGHT**

Contractors executing contracts for a stated or estimated value of \$25,000 or more shall sign a Drug-free Workplace Certification form prior to the issuance of the Notice to Proceed.

**SECTION NINE**  
**Contractor's Warranties and Representations**

The Contractor represents that its staff is knowledgeable about and experienced in performing the Work required in this Contract and warrants that it will use the best skill and attention to provide above described Work in a professional, timely manner.

The Contractor warrants and represents that it shall be responsible for all subcontractors working directly for it, as well as for their Work product, as though the Contractor had performed the Work itself.

- A. If equipment, materials and supplies are to be a part of the service provided, all equipment, materials, and supplies incorporated in the Work covered by the bid and provided by the Contractor are to be new and of the most suitable grade for the purpose intended. Unless otherwise specifically provided in this Contract, reference to any equipment, material, article or patented process, by trade name, make or catalog number, shall not be construed as limiting competition. When requested, the Contractor shall furnish to the Purchasing Services Manager, for approval the name of the manufacturer, the model number, and other identifying data and information respecting the performance, capacity, nature and rating of the machinery and mechanical and other equipment which the Contractor contemplates incorporating in the Work. When required by this Contract or when called for by the Purchasing Services Manager, the Contractor shall provide full information concerning the material or articles which he contemplates incorporating in the Work. When so directed, samples shall be submitted for approval at the Contractor's expense, with all shipping charges prepaid. Machinery, equipment, material and articles installed or used without the required prior approval of the County shall be at the risk of subsequent rejection by the County.
- B. Any and all manufacturers' warranties on any equipment or materials will be passed on to the County and copies of said warranties will be furnished by the Contractor to the County upon completion and final acceptance of the Work.
- C. The Purchasing Services Manager may, in writing, require the Contractor to remove from the Work Site any employee the Purchasing Services Manager deems incompetent, careless or otherwise objectionable.
- D. In addition to any manufacturer's warranties, all labor and materials are warranted to be free from defects for a period of twenty-four (24) months after the date of Final Payment by the County.

**SECTION TEN**  
**Retention of Records**

The Contractor agrees to maintain for three (3) years from the date of Final Payment, or until the end of any audit or closure of all pending matters under this Contract, whichever is later, all books, documents, papers, and records pertinent to this Contract. The Contractor agrees to provide to the County, any federal grantor agency, the Comptroller General of the United States, any state grantor agency, any assignee, or any of their duly authorized representatives access to such books, documents, papers, and records for the purpose of examining, auditing, and copying them. The Contractor further agrees to include these provisions in any subcontracts issued in connection with this Contract.

**SECTION ELEVEN**  
**State and Local Taxes**

Except as otherwise provided, Contract prices shall include all applicable state and local taxes.

The Contractor shall calculate that portion of the Contract which is subject to the seven percent (7%) South Carolina sales and/or use tax, which amount shall be itemized and shown on all invoices, and shall be paid to South Carolina Department of Revenue (SCDOR) by the Contractor. If the Contractor is a non-South Carolina company, the County will withhold said amount from all invoices and remit payment to the SCDOR, unless the Contractor furnishes the County with a valid South Carolina Use Tax Registration Certificate Number.

The Contractor shall indemnify and hold harmless the County for any loss, cost, or expense incurred by, levied upon or billed to the County as a result of the Contractor's failure to pay any tax of any type due in connection with this Contract.

The Contractor shall ensure that the above sections are included in all subcontracts and sub-subcontract, and shall ensure withholding on out of state sub and sub-subcontractors to which withholding is applicable.

**SECTION TWELVE**  
**Independent Contractor**

The Contractor is an independent contractor and shall not be deemed the agent or employee of the County for any purpose whatsoever. The Contractor shall not hold himself out as an employee of the County, and shall have no power or authority to bind or obligate the County in any manner, except the County shall make payment to the Contractor for Work and expenses as herein provided. The Contractor shall obtain and maintain all licenses and permits required by law for performance of this Contract by him or his employees, agents, and servants. The Contractor shall be liable for and pay all taxes required by local, state or federal governments, including but not limited to social security, Workers' Compensation, employment security, and any other taxes and licenses or insurance premiums required by law. No employee benefits of any kind shall be paid by the County to or for the benefit of the Contractor or its employees, agents, or servants by reason of this Contract.

**SECTION THIRTEEN**  
**Other Contracts**

The County reserves the right to undertake or award other contracts for additional Work, and may elect to complete portions of the Work included in this Contract using its own forces or through other contracts,

and the Contractor shall fully cooperate with such other contractors, County employees and carefully fit its own Work to such Work as may be directed by the County. The Contractor shall not commit or permit any act by its forces or subcontractors which will interfere with the performance of Work by any other contractor or by the County and or Department employees.

**SECTION FOURTEEN**  
**Permits and Licenses**

The Contractor shall, without additional expense to the County, be responsible for obtaining and maintaining all necessary licenses and permits required by the State of South Carolina, a municipality or the County or any other authority having jurisdiction. Prior to execution of this Contract, the Contractor may be required to provide a copy of its current applicable Contractor's License issued by the State of South Carolina and the County. Any subcontractor must comply with the regulations promulgated in the South Carolina Contractor's Licensing Board as enforced by the South Carolina Licensing Board for Contractors. The Contractor's (and or any subcontractor's) License Number, Person's Name and Business Name must all be shown on all required licenses.

**SECTION FIFTEEN**  
**Safety, Health, and Security Precautions**

The Contractor shall take proper safety, health and security precautions to protect its workers and the County's property, workers and the public at all times during the term of this Contract. Emergency exits shall not be blocked and doors shall be secured by the Contractor when Work is temporarily suspended and after each work day. All materials shall be stored securely, protected from theft or damage.

**SECTION SIXTEEN**  
**Inspection and Acceptance**

All Work shall be subject to inspection and test by the County at all reasonable times and places. The Contractor shall, without charge, correct any workmanship found by the County not to conform to the Contract requirements.

**SECTION SEVENTEEN**  
**Conditions Affecting the Work**

The Contractor shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the Work, and the general and local conditions which can affect the Work or the cost thereof. Any failure by the Contractor to do so will not relieve it from responsibility for successfully performing the Work without additional expense to the County. The County assumes no responsibility for any understandings or representations concerning conditions made by any of its officers or agents prior to the execution of this Contract, unless such understandings or representations by the County are expressly stated in this Contract.

**SECTION EIGHTEEN**  
**Cleanup Work: Repair of Damages**

During the performance of the Work, the Contractor shall continuously keep the Work Site and areas adjacent thereto in an orderly condition, free and clear from debris and discarded materials.

The Contractor will restore or replace, when and as directed by the County, any public or private property damaged or destroyed by the Contractor's work, equipment or employees to a condition at least equal to that existing immediately prior to the beginning of the Work.

**SECTION NINETEEN****Actual Damages**

The Contractor expressly agrees that if the Work, or any part thereof, is not performed or completed in a timely or professional manner in accordance with this Contract or any amendment thereto, the Contractor and its sureties shall be liable to the County for actual damages which relate to the Contractor's failure to perform or complete the Work in the manner described above. If actual damages are agreed to by the County and the Contractor or awarded by the Court, the County shall have the right to deduct from and retain out of monies which may be then due or which may become due and payable to the Contractor, the amount of such actual damages; and if the amount so retained by the County is not sufficient to pay in full such actual damages, the Contractor and/or its sureties shall pay to the County the amount necessary to effect payment in full of such actual damages.

**SECTION TWENTY****Suspension of Work**

The Purchasing Services Manager may order, in writing, the Contractor to suspend, delay, or interrupt all or any part of the Work for such period of time as he may determine to be appropriate for the convenience of the County. The County may suspend performance of its obligations under this Contract in good faith for the convenience of the County or to investigate matters arising in the Work.

The Purchasing Services Manager may order suspension of the Work in whole or in part for such time as he deems necessary because of the failure of the Contractor to comply with any of the requirements of this Contract, and the Contract's completion date shall not be extended on account of any such suspension of Work.

When the Purchasing Services Manager orders any suspension of the Work under the paragraph above, the Contractor shall not be entitled to any payment for Work with respect to the period during which such Work is suspended and shall not be entitled to any costs or damages resulting from such suspension.

The rights and remedies of the County provided in this Section are in addition to any other rights and remedies provided by law or under this Contract.

**SECTION TWENTY-ONE****Modification of Contract**

The County's Purchasing Services Manager has the unilateral right to modify this Contract when the modification is in the best interest of the County, provided however, the Contractor is given written notice of any such modification and the County is responsible for paying the Contractor for any additional expenses incurred by the Contractor which relate to the modification. Subject to the above, the Contractor shall immediately notify the County in writing of any proposed adjustment in its fee. The Contractor is obligated to perform the revised contract when so directed by the Purchasing Services Manager and the County is obligated to pay for the work performed pursuant to the modification. No claim by the Contractor for an adjustment hereunder shall be allowed if asserted after Final Payment under this Contract.

**SECTION TWENTY-TWO**  
**Termination**

**A. For Convenience**

The Purchasing Services Manager, by advance written notice, may terminate this Contract when it is in the best interests of the County. If this Contract is so terminated, the Contractor shall be compensated for all necessary and reasonable direct costs of performing the Work actually accomplished. The Contractor will not be compensated for any other costs in connection with a termination for convenience. The Contractor will not be entitled to recover any damages in connection with a termination for convenience.

**B. For Default**

If the Contractor refuses or fails to perform the Work or any separable part thereof in a timely or workmanlike manner in accordance with the Contract Documents, or otherwise fails, in the sole opinion of the County, to comply with any of the terms and conditions of the Contract Documents deemed, in the sole opinion of the County, to be material (including, without limitation, the requirement that the Contractor obtain and maintain in force all necessary permits), such refusal or failure shall be deemed a default under this Contract.

In the event of a default under this Section, the County shall have the right to terminate forthwith this Contract by written notice to the Contractor. In the event of such default, the advance notice period for termination is waived and the Contractor shall not be entitled to any costs or damages resulting from a termination under this section.

Whether or not the Contractor's right to proceed with the Work is terminated, it and its sureties shall be liable for any damage to the County resulting from Contractor's default. Any wrongful termination for default shall be deemed by the Parties a termination for convenience.

**C. Termination for Non-Appropriation of Funds**

The Purchasing Services Manager, by written advance notice, may terminate this Contract in whole or in part in the event that sufficient appropriation of funds from any source (whether a federal, state, County or other source) are not made or sufficient funds are otherwise unavailable, in either case, to pay the charges under this Contract. If this Contract is so terminated, the Contractor shall be compensated for all necessary and reasonable direct costs of performing the Work actually provided to the date of such termination. The Contractor will not be compensated for any other costs in connection with a termination for non-appropriation. The Contractor will not be entitled to recover any damages in connection with a termination for non-appropriation, including, but not limited to, lost profits.

**D. Rights Cumulative**

The rights and remedies of the County provided in this Section are in addition to any other rights and remedies provided by law or under this Contract.

**SECTION TWENTY-THREE**  
**Indemnification**

Except for expenses or liabilities arising from the negligence or intentional acts of the County, the Contractor hereby expressly agrees to indemnify and hold the County harmless against any and all expenses and liabilities arising out of the negligent performance, action or inaction of the Contractor in conduct of this Contract, as follows:

For matters other than those arising from the rendering or failure to render professional services, the Contractor expressly agrees to the extent that there is a causal relationship between its negligence, action or inaction, or the negligence, action or inaction of any of its employees or any person, firm or corporation directly or indirectly employed by the Contractor and any damage, liability, injury, loss or expense (whether in connection with bodily injury or death or property damage) that is suffered by the County and/or its officers or employees or by any member of the public, to indemnify and save the County and its officers and employees harmless against any and all liabilities, penalties, demands, claims, lawsuits, losses, damages, costs, and expenses arising out of the negligence, action or inaction of the Contractor, regardless of whether such liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses are caused in part by the County. Such costs are to include, without limitation, defense, settlement and reasonable attorney's fees incurred by the County and its employees. This promise to indemnify shall include, without limitation, bodily injuries or death occurring to the Contractor's employees and any person, directly or indirectly employed by the Contractor (including, without limitation, any employee of any subcontractor), the County's officers or employees, the employees of any other independent contractors, or occurring to any member of the public. When the County submits notice, the Contractor shall promptly defend any aforementioned action.

For matters arising out of the rendering or failure to render professional services, the Contractor will indemnify and save the County and its officers and employees harmless from and against all liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses arising out of or resultant from any negligent act, error or omission of the Contractor in the rendering or failure to render professional services under this Contract. Such costs are to include, without limitation, defense, settlement and reasonable attorneys' fees incurred by the County and its officers and employees. This promise to indemnify shall include, without limitation, bodily injuries or death occurring to the Contractor's employees and any person, directly or indirectly employed by the Contractor (including, without limitation, any employee of any subcontractor), the County's officers or employees, the employees of any other independent contractors, or occurring to any member of the public. When the County submits notice of claim that triggers the indemnity, the Contractor shall promptly defend any aforementioned action at its own cost.

The limits of insurance required in this Contract shall not limit the Contractor's obligations under this Section. The terms and conditions contained in this Section shall survive the termination of the Contract or the suspension of the Work hereunder. To the extent that any liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses are caused in part by the acts of the County, the Contractor's obligations shall be reduced in proportion to the County's fault. The obligations herein shall also extend to any actions by the County to enforce this indemnity obligation. The recovery of costs and fees all extend to those incurred in the enforcement of this indemnity.

**SECTION TWENTY-FOUR**  
**Gratuities and Kickbacks**

**Gratuities.** It shall be unethical for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person a gratuity or an offer of employment in connection with any decision, approval, disapproval,

recommendation, preparation or any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter pertaining to any program requirement of a contract or subcontract, or to any solicitation or proposal therefore.

**Kickbacks.** It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor, or to hire any subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

Violation of this clause may result in Contract termination.

## **SECTION TWENTY-FIVE**

### **Labor: Subcontractors**

No subcontracts shall be allowed without the prior written approval of the County. The Contractor shall not contract with a proposed person or entity to whom the County has made reasonable and timely objections. The Contractor shall not be required to contract with anyone to whom the Contractor has made reasonable and timely objection.

The Contractor shall enforce strict discipline and good order among its employees and other persons carrying out the performance of the Contract.

Employment of labor by the Contractor shall be affected under conditions which are satisfactory to the County. The Contractor shall remove or cause to have removed from the Work any employee or employees who are considered unsatisfactory by the County.

The Contractor assumes the responsibility for assuring that its working forces are compatible with the County employees and the Contractor is responsible for making itself aware of those forces. The Contractor will furnish a competent representative who is to be kept available to represent the Contractor for the purpose of receiving notices, orders and instruction.

## **SECTION TWENTY-SIX**

### **Assignment**

The Contractor shall not assign in whole or in part the Contract without the prior written consent of the County or its Assignee. The Contractor shall not assign any money due or that may become due to it under said Contract without the prior written consent of the County or its Assignee. Each Party binds itself, its successors, assigns, executors, administrators or other representatives to the other Party hereto and to successors, assigns, executors, administrators or other representatives of such other Party in connection with all terms and conditions of the Contract.

## **SECTION TWENTY-SEVEN**

### **Controlling Law**

The laws of South Carolina shall govern this Contract. All litigation arising under this Contract shall be litigated only in a nonjury hearing in the Court of Common Pleas, First Judicial Circuit, Dorchester County, South Carolina.

## **SECTION TWENTY-EIGHT**

### **Entire Contract**

This Contract constitutes the entire understanding and Contract between the Parties hereto and supersedes

all prior and contemporaneous written and oral contracts between the Parties and their predecessors in interest regarding the subject matter of this Contract. This Contract may not be changed, altered, amended, modified, or terminated orally, except as specifically provided, and any such change, alteration, amendment, or modification must be in writing and executed by the Parties hereto.

**SECTION TWENTY-NINE**  
**Severance**

Should any part of this Contract be determined by a Court of competent jurisdiction to be invalid, illegal, or against public policy, said offending Section shall be void and of no effect and shall not render any other Section herein, nor this Contract as a whole, invalid. Any terms which, by their nature, should survive the suspension, termination or expiration hereof shall be deemed to so survive.

**SECTION THIRTY**  
**Non-waiver**

Any waiver of any default by either Party to this Contract shall not constitute waiver of any subsequent default, nor shall it operate to require either Party to waive, or entitle either Party to a waiver of, any subsequent default hereunder.

**IN WITNESS WHEREOF**, the Parties hereto have executed this Contract under their several seals the day and year first written above.

\_\_\_\_\_ Dollars (\$\_\_\_\_\_), for the payment whereof Principal and Surety bind themselves, their heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

WHEREAS,

in accordance with the Drawings and Specifications prepared by \_\_\_\_\_  
(Insert full name and address or legal title of the Design Professional)

which contract is by reference made a part hereof, and is hereinafter referred to as the Contract.

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION is such that, if Principal shall promptly make payment to all claimants as hereinafter defined, for all labor and material used or reasonably required for use in the performance of the Contract, then this obligation shall be void; otherwise it shall remain in full force and effect, subject, however, to the following conditions:

1. A claimant is defined as one having a direct contract with the Principal or with a Subcontractor of the Principal for labor, material, or both, used or reasonably required for use in the performance of the Contract, labor and material being construed to include that part of water, gas, power, light, heat, oil, gasoline, telephone service or rental of equipment directly applicable to the Contract.
2. The above named Principal and Surety hereby jointly and severally agree with the Owner that every claimant as herein defined, who has not been paid in full before the expiration of a period of ninety (90) days after the date on which the last of such claimant=s work or labor was done or performed, or materials were furnished by such claimant, may sue on this bond for the use of such claimant, prosecute the suit to final judgment for such sum or sums as may be justly due claimant, and have execution thereon. The Owner shall not be liable for the payment of any costs or expenses of any such suit.
3. No suit or action shall be commenced hereunder by any claimant:
  - a) Unless claimant, other than one having a direct contract with the Principal, shall have given written notice to any two of the following: the Principal, the

- b) After the expiration of one (1) year following the date on which Principal ceased Work on said Contract, it being understood, however, that if any limitation embodied in this bond is prohibited by any law controlling the construction hereof such limitation shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.
  - c) Other than in a nonjury hearing before the Circuit Court for the First Judicial Circuit sitting in Dorchester, South Carolina.
4. The Surety may elect Option 1 and complete the Contract in accordance with its terms and conditions. If the Surety selects Option 1, it may perform and complete the Contract itself, through its agents or through independent contractors; provided however, the Surety may not select the Contractor as its agent or independent contractor without the County's consent. If Option 1 is selected, the County may withhold consent to the selection of the option in its sole discretion, in which case the Surety must select Option 2. Notwithstanding the provisions of Option 1, the Surety may elect Option 2 and obtain a bid or bids for completing the Contract in accordance with its terms and conditions. Provided however, in the event Surety elects Option 2, the Surety must perform the Contract without interruption of Services to the County until Option 2 is implemented.

Upon determination by the Surety of the lowest responsive and responsible bidder, or, if the County elects, upon determination jointly by the County and the Surety of the lowest responsive and responsible bidder, the Surety shall arrange for a contract between such bidder and the County under the same terms and conditions for the performance and completion of the Contract, and/or in the sole discretion of the County in substantially similar or under the same terms and conditions for the performance and completion of the Contract. The new contract must be secured with a performance bond executed by the new vendor and a qualified surety equivalent to the bond issued on the initial Contract.

- B. Waiver of Rights. The Surety hereby waives notice of any modifications, alterations, or extensions of time made by the County to the Contract, whether unilateral or by mutual consent. No extension of time, change, alteration, modification, deletion, or addition to the Contract, or of the Work required therein shall release or exonerate the Surety on the Bond or in any way affect the obligations of the Surety to perform the Contract as changed, altered, or modified under this Bond. In addition, the Surety also waives any pre-performance objections or challenges to the validity of the County's notice or declaration of default under the Contract as a justification for the Surety's non-performance within the timeframe provided in Section III of this Agreement. Provided however, the Surety's performance hereunder shall not be construed as a waiver of any post-performance objection or challenge to the propriety of the County's declaration triggering the Surety's performance.

## **SECTION II. FINANCIAL OBLIGATIONS**

The Surety agrees to make available as Contract Work progresses (even though there should be a default or a succession of defaults under the Contract or contracts of completion arranged under this Performance Bond) sufficient funds to pay the cost of completion of the Contract or successor contracts. The Performance Bond Amount shall cover all costs invoiced by third party vendors to the County that exceed the cost in the Contract (to include phases) or costs already paid by the County to Contractor, but not exceeding the Performance Bond Amount (excluding other costs and damages for which Surety may

be liable hereunder).

The Surety's monetary obligation under this Bond is limited to the Performance Bond Amount identified herein, except as otherwise provided. In the event the entire Contract Price has been paid in whole or in part by the County and the Work is determined to be incomplete or defective in accordance with the terms of the Contract, the Surety is obligated to complete the Contract in an amount not to exceed the Performance Bond Amount, except as provided herein. Subject to these limits, the Surety's obligations under this Bond are commensurate with the obligations of the Contractor under the Contract. The Surety's obligations shall include, but are not limited to:

- A. The responsibilities of the Contractor to complete the Contract and/or to correct defective work;
- B. The responsibilities of the Contractor to pay damages under the Contract; and
- C. The cost of additional professional fees, and costs for all delays resulting from Contractor's default, and resulting from the Contractor's or Surety's actions or failure to act.

### **SECTION III. RIGHTS AND REMEDIES**

If the Surety does not proceed as provided in Section I within ten (10) days after receipt of written notice from the County to the Surety demanding that the Surety perform its obligations under this Bond, then the Surety shall be deemed to be in default on this Bond. If a Court of competent jurisdiction finds that the Surety is in breach hereunder, the Court shall award the County three times the actual damages sustained by the County as a result of the Surety's default, which amount shall not be limited to the Performance Bond Amount. At all times, the County shall be entitled to enforce any remedy available to the County under the laws of South Carolina.

Any suit under this Bond must be instituted before the expiration of two (2) years from the date on which final payment under the Contract falls due and is paid.

No right of action shall accrue on this Bond to or for the use of any person or corporation other than the County named herein or the heirs, executors, administrators or successors of the County.

### **SECTION IV. GENERAL PROVISIONS**

If any term or condition of this Performance Bond or the application thereof to any person(s) or circumstances is held invalid, this invalidity shall not affect other terms, conditions or applications which can be given effect without the invalid term, condition, or application. To this end, the terms and conditions of this Bond are declared severable.

This Performance Bond shall be governed by the laws of the State of South Carolina and any and all disputes arising out of this Bond shall, if it cannot be resolved without litigation, be litigated only in a non-jury hearing. Any such lawsuit shall be filed with the Circuit Court for the First Judicial Circuit, Dorchester County, South Carolina.
