## Request for Quote

*This is not a sealed bid. Quotes can be emailed or faxed to the Office of the Purchasing Agent. See instructions below.*

The City of Knoxville requests your quoted price for the items listed on the attached quotation sheet; award will result in a purchase order from the City of Knoxville. The following request is for the repair of three Pac Mac model knuckle booms owned by the City of Knoxville. The repair will consist of making welds to existing areas exhibiting metal fatigue plus adding plate reinforcement wherever necessary. Each area of concern will be identified on each piece of equipment by City personnel. Once the areas have been properly welded and/or reinforced, they must be painted with high quality exterior enamel paint that matches the original paint. Since the City will be responsible for delivering and picking up of each unit, the vendor must be within a 25 mile radius of the 1400 Loraine Street garage. All work on these units must be performed by a certified welder and if necessary, each vendor will be required to submit documentation of past references dealing with similar work. After the award has been made, the vendor will have approximately 30 days to complete all three units once the first unit has been delivered to their facility. Each knuckle boom will be available for viewing at the 1400 Loraine Street location on Friday, January 27<sup>th</sup> from 10:00 am until 4:00 pm. Also, on Saturday, January 28<sup>th</sup> from 9:00 am until 12:00 pm, they will be at our temporary shop location located at 5611 Washington Pike. **In order for your quote to be considered for award, your completed form must be faxed or emailed to the Senior Buyer no later than 2:30 p.m., Friday February 3, 2017.**
