This Agreement rides a contract awarded to the Contractor by the Commonwealth of Virginia Division of Purchases and Supply and extended by the Contractor to the County on the same terms and conditions as the Contractor's agreement with Commonwealth of Virginia Division of Purchases and Supply , and substituting the phrases "County Board of Arlington County" or "Arlington County", as appropriate, for the phrase Commonwealth of Virginia Division of Purchases and Supply wherever that phrase [those phrases] appear(s) in the Contract Documents. Where the terms of this Agreement vary from the terms and conditions of the other Contract Documents, the terms and conditions of this Agreement shall prevail.

The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either of them has made any representation or promise with respect to the parties' agreement which is not contained in the Contract Documents.

2. CONTRACT TERM

The Contractor's provision of goods and/or services for the County ("Work") shall commence on the date of execution and shall be completed no later than June 30, 2019 ("Initial Contract Term"), subject to any modifications as provided for in the Contract Documents. Upon satisfactory performance by the Contractor and with the concurrence of the Contractor, the County may authorize continued operations of the Contractor under the same contract unit prices for not more than three (3) additional twelve (12) month periods from July 1, 2019 to June 30, 2022 (each such period shall be referred to as a "Subsequent Contract Term").

3. CONTRACT PRICING

The County will pay the Contractor in accordance with the Commonwealth of Virginia Division of Purchases and Supply contract number MA E194-75647, Delta-T Group Virginia, Inc., contract number E194-75647-MA2333. If the Contractor and the County do not agree on a contract amount for a Subsequent Contract Term using the procedure set forth above by the thirtieth (30th) calendar day prior to the final day of the Initial Contract Term or any Subsequent Contract Term, the County may in its sole discretion terminate the Contract whether or not the County has previously elected to extend the Contract's term. The contract amount/unit price that changed as a result of this procedure shall become effective on the anniversary date of the Contract and shall be binding on the parties for the duration of the next Subsequent Contract Term.

4. PAYMENT

Payment will be made by the County to the Contractor within thirty (30) days after receipt by the County Project Officer of an invoice detailing the Work provided by the Contractor, and accepted by the County. The Project Officer will either approve the invoice or require corrections. The number of the County Purchase Order pursuant to which authority goods or services have been performed or delivered shall appear on all invoices.

5. SCOPE OF WORK

The Contractor agrees to perform the goods and/or services described in the Commonwealth of Virginia Division of Purchases and Supply Contract Documents MA E194-75647 (Attachment C) and contract number E194-75647 MA2333 (Attachment D) (hereinafter "the Work") and Scope of Work. The primary purpose of the Work is **Temporary Medical Worker Services**.

The Contract Documents set forth the minimum Work estimated by the County and the Contractor to be necessary to complete the Work. It shall be the Contractor's responsibility, at the Contractor's sole cost, to provide the specific Work set forth in the Contract Documents sufficient to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the Contractor's responsibility to manage the details and execution of the Work.

6. PROJECT OFFICER

The performance of the Contractor is subject to the review and approval of the County Project Officer ("Project Officer") who shall be appointed by the Director of the Arlington County department or agency which seeks to obtain the Work pursuant to this Contract. However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its Work pursuant to the Contract Documents.

7. *COUNTY PURCHASE ORDER REQUIREMENT

County purchases are authorized only if a County Purchase Order is issued in advance of the transaction. A Purchase Order must indicate that the ordering agency has sufficient funds available to pay for the purchase. Such a Purchase Order is to be provided to the Contractor by the ordering agency. The County will not be liable for payment for any purchases made by its employees without appropriate purchase authorization issued by the County Purchasing Agent. If the Contractor provides goods or services without a signed County Purchase Order, it does so at its own risk and expense.

5. *NON-APPROPRIATION

All funds for payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia. In the event of non-appropriation of funds by the County Board of Arlington County, Virginia for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County shall not be obligated under this Contract beyond the date of termination specified in the County's written notice.

6. *PAYMENT OF SUBCONTRACTORS

The Contractor is obligated to take one of the two following actions within seven (7) days after receipt of amounts paid to the Contractor by the County for work performed by any subcontractor under this Contract:

- a. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Contract;
or
- b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

The Contractor is obligated to pay interest to the subcontractor on all amounts owed by the Contractor to the subcontractor that remain unpaid after seven (7) days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in subsection b., above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts, if any are permitted, a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this section may not be construed to be an obligation of the County. This duty to save, defend, hold harmless and indemnify shall survive the termination of this Contract. If, after notice by the County, the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor shall be liable for and reimburse the County for any and all expenses, including, but not limited to, reasonable attorneys' fees incurred and any settlements or payments made. The Contractor shall pay such expenses upon demand by the County, and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

11. *RELATION TO COUNTY

The time limit for final written decision by the County Manager in the event of a contractual dispute, as that term is defined in the Arlington County Purchasing Resolution, is fifteen (15) days. Procedures for considering contractual claims, disputes, administrative appeals, and protests are contained in the Arlington County Purchasing Resolution, which is incorporated herein by this reference. A copy of the Arlington County Purchasing Resolution is available upon request from the Office of the Purchasing Agent. The Contractor shall not cause a delay in the Work pending any decision of the Project Officer, County Manager, County Board, or a court of law.

13. *APPLICABLE LAW, FORUM, VENUE AND JURISDICTION

This Contract and the work performed hereunder shall be governed in all respects by the laws of the Commonwealth of Virginia, and the jurisdiction, forum, and venue for any litigation with respect thereto shall be in the Circuit Court for Arlington County, Virginia, and in no other court. In performing its Work pursuant to this Contract, the Contractor shall comply with applicable federal, state, and local laws, ordinances and regulations.

Ordering Priority and Request for Service Engagement:

Ordering Priority: Contractors have been listed in the awarded contract in Call-Priority order based on the final evaluation scores. It is this Call-priority order list that will be used by the Authorized User to place calls for temporary medical worker services. If the first listed/called Contractor cannot fill the order within the given time period the Authorized User will move to the next Contractor. And so on through the list of Contractors. The Contractor selected must be awarded in the zone for which the services will be provided (see Attachment A and Attachment C for guidance).

Abacus Corporation is the only incumbent from the previous contract (E194-44378). Contract Users desiring to keep current Temporary Service Workers from Abacus may do so. Anyone currently on assignment via contract E194-44378 may continue to work under the existing purchase order (PO) until August 31, 2017. Starting September 01, 2017, new purchase orders with the new contract number must be issued. All new Temporary Service Workers will be secured by the method in the first sentence of the previous paragraph.

All temporary employees currently on assignment with Dunson and Associates, Inc. and HealthForce of Virginia, Inc. may continue on assignment with these companies under their existing PO until August 31, 2017. However, it may be more advantageous to start transitioning these temporary employees as quickly as possible so that there is not any disruption in temporary services provided. Starting September 01, 2017, new purchase orders with the new contract number must be issued with one of the new contractors under contract number E194-75647.

2. GENERAL INSTRUCTIONS & NEGOTIATED MODIFICATIONS

1. **Ordering Method:** Unless otherwise instructed or exempted by DPS, all departments, institutions and agencies of the Commonwealth of Virginia using this contract **must order services by issuing purchase orders through eVA prior to commencement of service by the temporary worker.** The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in eVA executed by the contractor. If this contract is authorized for use by localities, Virginia cities, counties, town and political subdivisions, they should place all purchase orders through eVA or eVA Lite to the maximum extent possible.
2. **Ordering Priority:** Contractors will be listed in the awarded contract in Call-Priority order based on the final evaluation scores. It is this Call-priority order list that will be used by the Authorized User to place calls for temporary medical worker services. If the first listed/called Contractor cannot fill the order within the given time period the Authorized User will move to the next Contractor. And so on through the list of Contractors.
3. **Purchase Order Information:** When placing an eVA non-catalog order, each line of the requisition must be identified with the correct Contractor Name and eVA Vendor ID#. See Section 3 below for additional information on placing orders. **NOTE: All temporary medical employees must have new purchase order numbers by September 01, 2017.**
4. **Ordering Entity Acceptance:** Inspection and approval of the contractor's invoice is the responsibility of the receiving entity.
5. **Complaints:** Any complaint that is due to a violation or breach of the Contract provisions shall be reported on an official DPS "PROCUREMENT COMPLAINT FORM" (Form # DGS-41-024). To facilitate notification, this form shall be completed by the ordering entity and sent to the contract vendor, with a copy sent to DPS to the address shown on the form. Contract vendors shall also use this form to initiate complaints concerning Contract User entities. This form may be downloaded from the internet at www.eva.virginia.gov (Click on the Buyer tab, then on "Procurement Complaint Form").
6. **Changes:** Any changes whether for increases or decreases in pricing, delivery terms or additional options must be approved by the Division of Purchases and Supply in advance of issuance of the purchase order. Disputes between the Using Agency and the Contractor will be resolved in accordance with the terms of the contract and any modifications/renewals unless prior approval was granted by DPS.
7. See Additional Information below.
8. For facilities that require training, the Contractor agrees to pay their employee for training in advance. The using agency must provide an estimate of how many hours will be required and the Contractor must agree to the estimate before the temporary employee is approved for the assignment. The using agency will pay the Contractor for all training hours once the temporary employee has completed an assignment or assignments at that facility equal to 2 times the confirmed and worked training hours. The temporary employee must not miss any required days of training and must not exceed more than one (1) excused tardy arrival during training. If the temporary employee does not complete an assignment or assignments equivalent to 2 times the training hours, the Contractor will not be paid for the training hours by the using agency for this temporary employee. The temporary employee's pay will be docked by 2 hours in the event there has been an excused absence during training. There are exceptions to this rule in the event of a death in the family, illness and other unforeseen occurrences as approved by the using agency (negotiated modification).
9. The Contractor has agreed to establish a referral program uniquely for the Commonwealth of Virginia. The referral program for the Commonwealth of Virginia will state that LPNs and RNs referred to your company by your existing registered employees are incentivized by hours worked versus just being referred. For example, if your employee Jane Doe refers Sandra Doe, Jane Doe and/or Sandra Doe would only receive the established referral bonus after Sandra Doe has completed one or multiple assignments totaling a minimum of 40 hours (negotiated modification).
10. The Contractor agrees to provide the using agency a 10% discount on the hourly rate up to 40 hours for temporary employees who are referred to the Contractor who are currently on assignment with a contractor under Contract number E194-44378 whose company was not awarded a new contract resulting from RFP E194-75647-R. The reduced rate will only apply to our transition period. The transition period is from July 01, 2017 through August 29, 2017.

After the transition period, no using agency shall refer temporary employees to any of the existing Contractors and receive a reduced rate even if your company already has a program in place that allows said referral reduction (negotiated modification).

11. The Contractor agrees to confirm all temporary employees on assignment with the using agency one (1) day prior to the start of a shift and two (2) hours before the start of the shift and communicate the confirmations by email to the agency requesting the temporary worker (negotiated modification).

12. The Contractor agrees to pre-screen the temporary employee to confirm whether or not the temporary employee is registered or has been registered with one of the other Contractors within the last 180 days of the assignment date. If the temporary employee is registered with one or more of the existing Contractors, the Contractor agrees to verify their current or prior performance for previous worked assignments (negotiated modification).

13. The Contractor agrees to a 60 (Contractor)/40 (COVA) split for temporary employees who are willing to travel 50-100 miles and overnight stay for assignments with the Commonwealth of Virginia. Travel expenses include mileage and hotel. Traveling staff must not exceed five (5) consecutive days and ten (10) days total within one (1) month. Any travel beyond the five (5) consecutive and ten (10) day total tolerance will be at the expense of the temporary employee or Contractor or both per your established policy and procedures. Travel rates must comply with the Commonwealth of Virginia travel policies as published by the Virginia Department of Accounts. These policies can be found at the following website: <http://www.doa.virginia.gov>. The current or then current policies are dictated and updated at the discretion of the Department of Accounts (negotiated modification).

Note: Not all negotiated modification items have been listed above. Please review each individual contract for all items negotiated.

3. ADDITIONAL INFORMATION

This Contract Award document contains information about how to use the contract, securing a temporary medical worker, what information the contractor needs to expedite your request, background checks, and much more. Contract Users should be familiar with the **Attachment A**. It contains the low to high pay rates per position, the Contractors' markup rate and the temporary worker's authorized hourly pay rate will make up the bill rate, and the Position Titles and Job Description documents.

****ACP ("Ariba Category Procurement") USERS and those interested in using ACP: Effective January 1, 2015, do not use ACP to request, generate a change order or enter new temporaries until you have discussed this with the Contract Officer, or received further direction.***

Ariba Category Procurement-ACP

Contract Users may requisition for temporary workers through ACP in eVA (preferred way), phone, email, or fax to the Contractor. When the Contract User uses ACP to request a temporary worker(s) the selected information shown below is *automatically* entered into your eVA requisition and purchase order. Position descriptions may be attached so the Contractor has additional information. Change orders may be issued through ACP.

If ordering other than through the eVA ACP the following Order Format must be used for all purchase orders: At a minimum, purchase orders shall be written to include the following information:

In the description field:

- (1) Zone Number for the work location,
- (2) Position Title for the temporary worker,
- (3) Start date and End date (may be anticipated dates) for the temporary worker,
- (4) Name of the temporary worker
- (5) Pay Rate and the Bill Rate shall be included in the description field.
- (6) Background Screening Fees

In the quantity field:

- (7) Total Actual Hours anticipated or the Estimated Number of hours,

Unit of measure:

Hours

Hourly bill rate:

- (8) Enter the Bill Rate in the Unit Price Field (pay rate + markup rate = hourly bill rate)

Time Cards: Electronic time cards can be set up in the ACP system if the purchase order is initiated in ACP. Temporary service workers can enter hours electronically and then supervisor electronically approves hours worked. If timekeeping is not through ACP the Contractor shall provide the temporary worker with time cards. Hours worked will be signed weekly, by the temporary worker's area supervisor, in a time period to be agreed upon between the Contract User and Contractor. This may be daily or weekly depending upon the agreement. Temporary workers will provide the area supervisor their completed signed time card; then the area supervisor shall verify hours, sign, and the area supervisor will email or fax the completed time sheet to the contractor for processing. The temporary worker shall not be responsible to email or fax the completed and approved time sheet. The temporary worker and the area supervisor shall retain a copy of the final timesheet.

Ariba Category Procurement – ACP

This eVA module provides an electronic process for collaboration between Contractors and Contract Users. It allows both parties to work through the request/resume process; result is a requisition line with **all required, specific data**.

For problems/questions contact your DPS account executive.

4. STATEMENT OF NEEDS

The Contractor(s) shall furnish Temporary Medical Worker Service staffing as required for the job classifications shown in **Attachment B**, – at the State Pay Rate Per Hour Band shown in **Attachment A**, as specified by each Contract User that elects to order from this contract. The Contract User and the Contractor will negotiate the pay rate of the Temporary Medical Worker within the pay range of the position's hourly Pay Rate. The pay rate, within the low and high of the pay band, will be determined based on the experience level of the Temporary Service Worker. The Contract User shall authorize any pay increase before the Contractor gives a raise to an assigned Temporary Service Worker.

Contract Users should review **Attachment B** to identify the best match for their need before placing an order.

The Commonwealth requires multiple temporary medical service worker supply contractors to address and consolidate the needs at all levels, including state, local, and education. The contractor(s) shall be responsible for providing for the many categories of temporary medical service worker services as listed on the pricing document.

A. Tasks

- 1. Services:** The contractor(s) shall provide temporary medical service workers as required for the job classifications shown in **Attachment B - Pay Band Status Position Descriptions** as specified by each Authorized User that elects to order from the Contract. The Commonwealth recognizes that the Contractor may not have all positions filled by current staffing. However, the expectation is that the contractor would have on their staff medical service workers as required by the contract; or employ their marketing tools to secure temporary medical service workers that are required by Authorized Users.
- 2. E-Procurement:** The Contractor must be registered in eVA, the Commonwealth's electronic procurement system. The Contractor shall accept orders placed by ordering agencies through the eVA system. The Contractor shall offer an electronic catalog or index page catalog for items awarded. Failure to provide such catalog may be cause for the Commonwealth to reject the offer or terminate the resulting contract for default. The format of this electronic catalog shall conform to the eVA Catalog Specifications that can be downloaded at www.eva.virginia.gov.
- 3. Geographic:** Virginia is divided into ten (10) Zones within the state and services must be provided at all locations belonging to a public entity or Authorized User within the zone(s) offered (see **Attachment C**). The Contractor must offer pricing for all positions in the zone for which they want to be considered. The Contractor may choose to offer pricing for one zone, more than one zone, or all zones. Pricing shall be in form of a percentage markup. There are two columns on the pricing sheet where the Contractor should enter a percentage markup for both columns
- 4. Objectives:** Provision of Services should minimally meet all specific objectives delineated under Statement of Needs.
- 5. Ordering Priority and Request for Service Engagement:**
Ordering Priority: Contractors will be listed in the awarded contract in Call-Priority order based on the final evaluation scores. It is this Call-priority order list that will be used by the Authorized User to place calls for temporary medical worker services. If the first listed/called Contractor cannot fill the order within the given time period the Authorized User will move to the next Contractor. And so on through the list of Contractors.

Request for Service Engagement: Each Authorized User will notify the Contractor(s) of their Agency's individual point of contact (POC), who is authorized to request temporary medical service workers. The Authorized User POC will communicate to the Contractor's designated Account Manager the position needed, the level of experience required, the desired start date and end date, hours needed per day and per week, total hours required etc. A requisition for temporary medical service workers through **Ariba Category Procurement (ACP)** in eVA (preferred way), a telephone call, email, or fax to the Contractor from the POC shall constitute a job request for service under this Contract. Following a valid job request for services, and before a temporary medical service worker reports for work, the Contractor shall **require and receive** a purchase order from the requesting Authorized User for each filled job request.

B. General Requirements

1. Contractor's Employees:

Work policies, procedures, and standards established by the Authorized User shall be followed by the temporary medical service worker at all times. The Contractor's employees, while on the Authorized User's premises, shall conform in all respects with regard to physical, fire and security/safety regulations. The Contractor shall be responsible for obtaining all rules, regulations, policies, etc. from the Authorized User and providing the information to the temporary medical service worker. The Contractor shall be the authorizing entity for their employee's vacations, sick leave and any other type of leave. When a temporary medical service worker's engagement concludes, the Contractor shall be responsible for any unreturned keys, ID badges, etc. If such items are not returned to the Authorized User within five (5) working days the Authorized User may send an invoice to the Contractor for the exact replacement cost. The Contractor shall pay this invoice within fourteen (14) days.

2. Transitioning Current Temporary Medical Service Workers:

Current service workers must be transitioned to a new contract within the initial 60 days following the contract(s) award date and continue providing services to the same Authorized User.

When the awarded contractor is an incumbent, the Authorized User will issue a new purchase order within 60 days of contract award if they desire to retain their current temporary medical service worker(s).

Authorized Users may refer a candidate to a Contractor for recruitment. The Authorized User will not pay a placement fee for those who are direct referrals from the Authorized Users. The Contractor agrees to provide the using agency a 10% discount on the hourly rate up to 40 hours for temporary employees who are referred to the Contractor who are currently on assignment with a contractor under Contract number E194-44378 whose company was not awarded a new contract resulting from RFP E194-75647-R. The reduced rate will only apply to our transition period. The transition period is from July 01, 2017 through August 29, 2017. After the transition period, no using agency shall refer temporary employees to any of the existing Contractors and receive a reduced rate even if your company already has a program in place that allows said referral reduction.

The current contract (E194-44378) has been extended until August 31, 2017 in order to ensure a seamless transition.

3. Account Manager:

The Contractor has provided a Point Of Contact, Account Manager/Coordinator for the services to be performed. The Account Manager will ensure that all of the Commonwealth's (and its participating Authorized Users) needs, objectives, issues and order requests are addressed and met in a prompt and effective manner in line with the Commonwealth's (and its participating Authorized Users) requirements and expectations as stated herein.

The Account Manager's basic duties should include but not be limited to serving as a coordinator and point of contact to handle and assist in all scheduling, billing, problem solving and the day to day operations of the Contract. The Account Manager should meet as requested with the participating Authorized Users and/or the Contracting Agency (DGS/DPS) at their location, when requested, to discuss all services or issues.

4. Contractor Response Time:

The Contractor shall notify the Authorized User on availability **within** four (4) hours after the request is made for services needed **within** five (5) working days following the request.

(*Code of Virginia*, § 2.2-4343.1E).

In every Contract over \$10,000 the provisions in A. and B. below apply:

A. During the performance of this Contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

B. The Contractor will include the provisions of (1.) above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each Subcontractor or vendor.

4. ETHICS IN PUBLIC CONTRACTING

The Contractor certifies that the Contract has been entered into without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Contractor, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

5. IMMIGRATION REFORM AND CONTROL ACT OF 1986

By entering into a written Contract with the Commonwealth of Virginia, the Contractor certifies that the Contractor does not, and shall not during the performance of the Contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the Federal Immigration Reform and Control Act of 1986.

4. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the *Virginia Debt Collection Act*.
5. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. B. To Subcontractors:

1. Contractor is hereby obligated:

The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a Subcontractor may not be construed to be an obligation of the Commonwealth.
3. Each prime Contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from Subcontractor default) with the SWAM procurement plan. Final payment under the Contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
4. The Commonwealth of Virginia encourages Contractors and Subcontractors to accept electronic and credit card payments.

The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one (1) of the following methods:
 1. By mutual agreement between the parties in writing; or
 2. By agreeing upon a unit price or using a unit price set forth in the Contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the Contractor's records and/or to determine the correct number of units independently; or
 3. By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the Contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. When repayment is requested, the contractor will be removed from the mailing list until the repayment has occurred. However, in the case of default, contracts may be canceled at any time without the contractor's consent. 8. VENDORS MANUAL

The procedure for filing contractual claims is in section 7.19 of the Vendors Manual. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at www.eva.virginia.gov under "Vendors Manual" on the vendors tab.

9. APPLICABLE LAWS AND COURTS

This Contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The agency and the Contractor are encouraged to resolve any issues in controversy arising from the award of the Contract or any contractual dispute using Alternative Dispute Resolution (ADR) procedures (*Code of Virginia, § 2.2-4366*). ADR procedures are described in Chapter 9 of the *Vendors Manual*. The Contractor shall comply with all applicable federal, state and local laws, rules and regulations.

10. ANTI-DISCRIMINATION

The Contractor certifies to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the *Virginia Public Procurement Act (VPPA)*. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the Contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia, § 2.2-4343.1E*).

In every Contract over \$10,000 the provisions in A. and B. below apply:

A. During the performance of this Contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to

the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

B. The Contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each Subcontractor or vendor.

11. ETHICS IN PUBLIC CONTRACTING

The Contractor certifies that the Contract has been entered into without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

12. IMMIGRATION REFORM AND CONTROL ACT OF 1986

By entering into a written Contract with the Commonwealth of Virginia, the Contractor certifies that the Contractor does not, and shall not during the performance of the Contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the Federal Immigration Reform and Control Act of 1986.

13. DEBARMENT STATUS

Contractor certifies that they are not currently debarred by the Commonwealth of Virginia from submitting a response for the type of goods and/or services covered by the original solicitation or any resulting contract. Vendor further certifies that they are not debarred from filling any order or accepting any resulting order, or that they are an agent of any person or entity that is currently debarred by the Commonwealth of Virginia.

14. ANTITRUST

By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said Contract.

15. PAYMENT

A. To Prime Contractor:

1. Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual Contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
2. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
3. All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.
4. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the *Virginia Debt Collection Act*.
5. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia, § 2.2-4363*).

B. To Subcontractors:

1. Contractor is hereby obligated:
 - a. To pay the Subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the Subcontractor(s) under the Contract; or
 - b. To notify the agency and the Subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.
2. The Contractor is obligated to pay the Subcontractor(s) interest at the rate of one (1) percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in B.1.b above. The date of mailing of any payment by U. S. Mail is deemed to be payment

to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a Subcontractor may not be construed to be an obligation of the Commonwealth.

3. Each prime Contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from Subcontractor default) with the SWAM procurement plan. Final payment under the Contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
4. The Commonwealth of Virginia encourages Contractors and Subcontractors to accept electronic and credit card payments.

16. QUALIFICATIONS OF CONTRACTOR

The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the Contractor to perform the services/furnish the goods. The Commonwealth reserves the right to inspect, without advance notice, Contractor's physical facilities at any time during the initial term and any subsequent renewal periods, to satisfy questions regarding the Contractor's capabilities.

17. TESTING AND INSPECTION

The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

18. ASSIGNMENT OF CONTRACT

A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Commonwealth.

19. CHANGES TO THE CONTRACT

Changes can be made to the Contract in any of the following ways:

- A. The parties may agree in writing to modify the scope of the Contract. An increase or decrease in the price of the Contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the Contract.
- B. The Purchasing Agency may order changes within the general scope of the Contract at any time by written notice to the Contractor. Changes within the scope of the Contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one (1) of the following methods:

1. By mutual agreement between the parties in writing; or
2. By agreeing upon a unit price or using a unit price set forth in the Contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the Contractor's records and/or to determine the correct number of units independently; or
3. By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the Contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the Contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this Contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia *Vendors Manual*. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this Contract shall excuse the Contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the Contract generally.

20. TERMINATION FOR DEFAULT

In case of default by a contractor for failure to deliver or perform in accordance with the contract specifications or terms and conditions, the Commonwealth may procure the articles or services from other sources and hold the defaulting contractor responsible for any resulting additional purchase and administrative costs. The Commonwealth will normally repurchase from the next lowest offeror or purchase competitively by re-solicitation. If the repurchase results in increased costs to the Commonwealth, a letter will be sent to the defaulted contractor requiring payment for additional costs. When repayment is requested, the contractor will be removed from the mailing list until the repayment has occurred. However, in the case of default, contracts may be canceled at any time without the contractor's consent. The Commonwealth also reserves the right to cancel all contracts with any contractor who fails to perform for any one contract.

21. TAXES

Sales to the Commonwealth of Virginia are normally exempt from State sales tax. State sales and use tax certificates of exemption, Form ST-12, will be issued upon request. Deliveries against this Contract shall usually be free of Federal excise and transportation taxes. The Commonwealth's excise tax exemption registration number is 54-73-0076K.

22. DRUG-FREE WORKPLACE

During the performance of this Contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

23. NONDISCRIMINATION OF CONTRACTORS

A Contractor shall not be discriminated against in the solicitation or award of this Contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the Contractor employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific Contract is not in its best interest. If the award of this Contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this Contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

24. AVAILABILITY OF FUNDS

It is understood and agreed between the parties herein that the agency shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this contract.

25. AUTHORIZATION TO CONDUCT BUSINESS IN THE COMMONWEALTH

A Contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the *Code of Virginia* or as otherwise required by law. Any business entity described above that enters into a contract with a public body pursuant to the *Virginia Public Procurement Act* shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50, to be revoked or cancelled at any time during the

term of the Contract. A public body may void any contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

26. FINANCIAL WARRANTY

Contractor shall ensure that the prices, discounts, incentives, and other financial terms (collectively, the "financial deal") applicable to purchases under this Contract is always at least as favorable to the purchaser as the financial deal that the Contractor or its affiliates make available to any public body in Virginia for the same good(s)/service(s) outside this Contract. Throughout the term of this Contract, if Contractor (or any affiliate) makes a better financial deal available to a public body in Virginia for any good(s)/service(s) available under this Contract, Contractor shall immediately notify the Commonwealth of the details and, at the Commonwealth's option, sign an amendment to this Contract, so that an equivalent financial deal for the affected good(s)/service(s) is also available as an option under this Contract. Contractor may request exemption if the better financial deal was for a spot purchase, and the Commonwealth shall grant such request if the Commonwealth in good faith finds that the spot purchase involved special circumstances affecting cost that would make it unfair to apply an equivalent financial deal outside of that spot purchase. Upon the Commonwealth's request (and annually), Contractor shall submit an affidavit certifying full compliance with this Section. The Contractor (and any affiliate) shall waive any contractual or other right that inhibits any public body in Virginia from disclosing to the Commonwealth or others the financial terms made available to the public body, and upon request from the Commonwealth, Contractor shall ensure that a signed confirmation of the waiver is provided to the public body and the Commonwealth. As used in this Section, an affiliate is any entity that controls, is controlled by, or is under common control with, the Contractor

28. USE OF CONTRACT BY THIRD PARTIES

In accordance with the Code of Virginia § 2.2-4304, entitled "Cooperative Procurement," the intent of this Contract is to allow for such cooperative procurement to the maximum extent possible. Accordingly, any public body, or public health, public educational or public institution, or public laboratory or institution may access and use this Contract, if agreeable to Contractor and in accordance with the ordering provisions governing this Contract, together with all other Contract terms and conditions herein.

Participation in this cooperative procurement by any public body is voluntary. If agreed to by Contractor, this Contract may be used by the entities stated above to procure goods and/or services in accordance with "Attachment "A," entitled Goods and Pricing Schedule", attached hereto and incorporated herein.

However, any Authorized User outside the Commonwealth of Virginia, but within the United States, or any territory or legal entity thereof, and Contractor shall complete a "Participating Addendum," to be provided by DPS, prior to the use of the Contract before the Contractor shall accept any order from such an Authorized User outside of the Commonwealth, with a copy of the completed Participating Addendum provided to the Contract Officer, DPS Procurement.

Authorized Users will place their own orders directly with the Contractor and will fully and independently administer their use of this Contract to include contractual disputes, and invoicing and payments, without direct administration from DPS. Neither the Commonwealth nor DPS shall be held liable for any costs or damages by any other participating Authorized User as a result of any authorization by the Contractor to use the Contract.

Contractor hereby certifies and warrants that neither the Commonwealth nor DPS are responsible for any acts or omissions of any Authorized User, and shall not be considered in default of this Contract, no matter the circumstances.

The use of the Contract does not preclude any participating Authorized User from using other agreements or competitive processes as their needs may require.

**ATTACHMENT B – NEGOTIATED MODIFICATIONS
TO
CONTRACT E194-75647-R – MA2333
BETWEEN THE
COMMONWEALTH OF VIRGINIA
AND
DELTA-T GROUP VIRGINIA, INC.**

50. NEGOTIATED MODIFICATIONS

Attachment "B" is hereby incorporated into and made an integral part of Contract E194-75647-R-MA2333 between the Commonwealth of Virginia and **Delta-T Group Virginia, Inc.** In the event of any discrepancy between this Attachment "B" and the Contract, the provisions of the Contract shall control.

1. The contractor agrees to maintain a minimum of five (5) on-call RNs and eight (8) on-call LPNs on a daily basis specifically for the Commonwealth of Virginia to exclude additional fees other than contractual hourly rate.
2. For facilities that require training, the Contractor agrees to pay their employee for training in advance. The using agency must provide an estimate of how many hours will be required and the Contractor must agree to the estimate before the temporary employee is approved for the assignment. The using agency will pay the Contractor for all training hours once the temporary employee has completed an assignment or assignments at that facility equal to 2 times the confirmed and worked training hours. The temporary employee must not miss any required days of training and must not exceed more than one (1) excused tardy arrival during training. If the temporary employee does not complete an assignment or assignments equivalent to 2 times the training hours, the Contractor will not be paid for the training hours by the using agency for this temporary employee. The temporary employee's pay will be docked by 2 hours in the event there has been an excused absence during training. There are exceptions to this rule in the event of a death in the family, illness and other unforeseen occurrences as approved by the using agency.
3. The Contractor has agreed to establish a referral program uniquely for the Commonwealth of Virginia. The referral program for the Commonwealth of Virginia will state that LPNs and RNs referred to your company by your existing registered employees are incentivized by hours worked versus just being referred. For example, if your employee Jane Doe refers Sandra Doe, Jane Doe and/or Sandra Doe would only receive the established referral bonus after Sandra Doe has completed one or multiple assignments totaling a minimum of 40 hours.
4. The Contractor agrees to provide the using agency a 10% discount on the hourly rate up to 40 hours for temporary employees who are referred to the Contractor who are

currently on assignment with a contractor under Contract number E194-44378 whose company was not awarded a new contract resulting from RFP E194-75647-R. The reduced rate will only apply to our transition period. The transition period is from July 01, 2017 through August 29, 2017. After the transition period, no using agency shall refer temporary employees to any of the existing Contractors and receive a reduced rate even if your company already has a program in place that allows said referral reduction.

5. The Contractor agrees to confirm all temporary employees on assignment with the using agency one (1) day prior to the start of a shift and two (2) hours before the start of the shift and communicate the confirmations by email to the agency requesting the temporary worker.
6. The Contractor agrees to pre-screen the temporary employee to confirm whether or not the temporary employee is registered or has been registered with one of the other Contractors within the last 180 days of the assignment date. If the temporary employee is registered with one or more of the existing Contractors, the Contractor agrees to verify their current or prior performance for previous worked assignments.
7. When a temporary employee is registered with multiple Contractors, the Contractor agrees to increase or decrease their hourly rate so that all Contractors are paying the same hourly rate for the requested position title for this assignment. An example has been provided below. Rates are for example purposes only.

Example:

Company A's rate: \$20

Company B's rate: \$20.75

Company C's rate: \$21

The average of all three would be \$20.58 and this would be the hourly rate for this candidate for all three companies. The average rate would be communicated to all three companies.

End of Example

8. The Contractor agrees to a 60 (Contractor)/40 (COVA) split for temporary employees who are willing to travel 50-100 miles and overnight stay for assignments with the Commonwealth of Virginia. Travel expenses include mileage and hotel. Traveling staff must not exceed five (5) consecutive days and ten (10) days total within one (1) month. Any travel beyond the five (5) consecutive and ten (10) day total tolerance will be at the expense of the temporary employee or Contractor or both per your established policy and procedures. Travel rates must comply with the Commonwealth of Virginia travel policies as published by the Virginia Department of Accounts. These policies can be found at the following website: <http://www.doa.virginia.gov>. The current or then current policies are dictated and updated at the discretion of the Department of Accounts.
