The Contract Documents consist of this Agreement, Exhibit A: National Association of State Procurement Officials (NASPO ValuePoint) Contract No. 22PSX0021, Exhibit B: Arlington County Contract Pricing together with any exhibits and amendments issued or applicable thereto (collectively, "Contract Documents" or "Contract"). This Agreement rides a contract awarded to the Contractor by NASPO ValuePoint and extended by the Contractor to the County on the same terms and conditions as the Contractor's agreement with NASPO ValuePoint. Where the terms of this Agreement vary from the terms and conditions of the other Contract Documents, the terms and conditions of this Agreement shall prevail.

The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either of them has made any representation or promise with respect to the parties' agreement which is not contained in the Contract Documents.

2. CONTRACT TERM

The Contractor's provision of goods and services for the County ("Work") shall commence upon the execution of the Agreement by the County" and shall be completed no later than November 21, 2026 ("Contract Term"), subject to any modifications as provided for in the Contract Documents regarding the Contract Term. No aspect of the Work shall be deemed complete until it is accepted by the County's Project Officer.

Upon satisfactory performance by the Contractor, if NASPO ValuePoint renews their agreement identified in Exhibit A, the County may elect to renew this Agreement under the same contract terms for three (3) one-year renewal periods from November 22, 2026 to November 21, 2029 ("Subsequent Contract Term"). However, if NASPO ValuePoint does NOT renew their agreement identified in Exhibit A, this Agreement shall automatically expire on the contract expiration date.

3. PAYMENT

Payment will be made by the County to the Contractor within forty-five (45) days after receipt by the County Project Officer of an invoice detailing the Work provided by the Contractor and accepted by the County. All payments will be made from the County to the Contractor via ACH. The Project Officer will either approve the invoice or require corrections. The Contractor also must submit to the County's Project Officer its W-9 Form, which will include its Federal Employer Identification Number ("FEIN") or Social Security Number ("SSN"), whichever is applicable, before the County can process payment to the Contractor under the Contract.

4. SCOPE OF WORK

The Contractor agrees to perform the goods and/or services described in the Contract Documents (hereinafter "the Work"). The primary purpose of the Work is to furnish electronic monitoring services.

The Contract Documents set forth the minimum Work estimated by the County and the Contractor to be necessary to complete the Work. It shall be the Contractor's responsibility, at the Contractor's sole cost, to provide the specific Work set forth in the Contract Documents sufficient to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the Contractor's responsibility to manage the details and execution of the Work.

However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its Work pursuant to the Contract Documents.

6. COUNTY PURCHASE ORDER REQUIREMENT

A Purchase Order must indicate that the ordering agency has sufficient funds available to pay for the purchase. Such a Purchase Order is to be provided to the Contractor by the ordering agency. The County will not be liable for payment for any purchases made by its employees without appropriate purchase authorization issued by the County Purchasing Agent. If the Contractor provides goods or services without a signed County Purchase Order, it does so at its own risk and expense.

7. NON-APPROPRIATION

All funds for payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia. In the event of non-appropriation of funds by the County Board of Arlington County, Virginia for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County shall not be obligated under this Contract beyond the date of termination specified in the County's written notice.

All remedies afforded in this Master Agreement shall be taken and construed as cumulative, that is, in addition to every other remedy provided in this Master Agreement or at law or in equity. Any waiver by the Lead State, a Participating Entity, or a Purchasing Entity must be in writing.

The Non-breaching Party must provide the Breaching Party an opportunity to remedy the Breach within thirty (30) calendar days from the date of the notice. However, if Contractor is the Breaching Party, then the Purchasing Entity may set forth any remedy period in the notice, so long as that period is otherwise consistent with the provisions of this Master Agreement. The period set forth in the notice is known as the "Remedy Period." The Non-Breaching Party shall extend the Remedy Period if it is satisfied that the Breaching Party is making a good faith effort to remedy the Breach, but the nature of the Breach is such that it cannot be remedied within the Remedy Period.
- b. If the Purchasing Entity determines that the Contractor has committed a Breach, then the Purchasing Entity may require the Contractor to, and Contractor shall, prepare and submit to the Purchasing Entity a CAP in connection with the identified Breach. - d. For purposes of the Purchasing Entity determining whether there is a Breach under this Master Agreement, or whether any statement in the Representations and Warranties Section of this Master Agreement is false or misleading, the parties deem the Acts of the Contractor Parties to be the Acts of the Contractor itself, as if the Contractor itself was the subject of the Acts which the Purchasing Entity considers in determining if there was a Breach, or an instance of false or misleading statements, or both.
- e. The written notice of the Breach may include an effective Termination date. If the identified Breach is not remedied by the stated Termination date, unless otherwise modified by the Non-breaching Party in writing before such date, no further action shall be required of any party to effect the Termination as of the stated date. In case of such revocation or Termination, the Purchasing Entity will have no liability or responsibility to Contractor or Contractor Parties or any third party, or any of them, resulting from the Termination or revocation.

- e. The Purchasing Entity shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Purchasing Entity in accordance with Exhibit A, Deliverables Document or a SOW, as applicable, in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Purchasing Entity will not tender to the Contractor any payments for anticipated or lost profits. - f. Upon Termination of this Master Agreement, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the Sections which survive Termination. All representations, warranties, agreements and rights of the parties under this Master Agreement shall survive such Termination to the extent not otherwise limited in this Master Agreement and without each one of them having to be specifically mentioned in this Master Agreement.

The Lead State, after receiving written notice by the Contractor of any such change, may require such agreements, releases and other instruments evidencing, to the Lead State's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that provision has been made for compensation in full, for all work performed under terms of this Master Agreement. The Contractor shall deliver such documents to the Lead State in accordance with the terms of the Lead State's written request. The Lead State may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. Stat. §4d-32 and without such subcontract including a provision that obligates the subcontractor to comply fully with Conn. Gen. Stat. §4d-44 as if the subcontractor were in fact the Contractor. Contractor shall make a full and complete disclosure of and delivery to the Purchasing Entity or its

38. Confidentiality; Non-Disclosure

The Purchasing Entity shall exercise at least the same degree of care to safeguard any trade secrets or confidential information of Contractor as the Purchasing Entity does its own property of a similar nature and shall take reasonable steps to ensure that neither the confidential information of Contractor nor any part of it will be disclosed for reasons other than its own business interests. Such prohibition on disclosures does not apply to disclosures by the Purchasing Entity to its employees, agents or representatives, provided such disclosures are reasonably necessary to the Purchasing Entity's use of the Deliverable, and provided further that the Purchasing Entity will take all reasonable steps to ensure that the Deliverable is not disclosed by such parties in contravention of this Master Agreement. The Purchasing Entity's performance of the requirements of this Section shall be subject to open records laws and the State of Connecticut Freedom of Information Act ("FOIA"), as applicable.

This provision shall not be construed to prohibit the Contractor from disclosing such public records to any Contractor Parties to carry out the purposes of its subcontract. For purposes of this section, "public records" shall have the meaning set forth in Conn. Gen. Stat. § 1-200, as it may be modified from time to time.

The Contractor will remit full payment to the Auditing Entity for such audit or inspection no later than 30 days after receiving an invoice from the State. If the Auditing Entity does not receive payment within such time, the Auditing Entity may setoff the amount from any moneys which the Auditing Entity would otherwise be obligated to pay the Contractor in accordance with this Master Agreement.

48. Forum and Choice of Law

- a. Notwithstanding the other provisions of this of this Forum and Choice of Law Section, the parties deem this Master Agreement to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of this Master Agreement to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the Lead State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.
- b. The construction and effect of any Participating Addendum or Order against the Master Agreement will be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's state. Venue for any claim, dispute, or action concerning any Order placed against the Master Agreement or the effect of a Participating Addendum will be in the Purchasing Entity's state.

49. Assignment

The Contractor shall not assign any of its rights or obligations under this Master Agreement, voluntarily or otherwise, in any manner without the prior written consent of the Lead State. The Lead State may void any purported assignment in violation of this Section and declare the Contractor in breach of Master Agreement. Any Termination by the Lead State for a breach is without prejudice to the Lead State's or a Participating Entity or Purchasing Entity's rights or possible Claims.

50. Americans with Disabilities Act

Contractor represents that it is familiar with the terms of the Americans with Disabilities Act, 42 U.S.C. §§12101 et seq, and that it is in compliance with the law. Failure of Contractor to satisfy this standard either now or during the Term as it may be amended will render this Master Agreement voidable at the option of the State upon notice to Contractor. Contractor warrants that it will hold the State harmless from any liability that may be imposed upon the State as a result of any failure of Contractor to be in compliance with the Americans with Disabilities Act.

51. Executive Orders and Other Enactments

All references in this Master Agreement to any Federal, State, or local law, statute, public or special act, executive order, ordinance, regulation or code (collectively, "Enactments") shall mean Enactments that apply to the Master Agreement at any time during its term, or that may be made applicable to the Master Agreement during its Term. This Master Agreement shall always be read and interpreted in accordance with the latest applicable wording and requirements of the Enactments. At the Contractor's request, the Lead State, Participating Entity, or Purchasing Entity shall provide a copy of these Enactments to the Contractor. Unless otherwise provided by Enactments, the Contractor is not relieved of its obligation to perform under this Master Agreement if it chooses to contest the applicability of the Enactments or the Lead State, Participating Entity, or Purchasing Entity's authority to require compliance with the Enactments.
- b. This Master Agreement is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of this Master Agreement as if they had been fully set forth in it.
- c. This Master Agreement may be subject to (1) Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services; and (2) Executive Order No. 61 of Governor Dannel P. Malloy promulgated December 13, 2017 concerning the Policy for the Management of State Information Technology Projects, as issued by the Office of Policy and Management, Policy ID IT-SDLC-17-04. If any of the Executive Orders referenced in this subsection is applicable, it is deemed to be incorporated into and made a part of this Master Agreement as if fully set forth in it.

52. Whistleblower Provision

This Master Agreement may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Contractor takes or threatens to take any personnel action against any employee of the Contractor in retaliation for such employee's disclosure of information to any employee of the contracting state or

Master Agreement 22PSX0021

quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of such statute, Contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty percent of the value of this Master Agreement. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Contractor.

53. Summary of State Ethics Laws

Pursuant to the requirements of section 1-101qq of the Connecticut General Statutes (a) the Lead State has provided to the Contractor the summary of State ethics laws developed by the State Ethics Commission pursuant to section 1-81b of the Connecticut General Statutes, which summary is incorporated by reference into and made a part of this Master Agreement as if the summary had been fully set forth in this Master Agreement; (b) the Contractor represents that the chief executive officer or authorized signatory of the Master Agreement and all key employees of such officer or signatory have read and understood the summary and agree to comply with the provisions of state ethics law; (c) prior to entering into a contract with any subcontractors or consultants, the Contractor shall provide the summary to all subcontractors and consultants and each such contract entered into with a subcontractor or consultant on or after July 1, 2021, shall include a representation that each subcontractor or consultant and the key employees of such subcontractor or consultant have read and understood the summary and agree to comply with the provisions of state ethics law; (d) failure to include such representations in such contracts with subcontractors or consultants shall be cause for Termination of the Master Agreement; and (e) each contract with such contractor, subcontractor or consultant shall incorporate such summary by reference as a part of the contract terms.

54. Force Majeure

- a. The parties shall not be excused from their respective Master Agreement obligations except in the case of Force Majeure Events and as otherwise provided for in this Master Agreement.
- b. If a Force Majeure Event prevents a party from complying with any obligation or satisfying any conditions under this Master Agreement, then that failure to comply will not constitute a Breach if (A) that party uses reasonable efforts to comply; (B) that party's failure to comply is not due to its failure to (i) take reasonable measures to protect itself against Force Majeure Events or (ii) develop and maintain a reasonable contingency plan to respond to Force Majeure Events; and (C) that party complies with its obligations under subsection (c) of this Section.
- c. If a Force Majeure Event occurs, then the noncomplying party shall promptly notify the other party of occurrence of that Force Majeure Event, its effect on its obligations under this Master Agreement, and how long the noncomplying party expects the noncompliance to last. Thereafter, the noncomplying party shall update that information as reasonably necessary, or as the other party may reasonably request, whichever is more frequent. During a Force Majeure Event, the noncomplying party shall use reasonable efforts to limit damages to the other party and to resume complying with its Performance and obligations under this Master Agreement.
- d. Failure to provide written notice of any Force Majeure Event as soon as the failing party becomes aware of it, or failure by the other party to Act in response to the notice, does not excuse any delays or failures in Performance or obligations.

EXHIBIT C
SERVICE LEVEL AGREEMENT AND MAINTENANCE AND SUPPORT**

I. System Availability:

Throughout the Term and at all times in connection with its actual or required Performance under the Master Agreement and applicable PA, Contractor shall:

- 1. Provide System Availability (defined below) at least 99.999% of the Available-Time-per-Month as measured over the course of each calendar month, 24 hours per day, 7 days per week.

2. Calculation:

The 99.999% required System Availability (Computed % Availability) (exclusive of Excluded Unavailability, as defined below) during any calendar month of productive Purchasing Entity use is computed as follows:

$$\text{Computed \% Reliability} = \frac{(\text{Available-Time-per-Month}) - (\text{Downtime-per-Month})}{(\text{Available-Time-per-Month})}$$

“Available-Time-per-Month” is equated to 24 hours times the number of days in the month. Downtime-per-Month is equated to those minutes of Available-Time-per-Month during which the Purchasing Entity or any specific site does not have System Availability.

EXAMPLE:

Given: Available-Time-per-Month was 720 hours.
Downtime per-Month was 3.60 hours.

$$\text{Then: Computed \% Reliability} = \frac{(720 - 3.60)}{720} = 99.5\%$$

3. Definitions:

A. System Availability means the amount of time that the Hosted Services meet the System Reliability standards in I 7 below and are available and operable for access and use by Purchasing Entity and its Users in accordance with the Master Agreement.

B. Excluded Unavailability means the amount of time that (1) the System is scheduled for downtime, subject to Section I 5 below and (2) there is no System Availability due to (a) the negligent act or omission of Purchasing Entity or anyone accessing the System through Purchasing Entity or (b) a Force Majeure Event

- 4. Downtime-per-Month must not exceed .001% of the time in any calendar month.

MASTER AGREEMENT #: 22PSX0021
EXHIBIT C
SERVICE LEVEL AGREEMENT AND MAINTENANCE AND SUPPORT

5. Scheduled Downtime:

Contractor shall notify Purchasing Entity at least 3 Business Days in advance of any scheduled downtime of the System, in whole or in part. Such scheduled downtime must (1) last no longer than 60 minutes per calendar month; (2) be pre-approved by Purchasing Entity; and (3) be scheduled on a weekend day, the specific date and time to be determined by Purchasing Entity, unless otherwise agreed to by Purchasing Entity.

Purchasing Entity acknowledges that large System Improvements, Upgrades, or Updates will take longer than the allotted 60 minutes per calendar month of cumulative downtime. The parties will mutually agree on the date and time that large System Improvements, Upgrades, or Updates will take place. Contractor will inform Purchasing Entity of the amount of time expected for such implementation. Purchasing Entity shall waive the cumulative downtime allotment for System Improvements, Updates or Upgrades on a case by case basis, provided that the parties shall agree to a substitute downtime allotment for that System Improvement, Upgrade or Update. To the extent downtime for a System Improvement, Upgrade or Update exceeds a substituted time such excess will count toward 60 minute cumulative downtime allotment.

6. System Availability Reports:

Contractor shall provide Purchasing Entity with the following reports, in electronic form, or such other form as Purchasing Entity may approve in writing:

- A.** A daily report describing the System Availability and performance of the Hosted Services during the previous 24-hour calendar day as compared to the System Availability requirement.

The weekly report must be available every Monday at 10:00 am Eastern Standard Time, and must include the previous 7 calendar days (Monday through Sunday). The reportable week shall begin at 12 am Eastern Standard Time, and end midnight (12 pm) Sunday of that calendar week.

The monthly report must be available 10 Business Days following the last day of the previous month and must include all of the calendar days of that reportable month. The reportable month will start at 12:00 am, EST on the first day of the calendar month and end on 11:59 pm, EST of the last day of the calendar month.
- D.** A report shall also include, at minimum:
 - i.** Actual performance of the Hosted Services relative to the System Availability requirement.

**MASTER AGREEMENT #: 22PSX0021

Any such failure to meet the 99.999% System Availability requirement shall be subject to Section III, System Performance, Non-Compliance in this Exhibit C.
- iii. Notwithstanding the Contractor's obligation to provide System Availability reports, Contractor shall give Purchasing Entity access to the System Availability performance data which access will allow Purchasing Entity to independently generate reports utilizing search parameters acceptable to Purchasing Entity.
