EXHIBIT A – SCOPE OF WORK

GENERAL SPECIFICATIONS:

The principal users are the County's DPMC's Print Shop, but other County agencies requiring products under this Contract also will be allowed to place direct orders with the Contractor providing the minimum order requirements are met as specified Exhibit B - Pricing. The County will provide specific delivery locations including the name, address, and telephone number when an order is placed, no delivery shall be made to loading dock areas. The Contractor must deliver all orders inside of the specific delivery location(s) listed when providing the order. If the County places an order by 5:00 pm EST, the Contractor's maximum delivery time permitted for any order shall be two business days by 1:00 pm EST.

The County desires to reduce the use of chlorine in the products it purchases to protect the environment from pollution. All paper provided under this contract shall be Processed Chlorine Free (PCF). For recycled paper, the recycled content shall be processed unbleached or bleached without chlorine or chlorine derivatives. Any virgin material must be Totally Chlorine Free (TCF). The successful bidder may be required to provide certification documents from the manufacturer showing that products quoted meet chlorine free specifications as listed herein.

Recycled paper with a minimum 30% or 100% post-consumer recycled stock, acid free, neutral pH (archival quality, white, brightness – 92 minimums; pH level 7.5 minimum).

All substitution paper items shall be like for like or equivalent to the line item on the Pricing Sheet, to be approved by the County Project Officer. All substitution items are to be priced prorated to the line item on the Pricing Sheet.
