However, the contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

17. **SUBCONTRACTS:** No portion of the work shall be subcontracted without prior written consent of the purchasing agency. In the event that the contractor desires to subcontract some part of the work specified herein, the contractor shall furnish the purchasing agency the names, qualifications and experience of their proposed subcontractors. The contractor shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the contract.
18. **WARRANTY (VEHICLE):** The contractor agrees that the goods or services furnished under any award resulting from this solicitation shall be covered by the most favorable commercial warranties the contractor gives any customer for such goods or services and that the rights and remedies provided therein are in addition to and do not limit those available to the Commonwealth by any other clause of this solicitation and rights and remedies permitted under applicable law. Indicate the above information on the SCC Form provided. Contractor agrees that the process by which compliance with Titles 13.1 and 50 is checked during the solicitation stage (including without limitation the SCC Form provided) is streamlined and not definitive, and the Commonwealth's use and acceptance of such form, or its acceptance of Contractor's statement describing why the bidder was not legally required to be authorized to transact business in the Commonwealth, shall not be conclusive of the issue and shall not be relied upon by the Contractor as demonstrating compliance.

21. **PAST MODEL YEARS AND STOCK VEHICLES:** Contractors are allowed to keep additional new unused vehicles as stock. Should the contractor keep new stock vehicles on this contract to cover immediate demand by the Commonwealth or localities the following shall apply:

If a lower price is offered by the contractor on a stock vehicle, a justification shall be sent to and approved by the Statewide Sourcing and Contracting Officer before that price can be applied to the vehicle.

In addition, the bidder shall not, in connection with this or any other agreement with the Commonwealth of Virginia, directly or indirectly (1) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any state officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give anyone any gratuity for the benefit of or at the direction or request of any state officer or employee.

Pendency of claims shall not delay payment of amounts agreed due in the final payment. The Authorized User shall render a final decision in writing within thirty (30) days after its receipt of the Contractor's written claim.

1. The Contractor may not invoke any available administrative procedure under Code of Virginia § 2.2-4365 nor institute legal action prior to receipt of the Commonwealth's decision on the claim, unless the Commonwealth fails to render its decision within thirty (30) days. The decision of the Commonwealth shall be final and conclusive unless the Contractor, within six (6) months of the date of the final decision on the claim, invokes appropriate action under Code of Virginia § 2.2-4364 or the administrative procedure authorized by Code of Virginia § 2.2-4365.
2. The Commonwealth or any Authorized User, and their officers, agents and employees, including without limitation, the contracting and Ordering Officers, are executing this Agreement and any Orders issued hereunder, solely in its or their statutory and regulatory capacities as agent of the Commonwealth agency or Authorized User that is purchasing and receiving the goods or services in question and need not be joined as a party to any dispute that may arise there under.

Throughout the term of this Contract, if Contractor (or any affiliate) makes a better financial deal available to a public body in Virginia for any good(s)/service(s) available under this Contract, Contractor shall immediately notify DGS of the details and, at DGS's option, sign an amendment to this Contract, so that an equivalent financial deal for the affected good(s)/service(s) is also available as an option under this Contract. Contractor may request exemption if the better financial deal was for a spot purchase, and DGS shall grant such request if DGS in good faith finds that the spot purchase involved special circumstances affecting cost that would make it unfair to apply an equivalent financial deal outside of that spot purchase. Upon DGS's request (and annually on August 1), Contractor shall submit to DGS an affidavit certifying full compliance with this Section. The Contractor (and any affiliate) shall waive any contractual or other right that inhibits any public body in Virginia from disclosing to DGS or others the financial terms made available to the public body, and upon request from DGS, Contractor shall ensure that a signed confirmation of the waiver is provided to the public body and DGS. As used in this Section, an affiliate is any entity that controls, is controlled by, or is under common control with, the contractor.

VIII. SPECIAL TERMS AND CONDITIONS

1. **AUDIT:** The contractor shall retain all books, records, and other documents relative to this contract for five (5) years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. The agency, its authorized agents, and/or state auditors shall have full access to and the right to examine any of said materials during said period.
2. **ORDERS:** Authorized Users must order goods and/or services available from the Contract by issuing an eVA order through the Commonwealth's electronic procurement website portal <http://www.eva.virginia.gov>.
3. **AWARD OF CONTRACT:** The Commonwealth will make the award on a Grand Total basis to the lowest responsive and responsible bidder. Due consideration will be given to price, quality as judged by tests and previous experience, and of the ability of the bidder to render required services. The Commonwealth reserves the right to conduct any tests it may deem advisable and to make all evaluations. The Commonwealth also reserves the right to reject any or all bids, in whole or in part, to waive informalities and to delete items prior to making the award, whenever it is deemed in the sole opinion of the procuring public body to be in its best interest.
4. **AUTHORIZED DEALER:** By signing this bid, the Bidder certifies that it is a manufacturer-authorized dealer for all goods and services it proposes to furnish under any resulting contract. If requested by the Commonwealth, the Bidder shall provide supporting evidence from the manufacturer.
5. **CANCELLATION OF CONTRACT:** The purchasing agency reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor. In the event the initial contract period is for more than 12 months, the resulting contract may also be terminated by the contractor, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.
6. **eVA ORDERS AND CONTRACTS:** The contract will result in multiple purchase orders with the applicable eVA transaction fee assessed for each order.

Vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution and agree to comply with the following: If this solicitation is for a term contract, failure to provide an electronic catalog (price list) or index page catalog for items awarded will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default. The format of this electronic catalog shall be the eVA vehicle punch-out catalog. Contractor shall provide information in a format deemed acceptable to the Statewide Sourcing and Contracting Officer. Uploading the information to the eVA vehicle punch-out catalog will be done by the Division of Purchases and Supply.

7. **BID ACCEPTANCE PERIOD:** Any bid in response to this solicitation shall be valid for sixty (60) days. At the end of the 60 days the bid may be withdrawn at the written request of the bidder. If the bid is not withdrawn at that time it remains in effect until an award is made or the solicitation is canceled.
8. **BID PRICES:** Bids shall be in the form of a firm base vehicle unit price during the current model year period. Bids shall state any discounts offered on options at time of bid.
9. **DELIVERY:**
Bidders shall be held to the time it takes for them to deliver the vehicle to the customer fully titled after they receive it from the manufacturer (turn time). Bidders shall also indicate how long it takes for the vehicle to be delivered to the dealer after an order has been placed with the manufacturer (lead time).

1. **TURN TIME PER VEHICLE ORDERED:** 3 DAYS AFTER RECEIPT FROM MANUFACTURER
2. **MANUFACTURER'S LEAD TIME PER VEHICLE:** 90-120 DAYS ARO

Throughout the life of the contract, the Commonwealth understands that issues may arise during the model year and delay the vehicle lead-time. If the manufacturer communicates a manufacturing delay, contractor shall notify the DPS Statewide Sourcing and Contracting Officer as well as the authorized users who are impacted.

\$100 dollars per day shall be deducted from the final price on vehicles that are not delivered within the Turn Time Per Vehicle Ordered. This deduction is not to be considered a factor when calculating whether the financial deal offered to another public body in Virginia is better than that offered to DGS pursuant to Section 27 herein (titled "Financial Warranty"). This deduction shall not apply to delivery delays initiated, authorized, or requested by the Authorized User.

Failure to deliver in a timely matter may result in the termination of the contract.

10. **DELIVERY NOTIFICATION:** The ordering Agency shall be notified two (2) business days prior to delivery so that personnel may be available to inspect and receive vehicles being delivered. Notification shall be made to the individual indicated on the purchase order.
11. **PROMPT PAYMENT DISCOUNTS:** Agency will pay within 30 days after acceptance. A prompt payment discount offered for prompt payment should be included in your bid where indicated. Discounts will not be calculated in determining net low bid.
12. **EXTRA CHARGES NOT ALLOWED:** The bid price shall be for complete delivery ready for the Commonwealth's use, and shall include all applicable freight and installation charges; extra charges will not be allowed.
13. **FINAL INSPECTION:** The Contractor shall demonstrate to the authorized owners representative that the equipment delivered is fully operational and in compliance with the contract specifications. Any deficiencies shall be promptly and permanently corrected by the contractor at the contractor's sole expense prior to final acceptance.

14. **SUBMISSION OF SMALL BUSINESS SUBCONTRACTING PLAN, EVIDENCE OF COMPLIANCE WITH SMALL BUSINESS SUBCONTRACTING PLAN, AND SUBCONTRACTOR REPORTING:**

- A. **Submission of Small Business Subcontracting Plan:** It is the statewide goal of the Commonwealth that 42% of its purchases be made from small businesses certified by DSBSD. This includes discretionary spending in prime contracts and subcontracts. All bidders are required to submit a Small Business Subcontracting Plan. The contractor is encouraged to offer such subcontracting opportunities to DSBSD-certified small businesses. This shall include DSBSD-certified women-owned and minority-owned businesses and businesses with DSBSD service disabled veteran-owned status when they have also received DSBSD small business certification. Where it is not practicable for any portion of the goods/services to be subcontracted to other suppliers, the bidder shall note such on the Small Business Subcontracting Plan. No bidder or subcontractor shall be considered a small business unless certified as such by the Department of Small Business and Supplier Diversity (DSBSD) by the due date for receipt of bids.
- B. **Evidence of Compliance with Small Business Subcontracting Plan:** Each prime contractor who wins an award in which provision of a small business subcontracting plan is a condition of the award, shall deliver to the contracting agency or institution monthly reports substantiating compliance in accordance with the small business subcontracting plan. If a variance exists, the contractor shall provide a written explanation. A subcontractor shall be considered a Small Business for purposes of a contract if and only if the subcontractor holds a certification as such by the DSBSD. Payment(s) may be withheld until the purchasing agency confirms that the contractor has certified compliance with the contractor's submitted Small Business Subcontracting Plan or is in receipt of a written explanation of the variance. The agency or institution reserves the right to pursue other appropriate remedies for non-compliance to include, but not be limited to, termination for default.
- C. **Prime Contractor Subcontractor Reporting:**
1. Each prime contractor who wins an award greater than \$100,000, shall deliver to the contracting agency or institution on a monthly basis, all applicable information for each subcontractor listed on the Small Business Subcontracting Plan that are DSBSD-certified businesses or Employment Services Organizations (ESOs). The contractor shall furnish the applicable information to the purchasing office via the Subcontractor Payment Reporting tool accessible within the contractor's eVA account.
 2. The contractor shall furnish the all applicable information to the purchasing office via the Subcontractor Payment Reporting tool accessible within the contractor's eVA account.

15. **PRICE ESCALATION/DE-ESCALATION:** Price adjustments may be permitted for changes in the contractor's cost of providing goods and services. The PRODUCER PRICE INDEX/INDICES: 141105 Trucks, Truck Tractors, & Bus Chassis 14,000 Lb. or Less, Incl. Minivans & SUVs, and other relevant market conditions as determined appropriate and approved by DPS, will be used as guides to evaluate requested price

changes. No price increases will be authorized for the current Model Year after the effective date of the contract. Price adjustments may only be allowed at the introduction of new model year to the satisfaction of the purchasing office. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Commonwealth.

Contractor shall request approval in advance for any price increase by notifying the purchasing office. Any approved price changes shall be effective on the agreed upon effective date of the pricing change. In order to receive approval, the contractor shall document the amount and proposed effective date of any general change in the price of materials. Documentation shall be supplied with the contractor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia; and (2) verify the amount or percentage of increase which is being passed on to the contractor by the contractor's suppliers.

DPS will update the publicly posted contract/eVA catalog with the new pricing on the effective date. However, the contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

16. **PRIME CONTRACTOR RESPONSIBILITIES:** The contractor shall be responsible for completely supervising and directing the work under this contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under this contract shall be responsible to the prime contractor. The contractor agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.
17. **SUBCONTRACTS:** No portion of the work shall be subcontracted without prior written consent of the purchasing agency. In the event that the contractor desires to subcontract some part of the work specified herein, the contractor shall furnish the purchasing agency the names, qualifications and experience of their proposed subcontractors. The contractor shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the contract.
18. **WARRANTY (VEHICLE):** The contractor agrees that the goods or services furnished under any award resulting from this solicitation shall be covered by the most favorable commercial warranties the contractor gives any customer for such goods or services and that the rights and remedies provided therein are in addition to and do not limit those available to the Commonwealth by any other clause of this solicitation and rights and remedies permitted under applicable law. A copy of this warranty should be furnished with the bid.

During the life of the contract, the contractor shall provide all warranty service and shall have their own repair facilities (unless the vehicle manufacturer requires the work performed by them or another party) with sufficient parts and labor to support the vehicles sold under this contract. Contractor shall track all vehicles that receive warranty work under this contract and may be asked to produce that report during the life of the contract. If available, contractor shall furnish operating manuals and schematic design for all vehicles.

19. **PRODUCT AVAILABILITY/SUBSTITUTION:** Substitution of a product, brand or manufacturer after the award of contract is expressly prohibited unless approved in advance in writing by the Contact Officer. The Agency may, at its discretion, require the contractor to provide a substitute item of equivalent or better quality subject to the approval of the Statewide Sourcing & Contracting Officer, for a price no greater than the contract price, if the product for which the contract was awarded becomes unavailable to the contractor.

In the event any item on the contract is to be discontinued and/or replaced by a new item, the Contractor must notify the Statewide Sourcing & Contracting Officer in writing in advance of the product discontinuance/replacement. A formal contract modification will be processed by the Statewide Sourcing & Contracting Officer to reflect these types of changes.

20. **STATE CORPORATION COMMISSION IDENTIFICATION NUMBER:** Pursuant to Code of Virginia, §2.2-4311.2 subsection B, a bidder organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 is required to include in its bid the identification number issued to it by the State Corporation Commission (SCC). Any bidder that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its bid a statement describing why the bidder is not required to be so authorized. Indicate the above information on the SCC Form provided. Contractor agrees that the process by which compliance with Titles 13.1 and 50 is checked during the solicitation stage (including without limitation the SCC Form provided) is streamlined and not definitive, and the Commonwealth's use and acceptance of such form, or its acceptance of Contractor's statement describing why the bidder was not legally required to be authorized to transact business in the Commonwealth, shall not be conclusive of the issue and shall not be relied upon by the Contractor as demonstrating compliance.

21. **PAST MODEL YEARS AND STOCK VEHICLES:** Contractors are allowed to keep additional new unused vehicles as stock. Should the contractor keep new stock vehicles on this contract to cover immediate demand by the Commonwealth or localities the following shall apply:

- a. Only vehicles and specific model years that were explicitly incorporated into the contract can be sold as stock.
- b. Only new and unused vehicles shall be sold as stock vehicles.
- c. Stock vehicle prices cannot exceed the pricing for their specific model year but can be sold at a reduced rate with approval from the Statewide Sourcing and Contracting Officer. For example, model year 2021 vehicles shall always be sold at the agreed upon price for the 2021 model year or less and cannot be sold at a higher rate. If a lower price is offered by the contractor on a stock vehicle, a justification shall be sent to and approved by the Statewide Sourcing and Contracting Officer before that price can be applied to the vehicle.
- d. Vehicles shall not be sold after the expiration of the contract. The Commonwealth is not responsible for unsold stock at any time during or after the contract.

22. **VIRGINIA MOTOR VEHICLE DEALER LICENSE:** In accordance with Code of Virginia § 46.2-1508, the motor vehicle manufacturer/distributor ("bidder") certifies that it is licensed by the Virginia Department of Motor Vehicles to conduct business in the Commonwealth of Virginia. Further, the bidder shall maintain the required license

throughout the course of the contract. Additionally, the bidder shall comply with the requirements of the Code of Virginia § 46.2-1566 through 46.2-1573.02, including Code of Virginia § 46.2-1572. The bidder shall immediately notify the Commonwealth of Virginia's Department of General Services, Division of Purchases and Supply in writing in the event its license is either not renewed, or revoked and/or it fails to comply with the other stated provisions in the Code of Virginia during the period in question.

23. **LOBBYING AND INTEGRITY**: Bidders are cautioned that communications with individuals other than the DPS Contracting Officer may result in incorrect and/or insufficient information being provided. In addition, the bidder shall not, in connection with this or any other agreement with the Commonwealth of Virginia, directly or indirectly (1) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any state officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give anyone any gratuity for the benefit of or at the direction or request of any state officer or employee.

24. **EXCLUSIVITY OF TERMS AND CONDITIONS**: No employee or agent of the Commonwealth or Authorized User shall be required to sign or execute any additional contract, license or other agreement containing contractual terms and conditions. No contractor shall be required to sign with Authorized Users any additional agreements, contracts, or other documents that were not part of the original contract. Any documents signed by persons other than the Director of DPS or their authorized designee shall have no validity or effect upon the Contract.

25. **CONTRACTUAL DISPUTES**: In accordance with Code of Virginia § 2.2-4363, contractual claims, whether for money or other relief, shall be submitted in writing to the Authorized User no later than sixty (60) days after final payment; however, written notice of the Contractor's intention to file such claim must be given to the Authorized User at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims shall not delay payment of amounts agreed due in the final payment. The Authorized User shall render a final decision in writing within thirty (30) days after its receipt of the Contractor's written claim.

1. The Contractor may not invoke any available administrative procedure under Code of Virginia § 2.2-4365 nor institute legal action prior to receipt of the Commonwealth's decision on the claim, unless the Commonwealth fails to render its decision within thirty (30) days. The decision of the Commonwealth shall be final and conclusive unless the Contractor, within six (6) months of the date of the final decision on the claim, invokes appropriate action under Code of Virginia § 2.2-4364 or the administrative procedure authorized by Code of Virginia § 2.2-4365.
2. The Commonwealth or any Authorized User, and their officers, agents and employees, including without limitation, the contracting and Ordering Officers, are executing this Agreement and any Orders issued hereunder, solely in its or their statutory and regulatory capacities as agent of the Commonwealth agency or Authorized User that is purchasing and receiving the goods or services in question and need not be joined as a party to any dispute that may arise there under.

3. In the event of any breach by the Commonwealth or any Authorized User, Contractor's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all such claims to be processed pursuant to this Section. In no event shall Contractor' remedies include the right to terminate any services hereunder.
26. **FINANCIAL WARRANTY:** Contractor shall ensure that the prices, discounts, incentives, and other financial terms (collectively, the "financial deal") applicable to purchases under this Contract are always at least as favorable to the purchaser as the financial deal that the Contractor or its affiliates make available to any public body in Virginia for the same good(s)/service(s) outside this Contract. Throughout the term of this Contract, if Contractor (or any affiliate) makes a better financial deal available to a public body in Virginia for any good(s)/service(s) available under this Contract, Contractor shall immediately notify DGS of the details and, at DGS's option, sign an amendment to this Contract, so that an equivalent financial deal for the affected good(s)/service(s) is also available as an option under this Contract. Contractor may request exemption if the better financial deal was for a spot purchase, and DGS shall grant such request if DGS in good faith finds that the spot purchase involved special circumstances affecting cost that would make it unfair to apply an equivalent financial deal outside of that spot purchase. Upon DGS's request (and annually on August 1), Contractor shall submit to DGS an affidavit certifying full compliance with this Section. The Contractor (and any affiliate) shall waive any contractual or other right that inhibits any public body in Virginia from disclosing to DGS or others the financial terms made available to the public body, and upon request from DGS, Contractor shall ensure that a signed confirmation of the waiver is provided to the public body and DGS. As used in this Section, an affiliate is any entity that controls, is controlled by, or is under common control with, the contractor.
