PRICING SUMMARY SHEET**

(Ref: Special Provisions (Pricing Plans), Paragraph 8.6 and 8.12)

In regards to the new \$15 Unlimited Talk, Text, and Data Plans for accounts with 10+ users, T-Mobile also offers FCPS and FCG the ability to pool the data if that is a preference. Again, this is simply an option in place of the Unlimited Data included in the above spreadsheet

- If the pool exceeds on the 2GB, 6GB, 10 GB plan, additional GB's will be \$5.00 each
- T-Mobile also allows for FCPS and FCG to purchase additional pools of LTE Data

30GB for \$135 – each additional GB is \$4.50
100 GB for \$425 – each additional GB is \$4.25
500 GB for \$2,000 – each additional GB is \$4.00
1 TB for \$3,750 – each additional GB is \$3.75

The new \$15.00 rate plan also includes the following additional feature and services

- Canada and Mexico become part of the local market
- Free in Flight Texting with GoGo
- Music Freedom – Music Streaming does not count towards data usage
- Wi-Fi Calling (which is included in all our Smartphone plans)
- Binge On – Video Streaming from many video services, like Netflix and HBO do not count towards data usage on devices with a *paid data plan of 6GB, 10GB, or Unlimited*
- International Texting and Data are Unlimited and calls are \$0.20 per minute in over 140 countries
