## Professional Engineering Services Proposal

Mr. Bitterman,

Mott MacDonald is pleased to provide this proposal for supplemental professional engineering services related to the John King Road widening Project in Crestview, Florida.

These proposed additional services for engineering design services will include the following:

- Survey and Legal Descriptions
- Design and Coordination for the Patel Properties.

### Scope of Services

#### **Task 1.1 – Survey and Legal descriptions**

Mott MacDonald will perform topographic survey of the improvements to 124 John King Road property. Mott MacDonald will provide a legal description or TCE if required.

#### **Task 1.2 – Driveway & Drainage Design**

Mott MacDonald will design the driveway and drainage associated with the 124 John King Road property. Mott MacDonald will develop the driveway profile and incorporate the driveway into the plans and cross sections. Mott MacDonald will add a sidedrain to the driveway to maintain the drainage pattern in the proposed ditch. Mott MacDonald will update the quantities for the driveway and drainage.

#### **Task 1.3 – Design & Coordination with Patel Properties**

Mott MacDonald will work with the County and Patel Representatives on the Southcrest Commons entrance. Mott MacDonald will add a driveway/entrance to the development to the plans.

### Compensation

We propose a time and materials fee of \$12,232 for the services and deliverables described herein.
