

PROFESSIONAL SERVICES CONTINUING CONTRACT No. 2010-018-ES

THE PARTIES TO THIS CONTRACT are the City of Daytona Beach, a Florida municipal corporation (the "CITY"), and E Sciences, Inc., a Florida profit corporation ("CONSULTANT").

In consideration of the mutual covenants herein contained, the Parties agree as follows:

Section 1. Scope of Services. CONSULTANT will provide professional engineering services to the CITY from time to time at the direction of the CITY during the Term of this Contract. Exhibit A, attached hereto and incorporated herein by reference, provides a detailed description of the range of services that may be provided under this Contract.

All reports, estimates, logs, original drawings, and other materials furnished, prepared or executed by CONSULTANT during the term of and in accordance with the provisions of this Contract will be the property of the CITY and delivered to the CITY upon demand or, if no demand has previously been made, upon completion of the particular task for which such materials were prepared, executed, or otherwise required.

Section 2. Services Must be Authorized in Writing. This Contract, in and of itself, does not require the CONSULTANT to perform any services or provide payment for services rendered by the CONSULTANT. No services will be provided under this Contract, any no payment obligation will arise for performance of services, except when specifically authorized by CITY purchase order issued in accordance with the CITY's procurement policies. No purchase order issued may alter the terms and conditions of this Contract. In case of a conflict with a purchase order this Contract will govern. The purchase order may provide more detailed parameters for the services to be provided, such as deliverables, deadlines, etc, consistent with the provisions of this Contract.

No purchase order will be valid unless the expenditure (i) is within the City Manager's authority under the City Code's purchasing provisions, or (ii) has been specifically approved by the City Commission or the Community Redevelopment Agency for the CITY.

No claim for services furnished by the CONSULTANT not specifically provided for herein shall be honored by the CITY.

Section 3. Payment. Each purchase order will set forth an amount for payment. Payment will be established as a not-to-exceed amount or fixed fee. In either instance the payment will be based on the fee/rate schedule attached hereto and incorporated herein as Exhibit B, and the purchase order will include sufficient documentation to describe the basis on which payment has been calculated.

No additional compensation will be due CONSULTANT for any reason. Except to the extent that Exhibit B specifically provides for the CITY's reimbursement of CONSULTANT's costs and expenses, CONSULTANT's shall fully bear those costs and expenses.

CONSULTANT warrants that CONSULTANT will utilize CONSULTANT's personnel efficiently, so that the services provided will be provided by competent persons at the hourly rate tier listed in Exhibit B, consistent with the standard for performance established herein.

Section 4. Billing; Manner of Payment. In addition to requirements for payment established by applicable federal, state, or local law including the City Code, or the Exhibits, payment terms and conditions are as follows:

(a) No payment will be due for services performed until CONSULTANT submits a proper invoice. CONSULTANT must separately invoice the CITY for each purchase order. Where the purchase order provides for payment to be made in stages based upon completion of phases, tasks, or other

discrete increment of the service to be provided, CONSULTANT will invoice the CITY as these increments of service are completed, and in any event no more frequently than monthly. Where the purchase order provides for payment to be made based on the percentage of work completed, CONSULTANT will invoice the CITY no more frequently than monthly. Where the purchase order does not provide for partial payments, CONSULTANT will invoice the CITY only upon completion of the services described in the purchase order.

(b) In order to be considered to be proper, the invoice must include all information that the CITY may need to verify the accuracy of the invoice and the amount of payment due based on the specific requirements of this Contract, such as where payment is not due until deliverables are provided, or reimbursement of expenses is contingent upon proof of same.

(c) The CITY shall within 30 days after receipt of an invoice notify the CONSULTANT that the invoice is improper, or pay CONSULTANT the amount due.

Section 5. Standard of Performance. CONSULTANT's services will at a minimum meet the level care and skill ordinarily used by members of CONSULTANT's occupation/profession performing the type of services provided herein within the State of Florida.

Section 6. Relationship between Parties. This Contract does not create an employee-employer relationship between the CITY and CONSULTANT. CONSULTANT is an independent CONSULTANT of the CITY and will be in control of the means and the method in which the requested work is performed. As an independent CONSULTANT, CONSULTANT will be solely responsible for payment of all federal, state and local income tax, and self-employment taxes, arising from this Contract; and CONSULTANT agrees to indemnify and hold harmless the CITY from any obligations relating to such taxes. The CITY will not make deductions from payments due, for such taxes, or for social security, unemployment insurance, worker's compensation, or other employment or payroll taxes.

The Effective Date of this Contract is the date on which the last Party signs it. This Contract shall begin on the Effective Date and continue in effect until terminated as provided below.

Section 8. Termination.

(a) The CITY may by written notice to CONSULTANT terminate this Contract or any purchase order issued hereunder, in whole or in part, at any time, either for the CITY's convenience or because of the failure of the CONSULTANT to fulfill its contractual obligations. Upon receipt of notice, CONSULTANT shall immediately discontinue all services affected, unless the notice directs otherwise, and deliver to the CITY all data, drawings, specifications, reports, estimates, summaries, and any and all such other information and services of whatever type or nature as may have been accumulated by CONSULTANT in performing this Contract, whether completed or in process.

(b) If the termination is for the CITY's convenience, CONSULTANT shall be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONSULTANT to fulfill its contractual obligations, the CITY may take over the work and prosecute the same to completion by other agreements or otherwise. In such case, the CONSULTANT shall be liable to the CITY for all reasonable additional costs occasioned to the CITY thereby, unless the failure is due solely to a force majeure event as defined in this Contract.

(d) If after notice of termination for the CONSULTANT's failure to fulfill contractual obligations it is determined that the CONSULTANT had not so failed, the termination shall be conclusively deemed to have been effected for the CITY's convenience. In such event, adjustment in payment to CONSULTANT shall be made as provided in subsection (b) of this Section.
