ARLINGTON COUNTY, VIRGINIA

STANDARD FORM AGREEMENT No. 20-814-SS

THIS AGREEMENT ("Agreement") is made on the date of execution by the County between the COUNTY BOARD OF ARLINGTON COUNTY, VIRGINIA ("County") and D.C. Materials, Inc., with a principal place of business located at 3334 Kenilworth Avenue, Hyattsville, Maryland, 20781 ("Contractor").

1. The Contractor agrees to provide the following goods or services:

Landfill Disposal
2. The County will have no obligation to the Contractor if no goods or services are required.
3. The Contractor's provision of these goods or services is subject to review and approval by the County's Project Officer.
4. The Contractor shall provide the goods or services covered by the Contract beginning on the date of execution by the County. Unless terminated as provided below, the Agreement shall continue until November 30, 2021.
5. The County will pay the Contractor, for services or goods that the Project Officer accepts, in accordance with the pricing as stipulated in Exhibit A. Contract pricing under this agreement is subject to change January 1st of each subsequent year of the contract term, upon mutual agreement between the County and the Contractor. The County will pay the Contractor net 45 days from receipt of an invoice that the Project Officer approves for payment.
6. The Contractor is an independent contractor, and the County will not withhold from the Contractor's compensation any federal or Virginia unemployment taxes, federal or Virginia income taxes, Social Security tax or any other amounts for benefits to the Contractor or its agents or employees.
7. The Contractor is obligated to take one of the two following actions within seven (7) days after receipt of amounts paid to the Contractor by the County for work performed by any subcontractor under this Agreement:
 - a. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Agreement; or

- b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment, with the reason for nonpayment.

The Contractor is obligated to pay interest to any subcontractor on all amounts owed by the Contractor to the subcontractor that remain unpaid after seven (7) days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Agreement, except for amounts withheld as allowed in section b., above. Unless otherwise provided under the terms of this Agreement, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as those contained in this Agreement with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed to be an obligation of the County. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

8. The County may terminate this Agreement at any time whenever the Purchasing Agent determines that termination is in the County's best interest. The Contractor will be entitled to receive compensation for all goods or services that the County accepted before the termination notice. The Contractor may terminate this Agreement at any time by giving the County 30 days written notice.
9. Time is of the essence and the Contractor agrees that failure to provide timely service will render this Agreement null and void.
10. The Contractor must provide a certificate of proof of the insurance coverages before the start of work:
 - Workers Compensation-Standard Workers Compensation Policy.
 - Commercial General Liability (CGL)- \$500,000 combined single limit with \$1,000,000 aggregate coverage to include Personal Injury, Completed Operations, Contractual Liability and, where applicable to the services, Products and Independent Contractors. "The County Board of Arlington County, Virginia, and its officers, employees and agents" must be additional named insureds on the CGL policy.
 - Automobile Bodily Injury and Property Damage Liability - \$500,000 Combined Single Limit (Owned, non-owned, or hired, as applicable)

11. The Contractor agrees as follows:

- a. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability or on any other basis prohibited by Virginia or federal law and must post in this nondiscrimination clause in conspicuous places, available to employees and applicants for employment.
- b. The Contractor must state that it is an Equal Opportunity Employer in all solicitations or advertisements for employees that it places or causes to be placed.
- c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall meet the requirements of this section.
- d. In the event that the Contractor utilizes sub-contractors in performance of this contract, the Contractor must include the provisions of the foregoing paragraphs a), b), and c) in every subcontract or Purchase Order in excess of \$10,000.00, so that the provisions will be binding upon each subcontractor and/or supplier.

12. The Contractor must comply with the provisions of the Americans with Disabilities Act of 1990, which prohibits discrimination against individuals with disabilities in employment and mandates their full participation in publicly- and privately-provided services and activities.

13. The Contractor must (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of marijuana or any other controlled substance is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) in the event that the Contractor utilizes sub-contractors in performance of this contract, it shall include the provisions of the foregoing clauses in every subcontract or purchase order in excess of \$10,000.00, so that the provisions will be binding upon each subcontractor or supplier. For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with this Agreement.

14. The Contractor acknowledges that it does not, and will not during the performance of this Agreement, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

15. This Agreement is governed by the Arlington County Purchasing Resolution, which is incorporated by reference. The time limit for decision by the County Manager in

Contractual Disputes, as that term is used in the Purchasing Resolution, is thirty (30) days.

16. This Agreement is not effective until the County issues a valid County Purchase Order covering the amount of the Agreement.
17. All payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia ("Board"). In the event that the Board does not appropriate funds for the goods or services provided under this Contract, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the fiscal year or when the previous appropriation has been spent, whichever event occurs first.
18. This Contract incorporates by reference Article 9 of the Arlington County Purchasing Resolution, as well as all state and federal laws related to ethics, conflicts of interest or bribery, including the State and Local Government Conflict of Interests Act (Code of Virginia § 2.2-3100 et seq.), the Virginia Governmental Frauds Act (Code of Virginia § 18.2-498.1 et seq.) and Articles 2 and 3 of Chapter 10 of Title 18.2 of the Code of Virginia, as amended (§ 18.2-438 et seq.). The Contractor certifies that its proposal was made without collusion or fraud; that it has not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor; and that it has not conferred on any public employee having official responsibility for this procurement any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.
19. No Arlington County employee may share in any part of this Contract or receive any benefit from the Contract that is not available to the general public
20. The County does not discriminate against faith-based organizations.
21. The Contractor and its employees, agents and subcontractors will hold as confidential all County Information that they obtain under this Agreement. Confidential Information includes, but is not limited to, nonpublic personal information; personally, identifiable health information; security numbers; addresses; dates of birth; information pertaining to products, operations, systems, customers, prospective customers, techniques, intentions, processes, plans and expertise. The Contractor must take reasonable measures to ensure that all of its employees, agents, and subcontractors are informed of and abide by this requirement.
22. The Contractor covenants for itself, its employees and its subcontractors to save, defend, hold harmless and indemnify the County and all of its elected and appointed officials, officers, current and former employees, agents, departments, agencies,

boards and commissions (collectively the "County Indemnitees") from and against any and all claims made by third parties for any and all losses, damages, injuries, fines, penalties, costs (including court costs and attorneys' fees), charges, liability, demands or exposure resulting from, arising out of or in any way connected with the Contractor's negligent acts or omissions, including the negligent acts or omissions of its employees and/or subcontractors, in performance or nonperformance of the Contract, up to the amount of the limits of the Contractor's applicable insurance coverage. This duty to save, defend, hold harmless and indemnify will survive the termination of this Contract. If the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor must reimburse the County for any and all resulting payments and expenses, including reasonable attorneys' fees. The Contractor must pay such expenses upon demand by the County, and failure to do so may result in the County withholding such amounts from any payments to the Contractor under this Contract.
