If no alternative location is available, then the remaining program schedule shall be postponed until an available alternative location can be reserved or canceled. Please note that the County shall determine the best course of action to provide facility maintenance to County locations with minimal impact on the Contractor(s) ability to render the services and/or the program operation.

Should maintenance be required at a County facility in which a program(s) is to be held or is currently in progress, the County reserves the right to relocate the program(s) to an alternate County facility, or upon agreement, the Contractor's place of business or other off-site location.

The County shall not be responsible for any loss in the Contractor's income or wages due to scheduled maintenance, emergency repairs, inclement weather cancellations, and/or any unforeseen circumstances that require the closure of a County facility.

Whenever possible, County staff may provide at least 30-day notice to the Contractor(s) for any scheduled maintenance.

Camps that do not meet the minimum enrollment 14 days prior to camp will be canceled by the Project Officer. DPR will communicate to the participant via email.
