### NOT INCLUDED WITH THIS FULL SERVICE CONTRACT

- ✓ Battery Replacement (parts, labor, shipping)
- ✓ Capacitor and Fan Replacements
- ✓ Repairs needed from pre-existing conditions noted at or before first PM Inspection

## Additional Comments

### Optional:

- ✓ A multi-year service Price-Lock Option is available. As long as executed with the initial contract, subsequent years for like services will be billed annually at the same price as the initial year price with no increases, for up to 5 years.

### Additional Notes:

- ✓ On first Major Performance Inspection, all parts and labor required to cause the unit(s) under contract to meet manufacturer's specifications will be quoted to the customer. If a particular model of equipment has been discontinued or placed on end of life status by a manufacturer EOLA will use its best effort to obtain parts but cannot guarantee the availability thereof.
- ✓ When a price quotation is for multiple items it is a composite price and shall not be construed as a line item price. If a line item price is required, it should be separately requested and it will be identified as such.
- ✓ All EOLA Standard Terms and Conditions are applicable with this Service Contract & Price Quotation.
- ✓ This quotation is valid for a period of 45 days from the date of this document. This price quotation does not include all applicable taxes, shipping and handling costs, unless otherwise noted.
