Terms & Conditions

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices.

Any alteration or deviation from the above specifications involving extra costs will be done upon a change order. The costs will become an extra charge over and above the estimate. This estimate does not include additional labor and materials which may be required should unforeseen problems arise after the work has started.

Contractor is not responsible for drought, vandalism, or freeze. All elements of this agreement are contingent upon accidents, weather, or delays beyond our control.

Contractor will warranty sod for a period of sixty days and plant material/trees for a period of one year from the date of installation. However, it is the responsibility of the owner to apply adequate irrigation, fertilizers, and pest controls to keep materials healthy and free of weeds and/or pests. Contractor will not warranty sod or plant material without an automatic irrigation system. Contractor will not warranty palm trees without bubblers being installed.

There is a one year limited warranty from the date of installation on irrigation parts and labor. Warranty does not cover damage to heads and rotors due to being hit or run over. Warranty does not cover damage due to freezing or lightning strikes.

Contractor maintains \$1,000,000 in General Liability Insurance and all employees are covered with state mandated workers compensation.

Contractor reserves the right to remove all materials if payment is not received within the specified time. If a dispute arises, we agree that the prevailing party will be entitled to reasonable attorney fees and costs. Interest will be charged at 2% per month on unpaid amounts.

Note: If you agree with this proposal, we require a %50 percent deposit to get on schedule.

Note: If you use a credit card there will be a 3% convenience fee added.

Note: Any irrigation work that needs to be done will be billed at a rate of \$85 dollars per hour plus materials.
