

**ARLINGTON COUNTY, VIRGINIA**

**AGREEMENT NO. 20-052-RFP-1-LW  
AMENDMENT NUMBER 1**

This Amendment Number 1 is made on January 28, 2022 and amends Agreement Number 20-052-RFP-1-LW (“Main Agreement”) dated February 26, 2021 between National Capital Treatment & Recovery (“Contractor”) and the County Board of Arlington County, Virginia (“County”).

The County and the Contractor agree to amend the Main Agreement as follows:

**1. ADD CLAUSE NUMBER 55 TO THE CONTRACT AS FOLLOWS:**

**55. COVID-19 VACCINATION POLICY FOR CONTRACTORS:**

Due to the COVID-19 pandemic, the County has taken various steps to protect the welfare, health, safety and comfort of the workforce and public at large. As part of these steps, the County has implemented various requirements with respect to health and safety including policies with respect to social distancing, the use of face-coverings and vaccine mandates. All County Contractors, entering County owned, controlled, or leased facilities or facilities operated by a contractor if the services provided at that location are exclusive to Arlington County Government or contractors with public facing responsibilities must adopt these policies for implementation with their employees and subcontractors working on County contracts.

Contractors are required to obtain and maintain the COVID-19 vaccine status of employees or subcontractors, require any unvaccinated or not fully vaccinated employees to follow a weekly testing protocol established by the Contractor to submit to weekly testing, and provide any accommodations as required by law. Contractor should submit the certification of compliance to the Purchasing Agent at the time of contract execution and within five working days of the end of each quarter (see Exhibits G and H). In addition, all Contractor and subcontractor employees subject to the requirements of this section must also comply with the County COVID-19 masking and social distancing protocols, as signed at each County location.

It is recognized that the COVID-19 pandemic is an ongoing health crisis. As such, requirements with respect to health and safety, including vaccines and face-coverings may change over time. Contractors are expected to adhere to the County requirements as they evolve in response to the crisis.

For questions, the Contractor may email [contractorvaccineinfo@arlingtonva.us](mailto:contractorvaccineinfo@arlingtonva.us).

**2. REPLACE CONTRACT CLAUSE 52 IN ITS ENTIRETY WITH THE FOLLOWING:**

**52. SERVICE CONTRACT WAGE REQUIREMENTS**

a. LIVING WAGE

The County has determined that the provisions of Section 4-103 of the Arlington County Purchasing Resolution (regarding “Service Contract Wage” or “Living Wage”) apply to this Contract. All employees of the Contractor and any subcontractors working on County-owned, County controlled property, facilities owned, or leased, and operated by a Contractor if services provided at that

location are exclusive to Arlington County, or contracts for home-based client services must be paid no less than the hourly Living Wage rate that is published on the County's web site.

b. COMPLAINTS BY AGGRIEVED EMPLOYEES

If the Contractor fails to pay the Living Wage rate, an aggrieved employee or subcontractor may file a complaint with the County Purchasing Agent within six months of the underpayment. If the Purchasing Agent determines that the Contractor has failed to comply with the Living Wage rate provisions of the Purchasing Resolution, the Contractor will be liable to the employee for the unpaid wages, plus interest at the judgment rate from the date originally due, and less any deductions required or permitted by Virginia law. The Contractor must not discharge, reduce the compensation of or otherwise retaliate against any employee who files a complaint with the County Purchasing Agent or takes any other action to enforce the requirements of this section.

c. ADDITIONAL COMPLIANCE REQUIREMENTS

At all times during the term of the Contract, the Contractor must:

1. Post the current Living Wage rate, in English and Spanish, in a prominent place at its offices and at each location where its employees perform services under this Contract Go (see sample notice in Attachment F);
2. Within five days of an employee's request, provide a written statement of the applicable Living Wage rate, using the same form provided in Attachment F;
3. Include the provisions of this section in all subcontracts for work performed under the Contract; and
4. Submit to the Purchasing Agent, within five working days of the end of each quarter, certified copies of quarterly payroll reports for each employee, including subcontractor employees, working under the Contract during the quarter and a completed Arlington County Contractor Living Wage Quarterly Compliance Report (Attachment E).

d. CONTRACTOR RECORD KEEPING

The Contractor must preserve for five years after the expiration or termination of this Contract records of wages and benefits provided to each employee who worked under the Contract and must allow the County or its authorized agents to examine the documents during this period and during the Contract Term. The Contractor must provide any requested documents to the County for examination within 15 days of the request at the Contractor's expense.

e. VIOLATIONS

Violation of this section, as determined by the Purchasing Agent, will be a ground for termination of this Contract and suspension or debarment of the Contractor from consideration for future County contracts.
