## Part F.1.1 – Base Bid Schedule

### AEPA IFB #020-A Category 1 - Synthetic Turf for Sport Fields

**Bidding Company Name:** *FieldTurf USA, Inc.*

**INSTRUCTIONS:** Part B: Specifications refer to the type and quality of products and services being bid. In the form below, enter your bid prices for those items indicated, the prices and/or discounts offered for providing all equipment, goods, services, supplies and related items. The prices you offer on these pages affirm that you have accepted the specifications to obtain, deliver and provide those goods and services requested. Each Bidder is encouraged to offer its complete product line and provide the lowest and best prices for the complete product line(s) offered. Bidders are encouraged to include new technologies and may add additional pricing sheets as necessary. Bidders may also provide catalogs or pricing sheets that provide different discounts by category to ensure the most aggressive pricing structure. Please provide price lists and/or catalogs that state a list/retail/regular price, AEPA discount and the AEPA price. *If additional clarification, price sheet(s) and/or catalog(s) pertaining to the bid being submitted are needed, include them behind the last tab.* Clearly indicate and identify the items involved and what you wish to communicate in your response.

## Part F.1.3 – Base Bid Schedule

### AEPA IFB #020-A Category 3 - Running Track, Tennis and Athletic Courts

**Bidding Company Name:**

**FieldTurf USA, Inc.**

**INSTRUCTIONS:** Part B: Specifications refer to the type and quality of products and services being bid. In the form below, enter your bid prices for those items indicated, the prices and/or discounts offered for providing all equipment, goods, services, supplies and related items. The prices you offer on these pages affirm that you have accepted the specifications to obtain, deliver and provide those goods and services requested. Each Bidder is encouraged to offer its complete product line and provide the lowest and best prices for the complete product line(s) offered. Bidders are encouraged to include new technologies and may add additional pricing sheets as necessary. Bidders may also provide catalogs or pricing sheets that provide different discounts by category to ensure the most aggressive pricing structure. Please provide price lists and/or catalogs that state a list/retail/regular price, AEPA discount and the AEPA price. *If additional clarification, price sheet(s) and/or catalog(s) pertaining to the bid being submitted are needed, include them behind the last tab.* Clearly indicate and identify the items involved and what you wish to communicate in your response.

**Part F.1.3 is a REQUIRED FORM for Category 3 - Running Track, Tennis and Athletic Courts**

No.	Description	Unit of Measure	List Price	Percentage Discount	Bid Price	Comments	No.
1	<b>Install a New Running Track on a Concrete or Asphalt Base for 6 Lane Track</b>						
2	Pour-in-place, all-weather synthetic track surface consisting of permeable polyurethane bound rubber base mat and a structural spray coating of pigmented polyurethane and rubber. Including materials and labor.	Cost Per Sq. Ft.	\$ 6.67	9.00%	\$ 6.07	BSS-100-minimum purchase of 4000sy or 36,000sf.	2
3	Pour-in-place, all-weather synthetic track surface consisting of impermeable polyurethane bound rubber base mat and a solid pour polyurethane coating with rubber granules in a light encapsulating finish. Including materials and labor.	Cost Per Sq. Ft.	\$ 8.33	9.00%	\$ 7.58	BSS-200 -minimum purchase of 4000sy or 36,000sf.	3
4	Impermeable polyurethane synthetic track system comprised of a base layer of polyurethane bound SBR rubber granules, an impermeable layer (seal coat) of a two-component urethane, and topped with a spray-applied coating of single-component polyurethane and EPDM granules. Including materials and labor.	Cost Per Sq. Ft.	\$ 10.00	9.00%	\$ 9.10	BSS-300-minimum purchase of 4000sy or 36,000sf.	4
5	A porous, paved-in-place system, utilizing a machine installed base of single compound polyurethane binder and SBR rubber granules. The surface is finished with multiple spray applications of 100% solids, pigmented polyurethane and EPDM granules or water-based structural spray. Including materials and labor.	Cost Per Sq. Ft.	\$ 5.56	9.00%	\$ 5.06	BSS-50 -minimum purchase of 4000sy or 36,000sf.	5
6	Impermeable polyurethane synthetic track system consisting of SBR Rubber, a single-component polyurethane binder and, a poured-in-place, two-component U.V. stabilized elastomeric polyurethane wearing layer with an embedded textured finish. Including materials and labor.	Cost Per Sq. Ft.	\$ 10.56	9.00%	\$ 9.61	BSS-1000 10mm minimum purchase of 4000sy or 36,000sf.	6
7	Full depth poured-in-place two component, UV stabilized elastomeric polyurethane Dual Durometer synthetic surfacing system with embedded textured finish. Including materials and labor.	Cost Per Sq. Ft.	\$ 10.89	9.00%	\$ 9.91	BSS-1000 13mm-minimum purchase of 4000sy or 36,000sf.	7
8	A full depth poured-in-place two component, UV stabilized elastomeric polyurethane Tri-Durometer synthetic surfacing system with embedded textured finish and contain no SBR granulate in the system. Including materials and labor.	Cost Per Sq. Ft.	\$ 12.22	9.00%	\$ 11.12	BSS-2000 -minimum purchase of 4000sy or 36,000sf.	8
9	Pour-in-place, all-weather synthetic track surface consisting of polymer resin binders and rubber granules. Including materials and labor.	Cost Per Sq. Ft.	\$ 4.76	9.00%	\$ 4.33	Black Poly-Resin minimum purchase of 4000sy or 36,000sf.	9
10	Pour-in-place, all-weather synthetic track surface consisting of polymer resin binders and rubber granules and multiple sprays of polymer resin coating. Including materials and labor.	Cost Per Sq. Ft.	\$ 4.40	9.00%	\$ 4.00	Poly-4000 minimum purchase of 4000sy or 36,000sf.	10
11	Pour-in-place, all-weather synthetic track surface consisting of impermeable polyurethane bound rubber base mat and a solid pour polyurethane coating with rubber granules in a light encapsulating finish. Including materials and labor	Cost Per Sq. Ft.	\$ 10.33	9.00%	\$ 9.40	BSS-300 LE minimum purchase of 4000sy or 36,000sf.	11
12	<b>Install a New Running Track on a Concrete or Asphalt Base for 8 Lane Track</b>						
13	Pour-in-place, all-weather synthetic track surface consisting of permeable polyurethane bound rubber base mat and a structural spray coating of pigmented polyurethane and rubber. Including materials and labor.	Cost Per Sq. Ft.	\$ 6.67	9.00%	\$ 6.07	BSS-100-minimum purchase of 4000sy or 36,000sf.	13

No.	Description	Unit of Measure	List Price	Percentage Discount	Bid Price	Comments	No.
14	Pour-in-place, all-weather synthetic track surface consisting of impermeable polyurethane bound rubber base mat and a solid pour polyurethane coating with rubber granules in a light encapsulating finish. Including materials and labor.	Cost Per Sq. Ft.	\$ 8.33	9.00%	\$ 7.58	<b>BSS-200 -minimum purchase of 4000sy or 36,000sf.</b>	14
15	Impermeable polyurethane synthetic track system comprised of a base layer of polyurethane bound SBR rubber granules, an impermeable layer (seal coat) of a two-component urethane, and topped with a spray-applied coating of single-component polyurethane and EPDM granules. Including materials and labor.	Cost Per Sq. Ft.	\$ 10.00	9.00%	\$ 9.10	<b>BSS-300-minimum purchase of 4000sy or 36,000sf.</b>	15
16	A porous, paved-in-place system, utilizing a machine installed base of single compound polyurethane binder and SBR rubber granules. The surface is finished with multiple spray applications of 100% solids, pigmented polyurethane and EPDM granules or water-based structural spray. Including materials and labor.	Cost Per Sq. Ft.	\$ 5.56	9.00%	\$ 5.06	<b>BSS-50 -minimum purchase of 4000sy or 36,000sf.</b>	16
17	Impermeable polyurethane synthetic track system consisting of SBR Rubber, a single-component polyurethane binder and, a poured-in-place, two-component U.V. stabilized elastomeric polyurethane wearing layer with an embedded textured finish. Including materials and labor.	Cost Per Sq. Ft.	\$ 10.56	9.00%	\$ 9.61	<b>BSS-1000 10mm minimum purchase of 4000sy or 36,000sf.</b>	17
18	Full depth poured-in-place two component, UV stabilized elastomeric polyurethane Dual Durometer synthetic surfacing system with embedded textured finish. Including materials and labor.	Cost Per Sq. Ft.	\$ 10.89	9.00%	\$ 9.91	<b>BSS-1000 13mm-minimum purchase of 4000sy or 36,000sf.</b>	18
19	A full depth poured-in-place two component, UV stabilized elastomeric polyurethane Tri-Durometer synthetic surfacing system with embedded textured finish and contain no SBR granulate in the system. Including materials and labor.	Cost Per Sq. Ft.	\$ 12.22	9.00%	\$ 11.12	<b>BSS-2000 -minimum purchase of 4000sy or 36,000sf.</b>	19
20	Pour-in-place, all-weather synthetic track surface consisting of polymer resin binders and rubber granules. Including materials and labor.	Cost Per Sq. Ft.	\$ 4.76	9.00%	\$ 4.33	<b>Black Poly-Resin minimum purchase of 4000sy or 36,000sf.</b>	20
21	Pour-in-place, all-weather synthetic track surface consisting of polymer resin binders and rubber granules and multiple sprays of polymer resin coating. Including materials and labor.	Cost Per Sq. Ft.	\$ 4.40	9.00%	\$ 4.00	<b>Poly-4000 minimum purchase of 4000sy or 36,000sf.</b>	21
22	Pour-in-place, all-weather synthetic track surface consisting of impermeable polyurethane bound rubber base mat and a solid pour polyurethane coating with rubber granules in a light encapsulating finish. Including materials and labor.	Cost Per Sq. Ft.	\$ 10.33	9.00%	\$ 9.40	<b>BSS-300 LE minimum purchase of 4000sy or 36,000sf.</b>	22
23	<b>Install a New Court on a Concrete or Asphalt Base</b>						23
24	To install a Singles Tennis Court include all material and labor .	Cost Per Sq. Ft.	\$ 1.94	9.00%	\$ 1.77	<b>Plexipave California Products or equivalent:</b> 4 coat system that provides a long wearing color surface of uniform texture. Systems are suitable for all climatic conditions and protect asphalt from ultraviolet ray deterioration. Based on 100% acrylic water vehicle coatings. 1 court is 7200sf. 1 Year Warranty.	24
25	To install a Doubles Tennis Court include all material and labor .	Cost Per Sq. Ft.	\$ 1.65	9.00%	\$ 1.50		25
26	To install a Basketball Court College include all material and labor .	Cost Per Sq. Ft.	\$ 1.94	9.00%	\$ 1.77		26
27	To install a Basketball Court High School include all material and labor .	Cost Per Sq. Ft.	\$ 1.94	9.00%	\$ 1.77		27
28	Preparation, cleaning of existing stable asphalt/concrete base, prior to installation of track or court surfacing	Cost Per Sq. Ft.	\$ 0.40	9.00%	\$ 0.36		28

## Part F.1.4 – Base Bid Schedule

### AEPA IFB #020-A Category 4 – Synthetic Turf for Playground, Pet, Commercial, Landscaping Applications

**Bidding Company Name:**

**FieldTurf USA, Inc.**

**INSTRUCTIONS:** Part B: Specifications refer to the type and quality of products and services being bid. In the form below, enter your bid prices for those items indicated, the prices and/or discounts offered for providing all equipment, goods, services, supplies and related items. The prices you offer on these pages affirm that you have accepted the specifications to obtain, deliver and provide those goods and services requested. Each Bidder is encouraged to offer its complete product line and provide the lowest and best prices for the complete product line(s) offered. Bidders are encouraged to include new technologies and may add additional pricing sheets as necessary. Bidders may also provide catalogs or pricing sheets that provide different discounts by category to ensure the most aggressive pricing structure. Please provide price lists and/or catalogs that state a list/retail/regular price, AEPA discount and the AEPA price. *If additional clarification, price sheet(s) and/or catalog(s) pertaining to the bid being submitted are needed, include them behind the last tab.* Clearly indicate and identify the items involved and what you wish to communicate in your response.

**Part F.1.4 is a REQUIRED FORM for Category 4 – Synthetic Turf for Playground, Pet, Commercial, Landscaping Applications**

**FieldTurf AEPA-A General Pricing Notes for the following categories:**

**Category 1- Synthetic Turf for Sport Fields**

**Category 3-Running Track, Tennis and Athletic Courts**

**Category 4-Synthetic Turf for Playground, Pet, Commercial, Landscaping Applications.**

1. Shipping and Freight to Canada, Hawaii, Alaska or other areas outside of the continental US is not included in standard Primary pricing and will be an additional cost based on site location. Additional shipping costs will be based on the cost to transport equipment and materials from the closest US port to the job site. Additional costs may also be added for crew transportation and accommodations to any site outside of the continental US.

2. FieldTurf offers financing options for customers who qualify.

3. OPTIONAL Pricing (Hot List Pricing): Volume Discounts are available on supply and installation of turf surfacing and related site work on a case-by-case basis and will be discussed with owner and AEPA to determine an acceptable discount based on the applicable volume.

4. Price per unit cost accounts for domestic shipping, use tax, state specific tax and wage rates (Davis Bacon, non-prevailing wages, prevailing wages).

5. FieldTurf works with AEPA to track sales by sending AEPA copies of quarterly reports on status of administrative fee remittance.

6. If site work is required: Alternative Method of Costing covers any product and/or service not covered by catalog pricing, published price list, line-item price list, automated system for pricing, or is a product and /or service due to the projects or applications specifications, conditions and /or requirements that need to be custom designed, developed, manufactured and /or produced to meet the requirements of an individual project or sole source.

7. If site work is required: Unit Price Book via RS MEANS estimate will be obtained for projects with site work line items not included in FieldTurf AEPA product pricing spreadsheet. RS MEANS is self contained and consists of a turn-key solution that includes a complete line-item listing of all the products, supplies, material, equipment, services, accessories and options with their description, specification, terms, conditions and associated pricing for each item, sub-assemblies and/or assemblies. FieldTurf reserves the right to offer a discount to the RS MEANS calculation to account for volume discounts or to stay within standard market pricing.

8. FieldTurf maintains the right to add Administrative Management fees to projects that include site work.

9. Pricing and warranty applies to turf fields that are 45,000sf or more. For projects less than 45,000 sf, owner, RS MEANS pricing will be used. EasyTurf sq. foot pricing applies for a minimum purchase of 4000 sf. For projects that do not meet the minimum requirement, owner, AEPA will use RS MEANS. Pricing is for track projects over 4000 sy and applies to only standard black or red colors. Custom color track surfacing is available at an increased price per square yard.

10. New Construction – Sq. foot/yard pricing is for surfacing only. FieldTurf is prepared to offer turn key solutions for the construction of running tracks, courts, and fields through use of Alternative Costing and RS Means. The best value pricing for base or civil work is obtained through these costing methods.

Site work or new construction may include but is not limited to: removal and disposal of existing sports surface, lighting, demolition, excavation, rock base aggregate, top rock, asphalt, concrete, sidewalks, turf shock absorption underlayment such as e-layer or padding, tie in to existing drainage, drainage systems, conduits, fencing, crack repair, asphalt repair, etc. which can be purchased through RS MEANS or Alternative Costing based on the owner's preference.

11. FieldTurf works with several subcontractors who supply and install Fieldturf/Beynon products or services related to sports construction and they promote the FieldTurf cooperative purchasing program: SmartBuy. These Subcontractors include but are not limited to: Beynon Sports Surfaces, Renner Sports Surfaces, American Athletic Court Inc. , Copeland Coating Company Inc., The Landtek Group, Clark Companies, Chenango Contracting, ELA Group, Inc.; Hinding Tennis, Halecon, FieldTurf Northwest, Deluxe Athletics, King Sports, Ace Tennis, Maser Consulting, O Sports, NIDY, Vasco, Shaker Flats, Cape and Island, Midwest Turf, Mountain West, RS Global, Desso Sports, Crafc0.
