THIS FIRM GAS CONFIRMATION is effective 6/14/2022 by and between WGL Energy Services, Inc. ("Seller") and Arlington County ("Buyer") for the sale and delivery of Buyer's full requirements for all accounts listed on Attachment A, and is subject to the terms and conditions of the Frederick County Public Schools RFP 18MISC4, Natural Gas Supply executed by both parties. It is understood that Buyer has a Firm Delivery service Agreement with its LDC. Buyer agrees that Seller's delivery obligations hereunder are subject to, and depend upon, verification by Buyer's Utility that the accounts herein meet the requisite Utility load profile and rate classification.

**Buyer's Utility:** Washington Gas **Transportation Rate Schedule(s):** Firm Burner Tip + Storage + Balancing

All prices quoted are to the "Burner Tip", and include balancing charges, as provided on the website; <http://www.wglholdings.com/>, an adjustment for lost and unaccounted for gas and wet to dry conversion, and storage charges. All accounts will be billed based on Buyer's consumption. Prices are subject to change prior to written confirmation by Seller.

**Tax:**

Buyer must provide to Seller a tax exempt certificate or other documented evidence of Buyer's tax exempt status for accounts covered under this Confirmation prior to the effective account enrollment date. If Buyer fails to provide Seller such documentation, Seller shall be obligated to bill Buyer for the applicable sales tax.

Quoted rates do not include any cost increases related to Columbia Gas Transmission Rate Case RP20-1060. Any cost changes as a result of this rate case will be passed through to Buyer as a separate monthly amount. Seller shall provide Buyer with supporting documentation and calculation upon request.

### IMPORTANT - SALES TAX INFORMATION

WGL Energy Services is required to collect the applicable transaction taxes in certain jurisdictions.

It is very important that we correctly identify the tax status of each customer to complete the contracting process. If tax status is not clearly documented, each customer is treated as taxable. In most jurisdictions, any claim for a refund of taxes paid must be directed to the taxing entity. (NOTE: Whether exempt from tax or not, each commercial customer in Washington, DC, must provide written affirmation of tax status so we may complete the contracting process.)

Please confirm the information on this form; please make any edits on the document or advise us of required changes so we can update the form. Should there be any questions or corrections, please contact our Contract Administration team, via email, [WGL\\_contracts@wglenergy.com](mailto:WGL_contracts@wglenergy.com) OR contact your Business Development Manager (BDM).

If your organization is exempt from sales tax, please submit your current, valid exemption certificate with this completed form along with the list of accounts covered by the certificate, indicating the applicable exemption rate for each account on the list. NOTE: If your property is 100% residential or you are exempt from sales tax by federal statute, no exemption certificate is required, but you must provide a written statement attesting to your status for each applicable account.

Incomplete tax exemption certificates and statements will result in taxes being charged.

THIS FIRM GAS CONFIRMATION is effective 6/14/2022 by and between WGL Energy Services, Inc. ("Seller") and Arlington County ("Buyer") for the sale and delivery of Buyer's full requirements for all accounts listed on Attachment A, and is subject to the terms and conditions of the Frederick County Public Schools RFP 18MISC4, Natural Gas Supply executed by both parties. It is understood that Buyer has a Firm Delivery service Agreement with its LDC. Buyer agrees that Seller's delivery obligations hereunder are subject to, and depend upon, verification by Buyer's Utility that the accounts herein meet the requisite Utility load profile and rate classification.

**Buyer's Utility:** Washington Gas **Transportation Rate Schedule(s):** Firm Burner Tip + Storage + Balancing

All prices quoted are to the "Burner Tip", and include balancing charges, as provided on the website; <http://www.wglholdings.com/>, an adjustment for lost and unaccounted for gas and wet to dry conversion, and storage charges. All accounts will be billed based on Buyer's consumption. Prices are subject to change prior to written confirmation by Seller.

**Billing: Utility Billing**

If during the effectiveness of this Confirmation, Buyer's utility adopts purchase of receivables discount rates applicable to one or more of Buyer's accounts covered by this Confirmation that in Seller's sole discretion would increase Seller's costs, Seller shall have the right to notify and bill Buyer directly for deliveries to such accounts at no additional cost or change in payment terms to Buyer.

**Tax:**

Buyer must provide to Seller a tax exempt certificate or other documented evidence of Buyer's tax exempt status for accounts covered under this Confirmation prior to the effective account enrollment date. If Buyer fails to provide Seller such documentation, Seller shall be obligated to bill Buyer for the applicable sales tax.

If after this Confirmation is executed, any of Seller's Pipeline Costs or Utility Costs significantly increase from the costs that underlie the Price because (1) FERC issues an order or a FERC regulated pipeline revises its tariff, (2) a change in law is enacted, or (3) the applicable Public Service Commission issues an order, or Buyer's utility revises its tariff (together "Regulatory Changes"), then Seller may pass through such cost increases to Buyer by separate monthly charge and Seller shall provide Buyer with supporting documentation and calculation of any cost increase upon request.

Quoted rates do not include any cost increases related to Columbia Gas Transmission Rate Case RP20-1060. Any cost changes as a result of this rate case will be passed through to Buyer as a separate monthly amount. Seller shall provide Buyer with supporting documentation and calculation upon request.

### IMPORTANT - SALES TAX INFORMATION

WGL Energy Services is required to collect the applicable transaction taxes in certain jurisdictions.

It is very important that we correctly identify the tax status of each customer to complete the contracting process. If tax status is not clearly documented, each customer is treated as taxable. In most jurisdictions, any claim for a refund of taxes paid must be directed to the taxing entity. (NOTE: Whether exempt from tax or not, each commercial customer in Washington, DC, must provide written affirmation of tax status so we may complete the contracting process.)

Please confirm the information on this form; please make any edits on the document or advise us of required changes so we can update the form. Should there be any questions or corrections, please contact our Contract Administration team, via email, [WGL\\_contracts@wglenergy.com](mailto:WGL_contracts@wglenergy.com) OR contact your Business Development Manager (BDM).

If your organization is exempt from sales tax, please submit your current, valid exemption certificate with this completed form along with the list of accounts covered by the certificate, indicating the applicable exemption rate for each account on the list. NOTE: If your property is 100% residential or you are exempt from sales tax by federal statute, no exemption certificate is required, but you must provide a written statement attesting to your status for each applicable account.

Incomplete tax exemption certificates and statements will result in taxes being charged.
