1. U.S. COMMUNITIES OVERVIEW

U.S. Communities Government Purchasing Alliance (herein “U.S. Communities”) helps Participating Public Agencies reduce the cost of purchased goods through strategic sourcing that combines the purchasing power of public agencies nationwide. This is accomplished through an award of competitively solicited contracts for high quality products and services by large and well recognized public agencies (herein “Lead Public Agencies”). The contracts are available for use by the respective Lead Public Agency and, also, by other Participating Public Agencies.

National Sponsors

U.S. Communities is jointly sponsored by the National Association of Counties (NACo), the National League of Cities (NLC), the Association of School Business Officials International (ASBO), the United States Conference of Mayors (USCM) and the National Governors Association (NGA) (herein “National Sponsors”).

Advisory Board

The U.S. Communities Advisory Board is made up of key government purchasing officials from across the United States.

Each Advisory Board Member is expected to actively participate in solicitations, participate in policy direction, and share expertise and purchasing innovations.

Participating Public Agencies

Today more than 55,000 public agencies utilize U.S. Communities contracts and suppliers to procure over \$2.5 Billion Dollars in products and services annually. Each month more than 500 new users register to participate. The continuing rapid growth of public agency participation is fueled by the Program's proven track record of providing unparalleled value to public agencies.

The Supplier(s) must communicate directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, and payment.

Prince William County Public Schools, VA is acting as "Contracting Agent" for the Participating Public Agencies and shall **not** be held liable for any costs, damages, expenses, fees, liabilities, etc. incurred by any other Participating Public Agency.

Each Participating Public Agency enters into a Master Intergovernmental Cooperative Purchasing Agreement (MICPA) outlining the terms and conditions that allow access to the Lead Public Agencies' Master Agreements. Under the terms of the MICPA, the procurement by the Participating Public Agency shall be construed to be in accordance with, and governed by, the laws of the state in which the Participating Public Agency resides. A copy of the MICPA is attached in Exhibit A- U.S. Communities Information.

Estimated Volume

The estimated dollar volume of Products and Services purchased under the proposed Master Agreement is \$250 Million Dollars annually. This estimate is based on the anticipated volume of the Lead Public Agency, the U.S. Communities Advisory Board members, and current sales within the U.S. Communities program. While there is no minimum quantity of products required to be purchased under the proposed Master Agreement, Prince William County Public Schools, VA and the U.S. Communities Advisory Board Members are committed to utilizing the Master Agreement. The Advisory Board members shall determine if the Master Agreement is of value to their agency, and will promote the Master Agreement among other public agencies nationwide. The Advisory Board in 2017 purchased more than \$168 Million Dollars of products and services from existing U.S. Communities contracts.

Marketing Support

U. S. Communities provides marketing support for each Supplier's products through the following:

- National Sponsors as referenced above,
- Over 90 State and Regional Sponsors,
- Sales and marketing personnel that directly promote the U.S. Communities Suppliers to Participating Public Agencies through public agency meetings, webinars, direct mail, email, online and print advertising, social media, articles, and exhibiting and presenting at national and local trade shows.
- U.S. Communities provides Suppliers government sales training and a host of marketing and sales management tools to effectively increase sales through U.S. Communities.

Multiple Awards

Multiple awards may be issued as a result of the solicitation. Multiple Awards will ensure that any ensuing Master Agreements fulfill current and future requirements of the diverse and large number of Participating Public Agencies.

Prince William County Public Schools, VA reserves the right to award the contract locally and/or nationally in the aggregate, by section, multiple award, primary, secondary, and tertiary, whichever is in the best interest of the District and Participating Public Agencies as a result of this solicitation.

Evaluation of Proposals

Proposals will be evaluated by the Lead Public Agency in accordance with, and subject to, the relevant statutes, ordinances, rules and regulations that govern its procurement practices.

U.S. Communities Advisory Board members and other Participating Public Agencies will assist the Lead Public Agency in evaluating proposals. The Supplier(s) whose response(s) affirmatively meets the requirements of this Request for Proposal and provides the best overall value will be eligible for a contract award. U.S. Communities reserves the right to make available or not make available Master Agreements awarded by a Lead Public Agency to Participating Public Agencies.

Format of Proposals

Respondents should provide their response in a single document that includes page numbers so evaluators can easily reference sections of the response. Information should be organized in the same way as the RFP is structured, meaning each question in the RFP should be shown directly followed by the proposer's response.

- 10.2. The products and services which are the subject of this Master Agreement may be covered by a service or maintenance agreement. The term of the service or maintenance agreement shall be governed by that document and may survive the expiration of this Master Agreement.
- 10.3. For future contract renewal periods, price increases shall not exceed the percentage increase/decrease in the **Consumer Price Index, Table 1 (<http://stats.bls.gov/news.release/cpi.t01.htm>)**, **Urban Consumers (CPI-U), U. S. City Average, All Items, Unadjusted, for the most recently published twelve months as published by the U. S. Department of Labor, Bureau of Labor Statistics.** The base price to which any adjustments will be made shall be the prices in effect during the contract period prior to the proposed contract period.
- 10.3.1. At the time of the contract renewal, if costs to Prince William County Schools (PWCS) are restricted by the current percentage increase/decrease of the CPI-U for the latest twelve months,

any unusual circumstances that could not have been foreseen by Contractor occur, and those circumstances significantly affect the Contractor's cost in providing the required items or services, the Contractor may request adjustments to the costs to PWCS beyond the current CPI-U cap to reflect the circumstances. *The circumstances must be beyond the control of the Contractor and fully documented.*

10.3.1.1. Documentation for pricing increases above the CPI-U cap must be provided as follows:

10.3.1.1.1. For items, documentation supporting the increased costs must be provided by the manufacturer on their letterhead.

10.3.1.1.2. For services, the Contractor must provide documentation of the circumstances causing the increased costs, including substantial proof supporting the claims made, to warrant any price increases.

10.3.2. After reviewing the documentation provided, the Supervisor of Purchasing, may accept the increased costs or refuse them if they are considered to be excessive.

10.3.2.1. If the Supervisor of Purchasing does not accept the increased costs and PWCS originally awarded multiple contracts for these items/services, PWCS reserves the right to obtain prices for the affected items/services from the other vendors who were awarded a contract and, if the prices are considered to be fair and reasonable, award the items/services to the contractor(s) with the lowest price that meets the contract requirements.

10.3.2.2. Alternatively, at its own discretion, PWCS may revise the contract requirements and issue a new solicitation.

11. **SPECIAL TERMS AND CONDITIONS:**

The Contractor shall, in this instance, be responsible for any and all costs incurred by PWCS to procure such products elsewhere.

11.5. General Insurance Requirements:

11.5.1. The Contractor shall provide to the Supervisor of Purchasing a Certificate of Insurance indicating the coverage below prior to the start of any work under the contract and agrees to maintain such insurance until the completion of the contract. The minimum insurance coverage shall be:

GENERAL TERMS AND CONDITIONS (Revised 6/11/14)

These general terms, conditions and instructions apply to all purchases and are a part of each solicitation and every contract awarded by PWCS, unless otherwise specified in such solicitation or contract. The Purchasing Office is responsible for the purchasing activity of Prince William County Public Schools and its governing body, the Prince William County Public School Board. The term "PWCS" as used herein refers to the contracting entity which is the signatory on the contract and may be either PWCS, or the PWCS School Board, or both. Bidder/Officer or their authorized representatives are expected to inform themselves fully as to the conditions, requirements, and specifications before submitting bids/proposals; failure to do so will be at the bidder's/officer's own risk.

These general terms, conditions and instructions are subject to all applicable Federal, State and local statutes, policies, resolutions, and regulations (collectively "laws"), and are to be interpreted so as to be consistent with such laws. In the case of irreducible conflict, these general terms and conditions are preempted by applicable laws.

AUTHORITY

1. The Supervisor of Purchasing has been delegated authority for issuance of invitations to bid, request for proposals, modifications, purchase orders and awards approved by and for PWCS. In the discharge of these responsibilities, the Supervisor of Purchasing may be assisted by delegating to Buyers and other Purchasing Office staff. Unless specifically delegated by the Supervisor of Purchasing, no other PWCS officer or employee is authorized to enter into purchase negotiations, change orders, contracts, or in any way obligate PWCS for indebtedness. Any purchase order or contract made which is contrary to these provisions and authorities shall be of no effect and void, and PWCS shall not be bound thereby.

CONDITIONS OF BIDDING/OFFERING

2. **OPEN PRICING RECORDS:** The classification of line item prices and/or bid prices as proprietary information or trade secrets is not acceptable. All bid prices will be read aloud at the public bid opening and posted on the PWCS Purchasing website. Any bidder who designates bid prices as proprietary information or trade secrets will be given 48 hours to withdraw this designation. If it is not withdrawn, their bid will be rejected. See § 2.2-4301.3.b.3 of the Virginia Public Procurement Act.
3. **ANNOUNCEMENT OF AWARD:** Upon the award or the announcement of the decision to award a contract as a result of this solicitation, PWCS will publicly post such notice on the Purchasing Web site, <http://purchasing.departments.pwcs.edu/> for a minimum of 10 calendar days except in emergencies.
4. **CLARIFICATION OF TERMS:** If any prospective Bidder/Officer has questions about the specifications or other solicitation documents, the prospective Bidder/Officer shall contact the Buyer whose name appears on the face of the solicitation no later than five (5) working days before the due date. Any revisions to the solicitation will be made only by a written addendum issued by the Purchasing Office.
5. **DEBARMENT STATUS:** By submitting their bid/proposal, the Bidder/Officer certifies that he/she is not currently debarred by the Commonwealth of Virginia or PWCS from submitting bids/proposals on contracts for the type of goods and/or services covered by this solicitation, nor is the Bidder/Officer an agent of any person or entity that is currently so debarred.
6. **ERRORS IN BIDS:** When an error is made in extending total prices, the unit bid price times the number of units will govern. Erasures and changes in bids must be initialed by the bidder. Carelessness in quoting prices, omitting portions of the work from the calculations, or in preparation of the bid otherwise will not relieve the bidder. Bidders are cautioned to recheck their bids for possible error. Errors discovered after public opening cannot otherwise be corrected except as provided in paragraph 16 below, and the bidder will be required to perform if his or her bid is accepted.
7. **ETHICS IN PUBLIC CONTRACTING:** By submitting their bid/proposal, Bidders/Officers certify that their bid/proposal is made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Bidder/Officer, supplier, manufacturer or subcontractor in connection with their

bid/proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised unless consideration of substantially equal or greater value was exchanged.

8. **INCLEMENT WEATHER:** Due to inclement weather conditions, PWCS may elect to close schools and administration offices. The following is an explanation of the policy:

CODE GREEN: All PWCS schools are closed. Administration offices are opened.

CODE RED: All PWCS schools are closed. Administration offices are closed.

- 8.1 In the event of a delay school opening, all times shall remain as stated in the Invitation for Bid/Request for Proposal.
- 8.2 In the event that PWCS closes on a CODE GREEN, any optional/mandatory pre-bid/proposal conference and all bid/proposal openings will be held as scheduled.
- 8.3 In the event that PWCS closes on a CODE RED, any optional/mandatory pre-bid proposal conference and all bid/proposal openings will be held on the next business day the PWCS experiences a normal opening, a delayed opening, or a school closing on a CODE GREEN, at the time previously scheduled. No exceptions will be made in this matter.
9. **LATE BIDS/PROPOSALS:** To be considered for selection, bids/proposals must be received by the PWCS Purchasing Office by the designated date and hour. The official time used in the receipt of bids/proposals is that time on the automatic time stamp machine in the Purchasing Office. Bids/proposals received in the Purchasing Office after the date and hour designated are non-responsive, automatically disqualified and will not be considered. PWCS is not responsible for delays in the delivery of mail by the U.S. Postal Service, private couriers, or the intra-school mail system or delivery by any other means. It is the sole responsibility of the Bidder/Officer to ensure that his/her bid/proposal reaches the Purchasing Office by the designated date and hour.
10. **MANDATORY USE OF PWCS FORM AND TERMS AND CONDITIONS:** Failure to submit a bid/proposal on the official PWCS form provided for that purpose may be cause for rejection of the bid/proposal. Return of this complete solicitation document is required. Modification of or additions to the General and/or Special Terms and Conditions of this solicitation may be cause for rejection of the bid/proposal; however, the Supervisor of Purchasing reserves the right to decide, on a case by case basis, in his/her sole discretion, whether to reject such a bid/proposal as non-responsive. As a precondition to its acceptance, PWCS may, in its sole discretion, request that the Bidder/Officer withdraw or modify non-responsive portions of a bid/proposal, which do not affect quality, quantity, price or delivery schedule.

11. OFFICIAL NOT TO BENEFIT:

11.1 Each Bidder/Offeree certifies by signing a bid/proposal that to the best of his/her knowledge no PWCS official or employee having official responsibility for the procurement transaction or member of his/her immediate family has received or will receive any financial benefit of more than nominal or minimal value relating to the award of this contract. If such a benefit has been received or will be received, this fact shall be disclosed with the bid/proposal or as soon thereafter, as it appears that such a benefit will be received. Failure to disclose the information prescribed above may result in suspension or debarment, recession of the contract, or recovery of the cost of the financial benefit from the contractor, recipient, or both.

11.2 Whenever there is reason to believe that benefit of the sort described in the paragraph above has been or will be received in connection with the bid/proposal or contract and that the Contractor has failed to disclose such benefit or has inadequately disclosed it, PWCS, as a prerequisite to payment pursuant to the Contractor, or at any time may require the contractor to furnish, under oath, answers to any interrogatories related to such possible benefit.

11.3 In the event the Bidder/Offeree has knowledge of benefits as outlined above, this information should be submitted with the bid/proposal. If the above does not apply at time of award of contract and becomes known after inception of a contract the Bidder/Offeree shall address the disclosure of such facts to: Supervisor of Purchasing, Prince William County Public Schools, P.O. Box 389, Manassas, VA 20108. The Invitation For Bid/Request for Proposal number shall be referenced in the disclosure.

12. **PRECEDENCE OF TERMS:** PWCS intends for the Contract Documents to be consistent and they shall be interpreted to be consistent if possible. If the Contract Documents conflict, however, the controlling provision will be the one which appears highest in the following list:

- The Notice of Award or Purchase Order/Contract (highest precedence),
- Addenda,
- Specifications and drawings,
- The signed bid/proposal submitted by the Contractor,
- Invitation for Bid/Request for Proposal,
- Any Special Terms and Conditions,
- These General Terms and Conditions (lowest precedence).

13. **QUALIFICATIONS OF BIDDERS/OFFERORS:** PWCS may make such reasonable investigations as deemed proper and necessary to determine the ability of the Bidder/Offeree to perform the work/furnish the item(s) and the Bidder/Offeree shall furnish to PWCS all such information and data for this purpose as may be requested. PWCS reserves the right to inspect Bidder's/Offeree's physical facilities prior to award to satisfy questions regarding the Bidder's/Offeree's capabilities. PWCS further reserves the right to reject any bid or proposal if the evidence submitted by, or investigations of, such Bidder/Offeree fails to satisfy PWCS that such Bidder/Offeree is properly qualified to carry out the obligations of the contract and to complete the work/furnish the item(s) contemplated herein.

14. **TIE BID:** If all bids are for the same total amount or unit price (including authorized discounts and delivery times), the PWCS Supervisor of Purchasing shall award the contract to the tie bidder providing goods produced in Virginia or goods, services or construction provided by Virginia persons, firms or corporations. If there are more than one such tie bid, then the PWCS Supervisor of Purchasing may, in his or her sole discretion, advertise the solicitation, divide the contract among the bidders (if the solicitation provided for multiple awards), or award a contract by lot from among the responsive and responsible Virginia bidders. If there are no responsive and responsible Virginia bidders, then the PWCS

Supervisor of Purchasing may, in his or her sole discretion, advertise the solicitation, divide the contract among the bidders (if the solicitation provided for multiple awards), or award a contract by lot from among the responsive and responsible bidders. The decision of PWCS to make award to one or more such bidders shall be final.

15. **VENDOR REGISTRATION:** All vendors desiring to provide goods and/or services to PWCS shall register on-line at <http://purchasing.departments.pwcs.edu/>. Failure to register will result in the bid/proposal being non-responsive unless good cause is shown for the failure to register.

16. **WITHDRAWAL OF BIDS OR PROPOSALS:** A bid/proposal may be amended and/or withdrawn by a bidder or offeror if the request is received in writing before the due date and hour. The request must be signed by a person authorized to represent the vendor or firm that submitted the bid/proposal. Submission of a subsequent bid/proposal, unless specifically identified as an additional bid, shall constitute the withdrawal of any prior one submitted by the same bidder or offeror on the same Invitation for Bid/Request for Proposal.

Withdrawal of bids/proposals after opening is governed by Code of Virginia § 2.2-4330. The bidder/offeree shall give notice in writing of his/her claim of right to withdraw his/her bid/proposal within two business days after the conclusion of the bid opening or receipt of proposals procedure, and shall submit original work papers with such notice.

SPECIFICATIONS

17. **QUESTIONS CONCERNING SPECIFICATIONS:** Any information relative to interpretation of specifications and drawings shall be requested of PWCS in writing, in ample time before the opening of bids. No inquiries if received by PWCS on or after the fifth day before the date set for the opening of bids will be given any consideration. Any material interpretation of a specification, as determined by PWCS, will be expressed in the form of an addendum to the specification which will be sent to all prospective bidders no later than 4:30 p.m. local time on the third day before the date set for receipt of bids. Oral answers will not be authoritative.

18. **TESTING AND INSPECTION:** PWCS reserves the right to conduct any test or inspection it may deem advisable to ensure products/services conform to the specification.

19. **USE OF BRAND NAMES:** Unless otherwise provided in the solicitation, the name of a certain brand, make or manufacturer does not restrict Bidders/Offerees to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which PWCS in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, color and suitability for the purpose intended, shall be accepted. The Bidder/Offeree is responsible to clearly and specifically indicate the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable PWCS to determine if the product offered meets the requirements of the solicitation. **ONLY THE INFORMATION FURNISHED WITH THE BID/PROPOSAL WILL BE CONSIDERED IN THE EVALUATION. FAILURE TO FURNISH ADEQUATE DATA FOR EVALUATION PURPOSES MAY RESULT IN DECLARING A BID/PROPOSAL NON-RESPONSIVE.** Unless the Bidder/Offeree clearly indicates in its bid/proposal that the product offered is an "equal" product, such bid/proposal will be considered to offer the brand name product referenced in the solicitation.

CONTRACT PROVISIONS

20. **ANTI-DISCRIMINATION:** By submitting their bid/proposal, the Bidder/Offeree certifies to PWCS that he/she will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as

well as the Virginia Fair Employment Act of 1975, as amended, where applicable, the Virginians with Disabilities Act, the Americans with Disabilities Act and the Code of Virginia §2.2-4311. In every contract over \$10,000 the provisions in 20.1 and 20.2 below apply:

During the performance of this contract, the Contractor agrees as follows:

- 20.1 The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
- 20.2 The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
- 20.3 Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this Section.
- 20.4 The Contractor will include the provisions of 20.1, 20.2 and 20.3 above in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.
21. **ANTI-TRUST:** By entering into a contract, the Contractor conveys, sells, assigns, and transfers to PWCS all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by PWCS under said contract.
22. **APPLICABLE LAWS AND COURTS:** This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia, including but not limited to the Virginia Public Procurement Act, and any litigation with respect thereto shall be brought in the courts of Prince William County, Virginia, except to the extent that Federal Court is appropriate. The Contractor shall comply with applicable federal, state and local laws and regulations, and be legally authorized to do business in the Commonwealth of Virginia.
23. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the Contractor in whole or in part without the written consent of PWCS.
24. **CHANGES TO THE CONTRACT:** PWCS may order changes within the general scope of the contract at any time by written notice to the Contractor. Changes within the scope of the contract include, but are not limited to things such as services to be performed, the method of packing or shipment and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give PWCS a credit for any resulting savings. Additionally, an increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.
25. **CONTRACT DOCUMENTS/PURCHASE ORDERS:** The Contract entered into by the parties shall consist of the Invitation For Bid/Request for Proposal, the signed bid/proposal submitted by the Contractor, the Notice of Award or Purchase Order/Contract, these General Terms and Conditions and any Special Terms and Conditions, and the listed specifications and drawings, if any, including all modifications thereof, all of which shall be referred to

collectively as the Contract Documents. All time limits stated in the Contract Documents are of the essence of the Contract unless stated otherwise. Orders against contracts will be placed with the Contractor on a Purchase Order or Procurement Card.

26. **COOPERATIVE PURCHASING:** PWCS may participate in, sponsor, conduct or administer a cooperative procurement agreement on behalf of or in conjunction with one or more other public bodies, or public agencies or institutions or localities of the several states, of the United States or its territories, or the District of Columbia, for the purpose of combining requirements to increase efficiency or reduce administrative expenses in any acquisition of goods and services. Except for contracts for professional services, a public body may purchase from another public body's contract even if it did not participate in the request for proposal (RFP) or Invitation for Bid (IFB), if the RFP or IFB specified that the procurement was being conducted on behalf of other public bodies. Nothing herein shall prohibit the assessment or payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.
 - 26.1 It is the Contractors responsibility to notify the public body(s) of the availability of the contract.
 - 26.2 Each public body has the option of executing a separate contract with the awardee. Contracts entered into with them may contain general terms and conditions unique to those jurisdictions and political subdivisions covering minority participation, non-discrimination. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the awardee, the awardee may withdraw its extension of the award to that jurisdiction.
 - 26.3 PWCS shall not be held liable for any costs or damage incurred by another jurisdiction as a result of any award extended to that jurisdiction or political subdivision by the awardee.
27. **DRUG-FREE WORKPLACE:** During the performance of this contract, the Contractor agrees as follows:
 - 27.1 Provide a drug-free workplace for the Contractor's employees.
 - 27.2 Post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition.
 - 27.3 State in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace.
 - 27.4 Include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a Contractor in accordance with this section, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.
28. **GUARANTEES & WARRANTIES:** All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to PWCS before final payment on the contract is made. Unless otherwise stated, manufacturer's standard warranty applies.

29. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By submitting their bid/proposal, Bidders/Offerors certify that they do not and will not during the performance of this contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.
30. **INDEMNIFICATION:** Contractor shall indemnify, keep and save harmless PWCS, its agents, officials, employees and volunteers against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses which may otherwise accrue against PWCS in consequence of the granting of a contract or which may otherwise result therefrom, if the act was caused through negligence, error, omission, or reckless or intentional misconduct (or, in the case of intellectual property rights, by any act done without proper permission) of the Contractor or his or her employees, or that of the subcontractor or his or her employees, if any; and the Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and if any judgment shall be rendered against PWCS in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend PWCS as herein provided.
31. **MODIFICATION OF CONTRACT:** PWCS may, upon mutual agreement with the Contractor, issue written modifications to the scope of work/specifications of this contract, and within the general scope thereof, except that no modifications can be made which will result in an increase of the original contract price by a cumulative amount of more than \$50,000 or 25%, whichever is greater, without the advance written approval of the Prince William County School Board. In making any modification, the resulting increase or decrease in cost for the modification shall be determined by one of the following methods as selected by the Supervisor of Purchasing:
- The written modification shall stipulate the mutually-agreed price for the specific addition to or deletion from the scope of work/specifications which shall be added to or deducted from the contract amount.
- The written modification shall stipulate the number of unit quantities added to or deleted from the contract and multiplied by the unit price which shall be added to or deducted from the contract amount.
- The written modification shall direct the Contractor to proceed with the work and to keep, and present in such form as PWCS may direct, a correct account of the cost of the change together with all vouchers therefore. The cost shall include an allowance for overhead and profit to be mutually agreed upon by PWCS and the Contractor.
32. **NON-DISCRIMINATION OF CONTRACTORS:** Any potential Bidder/Offeror, or Contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Faith-based organizations are also protected from discrimination on the basis of religious character as provided below.
- 32.1 Faith-based organizations may enter into contracts with PWCS on the same basis as any other nongovernmental source may do so without impairing the religious character of such organization and without diminishing the religious freedom of the beneficiaries of assistance provided under such contracts.
- 32.2 PWCS shall not impose conditions on contracts that restrict the religious character of the faith-based organization, except that money paid to the faith-based organization by or on behalf of PWCS will not be spent for religious worship, instruction, or proselytizing.
- 32.3 Any faith-based organization awarded a contract by PWCS shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by PWCS.
- 32.4 Faith-based organizations retain the right to employ persons of a particular religion to perform work connected with the carrying on by such organization of its activities.
- 32.5 If an award of contract is made to a faith-based organization, and an individual who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, PWCS shall offer the individual, within a reasonable period of time after the date of objection, access to equivalent goods, services, or disbursement from an alternative provider.
- 32.6 Any faith-based organization that is awarded a contract to provide goods, services, or disbursements to individuals shall also provide to such individuals a notice in bold face type that states: "Neither the public body's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider."
33. **PRICE REDUCTION:** If at any time after the date of the bid/proposal the Contractor makes a general price reduction in the comparable price of any material covered by the contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to this contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The Contractor shall submit his or her invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the contract documents. The Contractor in addition will within ten days of any general price reduction notify PWCS of such reduction by letter. **FAILURE TO DO SO MAY RESULT IN TERMINATION OF THE CONTRACT FOR CAUSE.** Upon receipt of any such notice of a general price reduction, all ordering offices will be duly notified by PWCS.
34. **SMALL AND MINORITY BUSINESS ENTERPRISES:** It is PWCS intent to undertake every effort to increase opportunity for utilization of small and minority businesses in all aspects of procurement to the maximum extent feasible. In connection with the performance of this contract, the Contractor agrees to use their best effort to carry out this intent and ensure that Small and

Minority Businesses shall have the maximum practicable opportunity to compete for subcontract work under this contract consistent with the efficient performance of this contract. Contractors may rely on oral or written representation by subcontractors regarding their status as small and/or minority business enterprises in lieu of an independent investigation.

35. **TERMINATION FOR CAUSE/DEFAULT:** In case of failure to deliver goods or provide services in accordance with the contract terms and conditions, PWCS, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which PWCS may have. Specifically:

35.1 If, through any cause, the Contractor fails to fulfill in a timely and proper manner their obligations under the contract, or if the Contractor violates any of the covenants, agreements, or stipulations of the contract, PWCS shall thereupon have the right to terminate, specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the contract shall at the option of PWCS, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents.

35.2 Notwithstanding the above, the Contractor shall not be relieved of liability to PWCS for damages sustained by PWCS by virtue of any breach of contract by the Contractor. PWCS may withhold any payments to the Contractor for the purpose of set off until such time as the exact amount of damages due to PWCS from the Contractor is determined.

36. **TERMINATION FOR CONVENIENCE:** PWCS reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, whenever the Supervisor of Purchasing determines that such a termination is in the best interest of PWCS. Any such termination shall be effected by delivery to the Contractor, at least ten (10) working days prior to the termination date, a Notice of Termination specifying the extent to which performance shall be terminated and date upon which such termination becomes effective. After receipt of a notice of termination, the Contractor must stop all work or deliveries under the purchase order/contract on the date and to the extent specified; however, any contract termination notice shall not relieve the Contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of termination. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit on unperformed services.

37. **VIRGINIA FREEDOM OF INFORMATION ACT:** Except as provided herein, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act. Any inspection of procurement transaction records under this provision shall be subject to reasonable restrictions to ensure the security and integrity of the records.

37.1 Cost estimates relating to a proposed transaction prepared by or for a public body shall not be open to public inspection.

37.2 Any Bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening/receipt of all bids, but prior to award, except in the event that PWCS decides not to accept any of the bids and to re-solicit. Otherwise, bid records shall be open to public inspection only after award of the contract.

37.3 Bids and proposal records shall be open to the public only after award.

37.4 Any offeror who responds to an RFP shall be afforded the opportunity to inspect proposal records upon request within a reasonable time after the evaluation and negotiation of proposals are complete but prior to award, except in the event PWCS decides not to accept any of the proposals and to resolicit.

37.5 Trade secrets or proprietary information submitted by any bidder, offeror, or Contractor in connection with a procurement transaction or prequalification application shall not be subject to public disclosure under the Virginia Freedom of Information Act if the bidder, offeror, or Contractor invokes the protection of Code of Virginia section 2.2-4342 F, in writing prior to or upon submission of the data or other materials, identifies the data or other materials to be protected, and states the reasons why protection is necessary.

37.6 Nothing contained in this section shall be construed to require PWCS to furnish a statement of the reason(s) why a particular bid/offer was not deemed to be the most advantageous to PWCS.

DELIVERY/PAYMENT PROVISIONS

38. **POINT OF DESTINATION:** All materials shipped to PWCS must be shipped FOB DESTINATION unless otherwise stated in the contract or purchase order. The materials must be delivered to the "Ship to" address indicated on the purchase order.

39. **INVOICES:** Invoices for goods and/or services ordered, delivered and accepted shall be submitted in duplicate by the Contractor(s) directly to the payment address shown on the purchase order/contract. All invoices shall reference said purchase order/contract number and shall be in the same legal name of the Contractor as indicated on the Contract.

40. **LABELING OF HAZARDOUS SUBSTANCES:** If the items or products requested by this solicitation are "Hazardous Substances" as defined by Section 1261 of Title 15 of the United States Code (U.S.C.), then the Bidder/Offeror, by submitting his/her bid/proposal, certifies and warrants that the items or products to be delivered under this contract shall be properly labeled as required by the foregoing sections and that by delivering the items or products the Bidder/Offeror does not violate any of the prohibitions of Title 15 of the U.S.C. or Section 1263.

41. **MATERIAL SAFETY DATA SHEETS:** Material and Safety Data Sheets shall be provided in English, and if available, Spanish within two (2) business days upon request for each chemical and/or compound offered. Failure on the part of the Contractor to submit such data sheets may be cause for declaring the Contractor in default.

42. **PAYMENT TERMS:** Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. However, this shall not affect offers of discounts for payment in less than 30 days.

43. **PAYMENT TO SUBCONTRACTORS:**

43.1 A Contractor awarded a contract under this solicitation is hereby obligated to:

43.1.1 Pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from PWCS for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

43.1.2 Notify the agency and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason for such.

43.2 Unless otherwise provided under the terms of the Contract, interest shall accrue at the rate of one percent per month on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from PWCS except for amounts withheld as stated in the paragraph above. The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee. This obligation to pay interest is not an obligation of PWCS, and no contract modification will be made for the purpose of providing reimbursement of the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

43.3 The provisions of 44.1 through 44.3 apply to each sub-tier contractor performing under the primary contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of PWCS or any participating jurisdiction.

44. **TAX EXEMPTION:** PWCS is exempt from the payment of federal excise or Virginia Sales and Use Tax. The bid/proposal price must be net, exclusive of taxes. When under established trade practice, any federal excise tax is included in the list price, the Bidder/Officer may quote the list price and shall show separately the amount of federal excise tax, either as a flat sum or as a percentage of the list price, which shall be deducted by PWCS. PWCS Federal Excise Tax Exemption number is 54-6001533. A copy of PWCS Sales and Use Tax Certificate Exemption is posted on the PWCS Web site at <http://purchasing.departments.pwcs.edu/>.

1. **TRANSPORTATION AND PACKAGING:** By submitting their bids/proposals, all bidders/offers certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.

BIDDER/CONTRACTOR REMEDIES

46. **ACCEPTANCE OF BIDS/OFFERS BINDING 90 DAYS:** Unless otherwise specified in the IFB or RFP, all formal bids/offers submitted shall be binding for ninety (90) calendar days following bid opening date, unless extended by mutual consent of all parties. Additionally, PWCS may purchase additional quantities at the original firm fixed delivered unit prices for (90) ninety days after date of award.

47. **AWARD OR REJECTION OF BIDS/OFFERS:** The Supervisor of Purchasing shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of PWCS to accept it. Awards made in response to an RFP will be made to the highest qualified offeror whose proposal is determined in writing to be the most advantageous to PWCS taking into consideration the evaluation factors set forth in the RFP. The Supervisor of Purchasing reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of PWCS. Award may be made to as many bidders/ offerors as deemed necessary to fulfill the anticipated requirements of PWCS. The Supervisor of Purchasing also reserves the right to reject the bid of a bidder deemed to be a non-responsible bidder.

In determining the responsibility of a bidder, the following criteria will be considered:

- a. The ability, capacity and skill of the bidder to perform the contract or provide the service required;
- b. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference;
- c. The character, integrity, reputation, judgment, experience and efficiency of the bidder;
- d. The quality of performance of previous contracts or services;
- e. The previous and existing compliance by the bidder with laws and ordinances relating to the contract or services;
- f. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service;
- g. The quality, availability and adaptability of the goods or services to the particular use required;
- h. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract;
- i. The number and scope of the conditions attached to the bid;
- j. Whether the bidder is in arrears to PWCS on debt or contract or is a defaulter on surety to PWCS or whether the bidder's PWC taxes or assessments are delinquent; and
- k. Such other information as may be secured by PWCS Supervisor of Purchasing having a bearing on the decision to award the contract. If an apparent low bidder is not awarded a contract for reasons of nonresponsibility, the PWCS Supervisor of Purchasing shall so notify that bidder and shall have recorded the reasons in the contract file.

48. **CONTRACTUAL DISPUTES:** Any dispute concerning a question of act including claims for money or other relief as a result of a contract with PWCS which is not disposed of by agreement shall be declared by the Supervisor of Purchasing, who shall reduce a decision to writing and mail or otherwise forward a copy thereof to the Contractor within ten (10) days. The decision of the Supervisor of Purchasing shall be final and conclusive unless the Contractor appeals within ten (10) days of receipt of the written decision. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty (60) days after final payment; however, as a condition precedent to consideration of the claim, the Contractor must give written notice of the intention to file such a claim at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pending claims shall not delay payment of amounts agreed due in the final payment.

49. **DELIVERY/SERVICE FAILURES:** Failure of a Contractor to deliver goods or services within the time specified, or within reasonable time as interpreted by PWCS, or failure to make replacements or corrections of rejected articles or services when so requested, immediately or as directed by PWCS, shall constitute grounds for PWCS to "Cover" by purchasing in the open market articles or services of comparable grade or quality to replace the services or articles rejected or not delivered. On all such purchases, the Contractor shall reimburse PWCS, within a reasonable time specified by PWCS, for any expense incurred in excess of contract prices, or, in PWCS's sole discretion, PWCS shall deduct the cost of Cover from any amounts due to Contractor. Such purchases shall be deducted from the contract quantities if applicable. Should public necessity demand it, PWCS reserves the right to use or consume articles delivered or services performed which are

substandard in quality, subject to an adjustment in price to be determined by PWCS.

50. **EXHAUSTION OF ADMINISTRATIVE REMEDIES:** No potential Bidder/Offeree or Contractor shall institute any legal action until all administrative remedies available under this solicitation and resulting contract have been exhausted and until all statutory requirements have been met.
51. **PROTEST OF AWARD OR DECISION TO AWARD:** Any Bidder may protest the award or decision to award a contract by submitting a protest in writing to the Bid Protest Officer no later than ten (10) calendar days after public notice of the award or the announcement of the decision to award, whichever occurs first. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit such protest in the same manner no later than ten (10) calendar days after posting or publication of the notice of such contract. The written protest shall include the basis for the protest and the relief sought. The Bid Protest Officer shall issue a decision in writing within ten (10) calendar days of the receipt of the protest stating the reasons for the action taken. Any offeror may protest the award or decision to award a contract by submitting a protest in writing to PWCS, or an official designated by PWCS, no later than ten (10) calendar days after the award or the announcement of the decision to award, whichever occurs first.
- 51.1 If prior to award it is determined that the decision to award is arbitrary or capricious then the sole relief shall be a finding to that effect. The Supervisor of Purchasing shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the contract may be declared void by PWCS. Where the award has been made and performance has begun, the Supervisor of Purchasing may declare the contract void upon a finding that this action is in the best interest of PWCS. Where a contract is declared void, the performing Contractor shall be compensated for the cost of performance at the rate specified in the contract up to the time of such declaration. In no event shall the performing Contractor be entitled to lost profits.
- 51.2 Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with this paragraph shall not be affected by the fact that a protest or appeal has been filed.
- 51.3 An award need not be delayed for the period allowed a Bidder/Offeree to protest, but in the event of a timely protest, no further action to award the contract will be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.
52. **RESPONSIBILITY FOR SUPPLIES TENDERED:** Unless otherwise specified in the solicitation, the Contractor shall be responsible for the materials or supplies covered by the contract until they are delivered at the designated point, but the Contractor shall bear all risk on rejected materials or supplies after notice of rejection. Rejected materials or supplies must be removed by and at the expense of the Contractor promptly after notification of rejection, unless public health and safety require immediate destruction or other disposal of rejected delivery. If rejected materials are not removed by the Contractor within ten (10) days after date of notification, PWCS may return the rejected materials or supplies to the Contractor at his or her risk and expense or dispose of them as its own property.

SUPPLIER QUALIFICATIONS

Commitments

U.S. Communities views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both U.S. Communities and the Supplier. U.S. Communities requires the Supplier to make the four commitments set forth below (Corporate, Pricing, Economy, Sales) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies:

(a) **Corporate Commitment.**

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier's primary contractual offering of Products and Services to Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's primary offering and not just one of Supplier's contract options.

(ii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier's senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's U.S. Communities program and linked to U.S. Communities' website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) Economy Commitment. Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) Sales Commitment. Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) Supplier Sales. Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail,

online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

- (1) U.S. Communities standard logo with Founding Co-Sponsors logos;
- (2) Copy of original procurement solicitation;
- (3) Copy of Master Agreement including any amendments;
- (4) Summary of Products and Services pricing;
- (5) Electronic link to U.S. Communities' online registration page; and
- (6) Other promotional material as requested by U.S. Communities.

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party.

U.S. COMMUNITIES ADMINISTRATION AGREEMENT INFORMATION

The Agreement outlines the Supplier's general duties and responsibilities in implementing the U.S. Communities contract.

ARTICLE III

REPRESENTATIONS AND COVENANTS

3.1 U.S. Communities views the relationship with Supplier as an opportunity to provide benefits to the Lead Public Agency, Public Agencies and Supplier. The successful foundation of the relationship requires certain representations and covenants from both U.S. Communities and Supplier.

3.2 U.S. Communities' Representations and Covenants.

(a) Marketing. U.S. Communities shall proactively market the Master Agreement to Public Agencies using resources such as a network of major sponsors including the National League of

Cities (NLC), National Association of Counties (NACo), United States Conference of Mayors (USCM), and the Association of School Business Officials (ASBO) (collectively, the “Founding Co-Sponsors”) and individual national, regional and state-level sponsors. In addition, the U.S. Communities staff shall make best efforts to enhance Supplier’s marketing efforts through meetings with Public Agencies, participation in key events and tradeshows and other marketing activity such as advertising, articles and promotional campaigns.

(b) Training and Knowledge Management Support. U.S. Communities shall provide support for the education, training and engagement of Supplier’s sales force as provided herein. Through its staff (each, a “Program Manager” and collectively, the “Program Managers”), U.S. Communities shall, with scheduling assistance from Supplier, conduct training sessions and conduct calls jointly with Supplier to Public Agencies. U.S. Communities shall also provide Supplier with access to U.S. Communities’ private intranet website which provides presentations, documents and information to assist Supplier’s sales force in effectively promoting the Master Agreement.

3.3 Supplier’s Representations and Covenants. Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as “Supplier’s Commitments” and are comprised of the Corporate Commitment, Pricing Commitment, Economy Commitment and Sales Commitment):

(a) Corporate Commitment.

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier’s primary contractual offering of Products and Services to Public Agencies. All of Supplier’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier’s primary offering and not just one of Supplier’s contract options.

(ii) Supplier’s sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier’s senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier’s Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier’s staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier’s U.S. Communities program and linked to U.S. Communities’ website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s)

causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) Economy Commitment. Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) Sales Commitment. Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) Supplier Sales. Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this

Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

- (1) U.S. Communities standard logo with Founding Co-Sponsors logos;
- (2) Copy of original procurement solicitation;
- (3) Copy of Master Agreement including any amendments;
- (4) Summary of Products and Services pricing;
- (5) Electronic link to U.S. Communities' online registration page; and
- (6) Other promotional material as requested by U.S. Communities.

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between U.S. Communities and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend U.S. Communities, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV

PRICING AUDITS

4.1 Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. U.S. Communities and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. U.S. Communities shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at U.S. Communities' sole cost and expense. Notwithstanding the foregoing, in the event that U.S. Communities is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, U.S. Communities shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. U.S. Communities may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for

the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

FEES & REPORTING

5.1 **Administrative Fees.** Supplier shall pay to U.S. Communities a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of two percent (2%) of aggregate purchases made during each calendar month (individually and collectively, “Administrative Fees”). Supplier’s annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to U.S. Communities, or its designee or trustee as may be directed in writing by U.S. Communities. Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. U.S. Communities agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency’s costs incurred in connection with managing the Master Agreement nationally.

5.2 **Sales Reports.** Within thirty (30) days of the end of each calendar month, Supplier shall deliver to U.S. Communities an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month (“Sales Report”). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by U.S. Communities against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. U.S. Communities reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its program sponsors and state associations.

5.3 **Exception Reporting/Sales Reports Audits.** U.S. Communities or its designee may, at its sole discretion, compare Supplier’s Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, sponsors, advisory board members or U.S. Communities staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by U.S. Communities, U.S. Communities shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to U.S. Communities’ reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to U.S. Communities’ trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to U.S. Communities in writing to reporting@uscommunities.org. If Supplier does not resolve the discrepancy to U.S. Communities’ reasonable satisfaction within thirty (30) days, U.S. Communities shall have the right to engage outside services to conduct an independent audit of Supplier’s reports. Supplier shall solely be responsible for the cost of the audit.

5.4 **Online Reporting.** Within forty-five (45) days of the end of each calendar month, U.S. Communities shall provide online reporting to Supplier containing Supplier’s sales reporting for such calendar month. Supplier shall have access to various reports through the U.S. Communities intranet website. Such reports are useful in resolving reporting issues and enabling Supplier to better manage its Master Agreement.

5.5 Usage Reporting. Within thirty (30) days of the end of each contract year, Supplier shall deliver to U.S. Communities an electronic usage report of all sales under the Master Agreement, including:

- (i) Supplier's Product Number
- (ii) Product Description
- (iii) Manufacturer Name
- (iv) Manufacturer Number
- (v) Unit of Measure
- (vi) U.S. Communities Price
- (vii) Number of times ordered
- (viii) Units sold
- (ix) Sales by Manufacturer

5.6 Supplier's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

MISCELLANEOUS

6.1 Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

6.2 Assignment.

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of U.S. Communities, and any assignment without such consent shall be void.

(b) U.S. Communities. This Agreement and any rights or obligations hereunder may be assigned by U.S. Communities in U.S. Communities' sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform U.S. Communities' obligations hereunder.

6.3 Notices. All reports, notices or other communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery requiring signature on receipt to the addresses as set forth below. U.S. Communities may, by written notice delivered to Supplier, designate any different address to which subsequent reports, notices or other communications shall be sent.

6.4 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

6.5 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

6.6 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

6.7 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

6.8 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of California without regard to any conflict of laws principles. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this dispute resolution clause, shall be determined by arbitration in Walnut Creek, California, before one (1) arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The prevailing party will be entitled to recover its reasonable attorneys' fees and arbitration costs from the other party. The arbitration award shall be final and binding. Each party commits that prior to commencement of arbitration proceedings, the parties shall submit the dispute to JAMS for mediation. The parties will cooperate with JAMS and with one another in selecting a mediator from JAMS panel of neutrals, and in promptly scheduling the mediation proceedings. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs. The mediation will be conducted by each party designating a duly authorized officer or other representative to represent the party with the authority to bind the party, and that the parties agree to exchange informally such information as is reasonably necessary and relevant to the issues being mediated. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts, and attorneys, and by the mediator or any JAMS employees, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. If the dispute is not resolved within thirty (30) days from the date of the submission of the dispute to mediation (or such later date as the parties may mutually agree in writing), the administration of the arbitration shall proceed. The mediation may continue, if the parties so agree, after the appointment of the arbitrator. Unless otherwise agreed by the parties, the mediator shall be disqualified from serving as arbitrator in the case. The pendency of a mediation shall

not preclude a party from seeking provisional remedies in aid of the arbitration from a court of appropriate jurisdiction, and the parties agree not to defend against any application for provisional relief on the ground that a mediation is pending.

6.9 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon U.S. Communities, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This Master Intergovernmental Cooperative Purchasing Agreement ("Agreement") is made between certain government agencies that execute a Lead Public Agency Certificate (collectively, "Lead Public Agencies") to be appended and made a part hereof and other government agencies ("Participating Public Agencies") that agree to the terms and conditions hereof through the U.S. Communities registration process and made a part hereof.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Lead Public Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers (each, a "Contract Supplier") have entered into Master Agreements with Lead Public Agencies to provide a variety of goods, products and services based on national and international volumes (herein "Products and Services");

WHEREAS, Master Agreements are made available by Lead Public Agencies through U.S. Communities and provide that Participating Public Agencies may purchase Products and Services on the same terms, conditions and pricing as the Lead Public Agency, subject to any applicable local purchasing ordinances and the laws of the State of purchase;

WHEREAS, the parties desire to comply with the requirements and formalities of any intergovernmental cooperative act, if applicable, to the laws of the State of purchase;

WHEREAS, the parties hereto desire to conserve resources and reduce procurement cost;

WHEREAS, the parties hereto desire to improve the efficiency, effectiveness and economy of the procurement of necessary Products and Services;

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties agree as follows:

1. That each party will facilitate the cooperative procurement of Products and Services.
2. That the procurement of Products and Services subject to this Agreement shall be conducted in accordance with and subject to the relevant statutes, ordinances, rules and regulations that govern each party's procurement practices.
3. That the cooperative use of solicitations obtained by a party to this Agreement shall be in accordance with the terms and conditions of the solicitation, except as modification of those terms and conditions is otherwise allowed or required by applicable law.
4. That the Lead Public Agencies will make available, upon reasonable request and subject to convenience, information which may assist in improving the effectiveness, efficiency and economy of Participating Public Agencies' procurement of Products and Services.
5. That the Participating Public Agency will make timely payments to the Contract Supplier for Products and Services received in accordance with the terms and conditions of the procurement. Payment, inspections and acceptance of Products and Services ordered by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency. Disputes between the Participating Public Agency and Contract Supplier are to be resolved in accord with the law and venue rules of the State of purchase.

6. The Participating Public Agency shall not use this Agreement as a method for obtaining additional concessions or reduced prices for similar products or services.
7. The Participating Public Agency is solely responsible for ordering, accepting, and paying and any other action, inaction or decision regarding the Products and Services obtained under this Agreement. A Lead Public Agency shall not be liable in any manner for any action or inaction or decisions taken by a Participating Public Agency. The Participating Public Agency shall, to the extent permitted by applicable law, hold the Lead Public Agency harmless from any liability that may arise from action or inaction of the Participating Public Agency.
8. The exercise of any rights or remedies by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency.
9. This Agreement shall remain in effect until termination by a party giving thirty (30) days prior written notice to U.S. Communities at 2999 Oak Road, Suite 710, Walnut Creek, CA 94597.
10. This Agreement shall become effective after execution of the Lead Public Agency Certificate or Participating Public Agency registration, as applicable.

REQUEST FOR PROPOSAL ADDENDUM

ADDENDUM #1

DATE: August 8, 2018

REFERENCE: Request for Proposal Number: R-BB-19002
Title: Facilities Management Products and Solutions
Issue Date: July 17, 2018
Sealed Proposal Due Date: August 23, 2018 @ 2: p.m.

All Offerors shall be advised of the following clarifications to the referenced solicitation:

1. Question: Please provide clarification regarding the purpose of attachment F.

Answer: *Attachment F, the Sample Contract, is provided to give proposers an idea of what a contract would look like if an award was made.*

2. Question: Because terms, conditions and legal requirements for the performance of services can vary across business lines (Rental, First Aid & Safety and Fire Protection), will the local agreement to be executed by the Participating Public Agencies be the governing document for the product or services being procured even if those terms and conditions may run contrary to that which is in the main agreement.

Answer: *No. The Master Agreement will prevail and any end user agreement terms and conditions should reference those in the Master Agreement. End User Agreements may include additional terms, however, that are specific to the product or service being provided. Proposers should provide an example of each end user agreement they would ask a public agency to sign, as indicated in 7.13.12.11.*

3. Question: The items listed on the National Market Basket under Uniforms Purchased Nationwide are identical to the items listed on the Uniform Rental sheet. Should these be identical?

Answer: *Yes, these are meant to be the same. The market basket items are simply being used to perform a cost comparison. These items should not be construed as a core list.*

4. Question: 10.1 (pg. 13) option to renew for two (2) additional two-year periods, two-years at a time. However, on the "sample contract" Attachment F, 3.1 (pg. 32) it states option to renew for four additional, one-year periods, one year at a time. Even though Attachment F is just a sample contract, should those terms match and be set at the two-year term?

Answer: *The term in Section 10.1 is correct.*

5. Question: 5.1.5 First Aid & Safety (pg 9) should Cintas include pricing for training courses we provide under our First Aid & Safety Division. Training courses are part of offering.

Answer: *In order for this offering to be included in any resulting Master Agreement, it should be fully described in the offeror's proposal. Pricing should be included.*

PURCHASING OFFICE

6. Question: On the National Market Basket page there is a column called "Discount (Percentage from Discount Category)", is this to list the pricing discount from standard pricing?

Answer: Proposers should indicate the percentage discount for this item. That percentage discount should correspond to the discount entered in the "Discount by Category" tab for that category.

7. Question: On the page "Discount by Product Category" is this page to detail discounts on items not in the market basket?

Answer: The market basket will be used solely for comparison purposes and is not a core list. The proposer's full price proposal should be contained in the "Discount by Category" tab.

8. Question: There are additional items in our enterprise that our outside of the market basket of items given, is pricing for those other items required to presented in our bid response?

Answer: The proposer must present pricing for all products and services in their proposal. The full pricing proposal should be contained in the "Discount by Category" tab. The market basket should, also, be completed but will be used solely for comparison purposes and will not be a part of any resulting Master Agreement.

9. Question: We view our organizational structure (org chart) as proprietary can we assign this to be redacted?

Answer: Please see Section 7.10 of the RFP.

10. Question: With the NIGP trade show occurring the date of the RFP submission requirement, can the deadline be extended?

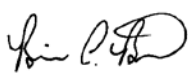

Answer: No, the sealed proposal due date will not be changed.

11. Question: Do you have a "WORD" and/or "EXCEL" format version of the attached PDF that you could email me? Our Administrative Department tried to convert the attached PDF in to WORD but it did not convert in a manageable form.

Answer: It is not PWCS' standard practice to release solicitation documents in other than PDF.

ALL OTHER SPECIFICATIONS, TERMS AND CONDITIONS REMAIN UNCHANGED.

A signed acknowledgment of this addendum must be received by the Purchasing Office either prior to the Proposal due date and hour specified or attached to the RFP. Signature on this addendum does not constitute the Offeror's signature on the original proposal document. The original proposal document shall also be signed.

ATTACHMENT B - DIRECT SALE TERMS & CONDITIONS

**Direct Sale Addendum to the Prince William County Agreement
CONTRACT NUMBER R-BB-19002**

This Direct Sale Addendum (hereinafter the "Addendum") is made as of (MONTH, DAY, YEAR) (hereinafter "Execution Date") amends the Prince William County Agreement between CINTAS CORPORATION NO. 2 ("Company") and XXXXXXXXXXXXXXXX (the "Customer") dated December 13, 2018 (the "Agreement"). This Addendum amends the Agreement as follows:

Customer agrees to buy from Company and Company agrees to sell to Customer, a Direct Sale Program as outlined below and per the following conditions:

1. Company agrees to manufacture or have manufactured the items specified on the attached **Exhibit A**, in inventory levels necessary to support Customer's purchases, in the quantity specified by Customer under the column marked "Minimum Annual Purchases by the Customer".
2. Company will provide the program to Customer's various locations and charge Customer and/or Customer's agents, employees, franchisees as directed by Customer at the prices agreed upon in **Exhibit A**. Pricing in **Exhibit A** shall remain firm for the initial term of the contract.
3. In the event of the contract's expiration or Customer decides to delete any item, change the design or specifications of any item, terminate this agreement for any reason, or discontinue purchasing any item at the minimum annual volume as outlined in **Exhibit A**, Customer shall purchase, at the then-prevailing prices, all remaining inventory (Finished Goods, Work in Process and Raw Materials) that Company has of that item up to the amount agreed upon under the column marked "*Maximum Inventory Carried by CINTAS and Guaranteed by the Customer*" on **Exhibit A**. It is further understood and acknowledged by Customer that Company's initial investment in inventory on its behalf for which Customer is financially liable shall not exceed the "*Maximum Inventory Carried By Cintas & Guaranteed By Customer*" on **Exhibit A**.
4. Customer has provided Company with its requirements and agrees to the "*Minimum Annual Purchases by Customer*" as detailed on **Exhibit A** as the basis for the financial investment in inventory Company has agreed to produce on its behalf. In the event Customer's sales are trending significantly less than the Minimum Annual Purchases as detailed on **Exhibit A** causing inventory of an item(s) to become slow-moving, Company will notify Customer those item(s) that are slow-moving and within thirty (30) days after such notice assess a monthly storage fee not to exceed twenty-five cents (\$0.25 USD) per piece per month plus a finance fee of five percent (5%) of the price of any slow moving item per month until Customer's sales is equal to the Minimum Annual Purchases projection. Under no circumstance will inventory remain in the warehouse beyond thirty-six (36) months.
5. The attached list of products includes Company's catalog program selection(s) for Customer's Direct Sale Program. Company reserves the right to discontinue a catalog item at any time. Customer may select a substitute item or contract for exclusivity on that item at that time. If, for any reason, Customer decides to no longer utilize these particular Company catalog product selections for the brand intended, Customer will advise Company in writing six (6) weeks prior to discontinuing usage on the product. Customer shall use its best efforts to help Company reduce inventory levels to minimize exposure on any discontinued items.
6. Customer understands that it has no present or future liability for said items unless Customer's annual usage represents at least fifty percent (50%) of Company's catalog demand of any given item. In that event, Company will inform Customer in writing as soon as it represents 50% of Company's catalog demand for a particular item, and Customer agrees to either reduce its usage to under 50% or contract for said products as necessary.

7. Unless specified otherwise in writing by the Customer, the Products supplied under this Agreement are not ANSI/ISEA compliant, flame retardant, or acid resistant and contain no special flame retardant, acid resistant, or visibility features. They are not designed for use in areas of flammability risk or where contact with hazardous materials is possible. ANSI/ISEA, flame resistant and acid resistant Products are available from Company upon request and with an amendment to this Agreement. Customer warrants that none of the employees for whom Products are supplied pursuant to this Agreement require ANSI/ISEA compliant, flame retardant, or acid resistant clothing.

8. Company represents and warrants that the garments supplied hereunder shall be new and free from all liens and encumbrances. Company will pass through to Customer all manufacturer warranties for the garments supplied under this Agreement to the extent that Company has the right to do so. Company does not adopt, guarantee, or represent that the manufacturer will comply with any of the terms of the warranty of such manufacturer.
