The County will reimburse the Contractor at cost for the use of heavy equipment, drones, traffic controls and other exceptional measures, if required to perform the work under this Contract, and approved in advance by the County Project Officer. The County may require the Contractor to obtain three quotes for such exceptional measures and equipment prior to approval.

No overtime pay will be allowed under this Contract.

The County will pay (or reimburse the Contractor at Contractor's cost, as required) for all required permit and inspection fees.

Reimbursement of the cost of mileage between the County offices and the project site is allowable for staff augmentation assignments. Such reimbursements will be made at the US General Services Administration privately owned vehicle mileage reimbursement rate current at the time of travel.
