The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either party has made any representation or promise with respect to the parties' agreement that is not contained in the Contract Documents. The Contract Documents may be referred to below as the "Contract" or the "Agreement".

2. SCOPE OF WORK

The Contractor agrees to perform the services described in the Contract Documents (the "Work"). As detailed in the "Scope of Services " (Attachment A), the primary purpose of the Work is preparation of design development and construction documents for the addition of a new elevator at the Pentagon City Metrorail Station and improvements to the appearance of the existing elevator (the "Project"). It will be the Contractor's responsibility, at its sole cost, to provide the specific services set forth in the Contract Documents and sufficient services to fulfill the purposes of the Work. Nothing in the Contract Documents limits the Contractor's responsibility to manage the details and execution of the Work.

3. PROJECT OFFICER

The performance of the Contractor is subject to the review and approval of the County Project Officer, who will be appointed by the Director of the Arlington County department or agency requesting the Work under this Contract.

4. CONTRACT TERM

Time is of the essence. Tasks 1 through 7, under this Agreement, will commence on issuance of a Notice to Proceed and shall be completed Three Hundred (300) consecutive calendar thereafter. .

If the County authorizes Task 8, Construction Administration/Management Services, the Contract Term (Period of Performance) will be extended by a Contract amendment at the rates specified in the Contract Price Schedule.

5. CONTRACT AMOUNT

This is a Firm Fixed-Unit price Contract. The Contractor agrees that it shall complete the Work at the rates specified in the Attachment B unless the rates are adjusted by a modification to the Contract/Agreement.

The County will not compensate the Contractor for any goods or services beyond those included in Attachment A unless those additional goods or services are covered by a fully executed amendment to this Contract. Additional services will be billed at the rates set forth in Attachment B (Price Schedule) unless otherwise agreed by the parties in writing.

6. STANDARD OF CARE

In the performance or furnishing of professional services hereunder, the Contractor shall ensure that it and all its agents and employees exercise the degree of skill and care normally accepted as professional practices and procedures by members of the same profession currently practicing under similar conditions in the same locality ("Customary Standard of Care").

The Contractor shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, costs estimates, and other services or materials provided. The Contractor represents and agrees that the plans, drawings, specifications and other documents prepared by it must be free from material errors, complete, and functional for the purposes intended, including constructability, and that if constructed in accordance with such plans, drawings, specifications and other documents will be structurally sound and a complete and properly functioning facility suitable for the purposes for which it is intended.

The County's review, approval or acceptance of, or payment for, any services required under this Contract does not release the Contractor from any liability hereunder or operate as a waiver by the County of any rights or of any cause of action arising out of the Contract.

The Contractor will re-perform without additional compensation, any services not meeting this Standard.

7. NOT-TO-EXCEED PROJECT COST

The Contractor shall create and provide to the County detailed Contract Drawings, Specifications and other documents that will be sufficient for the County to obtain competitive bids as described in the Scope of Services.

The Contractor's final cost estimate shall be commensurate with the level of design approved by the County. The Contractor shall submit cost estimates at completion of 100% Construction Documents. If any such cost estimate indicates a potential problem in securing a bid within the County's construction budget, the Contractor shall notify the County and shall work with the County to redefine the design concepts such as space utilization, building efficiencies, and materials of construction, at no additional cost to the County, so that the estimated cost of construction does not exceed the budget.

If the lowest competitive bid received exceeds the Contractor's cost estimate by more than 10%, and negotiations with the lowest responsible bidder fail to result in a price within the project budget, then the Contractor shall revise the construction drawings and specifications at no additional cost to the County for a re-bid.

8. PAYMENT

The Contractor will be paid monthly upon its submission of a complete invoice satisfactory to the Project Officer that meets the requirements of this section and other applicable provisions of the Contract. Within ten (10) days after the last day of each month the Contractor shall submit, for approval by the Project Officer, an invoice describing the total work done, by Task, during the preceding month. The Project Officer shall either approve the invoice or require corrections.

The County will pay the Contractor within thirty (30) days after the date of receipt of a correct (as determined by the Project Officer) invoice approved by the Project Officer. The amount paid shall be based on the estimate of the percentage of the total work under each Task completed during the month, subject to the Project Officer's acceptance of the Work and the estimate. If the Contractor has been paid ninety percent (90%) of the Contract Amount for any Task and work under that Task is not complete, the remaining amount due for that Task will be paid to the Contractor only after all work on that Task is completed. The total amount paid for each Task shall not exceed the amount allocated for the Task, regardless of the number of hours spent or the amount of expenses incurred by the Contractor in the performance of the Work. The number of the County Purchase Order by which authority shipments have been made or services performed shall appear on all invoices. Invoices shall be submitted in duplicate.

9. ADJUSTMENTS FOR CHANGE IN SCOPE

The County may order changes in the Work within the general scope of the work consisting of additions, deletions or other revisions. No claim may be made by the Contractor that the scope of the work or that the Contractor's services have been changed requiring adjustments to the amount of compensation due the Contractor unless such adjustments have been made by a written amendment to the Contract signed by the County and the Contractor. If the Contractor believes that any particular work is not within the scope of the Work or is a material change or otherwise will call for more compensation to the Contractor, the Contractor must immediately notify the Project Officer after the change or event occurs and within ten (10) calendar days thereafter must provide written notice to the Project Officer. The Contractor's notice must provide to the Project Officer the amount of additional compensation claimed, together with the basis therefor and documentation supporting the claimed amount. The Contractor will not be compensated for performing any work unless a proposal complying with this paragraph has been submitted in the time specified above and a written Contract amendment has been signed by the County and the Contractor and a County purchase order is issued covering the cost of the services to be provided pursuant to the amendment.

10. REIMBURSABLE EXPENSES

Only reasonable project-related expenses specified in Attachment B (Price Schedule) will be reimbursed. The Contractor will charge allowed reimbursable expenses on a unit-price basis and must provide verified invoices. The total amount paid for project-related expenses will not exceed the amount shown in Attachment B.

11. REIMBURSABLE TRAVEL-RELATED EXPENSES

The County will not reimburse the Contractor for travel-related expenses for employees located within the greater Baltimore-Washington Metropolitan Area, as defined by the United States Office of Management and Budget. For employees located outside this area, the County will reimburse for pre-approved travel-related expenses, documented with receipts, as follows:

- b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

The Contractor is obligated to pay interest to the subcontractor on all amounts owed by the Contractor to the subcontractor that remain unpaid after seven (7) days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in subsection b., above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts, if any are permitted, a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this section may not be construed to be an obligation of the County. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

13. NON-APPROPRIATION

All payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia ("Board"). In the event that the Board does not appropriate funds for the goods or services provided under this Contract, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the fiscal year or when the previous appropriation has been spent, whichever event occurs first.

14. COUNTY PURCHASE ORDER REQUIREMENT

County purchases are authorized only if the County issues a Purchase Order in advance of the transaction, indicating that the ordering County agency has sufficient funds available to pay for the purchase. The County has the right reasonably to reject staff or subcontractors whom the Contractor assigns to the project. The Contractor must then provide replacement staff or subcontractors satisfactory to the County in a timely manner and at no additional cost to the County. The day-to-day supervision and control of the Contractor's and its subcontractors' employees is the sole responsibility of the Contractor.

The Contractor may not replace key personnel or subcontractors identified in its proposal, including the approved Project Manager, without the County's written approval. The Contractor must submit any request to remove or replace key personnel or subcontractors to the County Project Officer at least 15 calendar days in advance of the proposed action. 22. VIRGINIA UNIFORM STATEWIDE BUILDING CODE

All improvements or construction of County buildings and facilities shall be designed in compliance with the most current edition of the Virginia Uniform Statewide Building Code (VUSBC). The cover sheet of all plans developed shall clearly indicate this requirement and shall indicate the applicable edition of the VUSBC utilized by the designer.

The Contractor shall ensure that all services provided under this Agreement are completed in accordance with the requirements of the Americans with Disabilities Act (ADA), and any other applicable regulations and standards. The parties agree that ADA compliance is a vital part of this contract.

The Contractor shall monitor Work performed by the construction contractor during the construction phase, and inform the County and construction contractor of any Work performed that does not conform with the ADA or other applicable requirements, to enable corrective action to be taken.

The Contractor shall defend and hold the County harmless from any expense or liability arising from the Contractor's non-compliance with accessibility requirements under the ADA, and other applicable regulations and standards, under this Agreement. The Contractor shall be responsible for all costs related to permitting delays, redesign, corrective Work, and litigation relating to such non-compliance.

The County may terminate this Contract at any time as follows: (1) for cause, if, as determined by the County, the Contractor is in breach or default or has failed to perform the Work satisfactorily; or (2) for the convenience of the County.

Upon receipt of a notice of termination, the Contractor must not place any further orders or subcontracts for materials, services or facilities; must terminate all vendors and subcontracts, except as are necessary for the completion of any portion of the Work that the County did not terminate; and must immediately deliver all documents related to the terminated Work to the County.

Any purchases that the Contractor makes after the notice of termination will be the sole responsibility of the Contractor, unless the County has approved the purchases in writing as necessary for completion of any portion of the Work that the County did not terminate.

If any court of competent jurisdiction finds a termination for cause by the County to be improper, then the termination will be deemed a termination for convenience.

A. TERMINATION FOR CAUSE, INCLUDING BREACH AND DEFAULT; CURE

1. **Termination for Unsatisfactory Performance.** If the County determines that the Contractor has failed to perform satisfactorily, then the County will give the Contractor written notice of such failure(s) and the opportunity to cure them within 15 days or any other period specified by the County ("Cure Period"). If the Contractor fails to cure within the Cure Period, the County may terminate the Contract for failure to provide satisfactory performance by providing written notice with a termination date. Upon such termination, the Contractor may apply for compensation for Contract services that the County previously accepted ("Termination Costs"), unless payment is otherwise barred by the Contract. The Contractor must submit any request for Termination Costs, with all supporting documentation, to the County Project Officer within 30 days after the expiration of the Cure Period. The County may accept or reject the request for Termination Costs, in whole or in part, and may notify the Contractor of its decision within a reasonable time.

In the event of termination by the County for failure to perform satisfactorily, the Contractor must continue to provide its services as previously scheduled through the termination date, and the County must continue to pay all fees and charges incurred through the termination date.

2. **Termination for Breach or Default.** If the County terminates the Contract for default or breach of any Contract provision or condition, then the termination will be immediate after notice of termination to the Contractor (unless the County provides for an opportunity to cure), and the Contractor will not be permitted to seek Termination Costs.

Upon any termination pursuant to this section, the Contractor will be liable to the County for costs that the County must expend to complete the Work, including costs resulting from any related delays and from unsatisfactory or non-compliant work performed by the Contractor or its subcontractors. The County will deduct such costs from any amount due to the Contractor; or if the County does not owe the Contractor, the Contractor must promptly pay the costs within 15 days of a demand by the County. This section does not limit the County's recovery of any other damages to which it is entitled by law.

Except as otherwise directed by the County, the Contractor must stop work on the date of receipt the notice of the termination.

B. TERMINATION FOR THE CONVENIENCE OF THE COUNTY

The County may terminate this Contract in whole or in part whenever the Purchasing Agent determines that termination is in the County's best interest. The County will give the Contractor at least 15 days' notice in writing. The notice must specify the extent to which the Contract is terminated and the effective termination date. The Contractor will be entitled to Termination Costs, as defined above, plus any other reasonable amounts that the parties might negotiate; but no amount will be allowed for anticipatory profits.

Except as otherwise directed by the County, the Contractor must stop work on the date of receipt of the notice of the termination.

This duty to save, defend, hold harmless and indemnify will survive the termination of this Contract. If the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor must reimburse the County for any and all resulting payments and expenses, including reasonable attorneys' fees. The Contractor must pay such expenses upon demand by the County, and failure to do so may result in the County withholding such amounts from any payments to the Contractor under this Contract.

The County shall require its contractors and sub-contractors to indemnify and hold harmless WMATA and WMATA's officers, officials and employees against any liability and claims for injury, including personal injury to or death of person or persons in connection with this Project. The indemnity described herein is a contractual undertaking that is not limited by the limits of insurance provided in relation to this Agreement.

26. INTELLECTUAL PROPERTY INDEMNIFICATION

The Contractor warrants and guarantees that in providing services under this Contract neither the Contractor nor any subcontractor is infringing on the intellectual property rights (including, but not limited to, copyright, patent, mask and trademark) of third parties.

If the Contractor or any of its employees or subcontractors uses any design, device, work or material that is covered by patent or copyright, it is understood that the Contract Amount includes all royalties, licensing fees, and any other costs arising from such use in connection with the Work under this Contract.

The Contractor covenants for itself, its employees and its subcontractors to save, defend, hold harmless, and indemnify the County Indemnitees, as defined above, from and against any and all claims, losses, damages, injuries, fines, penalties, costs (including court costs and attorneys' fees), charges, liability or exposure for infringement of or on account of any trademark, copyright, patented or unpatented invention, process or article manufactured or used in the performance of this Contract. This duty to save, defend, hold harmless and indemnify will survive the termination of this Contract. If the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor must reimburse the County for any and all resulting payments and expenses, including reasonable attorneys' fees. The Contractor must pay such expenses upon demand by the County, and failure to do so may result in the County withholding such amounts from any payments to the Contractor under this Contract.

27. COPYRIGHT

By this Contract, the Contractor irrevocably transfers, assigns, sets over and conveys to the County all rights, title and interest, including the sole exclusive and complete copyright interest, in any and all copyrightable works created pursuant to this Contract. The rights granted to the County by this section are irrevocable and may not be rescinded or modified, including in connection with or as a result of the termination of or a dispute concerning this Contract.

The Contractor may not use subcontractors or third parties to develop or provide input into any copyrightable materials produced pursuant to this Contract without the County's advance written approval and unless the Contractor includes this Copyright provision in any contract or agreement with such subcontractors or third parties related to this Contract.

28. OWNERSHIP AND RETURN OF RECORDS

This Contract does not confer on the Contractor any ownership rights or rights to use or disclose the County's data or inputs.

All drawings, specifications, blueprints, data, information, findings, memoranda, correspondence, documents or records of any type, whether written, oral or electronic, and all documents generated by the Contractor or its subcontractors as a result of this Contract (collectively "Records") are the exclusive property of the County and must be provided or returned to the County upon completion, termination, or cancellation of this Contract. The Contractor will not use or willingly cause or allow such materials to be used for any purpose other than performance of this Contract without the written consent of the County.
