LEASE # L07-0302-PS
HARRIS CORPORATION (FORMERLY M/A-COM)
RADIO COMMUNICATION
EXPIRES: 07/30/2021

Good afternoon Jack/Jodi --

The radio list in the original e-mail from Harris Corporation (below) are the SLERS radios assigned and utilized by the Airport. We would like to have these radios added to L07-0302-PS, as allowed in subsection 2 of the Wireless Service Agreement. Please allow these 19 radios to be added to the Exhibit A – Equipment List under this lease. The Airport is billed separately (directly) from Harris for their monthly access to the SLERS network.

Please let us know if we can further assist.

Thank you,

Daniel,

Attached is our Slers radio list that needs to be added to the contract. Purchasing said that a amendment to the contract is required to get them on the list. Please let me know when our list has been added.

Thank you for all your help.

Jack,

Yesterday, we received an updated SLERS radio list from Harris for L07-0302-EM. They noted a few inactive or lost/stolen radios that were removed and no longer in the monthly billing. The radio count went from 148 to 143. The updated listing is attached.

Thanks,
Daniel

Dan,

Here are the 143 units for EMS that I have from the CSD report. We have subtracted out the inactive and lost/stolen radios so you should not be charged for them.

Please let me know which other radios should be included in your count.

Thanks
Bruce

Subject: Okaloosa County Invoice 93149465

Good morning April -

We have received the invoice for July 2013 access fee and it appears our radio count is off again. This time it shows a count of 143 radios when we should have 148 on the invoice. I know we said something like this in our favor doesn't break our hearts, but the number crunchers in our Finance and Clerk's office will toss this back since the numbers are off. Can you please send us an updated invoice with the 148 radio count for Okaloosa account 34979? Attached is the invoice we received.

Thanks for all your help,

WIRELESS SERVICES AGREEMENT

This Wireless Services Agreement (this "Agreement") is made as of the 1st day of July, 2007, by and between M/A-COM, Inc. ("Provider"), having a principal place of business at 221 Jefferson Ridge Parkway, Lynchburg, VA 24501, and Okaloosa County Board of County Commissioners, Department of Public Safety ("User"), having a principal place of business at 6 11th Avenue, Suite G1, Shalimar, FL 32574.

WHEREAS, Provider, as successor-in-interest to Com-Net Ericsson Critical Radio Systems, Inc., is a party to that certain Service and Access Agreement (the "State Contract") dated September 28, 2000 by and between Provider and the State of Florida, acting by and through the Department of Management Services and the State Technology Office acting as administrative agent for the Joint Task Force on the State Agency Law Enforcement Communications (collectively, the "State");

WHEREAS, Provider owns and operates a network of wired and wireless telecommunications facilities which provide the State with certain wireless voice and data communications services, commonly referred to as the Florida Statewide Law Enforcement Radio System, throughout the State of Florida (the "Wireless Network");

WHEREAS, User desires to obtain from Provider, and Provider, subject to securing the prior written consent of the State, desires to grant to User, a license ("License") to access to the voice communication Radio Portion of the Wireless Network ("Radio Network") for use in the Okaloosa County, FL area ("Area"), in accordance with the terms and conditions set forth herein.

NOW, THEREFORE, for and in consideration of the promises made herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Access to Radio Network. During the period commencing on August 1, 2007 and continuing through June 30, 2021 (the "Contract Term") User shall have the non-exclusive right to access the Radio Network in conjunction with the performance of User's public service radio operations for voice communications with such coverage as exists on the Radio Network within the Area. Solely in exchange for such License to use of the Radio Network within the Area, User shall pay to Provider the Access Fee on a monthly basis throughout the Contract Term, in accordance with the provisions of Section 2 hereof.

2. Access Fee. Throughout the Contract Term, User shall deliver to Provider in the amount of \$9.00 per month (the "Access Fee") per radio licensed ("Licensed Radio") pursuant to this Agreement, payable on or before the first (1st) day of each calendar month (February 1, March 1, April 1, etc.). The first monthly payment (or pro rata portion thereof if the commencement date is other than the first day of a calendar month) of the Access Fee shall be due and payable on August 1, 2007. Provided

RADIO COMMUNICATIONS
EXPIRES: 7/30/2021

it would not interfere in any way, manner or form with the State's use of the Wireless System, User may request during the Contract Term that the number of Licensed Radios be increased. If Provider agrees with such request, the number of Licensed Radios shall be increased following the payment by the User of the Access Fee for such additional Licensed Radios (on a pro rata basis if such Licensed Radios are added at any time other than the first day of a calendar quarter) and thereafter the monthly Access Fee shall be increased to include such additional Licensed Radios. Other city and county agencies operating in Okaloosa County may qualify for the same access fee.

3. User's Responsibilities. Within thirty (30) days of the date of this Agreement, User shall purchase from Provider and obtain from Provider the services to install all of the equipment listed on Exhibit A at User's sole cost and expense. Should User for any reason not attributable to Provider fail to purchase or install the Equipment prior to the date of the first monthly payment as set forth in Section 2 above, such payment shall nevertheless be due on that date and the first of each month thereafter. User shall be responsible for securing all approvals, licenses, and permits necessary, if any, to allow User to use the Radio Network at its sole cost and expenses. User understands and agrees that its use of the Radio Network shall not negatively impact the state's use of the Wireless Network.

4. Representations and Warranties. Provider shall be responsible for repairing and maintaining the Radio Network in good working order throughout the Contract Term. If during the Contract Term User is unable to access the Radio Network for a period of more than one (1) day due to Provider's gross negligence or willful misconduct, then User shall be entitled to a pro rata reduction in the Access Fee for such period. Except as set forth in this Agreement, Provider makes no representations or warranties of any kind to User regarding the nature, condition, or capabilities of the Radio Network. All other User costs including, but not limited to, Dispatch, User terminal maintenance, and User equipment replacement costs, are to be borne by and at the sole expense of User.

5. Default. In the event that User fails to pay any monthly Access Fee within thirty (30) days after User receives a written notice of non-payment from Provider, Provider may terminate this Agreement by written notice to User and User shall thereafter immediately take all necessary steps, at User's sole cost and expense, to cease its use of the Radio Network. Notwithstanding the foregoing, Provider shall only be obligated to provide User with a written notice of non-payment one (1) time during any calendar year during the Contract Term, after which Provider shall be entitled to the foregoing termination rights if User fails to pay any monthly Access Fee within thirty (30) days after the date that the same is due and payable hereunder.

6. Notices. Any notices or payments hereunder shall be given in writing to the party for whom it is intended at the respective addresses set forth above, or such other address as may be designated in writing by notice given in accordance herewith, either in person, by registered or certified mail (return receipt requested and postage prepaid), by first class mail (postage prepaid) or by a nationally recognized overnight courier providing for signed receipt of delivery. Any such notice or payment shall be deemed given or received when delivered in person, when mailed if sent by certified or registered mail,

when received if sent by first class mail, or when deposited for delivery with such overnight courier, whichever occurs first.

7. Construction of Agreement. This Agreement, which may be executed in multiple counterparts, is to be construed in accordance with the laws of the United States and the State of Florida. This Agreement sets forth the entire contract between the parties hereto, is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns, and may be canceled, modified or amended only by a written instrument executed by both Provider and User.

8. Termination. (a) Subject to the provisions of paragraph (b) of this Section 8, either party may terminate this agreement or User may reduce the number of Licensed Radios but only in either case, upon giving ninety (90) days prior written notice to the other in accordance with the terms hereof for any reason or no reason at all. Such termination or reduction shall be deemed effective at the end of such ninety (90) day period.

(b) (i) Should User desire to terminate this Agreement prior to the expiration of the Contract Term, User shall pay to Provider a termination fee equal the difference between the Access Fee actually paid the access fee the User would have been charged for such shorter period and, in addition, if the User terminates this Agreement prior to the expiration of five (5) years from the commencement date, User shall pay to Provider an additional termination fee equal to Provider's costs, charges and expenses for any equipment and installation which was necessary to grant User access to the Radio Network less reasonable depreciation.

(ii) Any reduction in the number of Licensed Radios will require Provider's prior written consent which may be based upon reasonable conditions such as, but not limited to, an increase in the monthly Access Fee per Licensed Radios.

IN WITNESS WHEREOF, this Wireless Services Agreement is entered into as of the date first written above.

Daniel,

This pertains to the SLERS equipment. Do you have such a list as described in section 3 of the attached lease agreement? If so, I need it to update the file and send a copy to Finance.

Thanks,
Jack
