#### CONTRACT #C17-2493-PS FL. DEPT OF HEALTH EMS SERVICES FOR SPECIAL NEEDS SHELTERS EXPIRES: 12/31/2021

## MEMORANDUM OF AGREEMENT FOR OKALOOSA COUNTY PUBLIC SAFETY, EMERGENCY MEDICAL SERVICES STAGING AT OKALOOSA COUNTY SPECIAL NEEDS SHELTER(S) IN OKALOOSA COUNTY, FL

THIS MEMORANDUM OF AGREEMENT (MOA) is made and entered into between the Florida Department of Health (DOH-Okaloosa County or Department) and Okaloosa County, a political subdivision of the State of Florida (Provider), to establish collaboration for the provision of Emergency Medical Services (EMS) coverage in Special Needs Shelters in Okaloosa County, Florida. The DOH-Okaloosa and the Provider are sometimes herein collectively referred to as the "Parties" and individually as a "Party":

WHEREAS, the Department has the responsibility of operating Special Needs Shelters in Okaloosa County, Florida by Emergency Support Function #8 (ESF #8) in emergency situations; and,

WHEREAS, the Provider provides EMS coverage within the jurisdiction of Okaloosa County and to other cities and Special Fire Control Districts through inter-local and mutual aid agreements; and,

WHEREAS, upon the decision by the Okaloosa County Emergency Management (OCEM) to activate SpNS, ESF #8 will, within thirty (30) minutes, notify the Provider of this decision and the date and time the Special Needs Shelter will be open to the public; and,

WHEREAS, the Provider has agreed to provide EMS coverage in the Special Needs Shelter in their jurisdiction as requested by ESF #8; and,

NOW, THEREFORE, in consideration of the foregoing, the parties hereto agree as follows:

## I. RECITALS

The Parties mutually agree that the foregoing recitals are true and correct and incorporated herein by reference.

## II. PURPOSE

1. This MOA delineates responsibility of the Department and the Provider for activities related to EMS coverage at the Special Needs Shelter(s) in Okaloosa County, Florida.

2. This MOA serves as the Scope of Work between the Provider and the Department.

III. SCOPE

1. The provisions of this MOA apply to activities to be performed at the request of the Department in conjunction with the implementation of the ESF #8 Standard Operating Procedure (SOP), an appendix to the Okaloosa County Comprehensive Emergency Response Plan and DOH-Okaloosa's All-Hazards Plan.

2. No provision in this MOA limits the activities of the Department in performing local and state functions.

## IV. DEFINITIONS

1. Special Needs Shelter (SpNS). A place to go when there is no other sheltering option for people who require assistance that exceeds the services of general population shelter. Special Needs Shelters may be activated during an emergency event to provide mass care for people who cannot safely remain in their home. Special needs shelters are intended to provide, to the extent possible under emergency conditions, an environment that can sustain an individual's level of health.

2. Advanced Life Support Ambulance. An Advanced Life Support Ambulance is defined in Chapter 401.25 (7)(b) F.S. as: Each permitted advanced life support ambulance not specifically exempted from this part, when transporting a person who is sick, injured, wounded, incapacitated, or helpless, must be occupied by at least two persons: one who is a certified paramedic or licensed physician; and one who is a certified emergency medical technician, certified paramedic, or licensed physician who also meets the requirements of s. <u>401.281</u> for drivers. The person with the highest medical certifications shall be in charge of patient care. This paragraph does not apply to interfacility transfers governed by s. <u>401.252(1)</u>.

## V. THE DEPARTMENT AGREES TO THE FOLLOWING:

1. Provide a staging area within the Special Needs Shelter(s) for Emergency Medical Services crews to stay during the time when normal response operations are suspended due to weather concerns until such time the All Clear for normal response activities to resume is transmitted.

2. There will be no costs associated with staging the Emergency Medical Services crews in the Special Needs Shelter. Cost for treatment or transport will be the responsibility of the patient(s) being transported or treated by OCEMS; and OCEMS will process all billing through their agency procedures. Any supplies used by OCEMS while treating or transporting sick or injured patients will not be charged to the Department.

## VI. PROVIDER AGREES TO THE FOLLOWING:

1. Provide EMS coverage in the Special Needs Shelter(s) within its jurisdiction by staffing one (1) paramedic and one (1) emergency medical technician, as well as Advanced Life Support equipment in accordance with Florida Statutes and Okaloosa County Emergency Medical Services' protocols at each Special Needs Shelter(s) within their jurisdiction. The Provider will be responsible for calling for any additional emergency transport vehicles should such a need arise.

2. Provide the Department with Oxygen Cylinders, Oxygen Outlet Manifold, and any other related medical equipment as stated in the Okaloosa County CEMP and DOH-Okaloosa's All Hazards Plan. Provider also agrees to provide the proper training to staff on the use of any provided equipment per manufacturer's instructions. Training will be delivered during exercise opportunities or in a "just in time" training requirement for actual deployment of resources in the Special Needs Shelter. Resources will be delivered within one (1) hour of notification of opening of the Special Needs Shelter unless otherwise specified and training provided as soon as materials are in place.

3. In the event of a tropical storm and/or hurricane, EMS coverage shall commence no later than six hours before the estimated time of landfall or when reported wind speeds are sustained at 45 mph and shall terminate as soon as the "All Clear" has been given by Okaloosa County Emergency Management (OCEM).

4. If the Provider is not able to provide Special Needs Shelter EMS coverage when requested, the Provider shall, within one (1) hour, notify the Department.

## VII. BOTH PARTIES AGREE TO THE FOLLOWING:

1. That this Memorandum will not supersede any applicable laws, rules, or polices of either party.
