The SUBRECIPIENT shall, at all times, remain an independent contractor with respect to the services to be performed under this Agreement. The COUNTY shall be exempt from payment of all unemployment compensation, FICA, retirement, life and/or medical insurance, and workers' compensation insurance.

**ARTICLE XIX**

**INDEMNIFICATION**

The SUBRECIPIENT shall defend, hold harmless, and indemnify the COUNTY and all of its officers, agents, and employees from and against any and all claim, liability, loss, damage, cost, attorney's fee, charge, or expense of whatever kind or nature which the COUNTY may sustain, suffer, incur, or be required to pay by reason of the loss of any monies paid to the SUBRECIPIENT resulting out of fraud, defalcation, dishonesty, or failure of the SUBRECIPIENT to comply with this Agreement, or arising out of any act, action, neglect, or omission during the performance of this Agreement, as modified, any part thereof, or work performed hereunder, whether direct or indirect; or by reason or result of injury caused by the SUBRECIPIENT's negligent maintenance or supervision of the property or work performed thereon over which the SUBRECIPIENT has control; or by reason of a judgment over and above the limits provided by the insurance, required under Article XX of this Agreement; or by any defect in the condition or construction of the Project, if the Project was inspected and accepted by the SUBRECIPIENT; whether or not due to, or caused by negligence of the COUNTY, or any of its agents and employees, except that the SUBRECIPIENT will not be liable under this provision for damages arising out of the injury or damage to persons or property directly caused or resulting from the sole negligence of the COUNTY or any of its agents or employees. The indemnity hereunder shall continue until all provisions of this Agreement, including satisfaction of any mortgage and/or promissory note, have been fully performed by the SUBRECIPIENT.

The SUBRECIPIENT's obligation to indemnify, defend, and pay for the defense or, at the COUNTY's option, to participate and associate with the COUNTY in the defense and trial of any damage claim or suit and any related settlement negotiations, shall arise within seven (7) days of receipt by the SUBRECIPIENT of the COUNTY's notice of claim for indemnification to the SUBRECIPIENT. If a judgment finding the COUNTY solely negligent is appealed and the finding of sole negligence is reversed, the SUBRECIPIENT will be obligated to indemnify the COUNTY for the cost of the appeal(s). The SUBRECIPIENT shall pay all costs and fees related to this obligation and its enforcement by the COUNTY.

Notwithstanding any provision of this Agreement, if the SUBRECIPIENT is an agency or subdivision of the State of Florida, its obligation to indemnify, defend and hold harmless the County shall be to the extent permitted by section 768.28, F.S. or other applicable law, and without waiving any applicable limits of sovereign immunity.

The Approved Scope of Work includes all information provided with the grant application. The attached documents, taken from the grant application, provide a summary of the scope of work approved with this grant award.

## **Detailed Description:**

This award will fund the restoration of Clement Taylor Park, a site once the location of Destin's one-room schoolhouse, which was used until the 1950's, and after the building was deserted and demolished the area was designated as a park. The park covers 3.39 acres and is located north of the Destin Bridge on the Choctawhatchee Bay in the midst of old Destin. The park is in great need of a facelift, and the needed improvements include: demolition of the existing 30+ year-old restrooms, which will be replaced with a new bathroom facility and picnic pavilion; demolition of the existing playground to build an ADA compliant playground with new equipment and safety surfacing; reconfiguration of parking area; renovation of the fishing pier/dock; addition of a kayak launch; replacement of concrete pathways and removal of old pilings from the Bay.

The subrecipient, City of Destin, will carry out the scope of work for the project and provide the cost sharing funds in the amount of \$776,262 for a total project amount of \$1,506,180.00. This project will assist with the redevelopment of Destin's waterfront and harbor district, benefiting communities of Okaloosa County in the gulf coast region to promote and encourage tourism, improve recreational infrastructure, and increase tourism to the area.

# **RESTORE ACT FINANCIAL ASSISTANCE STANDARD TERMS AND CONDITIONS AND PROGRAM-SPECIFIC TERMS AND CONDITIONS**

## **PREFACE**

A grant agreement is comprised of the following documents:

1. A Notice of Award from the Department of the Treasury (“Treasury”);
2. The RESTORE Act Financial Assistance Standard Terms and Conditions (“Standard Terms and Conditions”);
3. The RESTORE Act Financial Assistance Program-Specific Terms and Conditions (“Program-Specific Terms and Conditions”);
4. An approved application, including all documents, certifications, and assurances that are part of the approved application;
5. An approved scope of work;
6. Any approved budget; and,
7. Any special terms and conditions applied by Treasury to the award (“Special Award Conditions”).

The recipient must comply with—and require each of its subrecipients, contractors, and subcontractors employed in the completion of the activity, project, or program to comply with—the RESTORE Act, Treasury’s implementing regulations at 31 C.F.R. Part 34, all applicable federal statutes, regulations, executive orders (EOs), Office of Management and Budget (OMB) circulars, any program guidance issued by Treasury (including the RESTORE Frequently Asked Questions), Standard Terms and Conditions, Program-Specific Terms and Conditions, and any Special Award Conditions of this federal financial assistance award (“Award”), as applicable, in addition to the certifications and assurances required at the time of application.

Any inconsistency or conflict in Standard Terms and Conditions, Program-Specific Terms and Conditions, and any Special Award Conditions of this Award will be resolved according to the following order of precedence: federal laws, Executive Orders, federal regulations, applicable notices published in the Federal Register, OMB circulars, Treasury’s Standard Terms and Conditions, Program-Specific Terms and Conditions, and any Special Award Conditions.

Some of these Standard Terms and Conditions contain, by reference or substance, a summary of pertinent federal statutes, federal regulations published in the Federal Register (Fed. Reg.) or Code of Federal Regulations (C.F.R.), EOs, or OMB circulars. In particular, these Standard Terms and Conditions incorporate many of the provisions contained in OMB’s Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (“Uniform Guidance,” 2 C.F.R. Part 200), which supersedes former OMB Circular A-102 (the former grants management common rule), OMB Circular A-133 (single audit requirements), and all former OMB circulars containing the cost principles for grants and cooperative agreements. To the extent that it is a summary, such a provision is not in derogation of, or an amendment to, any such statute, regulation, EO, or OMB circular. Unless a definition is provided here, definitions can be found in the RESTORE Act (Public Law No. 112-141 (July 6, 2012), Treasury’s implementing regulations (79 Fed. Reg. 48039 (Aug. 15, 2014) and 79 Fed. Reg. 61236 (Oct. 10, 2014), as codified at 31 C.F.R. Part 34), or 2 C.F.R. Part 200.

# A Program-Specific Terms and Conditions - Awards Under the Direct Component

In addition to all the Standard Terms and Conditions described in Sections C through T of this document, all Treasury RESTORE Act awards made under the Direct Component include the following Program-Specific Terms and Conditions:

## 1. Administrative Costs

a. Administrative costs are defined as indirect costs for administration incurred by the recipient that are allocable to activities authorized under the RESTORE Act, as specified in 31 C.F.R. § 34.2.

Administrative costs do not include:

i. Direct costs that directly support the scope of work and are identified as direct costs in the approved award budget;

ii. Indirect costs that are identified specifically with, or readily assignable to facilities, as defined in 2 C.F.R. § 200.414; and

iii. Indirect costs of subrecipients.

b. Of the amounts received from Treasury under the Direct Component, not more than three percent may be used for administrative costs. The three percent limit on administrative costs may be applied to the total amount of funds received by a recipient either on a grant-by-grant basis or on an aggregate basis. For the latter method, amounts used for administrative costs may not at any time exceed three percent of the aggregate of:

i. The amounts received under a component (i.e., Direct Component or Centers of Excellence) by a recipient, beginning with the first grant through the most recent grant, and

ii. The amounts in the Trust Fund that are allocated to, but not yet received by, the grantee under 31 C.F.R. § 34.103, consistent with the definition of administrative costs in 31 C.F.R. § 34.2. .

c. Up to 100 percent of program income, as defined in 2 C.F.R. § 200.1 and elaborated in 2 C.F.R. § 200.307, may be used to pay for allowable administrative costs, subject to the three percent cap. Program income may also be used to defray other allowable costs under the award.

## 2. Oil Spill Liability Trust Fund

The recipient must not seek any compensation for the approved program or project from the Oil Spill Liability Trust Fund. If the recipient is authorized to make subawards, the recipient must not use Direct Component funds to make subawards to fund activities for which any claim for compensation was filed and paid out by the Oil Spill Liability Trust Fund after July 6, 2012.

## 3. Remedies for Noncompliance

a. If Treasury determines that the recipient has expended Direct Component funds to cover the cost of any ineligible activities, in addition to the remedies available in Section M of these Standard Terms and Conditions, per 31 C.F.R. § 34.804, Treasury will make no additional payments to the recipient from the Gulf Coast Restoration Trust Fund (Trust Fund), including no payments from the Trust Fund for activities, projects, or programs until the recipient has either (1) deposited an amount equal to the amount

expended for the ineligible activities in the Trust Fund, or (2) Treasury has authorized the recipient to expend an equal amount from the recipient's own funds for an activity that meets the requirements of the RESTORE Act.

b. If Treasury determines the recipient has materially violated the terms of this Award, Treasury will make no additional funds available to the recipient from any part of the Trust Fund until the recipient corrects the violation.

#### **4. Required Use of American Iron, Steel, Manufactured Products, and Construction Materials**

a. Pursuant to section 70914 of the Build America, Buy America Act, included in the Infrastructure Investment and Jobs Act (IIJA), Pub. L. 117-58 (November 15, 2021), none of the funds provided under this award may be used for a project for infrastructure, as defined in paragraph (b) below unless:

- i. all iron and steel used in the project are produced in the United States, which means that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;
- ii. all manufactured products used in the project are produced in the United States, which means that the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and
- iii. all construction materials are manufactured in the United States, which means that all manufacturing processes for the construction material occurred in the United States.

b. For the purposes of this section, the term "infrastructure" means public infrastructure, including but not limited to the structures, facilities, and equipment for, in the United States, roads, highways, and bridges; public transportation; dams, ports, harbors, and other maritime facilities; intercity passenger and freight railroads; freight and intermodal facilities; airports; water systems, including drinking water and wastewater systems; electrical transmission facilities and systems; utilities; broadband infrastructure; and buildings and real property. Infrastructure includes facilities that generate, transport, and distribute energy.

c. The requirement of paragraph (a) (the "Buy America preference") only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does the Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

#### **5. Buy America Preference Waivers**

a. The Buy America Preference shall not apply if a waiver covering the project is in effect at the time that Treasury obligates the award funds for the new award or amendment to the existing award (provided as the "Date Issued" in the Notice of Award). All waivers will be posted on Treasury's RESTORE Act, Buy America website at <https://home.treasury.gov/policy-issues/financial-markets-financial-institutions-and-fiscal-service/restore-act>

b. Recipients may also apply for, and Treasury may grant, a waiver from these requirements on a project or product level. Treasury will provide information on the process for requesting a waiver from these requirements. For more information on the waiver request process see <https://home.treasury.gov/policy-issues/financial-markets-financial-institutions-and-fiscal-service/restore-act>.

c. Treasury may waive the application of the Buy America preference in any case in which Treasury determines that:

- i. applying the Buy America Preference would be inconsistent with the public interest;
  - ii. the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or
  - iii. the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent.
- d. A request to waive the application of the Buy America preference must be submitted in writing. Treasury will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the Made in America Office within the Office of Management and Budget.

#### **6. Buy America Preference Definitions**

Definitions of terms related to the Buy America Preference requirement provided in this section are provided on Treasury's RESTORE Act, Buy America website at <https://home.treasury.gov/policy-issues/financial-markets-financial-institutions-and-fiscal-service/restore-act>.

The recipient must not incur or pay any expenses under this Award for activities not related to the attached approved scope of work unless Treasury first approves an Award amendment explicitly modifying the approved scope of work to include those activities.

### **2. Pre-award Costs**

The recipient may obligate funds under this Award only during the period of performance specified in the Notice of Award, which is the time period during which the recipient may incur new obligations and costs to carry out the work authorized under this Award. The only exception is for costs related to award reporting and closeout after the end of the period of performance, or costs incurred prior to the effective date of this Award, which are allowable only if:

- a. Treasury specifically authorized these costs in writing on or after the issuance date of this Award;
- b. Incurring these costs was necessary for the efficient and timely performance of the scope of work; and
- c. These costs would have been allowable if incurred after the date of the award.

### **3. Indirect Costs**

a. The recipient may only charge indirect costs to this Award if these costs are allowable under 2 C.F.R. Part 200, Subpart E ( *Cost Principles*). For Direct Component awards, there is a three percent limit on indirect costs per 31 C.F.R. § 34.204. Please see the RESTORE Act Frequently Asked Questions (FAQs) related to the Direct Component Program for more information on the limitations on indirect costs (administrative costs) at <https://home.treasury.gov/system/files/216/May-2020-Direct-Component-FAQ-Update-final-5-21-2020.pdf>. Indirect costs charged to the award must be consistent with an accepted de minimis rate or the indirect cost rate agreement negotiated between the recipient and its cognizant agency (defined as the federal agency that is responsible for reviewing, negotiating, and approving cost allocation plans or indirect cost proposals, see 2 C.F.R. § 200.1) and must be included in the recipient's budget.

- b. Unallowable direct costs are not recoverable as indirect costs.

c. The maximum dollar amount of allocable indirect costs charged to this Award shall be the lesser of:

i. The line item amount for the indirect costs contained in the approved budget, including all budget revisions approved in writing by the Treasury; or,

ii. The total indirect costs allocable to this Award based on the indirect cost rate approved by a cognizant or oversight federal agency and applicable to the period in which the cost was incurred, provided that the rate is approved on or before the Award end date.

#### **4. Cost Sharing and Budget Limitations**

a. There is not a cost sharing or matching requirement for Treasury's RESTORE Act grant programs. However, if matching funds are included in the approved award budget, the recipient must obtain and use these matching funds for the purposes of the award.

b. The recipient shall not request or receive additional funding beyond what was included in the approved application for the attached approved scope of work from any federal or non-federal source without first notifying Treasury.

#### **5. Program Income**

Program Income is defined in 2 C.F.R. § 200.1 as gross income earned by the non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance except as provided by 2 C.F.R. § 200.307(f). As allowed by 2 C.F.R. § 307(b), Treasury authorizes costs incidental to the generation of program income that have not been charged to the award to be deducted from the gross income to determine program income for this award (i.e., net program income). Any program income generated by the recipient or the subrecipient during the period of performance of the award or period of performance of the subrecipient agreement, as applicable, must be included in the approved budget and be used for the purposes of the Award and under the conditions of these Standard Terms and Conditions and any Special Award Conditions, i.e., solely to accomplish the approved scope of work. All program income determinations are project scope-specific and should be determined prior to award or at the earliest point possible post-award.

#### **6. Incurring Costs or Obligating Federal Funds Beyond the Expiration Date**

The recipient must not incur costs or obligate funds under this Award for any purpose pertaining to the operation of the activity, project, or program beyond the end of the period of performance. The only costs that are authorized for a period up to 120 days following the end of the period of performance are those strictly associated with closeout activities. Closeout activities are normally limited to the preparation of final progress, financial, and required audit reports unless otherwise approved in writing by Treasury. Under extraordinary circumstances, and at Treasury's sole discretion, Treasury may approve the recipient's request for an extension of the 120-day closeout period.

#### **7. Tax Refunds**

Refunds of taxes paid under the Federal Insurance Contributions Act (FICA) and the Federal Unemployment Tax Act (FUTA) that are received by the recipient during or after the period of performance must be refunded or credited to Treasury if these taxes were paid out of RESTORE Act funds in accordance with 2 C.F.R. Part 200, Subpart E (*Cost Principles*). The recipient agrees to contact Treasury immediately upon receipt of these refunds.

#### **8. Requirement to Maintain a Conflict-of-Interest Policy**

a. Recipients must comply with 2 C.F.R. § 200.216 with respect to obligations and expenditures of Treasury's RESTORE Act grants funded on or after 8/13/2020. As required by 2 C.F.R. § 200.216, Treasury's RESTORE Act recipients and subrecipients are prohibited from obligating or expending grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services as a substantial or essential component of any system or as critical technology as part of any system.

b. Covered telecommunications equipment or services are defined as follows:

i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);

ii. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);

iii. Telecommunications or video surveillance services provided by such entities or using such equipment; or

iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of the People's Republic of China.

c. Whenever procuring, contracting for, or obtaining telecommunications or video surveillance services or equipment, the recipient must make a good-faith effort to ascertain that none of the equipment or services are from a prohibited source. The recipient must review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) for entities excluded from receiving federal awards for "covered telecommunications equipment or services."

d. The recipient must ensure that the prohibition on covered telecommunications and video surveillance services and equipment flows down to all lower-tier transactions, to include all subawards and contracts.

#### **10. Limitation on Use of Funds for Research Involving Human Subjects**

a. No work involving human subjects may be undertaken, conducted, or costs incurred and/or charged to this Award for human subject's research, until the appropriate documentation is approved in writing by Treasury.

Part 46, Subpart A, defines a human subject as a living individual about whom an investigator conducting research obtains (1) information or biospecimens through intervention or interaction with the individual (e.g., surveys and focus groups), and uses, studies, or analyzes the information or biospecimens or (2) uses, studies, analyzes, or generates identifiable private information or identifiable biospecimens. Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.

#### **11. Limitation on Use of Funds for Foreign Travel**

- a. The recipient and subrecipient may not use funds from this Award for travel outside of the United States unless Treasury provides prior written approval.
- b. The recipient and subrecipient must comply with the provisions of the Fly America Act, as amended, (49 U.S.C. § 40118). The implementing regulations of the Fly America Act are found at 41 C.F.R. §§ 301-10.131–301-10.143.
- c. The Fly America Act requires that federal travelers and others performing U.S. Government-financed air travel must use U.S. flag air carriers, to the extent that service by such carriers is available. Foreign air carriers may be used only in specific instances, such as when a U.S. flag air carrier is unavailable, or use of U.S. flag air carrier service will not accomplish the agency's mission.
- d. One exception to the requirement to fly U.S. flag carriers is transportation provided under a bilateral or multilateral air transport agreement, to which the United States Government and the government of a foreign country are parties, and which the Department of Transportation has determined meets the requirements of the Fly America Act pursuant to 49 U.S.C. § 40118(b). The United States Government has entered into bilateral/multilateral "Open Skies Agreements" (U.S. Government Procured Transportation) that allow federal funded transportation services for travel and cargo movements to use foreign air carriers under certain circumstances. There are multiple "Open Skies Agreements" currently in effect. For more information about the current bilateral and multilateral agreements, visit the GSA website <http://www.gsa.gov/portal/content/103191>. Information on the Open Skies agreements (U.S. Government Procured Transportation) and other specific country agreements may be accessed via the Department of State's website <http://www.state.gov/e/eeb/tra/>.
- e. If a foreign air carrier is anticipated to be used for any portion of travel funded under this Award, the recipient must receive prior approval from Treasury. When requesting such approval, the recipient must provide a justification in accordance with guidance provided by 41 C.F.R. § 301–10.142, which requires the recipient to provide Treasury with the following: name; dates of travel; origin and destination of travel; detailed itinerary of travel; name of the air carrier and flight number for each leg of the trip; and a statement explaining why the recipient meets one of the exceptions to the regulations. If the use of a foreign air carrier is pursuant to a bilateral agreement, the recipient must provide Treasury with a copy of the agreement or a citation to the official agreement available on the GSA website. Treasury shall make the final determination and notify the recipient in writing. Failure to adhere to the provisions of the Fly America Act will result in the recipient not being reimbursed for any transportation costs for which the recipient improperly used a foreign air carrier.

#### **12. Subawards**

- a. Recipients that enter into subawards under this award must execute a legally binding written agreement with the subrecipient which includes a budget by federal object class categories or fixed amount (2 C.F.R. § 200.332). d. The recipient must provide training and technical assistance to the subrecipient as necessary.

e. The recipient must, if necessary, take appropriate enforcement actions against non-compliant subrecipients.

f. If lower-tier subawards are authorized by Treasury, the recipient must ensure that a subrecipient who makes a subaward applies the terms and conditions of this Award, including any Special Award Conditions, to all lower-tier subawards through a legally binding written agreement, and that a subrecipient who makes a subaward carries out all the responsibilities of a pass-through entity described at 2 C.F.R. § 200.332.

g. The recipient must verify that no subrecipient appears on the excluded party list on sam.gov. If lower-tier subawards are authorized by Treasury, the recipient must ensure that a subrecipient who makes a subaward verifies that this lower-tier subrecipient does not appear on the excluded parties list in sam.gov prior to issuing the subaward.

h. The recipient must maintain written standards of conduct governing the performance of its employees involved in executing this Award and administration of subawards consistent with 2 C.F.R. § 200.318(c)(1).

i. No employee, officer, or agent shall participate in the selection, award, or administration of a subaward supported by federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization in which he/she serves as an officer or which employs or is about to employ any of the parties mentioned in this section, has a financial interest or other interest in the organization selected or to be selected for a subaward.

ii. The officers, employees, and agents of the recipient shall neither solicit nor accept anything of monetary value from subrecipients.

iii. A recipient may set standards for situations in which the financial interest is not substantial, or the gift is an unsolicited item of nominal value. A financial interest may include employment, stock ownership, a creditor or debtor relationship, or prospective employment with the organization selected or to be selected for a subaward.

iv. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

  - b. Permit the tracing of funds to a level of expenditures adequate to establish that such funds have been used in accordance with all applicable federal, state, and local requirements, including the RESTORE Act, Treasury implementing regulations, these Standard Terms and Conditions, Program-Specific Terms and Conditions, and any Special Award Conditions, and retain all supporting documentation to allow this tracing of funds;
  - c. Allow for the comparison of actual expenditures with the amount budgeted for each Award made to the recipient by Treasury under the RESTORE Act grant programs;
  - d. Identify and track all RESTORE Act awards received and expended by the assigned grant number, which is the Universal Award ID (as provided by Treasury), the year the Award was made, the awarding agency (Treasury), and the program's CFDA title and CFDA number (21.015);
  - e. Record the source and application of funds for all activities funded by this Award, as well as all awards, authorizations, obligations, unobligated balances, assets, expenditures, program income, and interest earned on federal advances, and allow users to tie these records to source documentation such as cancelled checks, paid bills, payroll and attendance records, contract and subaward agreements, etc.; and

These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States or the "Internal Control Integrated Framework", issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). The recipient must evaluate and monitor its compliance, and the compliance of any subrecipients, with the RESTORE Act, Treasury's implementing regulations, these Standard Terms and Conditions, Program-Specific Terms and Conditions, and any Special Award Conditions, and promptly remedy any identified instances of noncompliance. When and if an instance of noncompliance cannot be remedied by the recipient, the recipient must promptly report the instance of noncompliance to Treasury and Treasury's Inspector General, followed by submitting a proposed mitigation plan to Treasury.
4. The recipient must take reasonable measures to safeguard protected personally identifiable information (PII), as defined in 2 C.F.R 200.1, consistent with applicable federal, state, and local laws regarding privacy and obligations of confidentiality.

## **J Award Disbursement**

1. Unless otherwise specified in a Special Award Condition, Treasury will make advance payments under this Award upon request. However, if one of the following occurs, Treasury will require Award funds to be disbursed on a reimbursement basis either with or without pre-approval of drawdown requests: (1) Treasury determines that the recipient does not meet the financial management system standards (see Section E) included in these Standard Terms and Conditions, (2) Treasury determines that the recipient has not established procedures that will minimize the time elapsing between the transfer of funds and disbursement, or (3) Treasury determines that the recipient is in noncompliance with the RESTORE Act, Treasury's implementing regulations, other pertinent federal statutes, these Standard Terms and Conditions, Program-Specific Terms and Conditions, and/or any Special Award Conditions, and determines that the appropriate remedy is to require payment on a reimbursement basis.

2. If reimbursement is used, Treasury may require pre-approval of drawdown requests. If Treasury requires pre-approval of drawdown requests, Treasury will provide the recipient with instructions on what billing to submit. Treasury will make payment within 30 calendar days after receipt of the billing, unless Treasury determines the request to be improper, in which case payment will not be made.

3. To the extent available, the recipient must disburse funds available from program income, rebates, refunds, contract settlements, audit recoveries, and interest earned on such funds before requesting additional cash payments of Award funds.

4. Treasury will use the Department of Treasury's Automated Standard Application for Payment (ASAP) system to disburse payments of Award funds. In order to receive payments, the recipient must first enroll in ASAP.gov. Treasury creates and funds account(s) for recipients in ASAP.gov, and recipients access their account(s) online to request funds. All Award funds will be disbursed electronically using the Automated Clearing House (ACH) for next day or future-day payments only. Awards paid through ASAP.gov may contain controls or withdrawal limits set by Treasury.

5. Requirements applicable to recipients that are states: Payment methods of state agencies or instrumentalities must be consistent with Treasury-State agreements under the Cash Management Improvement Act, 31 C.F.R. Part 205 "Rules and Procedures for Efficient Federal-State Funds Transfers," and Treasury Financial Manual (TFM) 4A-2000 Overall Disbursing Rules for All Federal Agencies.

6. Requirements applicable to recipients that are not states: The recipient must minimize the time between the transfer of funds from Treasury and the use of the funds by the recipient. Advance payments to the recipient must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient in carrying out the purpose of the approved activity, project, or program. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements by the parish or county for activity, project, or program costs and the proportionate share of any allowable indirect costs. Advances should not be drawn down more than three business days before expenditure.

Advanced funds not disbursed in a timely manner must be promptly returned to Treasury. The recipient must make timely payment to contractors (vendors) in accordance with the contract provisions.

7. Advances of federal funds must be deposited and maintained in United States Government-insured interest-bearing accounts whenever possible. The recipient is not required to maintain a separate depository account for receiving Award funds. If the recipient maintains a single depository account where advances are commingled with funds from other sources, the recipient must maintain on its books a separate subaccount for the Award funds. Consistent with the national goal of expanding opportunities for women-owned and minority-owned business enterprises, the recipient is encouraged to ensure fair consideration of women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

8. The recipient must maintain advances of federal funds in interest-bearing accounts, unless one of the following conditions applies:

- a. The recipient receives less than \$250,000 in federal awards per year;
  - b. The best reasonably available interest-bearing account would not be expected to earn interest in excess of \$500 per year on federal cash balances; or
  - c. The depository would require an average or minimum balance so high that it would not be feasible within the expected federal and non-federal cash resources.
9. Interest earned amounts up to \$500 per year may be retained by the non-federal entity for administrative expense. Any additional interest earned on federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services, Payment Management System, (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment.

## **K Notifications and Prior Approvals**

### **1. Notifications**

- b. Except for changes described in (2) below, the recipient may revise the budget without prior approval. If the recipient alters the budget, the recipient must provide a revised budget form (SF-424A or SF-424C, as applicable) to Treasury as an attachment to the SF-PPR, reflecting all budget revisions from the same period covered by the SF-PPR. Acceptance of such budget information does not constitute Treasury's approval of the revised budget.

## **M Termination and Remedies for Noncompliance**

1. If Treasury determines that the recipient has failed to comply with the RESTORE Act, Treasury's implementing regulations, these Standard Terms and Conditions, Program- Specific Terms and Conditions, or any Special Award Conditions, Treasury may take any of the following actions (in addition to the remedies in Section A.3, above, applicable to Direct Component awards):

## **S Real Property, Construction, Equipment and Supplies**

### **1. General Requirements**

a. The recipient must comply with the property standards at 2 C.F.R. § 200.310 through 200.316 for real property, equipment, supplies, and intangible property.

## **2. Real Property and Acquisition of Land and Land Interests**

a. No real property or interest in real property may be acquired under this Award unless authorized in the approved scope of work.

b. In accordance with 31 C.F.R. § 34.803(f), no land or interests in land, such as easements, or right of ways, may be acquired under this Award unless the recipient can provide documentation satisfactory to Treasury that the land or interest in land was acquired by purchase, exchange, or donation from a willing seller.

## **3. Compliance with State, Local and Federal Requirements**

The project must comply with all applicable federal laws and regulations, and with all requirements for state, and local laws and ordinances to the extent that such requirements do not conflict with federal laws. The recipient is also responsible for supervising the design, bidding, construction, and operation of construction projects in compliance with all award requirements. The recipient must comply with, and must require all contractors and subcontractors, to comply with all federal, state, and local laws and regulations. The recipient must ensure compliance with special award conditions which may contain conditions that must be satisfied prior to advertisement of bids, start of construction, or another critical event.

## **4. Title**

a. Prior to receiving Treasury authorization to start construction, the recipient must furnish evidence, satisfactory to Treasury, that the recipient has acquired good and merchantable title free of all mortgages, foreclosable liens, or encumbrances, to all land, rights of way, and easements necessary for the completion of the project.

b. When property has been newly acquired for the project, the recipient must provide the following as evidence of clear title to the property:

i. A copy of the recorded deed or equivalent conveyance document showing the recipient acquired title to the property; and

ii. A copy of the title insurance (also known as title policy), title report, or title opinion (by attorney(s) licensed in the jurisdiction where the property is located) completed after the real estate acquisition showing the recipient obtained title to the property free of any encumbrances (i.e., foreclosable liens, easements, or any other limitations on use that interferes with the recipient's intended use, operation, construction, maintenance of the property, or Treasury's federal interest). The title insurance, title report, or title opinion should include the legal description of the property.

c. When the property to be used for the project has not been newly acquired, the recipient must provide evidence of clear title to the property, which includes both of the items listed in (b) above, provided that the copy of the title insurance, title report, title opinion, or equivalent must be completed within the last year. If such evidence is more than one year old, the recipient must provide Treasury with an explanation, which Treasury may in its discretion decline to accept.

d. When easements, rights-of-way, or other rights are required for the completion of the project, the recipient must provide the following documentation:

i. A copy of the easement deed or equivalent conveyance document; and

ii. A copy of the title insurance, title report, or title opinion (by attorney(s) licensed in the jurisdiction where the property is located).

e. When use of or access to leased property is required for the project, the recipient must provide the following evidence of control of the leased property:

i. A copy of the lease signed by the lessor and recipient that provides a lease term equivalent to the estimated useful life (EUL) of the project or renewable for that period; and

ii. A certification from the recipient that it has control of all project property or improvements to the property and is not aware of any material restrictions or encumbrances that could interfere with any award purpose for the duration of the EUL. If this changes within the course of the EUL, the recipient must provide timely notice to Treasury. The federal interest may be waived, if it is decided that recording the federal interest is not feasible, then Treasury may include a special award condition on the award that the recipient will repay the federal interest if the lessor terminates the lease before the EUL of the project expires or if the recipient or lessor uses the property in a manner inconsistent with the public purpose(s) of the award during the EUL of the improvements or construction, as applicable.

f. When the project involves linear construction/improvement, road construction, or other less common types of construction, recipients should contact Treasury for guidance on the types of evidence of title required.

g. Notwithstanding (a)-(f), Treasury may in its discretion accept only a copy of the title insurance, title report, title opinion, or equivalent as evidence of title (or easement or other rights) if the recipient is unable to produce the relevant conveyance document.

h. In all cases, recipients must disclose any ongoing litigation concerning the project property prior to seeking Treasury's permission to proceed with construction.

## **5. Permitting Requirements**

Prior to receiving Treasury permission to proceed with construction, the recipient must furnish evidence, satisfactory to Treasury, that recipient has received all federal, state and local permits necessary for the completion of the project. In extraordinary circumstances and at Treasury's sole discretion, Treasury may accept alternate documentation such as, draft permits, which must be finalized within a specified time as determined by Treasury after approval of a request for notice to proceed with construction.

## **6. Estimated Useful Life**

a. Property that is acquired or improved, in whole or in part, with federal assistance is held in trust by the recipient for the purpose(s) for which the award was made for the Estimated Useful Life. Estimated Useful Life means the period of years that constitutes the expected useful lifespan of a project, as determined by Treasury. The recipient must propose an Estimated Useful Life from the date of construction completion either prior to award or initiation of construction. If the Estimated Useful Life is provided in the application, Treasury's issuance of the grant agreement represents its concurrence with the recipient's proposed Estimated Useful Life.

b. The recipient's obligation to the federal government continues for the Estimated Useful Life of the project, as determined by Treasury, during which Treasury retains an undivided equitable reversionary interest (the "federal interest") in the property acquired or improved, in whole or in part, with the Treasury investment.

c. If Treasury determines that the recipient has failed or fails to meet its obligations under the terms and conditions of this award, Treasury may exercise its rights or remedies with respect to its federal interest in the project. However, Treasury's forbearance in exercising any right or remedy in connection with the federal interest does not constitute a waiver thereof.

d. At its discretion, Treasury may waive the requirement to establish an Estimated Useful Life for environmental restoration projects.

## **7. Recording the Federal Interest in the Real Property**

Pursuant to 2 C.F.R. § 200.316, Treasury retains an undivided equitable reversionary interest in real property (a “federal interest”) that is acquired or improved, in whole or in part with RESTORE Act Direct Component funds, which must be held in trust by the recipient for the benefit of the project for the Estimated Useful Life of the project.

To document the federal interest, the recipient must prepare and properly record a “Covenant of Purpose, Use and Ownership” (Covenant), or, where a subrecipient is the title owner, the recipient must ensure that the subrecipient prepares and properly records a “Covenant of Purpose, Use and Ownership” (Covenant) on the property acquired or improved with RESTORE Act Direct Component funds. This Covenant does not establish a traditional mortgage lien in that it does not establish a traditional creditor relationship requiring the periodic repayment of principal and interest, or the ability of Treasury to foreclose on the real property at any time. Rather, pursuant to the Covenant, the recipient and/or the subrecipient, as applicable, acknowledges that it holds title to the real property in trust for the public purposes of the financial assistance award and agrees, among other commitments, that it will repay the federal interest if it disposes of or alienates its interest in the real property, or uses it in a manner inconsistent with the public purposes of the award, during the Estimated Useful Life of the property.

a. The Covenant must be satisfactory in form and substance to Treasury and must include the name and current address of the recipient and/or subrecipient (if applicable), the award number, amount, date of award, subrecipient agreement (if applicable), date of the purchase of property (if applicable), and the Estimated Useful Life of the project. It must also include statements that the real property will only be used for purposes consistent with the RESTORE Act and Treasury’s implementing regulations, 31 C.F.R. Part 34; that it will not be mortgaged or used as collateral, sold, or otherwise transferred to another party without the written permission of Treasury; and that the federal interest cannot be subordinated, diminished, nullified, or released through encumbrance of the property, transfer of the property to another party, or any other action the recipient/subrecipient takes without the written permission of Treasury.

b. The recipient agrees to provide to Treasury a title insurance (also known as title policy), title report, or title opinion as to the title owner of the property, and to properly record the Covenant, in accordance with applicable law in the real property records in the jurisdiction in which the real property is located in order to provide public record notice to interested parties that there are certain restrictions on the use and disposition of the real property during its Estimated Useful Life, and that Treasury retains an undivided equitable reversionary interest in the real property to the extent of its participation in the project for which funds have been awarded.

c. Treasury requires title insurance, a title report, or a title opinion from the recipient to substantiate that the Covenant has been properly recorded.

d. Failure to properly and timely file and maintain documentation of the federal interest may result in appropriate enforcement action, including, but not limited to, disallowance of the cost of the acquisition or improvement by Treasury.

e. The Federal Interest must be perfected and recorded/filed in accordance with state and/or local law concurrent with the acquisition of the real property, where an award includes real property acquisition, and for construction of buildings and projects to improve the real property, no later than the date construction and/or improvement work commences.

f. When the Estimated Useful Life of the project is ended, the federal interest is extinguished, and Treasury has no further interest in the real property.

g. Exclusions from the requirement that the federal interest on real property be recorded will be at Treasury’s sole discretion. The types of projects for which Treasury may agree to this exclusion include,

but are not limited to, the following: work which involves no above grade structures, work within utility easements, work on leased property, improvements to state parks, water and sewer lateral line projects affecting private properties, and shoreline stabilization projects and other restoration projects.

## **8. Use of Real Property**

Encumbering real property on which there is a federal interest without prior Treasury approval is an unauthorized use of the property and of project trust funds under this award. See 2 C.F.R. § 200.316. Real property or interest in real property may not be used for purposes other than the authorized purpose of the award without the express, prior written approval of Treasury, for as long as the federal government retains an interest in the property. The property must not be sold, conveyed, transferred, assigned, mortgaged, or in any other manner encumbered except as expressly authorized in writing by Treasury. The recipient must maintain facilities constructed or renovated with grant funds in a manner consistent with the purposes for which the funds were provided for the duration of the Estimated Useful Life.

In the event that the real property or interest in real property is no longer needed for the originally authorized purpose, the recipient must obtain disposition instructions from Treasury consistent with 2 C.F.R. § 200.311.

## **9. Administration, Operation and Maintenance**

The recipient agrees to administer, operate, and maintain the project for its Estimated Useful Life in the same manner in which it operates and maintains similar facilities and equipment owned by it, and in accordance with state and local standards, laws and regulations. The recipient must not be in breach of its obligations under this award except to the extent the failure to fulfill any obligation is due to an Uncontrollable Force. “Uncontrollable Force” means an event beyond the reasonable control of, and without the fault or negligence of, the party claiming the Uncontrollable Force that prevents the recipient from honoring its contractual obligations under this Agreement and which, by exercise of the recipient’s reasonable care, diligence and foresight, such recipient was unable to avoid. Uncontrollable Forces include, but are not limited to:

- a. Strikes or work stoppage;
- b. Floods, earthquakes, or other natural disasters;
- c. Terrorist acts; and
- d. Final orders or injunctions issued by a court or regulatory body having competent subject matter jurisdiction which the recipient, claiming the Uncontrollable Force, after diligent efforts, was unable to have stayed, suspended, or set aside pending review by a court of competent subject matter jurisdiction. Neither the unavailability of funds or financing, nor conditions of national or local economies or markets must be considered an Uncontrollable Force.

## **10. Commencement of Construction**

The recipient must not commence construction prior to the date of the Award. The recipient must make a written request to Treasury for permission to commence with construction after the construction contractor has been selected and at least 30 days prior to construction. For project costs to be eligible for Treasury reimbursement, Treasury must determine that the award of all contracts with associated costs are in compliance with the scope of the project and all terms and conditions of this award, and that all necessary permits have been or will be obtained, all Special Award Conditions tied to the commencement of construction have been satisfied, and the federal interest is secure. No construction funds may be drawn from ASAP without Treasury’s written permission. If the recipient commences construction prior to Treasury’s determination, the recipient proceeds at its own risk.

Treasury will only review contract amendments or change orders which change the scope of a contract.

## **11. Insurance**

The recipient must, at a minimum, provide the equivalent insurance coverage for real property improved with federal funds as provided to property owned by the recipient state, county or parish, in compliance with 2 C.F.R. § 200.310.

## **12. Bonding**

For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the recipient or pass-through entity may request in writing that Treasury accept its bonding policy and requirements. If Treasury determines that the federal interest in the project is adequately protected, the recipient or pass-through entity need not comply with the following three bonding requirements. For all other recipients and pass-through entities, the minimum requirements for construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold are as follows:

- a. A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual instruments as may be required within the time specified.
- b. A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.
- c. A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

## **13. Floodplain Requirements**

In accordance with 44 C.F.R. Part 9, prior to Treasury’s permission to commence construction in a designated 100-year floodplain, the recipient must provide evidence satisfactory to Treasury of a Floodplain Notice, that the 30-day period established for receipt of comments from the public in response to public notice published regarding the potential for adverse project impact on the values and functions of a designated 100-year floodplain has expired and that identified concerns (if any) have been addressed to Treasury’s satisfaction. This notice may be satisfied through a federal/state environmental assessment process used as the vehicle for public notice, involvement, and explanation per 44 C.F.R. § 9.8(2).

In addition, prior to Treasury’s authorization to commence construction of structures and/or buildings within a designated 100-year floodplain, the recipient must provide evidence satisfactory to Treasury of the following:

- a. Floodplain Protection: That the project engineer/architect has certified that the project facility will be adequately protected from damage by floods in this area of apparent potential flood hazard. The evidence must include adequate justification for the Base Flood Elevation designation for the financial assistance award site.
- b. Floodplain Insurance: That the community is participating in the National Flood Insurance Program, and that as required, the recipient will purchase flood insurance.

## **14. Goals for Women and Minorities in Construction**

Department of Labor regulations set forth in 41 C.F.R. § 60-4 establish goals and timetables for participation of minorities and women in the construction industry. These regulations apply to all federally assisted construction contracts in excess of \$10,000. The recipient must comply with these regulations and must obtain compliance with 41 C.F.R. § 60-4 from contractors and subcontractors

employed in the completion of the project by including such notices, clauses and provisions in the Solicitations for Offers or Bids as required by 41 C.F.R. § 60-4.

- a. The goal for participation of women in each trade area must be as follows: From April 1, 1981, until further notice: 6.9 percent;
- b. All changes to this goal, as published in the Federal Register in accordance with the Office of Federal Contract Compliance Programs regulations at 41 C.F.R. § 60-4.6, or any successor regulations, must hereafter be incorporated by reference into these Special Award Conditions; and,
- c. Goals for minority participation must be as prescribed by Appendix B-80, Federal Register, Volume 45, No. 194, October 3, 1980, or subsequent publications. The recipient must include the “Standard Federal Equal Employment Opportunity Construction Contract Specifications” (or cause them to be included, if appropriate) in all federally assisted contracts and subcontracts. The goals and timetables for minority and female participation may not be less than those published pursuant to 41 C.F.R. § 60-4.6.

**15. Davis Bacon Act, as amended (40 U.S.C. §§ 3141–3148)**

Davis-Bacon Act-related provisions outlined in 33 U.S.C. § 1372 are applicable to RESTORE Act grants that fund a construction project that is a “treatment works” project as defined in 33 U.S.C. § 1292; or a construction project regardless of whether it is a “treatment works” project when RESTORE Act Direct Component grant funds are used on a construction project in conjunction with federal assistance from another federal agency operating under an authority that requires the enforcement of Davis-Bacon Act-related provisions.

a. “Treatment works” is defined in 33 U.S.C. § 1292, and means any:

i. Devices and systems:

1) Used in the storage, treatment, recycling, and reclamation of municipal sewage or industrial wastes of a liquid nature to implement 33 U.S.C. § 1281; or

2) Necessary to recycle or reuse water at the most economical cost over the estimated life of the works, including intercepting sewers, outfall ewers, sewage collection systems, pumping, power, and other equipment, and their appurtenances; extensions, improvements, remodeling, additions, and alterations to those devices and system; and

ii. Elements essential to provide a reliable recycled supply of water such as standby treatment units and clear well facilities;

iii. Acquisition of the land that will be an integral part of the treatment process (including land used for the storage of treated wastewater in land treatment systems prior to land application) or will be used for ultimate disposal of residues resulting from such treatment and acquisition of other land, and interests in land, that are necessary for construction; or

Any other method or system for preventing, abating, reducing, storing, treating, separating, or disposing of municipal waste, including storm water runoff, or industrial waste, including waste in combined storm water and sanitary sewer systems.

b. When Davis-Bacon Act-related provisions applies, the recipient must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141–3144, and §§ 3146–3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”) in all prime construction contracts in excess of \$2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds. The recipient must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. For information on the current prevailing wage rate

determination for a specific locality go to <https://sam.gov/content/wage-determinations>. If there is no prevailing wage rate determination for your locality, recipients should contact the U.S. Department of Labor at 1-866-487-2365 on how to obtain a prevailing wage rate determination .

c. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. In accordance with the statute and regulations, contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor and required to pay wages not less than once a week. The contractor shall submit weekly for each week in which any contract work is performed, a copy of all payrolls to the recipient. The required weekly payroll information may be submitted in any form desired. A contractor may use Form WH-347 which is available at <https://www.dol.gov/agencies/whd/government-contracts/construction/payroll-certification>.

d. The prime contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. The recipient must report all suspected or reported violations to Treasury.

e. The wage determination (including any additional classification and wage rates) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another Federal award term.

### **B. Requirement for Unique Entity Identifier**

If you are authorized to make subawards under this Federal award, you:

## Appendix III: Davis-Bacon and Related Acts Requirements

### 1. *Minimum wages.*

(i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act ([29 C.F.R. part 3](#))), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 C.F.R. . § 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in [§ 5.5\(a\)\(4\)](#). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: *Provided*, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under [paragraph \(a\)\(1\)\(ii\)](#) of 29 C.F.R. .§ 5.1 and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)

(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to [paragraphs \(a\)\(1\)\(ii\) \(B\) or \(C\)](#) of 29 C.F.R. . § 5.5, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *Provided*, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

## 2. *Withholding.*

The Department of Treasury or recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, Treasury or

the recipient may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

### 3. Payrolls and basic records.

(i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under [29 C.F.R. 5.5\(a\)\(1\)\(iv\)](#) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)

(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the recipient. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under [29 C.F.R. 5.5\(a\)\(3\)\(i\)](#), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <https://www.dol.gov/agencies/whd/government-contracts/construction/payroll-certification> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the recipient, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of 29 C.F.R. § 5.5 for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under [§ 5.5\(a\)\(3\)\(ii\)](#) of Regulations, [29 C.F.R. part 5](#), the appropriate information is being maintained under [§ 5.5\(a\)\(3\)\(i\)](#) of Regulations, [29 C.F.R. part 5](#), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, [29 C.F.R. part 3](#) ;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by [paragraph \(a\)\(3\)\(ii\)\(B\)](#) of this 29 C.F.R. . § 5.5.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under [paragraph \(a\)\(3\)\(i\)](#) of 29 C.F.R. § 5.5 available for inspection, copying, or transcription by authorized representatives of the recipient, Department of Treasury, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to [29 C.F.R. 5.12](#).

#### 4. *Apprentices and trainees* -

(i) *Apprentices*. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) *Trainees*. Except as provided in [29 C.F.R. 5.16](#), trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S.

Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) *Equal employment opportunity.* The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and [29 C.F.R. part 30](#).

5. *Compliance with Copeland Act requirements.* The contractor shall comply with the requirements of [29 C.F.R. part 3](#), which are incorporated by reference in this contract.

6. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses contained in [29 C.F.R. 5.5\(a\)\(1\)](#) through [\(10\)](#), and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with all the contract clauses in [29 C.F.R. 5.5](#).

7. *Contract termination: debarment.* A breach of the contract clauses in [29 C.F.R. 5.5](#) may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in [29 C.F.R. 5.12](#).

8. *Compliance with Davis-Bacon and Related Act requirements.* All rulings and interpretations of the Davis-Bacon and Related Acts contained in [29 C.F.R. parts 1, 3, and 5](#) are herein incorporated by reference in this contract.

9. *Disputes concerning labor standards.* Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in [29 C.F.R. parts 5, 6, and 7](#). Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

10. *Certification of eligibility.*

(i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or [29 C.F.R. 5.12\(a\)\(1\)](#).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or [29 C.F.R. 5.12\(a\)\(1\)](#).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, [18 U.S.C. 1001](#).

## **Appendix IV: Contract Clauses Required for Contracts Subject to the Requirements of the Contract Work Hours and Safety Standards Act**

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph 1 of 29 C.F.R. § 5.5(b), the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph 1 of 29 C.F.R. § 5.5(b), in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph 1 of 29 C.F.R. § 5.5(b).

(3) *Withholding for unpaid wages and liquidated damages.* The Department of Treasury or recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph 2 of 29 C.F.R. § 5.5(b).

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph 1 through 4 of 29 C.F.R. § 5.5(b) and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor with the clauses set forth in paragraph 1 through 4 of 29 C.F.R. § 5.5(b).

## **Appendix V: 41 C.F.R. § 60-1.4**

During the performance of this contract, the contractor agrees as follows:

1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the

supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
