**INTERLOCAL AGREEMENT FOR
WATERFRONT ACCESS MAINTENANCE AND CAPITAL IMPROVEMENTS**

THIS INTERLOCAL AGREEMENT (the "Agreement") is made and entered into on the effective date below by and between OKALOOSA COUNTY, FLORIDA, a political subdivision of the State of Florida (hereinafter referred to as "the County") and CITY OF DESTIN, a Florida municipal corporation (hereinafter referred to as "the City").

WHEREAS, the County finds that maintaining and enhancing its waterfront and beach accesses is an essential component of promoting the sub-county taxing district as a tourist destination; and

WHEREAS, the City provides gulf front parks, beach access ways, and a harbor boardwalk frequented by tourists; and

WHEREAS, the County determines it would be in the best interest of its visitors to support the City for the purposes set forth herein.

NOW, THEREFORE, acting pursuant to their statutory authority and in consideration of the mutual covenants and agreements of the parties, the County and the City agree as follows:

Section 1. Recitals. The above recitals are true and accurate and are incorporated herein as essential terms of the Agreement.

Section 2. City's Responsibilities. The City shall provide and maintain three (3) gulf front parks, eight (8) beach access ways, and a harbor front park and boardwalk as more fully described in the scope of services as set forth in EXHIBIT A attached hereto and incorporated by reference.

The City shall provide a point-of-contact for the services provided under this Agreement. The point of contact shall be available to the County at all times as necessary for the proper performance of this Agreement by the City.

The City shall place the Okaloosa County tourist development logo ("Logo") as appropriate at locations provided for under this Agreement. Additionally, the City agrees to work with the County to enhance marketing efforts of the sub-county taxing district. Such marketing efforts may include, but not be limited to, social media development and interaction, public relations and publicity initiatives, webpage links and landing pages, and photograph and video.

Section 3. County's Responsibilities. The County agrees to pay the City FOUR HUNDRED SEVENTY-SIX THOUSAND THREE HUNDRED FIFTY DOLLARS (\$476,350.00) for annual maintenance and capital outlay costs for the fiscal year October 1, 2021 to September 30, 2022 as set forth in EXHIBIT A. Payment shall be made on a reimbursement basis upon receipt of an invoice.

Invoicing detail shall be in sufficient detail for pre- and post-audit review to insure the services were performed and that the correct amount has been invoiced. Invoices shall include backup documentation detailing expenditure transactions, including but not limited to transaction date, vendor name, and purpose of transaction. Invoices shall be itemized such that the

description of services performed is consistent with the description of expenses as set forth in EXHIBIT A. The City is authorized to shift expenses between line items so long as the total annual amount is not exceeded.

Payment may be reduced as necessary in the event of a storm or other occurrence that results in decreased visitation and consequently a significant decrease in tourist development tax revenue.

In the event a portion of an invoice submitted to the County for payment to the City, as specified above, is disputed, payment for the disputed amount may be withheld pending resolution of the dispute, and the remainder of the invoice will be processed for payment without regard to that portion which is in dispute.

If County funds are provided for reimbursement of the purchase of a capital item – “capital item” means property of a non-consumable nature with a value of \$1,000 or more and normal expected life of one (1) year or more – then the proceeds from subsequent disposal of such capital item (e.g. sale, trade-in, auction) shall be refunded to the County. The County shall retain the right of first refusal prior to the City’s disposal of any capital item funded by tourist development tax dollars.

Section 4. Use of County Funds. The funds set forth in Section 3 above shall be used to pay for costs and expenses as set forth in EXHIBIT A. The parties acknowledge that these services are being funded exclusively through proceeds of the Tourist Development Taxes levied by the Okaloosa County Board of County Commissioners. In the event that it is legally determined that such Tax proceeds may not be used for these purposes, then this Agreement shall terminate immediately with services previously rendered by the City being payable as described under Section 5 below.

Section 5. Non-Appropriation of Funds. The City hereby acknowledges that this Agreement is completely dependent on the appropriation of legally available funds by the County and agrees that in the event such funds are not appropriated for any reason this Agreement shall terminate and be considered as void. If the Agreement is terminated by the County as provided herein, the City will be paid the prorated amount for services actually performed up to the date of termination.

Section 6. Effective Date and Term of Agreement. This Agreement shall be effective on October 1, 2021 and terminate on September 30, 2022, unless terminated earlier in accordance with the provision contained in this Agreement.

Section 7. Termination. Either party may terminate this Agreement by giving thirty (30) days’ written notice to the other party of its intent to terminate this Agreement.

Section 8. Records & Audit. For the services performed under this Agreement, the City shall maintain books, records, documents, and other evidence according to generally accepted governmental accounting principles, procedures, and practices which sufficiently and properly reflect all costs and expenditures of any nature, incurred by the City in connection with the services performed under this Agreement.
