**FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) TERMS**

This Contract is subject to certain provisions required by Appendix II to the Uniform Rules (Contract Provisions for non-Federal Entity Contracts Under Federal Awards) as required by the Federal Emergency Management Agency (FEMA) found at 2 C.F.R. §§ 200.317 – 200.326 (Exhibit 1). All FEMA-mandated terms control in the event of a conflict with any other provisions of this Agreement. The Contractor must not perform any act, fail to perform any act or refuse to comply with any County requests if doing so would cause the County to violate the FEMA terms and conditions.

The Contractor must include this clause without modification in each subcontract that is financed in whole or in part by the FEMA Public Assistance Program (See Exhibit 1, FEMA Clauses)

1. The Contractor agrees to provide the following goods or services:
  - A. Provide up to a total of 55 rooms to be used as emergency, non-congregate sheltering and quarantine quarters for individuals suspected of having or confirmed to have COVID-19, as well as members of high-risk groups requiring social distancing (County Guest). The Contractor shall make approximately forty (40) rooms with two (2) double beds available and fifteen (15) rooms with a single queen bed available to County Guests.
  - B. Provide a cluster of rooms that are in a wing or floor of the building separate from where other guests may be accommodated.

  - E. Contractor must collaborate with County staff for check-in procedures. Check in and check out procedures shall be attached as Exhibit 3 to this Agreement.
  - F. Provide clean linens and towels to be delivered to the outside of each room at

least once every five days per room and upon room turnover.

- H. Provide toiletries (to include bath soap, shampoo, conditioner, hand soap, and toothpaste) in the room at check-in, and delivered to the room door every third day thereafter, and sufficient to accommodate the needs of all occupants;
- I. Provide toilet paper and tissues in the room at check-in and delivered to the room door thereafter as requested.
- J. Provide Contractor staff on site to manage the facility and address maintenance issues. Under no circumstance shall Contractor staff be required by County to enter unsanitized rooms occupied by County Guest or interact directly with County Guest.

Public spaces, such as lobby, meeting room and public restroom, and private spaces, such as pool, fitness center, laundry room and all back of house areas shall not be made available to County Guests. County staff and contractors working from the hotel will have access to the lobby, meeting room and public restroom. Pursuant to COVID-19 related social distancing guidelines from federal, state and local governments, Contractor shall not room service and in-room cleaning shall not be provided for any unit occupied by County Guests.
- L. To protect hotel staff (and if reasonably available to the County and not needed for first responders or sick persons), the County shall make efforts to provide hotel staff with sufficient supplies of disinfecting wipes, facemasks, hand sanitizer and disposable gloves.
- M. The Parties acknowledge that the hotel only has three (3) ADA rooms ("ADA Rooms"). The Parties further acknowledge that some of the ADA Rooms may not be located in the "cluster" of rooms provided for County use. In the event a County Guest requires an ADA-compliant room and one is not available, the County will house the Guest in a ADA-compliant room in another facility. Conduct inspections prior to occupancy of all rooms and spaces used by County Staff and Guests. Inspections will be conducted jointly with designated Contractor and County staff. Inspection results will be documented on a mutually agreed upon form. It is agreed between the County and Contractor that County liability for room repairs is limited to the condition documented during the pre-occupancy inspection.
- N. The Contractor will refund to the County any payments made in advance for rooms not occupied due to termination or expiration of the Agreement. Payment for each day advanced to the Contractor but not occupied will be refunded to the County at a rate of \$4,125 per night.

2. The County will be responsible for the following:

- A. Provide hospital-grade cleaning of rooms and common areas. County shall clean rooms upon checkout of County Guest or on an as-needed basis.

County shall provide its cleaning procedures to Contractor prior to the execution of the Agreement.

- B. At its own expense, the County shall provide twenty-four hour (24) security (the "Security Guard") at the hotel while guests are being housed. Under no circumstance shall the Security Guard be considered an employee or agent of the Contractor. Security Guard shall have no authority to make any commitment or act on behalf of the Contractor. County shall ensure that Hotel Rules shall be distributed to each County Guest. Contractor and County will collaboratively resolve guest conduct issues and violations of House Rules.
  - G. Conduct inspections prior to occupancy of all rooms and spaces used by County Staff and Guests. Inspections will be conducted jointly with designated Contractor and County staff. Inspection results will be documented on a mutually agreed upon inspection form. It is agreed between the County and Contractor that County liability for room repairs is limited to the condition documented during the pre-occupancy inspection.
3. The County will have no obligation to the Contractor if no services are required.
4. This Agreement shall commence on April 20, 2020 and shall terminate on June 30, 2020 (the "Initial Term"). In the event the County wishes to extend the Initial Term, it may do so for a minimum period of fifteen (15) days and a maximum period of sixty (60) days by providing written Notice as required in the "Notice" section of this Agreement (the "Extension Notice"). The Extension Notice must be provided at least five (5) days prior to the expiration of the Initial Term. Any further extension of the Term shall be subject to the mutual agreement of the Parties. Upon termination or expiration of this Agreement, the County will peacefully surrender all units occupied by County Guests in as good order and condition and repair as when received, except for reasonable, ordinary use. The County shall ensure, at no cost to Contractor, that all its employees, County Guests, and invitees have completely vacated the Hotel within twenty-four (24) hours of termination of this Agreement. If the County fails to surrender the occupied rooms to Contractor on the date

required per the terms of this Agreement, the County shall pay the Contractor \$4,125 per day of extended occupancy. The County's liability under this section shall survive the expiration or earlier termination of the Agreement.

5. The County will pay the Contractor, for services or goods that the Project Officer accepts, \$4,125 per night for 55 rooms. The Contractor must invoice the County for the month of April (April 20, 2020 – April 30, 2020) upon the execution of this Agreement; for every month thereafter, the Contractor must submit an invoice by the first day of each month for the first 15 days of the month, and submit an invoice on the last day of the month for the 16<sup>th</sup> day of the month through the end of the month. The County will pay twice each month. One payment in advance (1<sup>st</sup> – 15<sup>th</sup>) and one payment after services are rendered (16<sup>th</sup> – 30<sup>th</sup> or 31<sup>st</sup>). Each invoice must certify that the invoice submitted is a true and accurate accounting of the work performed and goods and/or services provided and must be signed and attested to by the Contractor or authorized designee. The County will pay the Contractor via ACH no later than 10 days from receipt of an approved invoice.
6. The Contractor is an independent contractor, and the County will not withhold from the Contractor's compensation any federal or Virginia unemployment taxes, federal or Virginia income taxes, Social Security tax or any other amounts for benefits to the Contractor or its agents or employees.
7. The County may terminate this Agreement by 30 days' written notice whenever the Purchasing Agent determines that termination is in the County's best interest. The Contractor will be entitled to receive compensation for all goods or services that the County accepted before the termination notice.
8. The County may terminate this Agreement by 48 hours' written notice if the Contractor fails to provide satisfactory goods or services, in the determination of the Project Officer. The notice will be effective upon receipt by the Contractor or three days after the County mails the notice, whichever is sooner. The Contractor will be entitled to receive compensation only for goods or services that the County utilized up to the 48 hour notice period before the County mailed the notice. The Contractor will be liable to the County for all costs that the County incurs after the termination takes effect to complete the Work covered by the Contract, including delay costs and costs to repair or replace any unsatisfactory work. The County may deduct these costs from any amount that it owes the Contractor or require that the Contractor pay the costs on demand.
9. If the County fails to fulfill its obligations under this Agreement properly and on time, or otherwise violates any provision of this Agreement, the Hotel Owner shall have the right to terminate the Agreement upon written notice thereof and specifying an effective date of termination of at least 7 days after the date of notice. If the County shall cure a breach and/or otherwise correct and/or improve its performance to the Hotel Owner's satisfaction during such period the termination

notice shall be cancelled. The parties agree that they shall make good faith efforts in the performance of this Agreement. Notwithstanding the above, the County shall not be relieved of liability to the Hotel Owner for damages sustained by the Hotel Owner by virtue of any breach of this Agreement.

10. Time is of the essence and the Contractor agrees that failure to provide timely service will render this Agreement null and void.

11. The Parties agree that under no circumstance shall any County guest be considered a Tenant under Arlington County or Virginia state law.

12. The Contractor must provide a certificate of proof of the insurance coverages before the start of work:

- Workers Compensation-Standard Virginia Workers Compensation Policy.
- Commercial General Liability (CGL)- \$500,000 combined single limit with \$1,000,000 aggregate coverage to include Personal Injury, Completed Operations, Contractual Liability and, where applicable to the services, Products and Independent Contractors. "The County Board of Arlington County, Virginia, and its officers, employees and agents" must be additional named insureds on the CGL policy.

13. The Contractor agrees as follows:

- a. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability or on any other basis prohibited by Virginia or federal law and must post in this nondiscrimination clause in conspicuous places, available to employees and applicants for employment.
- b. The Contractor must state that it is an Equal Opportunity Employer in all solicitations or advertisements for employees that it places or causes to be placed.
- c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall meet the requirements of this section.
- d. The Contractor must include the provisions of the foregoing paragraphs a), b), and c) in every subcontract or Purchase Order in excess of \$10,000.00, so that the provisions will be binding upon each subcontractor and/or supplier.

14. The Contractor must comply with the provisions of the Americans with Disabilities

Act of 1990, which prohibits discrimination against individuals with disabilities in employment and mandates their full participation in publicly- and privately-provided services and activities.

15. The Contractor must (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of marijuana or any other controlled substance is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order in excess of \$10,000.00, so that the provisions will be binding upon each subcontractor or supplier. For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with this Agreement.
16. The Contractor acknowledges that it does not, and will not during the performance of this Agreement, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.
17. This Agreement is governed by the Arlington County Purchasing Resolution, which is incorporated by reference. The time limit for decision by the County Manager in Contractual Disputes, as that term is used in the Purchasing Resolution, is thirty (30) days.
18. This Agreement is not effective until the County issues a valid County Purchase Order covering the amount of the Agreement.
19. All payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia ("Board"). In the event that the Board does not appropriate funds for the goods or services provided under this Contract, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the fiscal year or when the previous appropriation has been spent, whichever event occurs first.
20. This Contract incorporates by reference Article 9 of the Arlington County Purchasing Resolution, as well as all state and federal laws related to ethics, conflicts of interest or bribery, including the State and Local Government Conflict of Interests Act (Code of Virginia § 2.2-3100 et seq.), the Virginia Governmental Frauds Act (Code of Virginia § 18.2-498.1 et seq.) and Articles 2 and 3 of Chapter 10 of Title 18.2 of the Code of Virginia, as amended (§ 18.2-438 et seq.). The Contractor certifies that its proposal was made without collusion or fraud; that it has not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor; and that it has not conferred on any public

employee having official responsibility for this procurement any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

21. No Arlington County employee may share in any part of this Contract or receive any benefit from the Contract that is not available to the general public.
22. The County does not discriminate against faith-based organizations.
23. The Contractor will hold all County information and data obtained under this Agreement confidential in accordance with the Nondisclosure and Data Security Agreement attached as Exhibit 2. If individual employees or subcontractors of the Contractor will perform work under this Contract on County-owned property, then each must sign a separate individual Nondisclosure and Data Security Agreement before performing any work or being allowed access to County data.
24. The Contractor must comply with the provisions of Chapter 11 of the Arlington County Code covering business licenses as applicable.
25. The Contractor must remain authorized to transact business in the Commonwealth of Virginia during the term of this Agreement.
26. This Agreement is governed in all respects by the laws of the Commonwealth of Virginia, and the jurisdiction and venue for any litigation is in the Circuit Court for Arlington County, Virginia, and in no other court.
27. The Contractor covenants for itself, its employees and its subcontractors to save, defend, hold harmless and indemnify the County and all of its elected and appointed officials, officers, current and former employees, agents, departments, agencies, boards and commissions (collectively the "County Indemnitees") from and against any and all claims made by third parties for any and all losses, damages, injuries, fines, penalties, costs (including court costs and attorneys' fees), charges, liability, demands or exposure resulting from, arising out of or in any way connected with the Contractor's acts or omissions, including the acts or omissions of its employees and/or subcontractors, in performance or nonperformance of the Contract. This duty to save, defend, hold harmless and indemnify will survive the termination of this Contract. If the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor must reimburse the County for any and all resulting payments and expenses, including reasonable attorneys' fees. The Contractor must pay such expenses upon demand by the County, and failure to do so may result in the County withholding such amounts from any payments to the Contractor under this Contract.

mail, certified or registered. Notices should be addressed as follows:

The Contractor must provide any requested documents to the County for examination within 15 days of the request, at the Contractor's expense. Should the County's examination reveal any overcharging by the Contractor, the Contractor must, within 30 days of County's request, reimburse the County for the overcharges and for the reasonable costs of the County's examination, including, but not limited to, the services of external audit firm and attorney's fees; or the County may deduct the overcharges and examination costs from any amount that the County owes to the Contractor. ### FEMA Clauses

#### **Required Contract Clauses for Federal Emergency Management Agency (FEMA) Public Assistance Funding**

This project or work may be funded in whole or in part by grants from the Federal Emergency Management Agency (FEMA). The award of any contract is subject to the requirements of 2 C.F.R. §§ 200.317 – 200.326 and 2. C.F.R. Part 200, Appendix II requiring compliance with purchasing procedures and standards.

Contractor is responsible for ensuring its compliance with all applicable FEMA requirements. Additionally, Contractor is responsible for ensuring that subcontractors, at as many tiers of the Project as required, perform in accordance with the terms, conditions and specifications of the contract, including all applicable FEMA requirements.

Upon request of the County or FEMA, Contractor shall provide evidence of the steps it has taken to ensure its compliance with the FEMA requirements, as well as evidence of the steps it has taken to ensure subcontractor performance, and/or submit evidence of subcontractor's compliance at all tiers.

The following required contract clauses will be incorporated by reference in any contract awarded by the County. These provisions and required contract clauses are in addition to other General Contract Terms, Specifications, Special and Technical Specifications. Some provisions and clauses require the Contractor to execute and submit certain required certifications, which are included herein. Failure to execute and submit required certifications may render a contract null and void.

## **DISPUTE RESOLUTION**

All disputes arising under this Agreement or concerning its interpretation, whether involving law or fact and including but not limited to claims for additional work, compensation or time, and all claims for alleged breach of contract must be submitted in writing to the Project Officer as soon as the basis for the claim arises. In accordance with the Arlington County Purchasing Resolution, claims denied by the Project Officer may be submitted to the County Manager in writing no later than 60 days after the final payment. The time limit for a final written decision by the County Manager is 30 days. Procedures concerning contractual claims, disputes, administrative appeals and protests are contained in the Arlington County Purchasing Resolution. The Contractor must continue to work as scheduled pending a decision of the Project Officer, County Manager, County Board or a court of law.

This provision applies to any contract greater than \$250,000.

## TERMINATION

The County may terminate this Contract at any time as follows: (1) for cause, if, as determined by the County, the Contractor is in breach or default or has failed to perform the Work satisfactorily; or (2) for the convenience of the County.

Upon receipt of a notice of termination, the Contractor must not place any further orders or subcontracts for materials, services or facilities; must terminate all vendors and subcontracts, except as are necessary for the completion of any portion of the Work that the County did not terminate; and must immediately deliver all documents related to the terminated Work to the County.

Any purchases that the Contractor makes after the notice of termination will be the sole responsibility of the Contractor, unless the County has approved the purchases in writing as necessary for completion of any portion of the Work that the County did not terminate.

If any court of competent jurisdiction finds a termination for cause by the County to be improper, then the termination will be deemed a termination for convenience.

### A. TERMINATION FOR CAUSE, INCLUDING BREACH AND DEFAULT; CURE

1. Termination for Unsatisfactory Performance. If the County determines that the Contractor has failed to perform satisfactorily, then the County will give the Contractor written notice of such failure(s) and the opportunity to cure them within 15 days or any other period specified by the County ("Cure Period"). If the Contractor fails to cure within the Cure Period, the County may terminate the Contract for failure to provide satisfactory performance by providing written notice with a termination date. The Contractor must submit any request for termination costs, with all supporting documentation, to the County Project Officer within 30 days after the expiration of the Cure Period. The County may accept or reject the request for termination costs, in whole or in part, and may notify the Contractor of its decision within a reasonable time.

In the event of termination by the County for failure to perform satisfactorily, the Contractor must continue to provide its services as previously scheduled through the termination date, and the County must continue to pay all fees and charges incurred through the termination date.

2. Termination for Breach or Default. If the County terminates the Contract for default or breach of any Contract provision or condition, then the termination will be immediate after notice of termination to the Contractor (unless the County provides for an opportunity to cure), and the Contractor will not be permitted to seek termination costs.

Upon any termination pursuant to this section, the Contractor will be liable to the County for costs that the County must expend to complete the Work, including costs resulting from any related delays and from unsatisfactory or non-compliant work performed by the Contractor or its subcontractors. The County will deduct such costs from any amount due to the Contractor; or if the County does not owe the Contractor, the Contractor must promptly pay the costs within 15 days of a demand by the County. This section does not limit the County's recovery of any

other damages to which it is entitled by law.

Except as otherwise directed by the County, the Contractor must stop work on the date of receipt the notice of the termination.

**B. TERMINATION FOR THE CONVENIENCE OF THE COUNTY**

The County may terminate this Contract in whole or in part whenever the Purchasing Agent determines that termination is in the County's best interest. The County will give the Contractor at least 15 days' notice in writing. The notice must specify the extent to which the Contract is terminated and the effective termination date. The Contractor will be entitled to termination costs, plus any other reasonable amounts that the parties might negotiate; but no amount will be allowed for anticipatory profits.

Except as otherwise directed by the County, the Contractor must stop work on the date of receipt of the notice of the termination.

This provision applies to any contract greater than \$10,000.

**EQUAL EMPLOYMENT OPPORTUNITY**  
**41 C.F.R. Part 60-1.4(b)**

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceeding

This provision only applies to construction contracts.

**CONTRACT WORK HOURS AND SAFETY STANDARDS ACT**  
40 U.S.C. 3701  
29 C.F.R. § 5.5(b)

Compliance with the Contract Work Hours and Safety Standards Act.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages.
