1. The Contractor agrees to provide the following goods or services:

Creation of video recordings showcasing Public Art pieces in the County per

- EXHIBIT A – SCOPE OF WORK
- EXHIBIT B – PAYMENT SCHEDULE
- EXHIBIT C – NONDISCLOSURE AND DATA SECURITY AGREEMENT (CONTRACTOR)

2. The County will have no obligation to the Contractor if no goods or services are required.
3. The Contractor's provision of these goods or services is subject to review and approval by the County's Project Officer.
4. The Contractor shall provide the goods or services covered by the Contract beginning on December 1, 2021. Unless terminated as provided below, the Agreement shall continue until June 30, 2023.
5. The County will pay the Contractor, for services or goods that the Project Officer accepts, per EXHIBIT B – PAYMENT SCHEDULE, up to the maximum amount of \$22,581.00. Each invoice must certify that the invoice submitted is a true and accurate accounting of the work performed and goods and/or services provided and must be signed and attested to by the Contractor or authorized designee. The County will pay the Contractor net 45 days from receipt of an invoice that the Project Officer approves for payment.
6. The Contractor is an independent contractor, and the County will not withhold from the Contractor's compensation any federal or Virginia unemployment taxes, federal or Virginia income taxes, Social Security tax or any other amounts for benefits to the Contractor or its agents or employees.

7. The Contractor is obligated to take one of the two following actions within seven (7) days after receipt of amounts paid to the Contractor by the County for work performed by any subcontractor under this Agreement:
  - a. Pay the subcontractor for the proportionate share of the total payment received from the County attributable to the work performed by the subcontractor under this Agreement; or
  - b. Notify the County and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment, with the reason for nonpayment.

The Contractor is obligated to pay interest to any subcontractor on all amounts owed by the Contractor to the subcontractor that remain unpaid after seven (7) days following receipt by the Contractor of payment from the County for work performed by the subcontractor under this Agreement, except for amounts withheld as allowed in section b., above. Unless otherwise provided under the terms of this Agreement, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as those contained in this Agreement with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed to be an obligation of the County. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

8. The County may terminate this Agreement by 30 days' written notice whenever the Purchasing Agent determines that termination is in the County's best interest. The Contractor will be entitled to receive compensation for all goods or services that the County accepted before the termination notice.
9. The County may terminate this Agreement by 48 hours' written notice if the Contractor fails to provide satisfactory goods or services, in the determination of the Project Officer. The notice will be effective upon receipt by the Contractor or three days after the County mails the notice, whichever is sooner. The Contractor will be entitled to receive compensation only for goods or services that the County accepted before the County mailed the notice. The Contractor will be liable to the County for all costs that the County incurs after the termination takes effect to complete the Work covered by the Contract, including delay costs and costs to repair or replace any unsatisfactory work. The County may deduct these costs from any amount that it owes the Contractor or require that the Contractor pay the costs on demand.

10. Time is of the essence and the Contractor agrees that failure to provide timely service will render this Agreement null and void.

This duty to save, defend, hold harmless and indemnify will survive the termination of this Contract. If the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor must reimburse the County for any and all resulting payments and expenses, including reasonable attorneys' fees.
