CONTRACT NO. 0517-0750-CPH**

THE PARTIES TO THIS CONTRACT are the City of Daytona Beach, a Florida municipal corporation (the "CITY"), and CPH, Inc., Inc., a Florida profit corporation authorized to do business in Florida ("CONSULTANT").

In consideration of the mutual covenants herein contained, the Parties agree as follows.

Section 1. Scope of Services. CONSULTANT will provide professional PROFESSIONAL LANDSCAPE ARCHITECTURAL SERVICES to the CITY from time to time at the request of the CITY during the Term of this Contract

Exhibit A, attached hereto and incorporated herein by reference, provides a detailed description of the range of services that may be provided under this Contract.

Section 2. Services Must Be Authorized in Writing. This Contract, in and of itself, does not require the CONSULTANT to perform any services or provide payment for services rendered by the CONSULTANT. No services will be provided under this Contract, and no payment obligation will arise for performance of services, except when specifically authorized by CITY purchase order issued in accordance with the CITY's procurement policies. No purchase order issued may alter the terms and conditions of this Contract. In case of a conflict with a purchase order this Contract will govern. The purchase order may provide more detailed parameters for the services to be provided, such as deliverables, deadlines, etc, consistent with the provisions of this Contract

No claim for services furnished by the CONSULTANT not specifically provided for herein will be honored by the CITY.

If CONSULTANT is providing services under an open purchase order at the time that this Contract expires or terminates for any reason other than CONSULTANT's material breach, CONSULTANT will continue to provide such services unless and until the CITY provides CONSULTANT a notice suspending or terminating such services. If CONSULTANT is providing services under an open purchase order at the time that the CITY terminates this Contract due to CONSULTANT's material breach, CONSULTANT will immediately cease performing all services unless the notice of termination specifically provides otherwise

Section 3. Fees and Other Payments; Limitations.

(a) Each purchase order will set forth the Fee to be paid to CONSULTANT. The Fee will be established as either a not-to-exceed or fixed fee. In either instance the purchase order will include sufficient documentation to describe the basis on which the fee has been calculated

(1) Except as provided below, the Fees for a purchase order will be based on the Fee Schedule. The initial Fee Schedule is attached hereto and incorporated herein as Exhibit B. The parties may agree to amend the then current Fee Schedule only through formal amendment to this Agreement.

(2) A fixed Fee will be construed to be based on the Fee Schedule only where documentation is included that sets forth a good-faith estimate of the time required by CONSULTANT to complete the work, at commercially reasonable hourly rates, provided, however, that in such instances neither CONSULTANT's obligation to perform the work nor the fixed Fee will be altered merely based on the need to spend more or less time than shown on the estimate to complete the work.

(b) In addition to the Fee, the purchase order may provide for reimbursement of certain types of expenditures that CONSULTANT may incur in providing the service required, such as:

(1) *Copying and travel-related expenses.* As to travel-related expenses, mileage will be paid in accordance with then-current IRS business related mileage rate and in such cases, only for travel in excess of 50 miles round trip.

(2) *Sub-consultant costs.* Sub-consultants costs will be paid at CONSULTANT's direct cost, without mark-up.

In all instances any limitations set forth in Exhibit B will apply.

(c) No additional compensation will be due CONSULTANT for any reason.

Section 4. Billing and Payment Procedure. In addition to requirements for payment established by applicable federal, state, or local law including the City Code, or the Exhibits, payment terms and conditions are as follows:

(a) No payment will be due for services performed until CONSULTANT submits a proper invoice. CONSULTANT must separately invoice the CITY for each purchase order. CONSULTANT may invoice the CITY no more frequently than monthly, and no sooner than 30 days after the date of the purchase order.

(b) For purchase orders providing for fixed fees: if the purchase order specifically provides for payment to be made in stages based upon completion of phases, tasks, or other discrete increment of the service to be provided, CONSULTANT will invoice the CITY as these increments of service are completed, and in any event no more frequently than monthly. If the purchase order so provides, or is silent as to the method for payment, payments will be made on the basis of the percentage of work completed and accepted.

(c) For purchase orders providing for Fees based on the hours worked, payment will be made based on the hours worked and billed during the monthly billing interval.

(d) In order to be considered proper, the invoice must include all information and documentation that the CITY may need to verify the accuracy of the invoice and the amount of payment due based on the specific requirements of this Contract. Where payment is for the cost incurred for certain reimbursables (such as for sub-consultants or air travel), the invoice must include proof that CONSULTANT has paid such costs.

(e) The CITY will within 30 days after receipt of an invoice notify the CONSULTANT that the invoice is improper, or pay CONSULTANT the amount due.

Section 5. Standard of Performance. CONSULTANT's services will at a minimum meet the level of care and skill ordinarily used by members of CONSULTANT's profession performing the type of services provided herein within the State of Florida.

Section 6. Relationship between Parties. This Contract does not create an employee-employer relationship between the CITY and CONSULTANT. CONSULTANT is an independent contractor of the CITY and will be in control of the means and the method in which the requested work is performed. As an independent contractor, CONSULTANT will be solely responsible for payment of all federal, state, and local income tax, and self-employment taxes, arising from this Contract; and CONSULTANT agrees to indemnify and hold harmless the CITY from any obligations relating to such taxes. The CITY will not make deductions from payments due for such taxes, or for social security, unemployment insurance, worker's compensation, or other employment or payroll taxes. CONSULTANT will also responsible for the performance of CONSULTANT's sub-consultants.

Section 7. Documents.

(a) All reports, estimates, logs, original drawings, and other materials furnished, prepared or executed by CONSULTANT during the term of and in accordance with the provisions of this Contract are the property of the CITY. CONSULTANT will immediately deliver all such materials to the CITY upon the CITY's written demand; or upon CONSULTANT's completion of the particular task for which such materials were prepared, executed, or otherwise required; or, where no demand has been made at the time that this Contract expires or is terminated, upon such expiration or termination.

(b) CONSULTANT understands and agrees that CITY will have the right to reuse any plans and specifications, including construction drawings, that CONSULTANT is required to provide to CITY pursuant to this Contract without having to obtain further approvals from or providing additional compensation to CONSULTANT. CITY understands and agrees that CONSULTANT will not be liable for CITY's use of such plans and specifications other than for the purposes intended by this Contract.

Section 8. Public Records.

(a) To the extent applicable, CONSULTANT will comply with the requirements of Florida Statutes Section 119.0701, which include the following:

(1) Keeping and maintaining public records that the CITY requires for performance of the service provided herein.

CONSULTANT will meet all applicable requirements for retaining public records. All records stored electronically must be provide to the CITY upon request from the City Clerk, in a format that is compatible with the CITY's information technology systems.

(Phone)	386 671-8023
(Email)	clerk@codb.us
(Address)	301 S. Ridgewood Avenue Daytona Beach, FL 32114

(b) Nothing herein will be deemed to waive CONSULTANT's obligation to comply with Section 119.0701(3)(a), Florida Statutes, as amended by Chapter 2016-20, Laws of Florida (2016).

(c) Nothing herein will be deemed to prohibit CONSULTANT from maintaining records electronically, provided that, where applicable, such actions comply with the Public Records Law.

Section 9. Effective Date and Term. The Effective Date of this Contract is the last signature date set forth below (the "Effective Date"). The Term of this Contract is 2 years, commencing on the Effective Date.

Unless waived by CONSULTANT, the CITY must provide CONSULTANT written notice at least 60 days before the end of the current Term in order to exercise the option(s).

Section 10. Termination of Agreement

(a) The CITY may terminate this Contract, in whole or in part, at any time, for the CITY's convenience or upon CONSULTANT's material breach, by providing written notice as follows:

(b) If the termination is for the CITY's convenience, CONSULTANT will be paid compensation for services performed to the date of termination; and, if the City's notice of termination requires CONSULTANT to continue any services being provided at that time under an open purchase order, CONSULTANT will be paid for such services through the date that such services terminate.

(c) If the termination is due to the CONSULTANT's material breach, the CITY reserves all rights and remedies it may have under law due to such breach.

(d) If after notice of termination for the CONSULTANT's material breach it is determined by the CITY or by a court of law that the CONSULTANT had not materially breached this Contract, or that the CITY's notice for termination upon such breach was insufficient, the termination will be conclusively deemed to have been effected for the CITY's convenience. In such event, adjustment in payment to CONSULTANT will be made as provided in Subsection (b) of this Section.

(e) The rights and remedies of CITY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Contract.
