Effective Immediately

Ammunition Shortages – Depending on Manufacturer, deliveries are taking 90 to 120 days and some up to 12 months. This commodity has become volatile due to the COVID-19 pandemic and other issues that are affecting order fulfillment. DPS suggests all law enforcement agencies and localities conduct an inventory of your ammunition needs for 2023 and 2024 and place orders based on your projected future needs. Please plan accordingly.
