 36. **TAXES:** State sales and Federal Excise taxes shall not be included in the Bidder's Bid, as Hillsborough County is tax exempt.
 37. **HILLSBOROUGH COUNTY BUSINESS TAX:** All Bidders are required to comply with Hillsborough County Ordinance No. 95-4, as amended by 02-5 and as may be amended in the future. Bidder's failure to conduct such examinations and investigations shall not:
 - 39.1. excuse the Successful Bidder's failure to complete the Work in accordance with the Specifications and requirements set forth in this Invitation to Bid based on the Successful Bidder's/Contractor's ignorance of conditions or difficulties that may exist prior to the Bid opening or of conditions or difficulties that may be encountered during the execution of the Work, and/or

Such references are not intended to place restriction on the Bidders (other than as to quality) and Bidders may propose and describe upon the Bid forms deviations that the Bidder believes to be equal to or better than the requirements set forth in this Invitation to Bid. However, Bidder is advised that such deviation(s) may subject the Bidder's Bid to rejection by the County if, at the sole discretion of the County, the deviation is considered material in nature.

The County may make inquiries regarding alleged convictions of public entity crimes. The unreasonable failure of a Bidder to promptly supply information in connection with an inquiry may be grounds for rejection of a Bid, offer or proposal.

GENERAL TERMS AND CONDITIONS

The provisions contained in this section (General Terms and Conditions) sets forth the general terms and conditions that will apply to the Bidder that is ultimately awarded this Invitation to Bid by the County (the Successful Bidder/Contractor). All Bidders must review and fully understand the terms and conditions contained herein.

1. **NO ASSIGNMENT OF CONTRACT:** The Contractor may not make any assignment of the resulting Contract between the County and the Contractor, in whole or in part, without the prior written authorization of the County. Failure to obtain prior written authorization of the County will result in a delay of payment(s) at a minimum and may result in termination for breach of contract.
2. **APPLICABLE LAW:** Unless otherwise specified, this Contract, including, but not limited to, the interpretation, bidding, award, execution and implementation thereof, shall be governed by the laws, rules, and regulations of the State of Florida.
3. **LAWS AND REGULATIONS:** The Contractor is hereby advised that all applicable Federal and State laws, municipal and County ordinances, and the rules and regulations of all authorities having jurisdiction over any part of the goods, Services and/or Work provided under this Contract shall be deemed to be a part of this Contract.
4. **INTERPRETATION & INTENT OF CONTRACT DOCUMENTS:** The Contract Documents are complementary; what is called for by one Contract document is as binding as if called for by all of the Contract Documents. If the Contractor finds a conflict, error or discrepancy in the Contract Documents, the Contractor must bring it to the County's attention in writing before proceeding with the Work affected thereby. In resolving such conflicts, errors and discrepancies, the Contract Documents shall be given preference in the following order: 1) Agreement, 2) Addenda (if applicable to this Invitation to Bid), 3) Specifications, 4) Special Terms and Conditions, 5) General Terms and Conditions, and 6) Instructions to Bidders. Any Work that may reasonably be inferred from the Specifications and/or drawings/maps as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described in words which, when applied, have a well-known technical or trade meaning shall be deemed to refer to such recognized standards. In case of conflict, the more stringent requirements shall take precedence.
5. **SEVERABILITY:** In the event any section, sentence, clause or provision of this Contract is held to be invalid, illegal or unenforceable by a court having jurisdiction over the matter, the remainder of this Contract shall not be affected by such determination and shall remain in full force and effect.
6. **NOTICES TO CONTRACTOR:** Notices to the Contractor shall be served upon the Contractor either personally or by leaving said notice at the Contractor's residence, place of business and/or with the Contractor's designated agent, or addressed to the Contractor at the residence or place of business given in Contractor's Bid and deposited in a postpaid wrapper in any post box regularly maintained by the United States Post Office.
7. **NOTICES TO THE COUNTY:** See the "Special Terms and Conditions" section of this Invitation to Bid for notices to the County.
8. **STARTING THE WORK:** The Contractor will start the Work and/or Project on the date determined by the County in its Purchase Order or Notice to Proceed.
9. **PERFORMANCE STANDARDS AND PRODUCT QUALITY:** In the event the Specifications omit details concerning performance standards and/or product quality, the Contractor shall use only the best commercial practices and/or materials and workmanship of the highest quality when performing this Contract.
10. **NON-EXCLUSIVE CONTRACT:** Award of this Contract shall impose no obligation on the County to utilize the Successful Bidder for all Services and/or Work of this type, which may develop during the Contract Period. This is not an exclusive Contract. The County specifically reserves the right to concurrently contract with other companies for similar services and/or work if it deems such action to be in the County's best interest.
11. **CONTRACTOR'S RESPONSIBILITIES:** The Contractor will give all notices and comply with all laws, ordinances, rules and regulations applicable to the Work and/or Project. If the Contractor observes that the Specifications are at variance with such laws, ordinances, rules or regulations, then the Contractor will give the County prompt written notice thereof, and any necessary changes shall be adjusted by an appropriate Change Order, Unilateral Change Order or Modification Agreement to the Contract. If the Contractor performs any Work knowing that such Work is contrary to such laws, ordinances, rules and regulations and without giving such notice to the County, the Contractor will bear all costs arising therefrom; however, it shall not be the Contractor's primary responsibility to ensure that the Specifications are in accordance with such laws, ordinances, rules and regulations.
12. **EMERGENCIES:** In emergencies affecting the safety of persons, the Work/Project or property at the site of such Work/Project or adjacent thereto, the Contractor, without special instruction or authorization from the County, is obligated to act at the Contractor's discretion to prevent threatened damage, injury or loss. The Contractor shall

give the County prompt written notice of any significant changes in the Work/Project or deviations from the Contract Documents caused thereby, and a Change Order, Unilateral Change Order or Modification Agreement shall be issued covering the changes and deviations involved. If the Contractor believes that additional work done by it in an emergency which arose from causes beyond the Contractor's control entitles the Contractor to an increase in the Contract Price or an extension of the Contract Time, the Contractor may make a claim for the same. Such increase in Contract Price and/or extension of the Contract Time will be included in the Change Order, Unilateral Change Order or Modification Agreement if such claim is approved by the County.

13. PROJECT MANAGER'S STATUS:

13.1. County's Representatives: The Project Manager shall be the County's representative during the Contract Period. The duties, responsibilities and the limitations of authority of the Project Manager during the Contract Period are set forth in this section and shall not be extended without the written consent of the County's Board of County Commissioners or designee.

13.2. Rejecting Defective Work: The Project Manager will have the authority to disapprove or reject Work which is "defective" (which term is hereinafter used to describe Work that is unsatisfactory, faulty or defective and/or does not conform to the requirements of any inspection, test or approval). The Project Manager will also have the authority to require special inspection or testing of the Work.

14. ESTIMATED QUANTITIES: Quantities given represent the best estimate for use and shall be the basis for award. However, these quantities are not intended to represent actual requirements, which are not known at this time and may vary during the Contract Period. The County does not guarantee a minimum total purchase. Furthermore, the requirements of the County may exceed best estimates and the Successful Bidder shall provide such requirements to the extent they are reasonable.

15. CHANGES IN THE WORK / UNILATERAL CHANGE ORDERS / MODIFICATIONS:

15.1. Without invalidating the Contract, the County may, at any time or from time to time, through its Director of Business and Support Services – Procurement or designee, order additions, deletions or revisions in the Work, the same being authorized by Change Order, Unilateral Change Order or Modification Agreement. The cumulative total of Unilateral Change Orders shall not exceed \$25,000.00. Once the \$25,000.00 cap is reached, all other additions, deletions, or revisions shall be

valid and enforceable only when authorized by a written Modification Agreement executed by the Contractor and the County, and may be subject to approval by the Board of County Commissioners. Only upon receipt of a Change Order, Unilateral Change Order or Modification Agreement shall the Contractor be authorized to proceed with the Work involved. All such Work shall be executed under the applicable terms and conditions contained in the Contract Documents.

15.2. Additional Work performed by the Contractor without the authorization of a Change Order, Unilateral Change Order or Modification Agreement will not entitle the Contractor to an increase in the Contract Price or an extension of the Contract Time except in the case of an emergency as provided for herein. The effect of this paragraph shall remain paramount and shall prevail irrespective of any conflicting provisions contained in these Contract Documents.

15.3. The County will execute an appropriate Modification Agreement if such Modification Agreement is approved by the County's Board of County Commissioners. Such Modification Agreement will be prepared by the Project Manager and shall cover changes in the Work to be performed, Work performed in an emergency, and/or any other claim of the Contractor for a change in the Contract Time or the Contract Price.

15.4. It is the Contractor's responsibility to notify its Surety of any changes affecting the general scope of the Work/Services or change of the Contract Price and the amount of the applicable Bond(s) shall be adjusted accordingly.

16. PAYMENT AND COMPLETION:

16.1. The Project Manager, within fifteen (15) Days of receipt of each invoice will either approve or reject the invoice. If the Project Manager rejects the invoice, then the invoice will be returned to the Contractor and will state, in writing, the reason for rejecting the invoice. In the event the Contractor receives a rejected invoice, the Contractor may make the necessary corrections and resubmit the invoice to the Project Manager. Within thirty (30) Days of approval of an invoice for payment, the County will pay the Contractor the amount approved.

16.2. The Project Manager's approval of any payment requested in an invoice shall constitute a representation by the Project Manager to the County that the conditions precedent to the

Contractor being entitled to payment as set forth herein have been fulfilled.

- 16.3. The Project Manager's approval of final payment shall constitute an additional representation by him/her to the County that the conditions precedent to the Contractor's being entitled to final payment as set forth herein have been satisfied.
- 16.4. The Project Manager may refuse to approve, in whole, or in part, an invoice if, in his/her opinion, he/she is unable to make the representation to the County that all the conditions precedent to the Contractor being entitled to payment have been satisfied. The Project Manager may also refuse to approve any such payment, or, because of subsequently discovered evidence or the results of subsequent inspections or tests, nullify any previous approval of such payment, to such extent as may be necessary in his/her opinion to protect the County from loss because:
 - (a) The Work is defective;
 - (b) Claims have been filed or there is reasonable evidence indicating the probable filing thereof; or
 - (c) The Contract Price has been reduced because of Change Order, Unilateral Change Order or Modification Agreement.
- 16.5. As established by Florida Statute 218.74(2) payment for the purchase or lease of goods and services shall be made within forty-five (45) Days after the date a proper invoice is presented for payment to the County's Finance Department, Clerk of the Circuit Court, as Accountant to the Board of County Commissioners and as Chief Disbursement Officer.

17. PAYMENT TO CONTRACTOR BY ELECTRONIC PAYMENT SOLUTION:

17.1. ePayables

If the Contractor is enrolled in the County's ePayables electronic payment solution, all payments will be made using the ePayables electronic payment solution. The Contractor will be issued a VISA credit card account number with zero (\$0) available funds until an invoice is approved by the County for payment. Once the County has approved payment, an electronic remittance advice will be sent to the Contractor via e-mail or fax along with approval for the Contractor to charge the VISA credit card account for that amount. The Contractor will only have the ability to charge up to the monetary limit available to the account. ePayables

payments will be processed via a credit card and merchant services fees will apply. Merchant services fees are determined by the vendor's agreement with their Merchant Bank. Fees are generally up to 3%.

- 17.2. Once the Contractor is enrolled in ePayables electronic payment solution and then requests to opt out, the Contractor will not be eligible to re-enroll in ePayables for a minimum of twelve (12) months.
- 17.3. **ACH (Direct Deposit)**
If the Contractor is enrolled in the County's ACH electronic payment solution, all payments will be made using the direct deposit. The Contractor's bank account information will remain confidential to the extent provided by law and necessary to make direct deposit payments. Once the County has approved payment, an electronic remittance advice will be sent to the Contractor via e-mail.
18. **PAYMENT TO SUBCONTRACTORS:** By submission of an invoice, the Contractor certifies that all subcontractors and suppliers have been paid for work and materials from previous progress payments received (less any retainage) by the Contractor prior to receipt of any further progress payments. During the Contract Period and upon completion of the Contract, the County may request documentation to certify payment to subcontractors and/or suppliers. This provision in no way creates any contractual relationship between any subcontractor and the County or any liability on the County for the Contractor's failure to make timely payment to the subcontractors and/or suppliers.
19. **COUNTY AS INTENDED BENEFICIARY OF SUBCONTRACTS:** The County shall be an intended substantial beneficiary of the written agreements between the Contractor and its subcontractors.
20. **INJURY AND/OR DAMAGE CLAIMS:** Should the County or the Contractor suffer injury or damage to its person or property because of any error, omission or act of the other or of any of its employees, agents or others for whose acts it is legally liable, claim should be made in writing to the other party within a reasonable time of the first observance of such injury or damage.
21. **INDEMNIFICATION:**
 - 21.1. **General Liability Indemnification** – with respect to any Work, Services and/or goods provided pursuant to this Contract, the Contractor shall be liable for the actions of its agents, employees, partners, or subcontractors and shall indemnify, defend, and hold harmless the County, and its officers, agents, and employees, from suits, actions,

damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and/or damage to real or personal tangible property alleged to be caused, in whole or in part, by Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the County.

21.2. Patent and Copyright Indemnification - with respect to any Work, Services and/or goods provided pursuant to this Contract, the Contractor shall indemnify, defend, and hold harmless the County from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of trademark, copyright patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a County's misuse or modification of Contractor's products or County's operation or use of Contractor's products in a manner not contemplated by the Contract. If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may, at its sole expense, procure for the County the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure for the County the right to continue using the product, the Contractor shall remove the product and refund the County the amounts paid in excess of a reasonable rental for past use. The County shall not be liable for any royalties.

21.3. The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the County giving the Contractor:

- (a) written notice of any action or threatened action;
- (b) the opportunity to take over and settle or defend any such action at Contractor's sole expense; and
- (c) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the County in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

22. SUSPENSION OF WORK: Upon seven (7) Days written notice to the Contractor, the County may, without cause and without prejudice to any other right or remedy, elect to abandon the Work and/or Project and terminate this Contract. In such case the Contractor shall be paid for all Work executed and/or goods delivered to and accepted by the County.

23. TERMINATION FOR CONTRACTOR BEING ON THE SCRUTINIZED COMPANIES WITH ACTIVITIES IN THE SUDAN LIST AND/OR SCRUTINIZED COMPANIES WITH ACTIVITIES IN THE IRAN PETROLEUM ENERGY LIST: Contractor is advised that section 287.135, Florida Statutes, prohibits agencies from contracting with companies for goods or services of One Million Dollars (\$1,000,000.00) or more, that are on either the Scrutinized Companies with Activities in the Sudan List and/or the Scrutinized Companies with Activities in the Iran Petroleum Energy List. Both lists are created pursuant to section 215.473, Florida Statutes. The County reserves the right to terminate the Contract if the County discovers that the Contractor has submitted a false certification regarding the Scrutinized Companies with Activities in the Sudan List and/or the Scrutinized Companies with Activities in the Iran Petroleum Energy List, and/or if, during the Contract Period, the Contractor has been placed on the Scrutinized Companies with Activities in the Sudan List and/or the Scrutinized Companies with Activities in the Iran Petroleum Energy List.

24. FAILURE TO PERFORM: If, during the Contract Period, the Contractor should refuse or otherwise fail to perform any of its obligations under the Contract, the County reserves the right to obtain the goods, Services and/or Work from another contractor; and/or:

- (a) Terminate the Contract; and/or
- (b) Suspend/debar the Contractor from bidding on County procurements/contracts for a period of up to twenty-four (24) months; and/or
- (c) Pursue any and all other remedies available to the County.

25. CONTRACTOR MUST HAVE LEGALLY AUTHORIZED WORKFORCE:

25.1. Contractor is advised that the County has entered into an agreement (the IMAGE Agreement) with U.S. Immigration and Customs Enforcement (ICE) wherein the County will, in part, seek to promote the principles of ethical business conduct, prevent knowingly hiring unauthorized workers through self-governance, and encourage voluntary reporting of the discovery of unauthorized workers to ICE. Accordingly, by submitting its Bid, Contractor represents and warrants (a) that Contractor is in compliance with all applicable federal, state and local laws, including, but not

limited to, the laws related to the requirement of an employer to verify an employee's eligibility to work in the United States, (b) that all of Contractor's employees are legally eligible to work in the United States, and (c) that the Contractor has actively and affirmatively verified such eligibility utilizing the Federal Government's Employment Eligibility Verification Form (the Form I-9).

25.2. A mere allegation of Contractor's intent to use and/or current use of unauthorized workers may not be a basis to delay the County's award of a contract to the Contractor unless such an allegation has been determined to be factual by ICE prior to the date the Contract is scheduled to be awarded by the County.

25.3. Legitimate claims of the Contractor's use of unauthorized workers must be reported to both of the following agencies: The County's Compliance Services hotline at (813) 272-6554; and ICE (Immigration and Customs Enforcement) at 1-866-DHS-2-ICE (1-866-347-2423).

25.4. In the event it is discovered that the Contractor's employees are not legally eligible to work in the United States, then the County may, in its sole discretion, demand that the Contractor cure this deficiency within a specified time frame, and/or immediately terminate the Contract without any cost or penalty to the County, and/or debar the Contractor from bidding on all County contracts for a period of up to 24 months, and/or take any and all legal action deemed necessary and appropriate.

25.5. Contractor is encouraged (but not required) to incorporate the following IMAGE Best Practices into its business and, when practicable, incorporate verification requirements into its agreements with subcontractors:

(a) Use the Department of Homeland Security employment eligibility verification program (E-Verify) to verify the employment eligibility of all new hires.

(d) Require the Form I-9 and E-Verify process to be conducted only by individuals who have received appropriate training and include a secondary review as part of each employee's verification to minimize the potential for a single individual to subvert the process.

(e) Arrange for annual Form I-9 audits by an external auditing firm or a trained employee not otherwise involved in the Form I-9 process.

(f) Establish a procedure to report to ICE credible information of suspected criminal misconduct in the employment eligibility verification process.

(g) Establish a program to assess subcontractors' compliance with employment eligibility verification requirements. Encourage contractors to incorporate the IMAGE Best Practices contained in this paragraph and, when practicable, incorporate the verification requirements in subcontractor agreements.

(h) Establish a protocol for responding to letters received from Federal and State government agencies indicating that there is a discrepancy between the agency's information and the information provided by the employer or employee; for example, "no match" letters received from the Social Security Administration.

(i) Establish a tip line mechanism (inbox, e-mail, etc.) for employees to report activity relating to the employment of unauthorized workers, and a protocol for responding to employee tips.

(j) Establish and maintain appropriate policies, practices, and safeguards against use of the verification process for unlawful discrimination, and to ensure that U.S. citizens and authorized workers do not face discrimination with respect to hiring,

firing, recruitment or referral for a fee because of citizenship status or national origin.
