Mike,

Please consider this Okaloosa County's Notice to Proceed (NTP) for the replacement to the Sew-EuroDrive Model # KAF67 AM143. This particular gearbox will be a necessary replacement due to the irreparable condition of the old gearbox. This gearbox is located on the south grit auger at the headworks of the Arbennie Pritchett WRF. Per your attached quote with further quote details included, the total price will be \$3,031.63, which is the cost of the replacement(\$2161.63), plus the Teardown and inspection labor cost(\$870.00) of the old gearbox, with appropriate % markup.

When work is completed, to ensure that the County makes payment as quickly as possible, please send invoices w/ backup (i.e. documentation on the catalog price or what you paid for the material/equipment) to wsinvoice@myokaloosa.com

Thank you,

Darren Alford

This is for the south grit auger, as they said the gearbox is cheaper to replace then to fix it.
