Good Afternoon Mr. Zimmerman,

The Professional Liability and Workers Comp insurance is with USI Suncoast on a separate certificate. Please see attached COI USI Suncoast.

State Farm, our General Liability agency, did not include the Additionally Insured note since the request is implemented with a separate rider to our existing policy and an additional charge. You will be sent directly, a separate 4-5 page rider with the additionally insured declaration and information. I just spoke to our Rep at State Farm and it has been ordered and is being processed.

The Professional Liability insurance does not list the client as additional since a client does not typically render professional services, a client would not receive any added protection by being named as an additional insured. To the contrary, the client would be prohibited from filing a claim against the insured under the policy.

ENB Architects does not have any company vehicles therefore each partner has an individual policy. I will have Mr. Ebert send his personal COI for his auto ASAP.

Sorry for any inconvenience, I will touch base with you in a few days to confirm receipt of the General Liability's Additionally Insured rider. We appreciate the opportunity to work with you and I will make sure this is all tidied up in the next few days.
