RIDER AGREEMENT NO. 22-DES-R-577

THIS AGREEMENT (hereinafter "Agreement") is made, on the date of its execution by the County, between Norix Group, Inc. ("Contractor"), an Illinois corporation with a place of business at 1800 W. Hawthorne Lane, Suite N, West Chicago, IL 60185 authorized to transact business in the Commonwealth of Virginia, and the County Board of Arlington County, Virginia ("County"). The County and the Contractor, for the consideration specified herein or specified in a County Purchase Order referencing this Agreement, agree as follows:

1. CONTRACT DOCUMENTS

The Contract Documents consist of this Agreement, Exhibit A County of Los Angeles, CA Contract MA-IS-2040059-1E, and Exhibit B County of Los Angeles, CA Solicitation RFQ-IS-20260039-1, together with any exhibits and amendments issued or applicable thereto (collectively, "Contract Documents" or "Contract"). This Agreement rides a contract awarded to the Contractor by County of Los Angeles, CA and extended by the Contractor to the County on the same terms and conditions as the Contractor's agreement with County of Los Angeles, CA. Where the terms of this Agreement vary from the terms and conditions of the other Contract Documents, the terms and conditions of this Agreement shall prevail.

The Contract Documents set forth the entire agreement between the County and the Contractor. The County and the Contractor agree that no representative or agent of either of them has made any representation or promise with respect to the parties' agreement which is not contained in the Contract Documents.

2. CONTRACT TERM

The Contractor's provision of goods and services for the County ("Work") shall commence upon the execution of the Agreement by the County", and shall be completed no later than August 31, 2022 ("Contract Term"), subject to any modifications as provided for in the Contract Documents regarding the Contract Term. No aspect of the Work shall be deemed complete until it is accepted by the County's Project Officer.

Upon satisfactory performance by the Contractor, if the County of Los Angeles, CA renews their agreement identified in Exhibit A, the County may elect to renew this Agreement under the same contract terms for two (2) one-year renewal periods from September 1, 2022, to August 31, 2024 ("Subsequent Contract Term"). However, if the County of Los Angeles, CA does NOT renew their agreement identified in Exhibit A, this Agreement shall automatically expire on the contract expiration date.

3. PAYMENT

Payment will be made by the County to the Contractor within forty-five (45) days after receipt by the County Project Officer of an invoice detailing the Work provided by the Contractor and accepted by the County. Each invoice must certify that the invoice submitted is a true and accurate accounting of the work performed and goods and/or services provided and must be signed and attested to by the Contractor or authorized designee. The Project Officer will either approve the invoice or require corrections. The number of the County Purchase Order pursuant to which authority goods or services have been performed or delivered shall appear on all invoices.

4. SCOPE OF WORK

The Contractor agrees to perform the goods and/or services described in the Contract Documents (hereinafter "the Work"). The primary purpose of the Work is to provide furniture for the Detention Center and DHS.

The Contract Documents set forth the minimum Work estimated by the County and the Contractor to be necessary to complete the Work. It shall be the Contractor's responsibility, at the Contractor's sole cost, to provide the specific Work set forth in the Contract Documents sufficient to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the Contractor's responsibility to manage the details and execution of the Work.

5. PROJECT OFFICER

The performance of the Contractor is subject to the review and approval of the County Project Officer ("Project Officer") who shall be appointed by the Director of the Arlington County department or agency which seeks to obtain the Work pursuant to this Contract. However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its Work pursuant to the Contract Documents.

6. COUNTY PURCHASE ORDER REQUIREMENT

County purchases are authorized only if a County Purchase Order is issued in advance of the transaction. A Purchase Order must indicate that the ordering agency has sufficient funds available to pay for the purchase. Such a Purchase Order is to be provided to the Contractor by the ordering agency. The County will not be liable for payment for any purchases made by its employees without appropriate purchase authorization issued by the County Purchasing Agent. If the Contractor provides goods or services without a signed County Purchase Order, it does so at its own risk and expense.

7. NON-APPROPRIATION

All funds for payments by the County to the Contractor pursuant to this Contract are subject to the availability of an annual appropriation for this purpose by the County Board of Arlington County, Virginia. In the event of non-appropriation of funds by the County Board of Arlington County, Virginia for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, the County will terminate the Contract, without termination charge or other liability to the County, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the County shall not be obligated under this Contract beyond the date of termination specified in the County's written notice.

8. COVID-19 VACCINATION POLICY FOR CONTRACTORS

Due to the ongoing COVID-19 pandemic, the County has taken various steps to protect the welfare, health, safety, and comfort of the workforce and public at large. As part of these steps, the County has implemented various requirements with respect to health and safety including policies with respect to social distancing, the use of face-coverings and vaccine mandates. To protect the County's workforce and the public at large, all employees and subcontractors of the Contractor who are assigned to this Contract, should be fully vaccinated against COVID-19. Any contractor employee or subcontractor who is not fully vaccinated should be following a weekly testing protocol as established by the Contractor, unless exempt pursuant to a valid reasonable accommodation under state or federal law.

9. APPLICABLE LAW, FORUM, VENUE AND JURISDICTION

This Contract and the work performed hereunder shall be governed in all respects by the laws of the Commonwealth of Virginia, and the jurisdiction, forum, and venue for any litigation with respect thereto shall be in the Circuit Court for Arlington County, Virginia, and in no other court. A responsible Vendor is a Vendor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the requirements of the Purchase Order. It is the County's policy to conduct business only with responsible vendors.

The Vendor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Vendor on this or other Purchase Orders which indicates that the Vendor is not responsible, the County may, in addition to other remedies provided in the Purchase Order, debar the Vendor from bidding on any County Contracts/Purchase Orders for a specified period of time not to exceed five (5) years, and terminate any or all existing Contracts/Purchase Orders the Vendor may have with the County.

The County may debar a Vendor if the Board of Supervisors finds, in its discretion, that the Vendor has done any of the following: (1) violated any term of Contract/Purchase order with the County, (2) committed any act or omission which negatively reflects on the Vendor's quality, fitness or capacity to perform a Contract/Purchase Order with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

If there is evidence that the Vendor may be subject to debarment, the Purchasing Agent will notify the Vendor in writing of the evidence that is the basis for the proposed debarment and will advise the Vendor of the scheduled date for debarment hearing before the Contractor Hearing Board.

The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Vendor and/or the Vendor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Vendor should be debarred, and, if so, the appropriate length of time of debarment. If the vendor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Vendor may be deemed to have waived all rights of appeal.

A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

These terms shall also apply to the subcontractors of County Contractor/Vendor.

COUNTY'S PREFERENCE PROGRAMS

The County of Los Angeles has three preference programs - Local Small Business Enterprise (LSBE), Disabled Veterans Business Enterprise (DVBE), and Social Enterprise (SE). The Board of Supervisors encourages business participation in the County's contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for these businesses to compete for County opportunities.

The Preference Programs (LSBE, DVBE, and SE) require the business to complete a certification process. The business must be certified by the Department of Consumer and Business Affairs as meeting the requirements of each program prior to requesting the Preference in a solicitation. To apply for certification as a LSBE, DVBE or SE, contact the Department of Consumer and Business Affairs at <http://dcba.lacounty.gov>

JURY SERVICE PROGRAM

The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Program which is incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1. The Jury Service Program requires Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. This policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service program, "employee" means any California resident who is a full-time employee of a Contractor and "full time" means 40 hours or more worked per week, or a lesser number of hours if; 1. the lesser number is a recognized industry standard as determined by the County, or 2. the Contractor has a long-standing practice that defines the lesser number of hours as full time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project.
2. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Program defines "contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than \$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation". The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
3. If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

COMPLIANCE WITH COUNTY POLICY OF EQUITY

The contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE), (<https://ceop.lacounty.gov/>). The contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

Part I: Jury Service Program is Not Applicable to My Business

☐ My Business does not meet the definition of "Contractor", as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000 in any 12 month period). ☐ My business is a small business as defined in the Program. ASSIGNMENTS BY CONTRACTOR

- A. Contractor shall not assign its rights or delegate its duties under the Agreement, or both whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. - B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

OFF-PEAK (HOURS) - DELIVERY OF COMMODITIES

It is the policy of the Los Angeles County Board of Supervisors that County departments promote off-peak deliveries and pickup of all commodities by County Vendors between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, during regularly scheduled County business days. The purpose of this policy is to reduce vehicle trips and vehicle emissions during the morning and afternoon commute periods. For purposes of the Board Policy, the trip shall be deemed to be compliant if the actual time of delivery provides for arrival at the County facility or location on or after 9:00 a.m. and the delivery or pickup is initiated at the County facility or location on or before 3:30 p.m.

Noncompliance with this policy may result in cancellation of a Purchase Order or termination of contract and/or agreement between the County and the awarded Vendor.

Unless otherwise instructed by authorized County department personnel, vendors shall be required to confer with County departments to schedule, as appropriate, regularly planned trips to County facilities for deliveries and/or pickup of commodities within the designated off-peak periods. County departments co-located at facilities that are serviced by the same Vendor shall make every effort to coordinate off-peak deliveries and pickups between the Vendor and other County departments at the facility.

Emergency, special orders, and other non-conforming deliveries and pickups specifically requested by County departments shall not constitute a violation of the Board Policy. In addition, circumstances documented by the Vendor to the satisfaction of the affected County department that are outside of the control of the Vendor that preclude adherence to the Board Policy shall not constitute a violation of the Board Policy.

If circumstances related to department operations preclude regularly scheduled deliveries between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, the department shall notify the Vendor of any exception(s) allowable under the Board Policy. If such circumstances are permanent in nature, the department shall notify the Chief Administrative Office and ISD of their intent to exclude the affected contract(s) and/or commodities from the provisions of the Board Policy.

County departments doing business with non-commodity or service-related vendors that schedule regular trips to County facilities shall, to the extent feasible and appropriate, encourage such vendors to schedule such trips to their facilities between the hours of 9:00 a.m. and 3:30 p.m., Monday through Friday, during regularly schedule business days.

By signature below, vendor acknowledges receipt and understanding of this Board Policy, and agrees to adhere to above requirements regarding Off-Peak Delivery of Commodities.

PROTEST POLICY FOR GOODS AND SERVICES SOLICITED BY THE COUNTY PURCHASING AGENT

General Authority

The County Purchasing Agent maintains the exclusive authority and responsibility to purchase and rent all materials, supplies and equipment, furnishings, fixtures and all other personal property for use by departments, districts or agencies of Los Angeles County who are governed by the Los Angeles County Board of Supervisors.

Acquisition of supplies and equipment are made by the Purchasing Agent pursuant to:

- Government Code 25501, et seq.;
- Codified Ordinance of County of Los Angeles, Title 2, Chapter 2.81; and
- Section 24 of the County Charter.

With limited exceptions, solicitations conducted under the statutory authority of the Purchasing Agent are price-based with the resultant award being made to the lowest, responsible bidder that fully meets and complies with all of the specifications and requirements of the solicitation.

The Purchasing Agent or his/her designee shall be responsible for the review and disposition of any protest of a bid solicitation conducted under the statutory authority of the County Purchasing Agent.

Review of Solicitation Requirements and Specifications

A Vendor may seek a review of the solicitation requirements and/or specifications by written request to the Buyer conducting the solicitation provided that the written request is received no later than five (5) days prior to the closing date of the solicitation or as otherwise specified within the solicitation.

This request must itemize, in sufficient detail, each matter contested and one or more factual reason(s) for the requested review (e.g., specifications were too narrow and limited competition with supporting details, etc.). The Purchasing Agent will provide a written response to the requesting Vendor(s).

Bid Protests

In accordance with County Purchasing Policy M-1100, Bid/Vendor Protest, participant vendors may request a review of any bid specifications at the time of the bid posting and/or before the closing date. Additionally, participant vendors may protest any award within three (3) business days after the "Notice of Intent to Award" is posted on the County's bid website. These protest procedures are as follows:

Upon a determination of vendor selection from a bid process, the Purchasing Agent will post a "Notice of Intent to Award" on the County's bid website, and notify all solicitation participants of the intended award via email.

1. Non-selected vendors will have three (3) business days, from the date the notice is posted, to file a formal bid protest with the Purchasing and Contracts Analyst (Buyer) that conducted the solicitation.
2. The bid protest, which must be received by the Buyer within the three (3) day period, shall be in writing, and include the specific facts, circumstances, reasons and/or basis for the protest. This written notice may be in the form of a letter, fax or email.
3. Bid protests must be filed prior to the award of contract or purchase order. Upon execution of the contract or purchase order to the selected vendor, the Purchase Agent will not take action on a bid protest; however, a written response will be provided to the protesting vendor.
4. If a vendor bid protest is appropriately filed (i.e., prior to the award), the Purchasing Agent may delay the award of contract or purchase order until the matter is resolved.

There are, however, situations where the delay of an award may not be in the best interest of the County due to emergency and/or time critical acquisitions such as at the end of the County's fiscal year. In these instances, the County has no obligation to delay or otherwise postpone an award of a purchase order or contract based on a vendor protest.

5. In all cases, the County Purchasing Agent reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.
6. The Purchasing Agent will respond to all bid protests in a timely manner.
7. The Purchasing Agent may refer a protest of a technical nature to the requisitioning County department for further clarification, and will prepare a letter to the protesting vendor, advising them of the pending action(s), and when a formal response can be expected.

Proposer’s Acknowledgement of County’s Commitment to Zero Tolerance Human Trafficking

On October 4, 2016, the Los Angeles County Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero tolerance human trafficking policy. The policy prohibits contractors/vendors engaged in human trafficking from receiving contract awards or performing services under a County Contract/Purchase Order.

Contractors/Vendors are required to complete the Zero Tolerance Human Trafficking Policy Certification, certifying that they are in full compliance with the County’s Zero Tolerance Human Trafficking provision as defined below. Further, contractors are required to comply with the requirements under said provision for the term of any contract/purchase order awarded pursuant to this solicitation.

Compliance with County’s Zero Tolerance on Human Trafficking Policy

Contractor/Vendor acknowledges that the County has established a Zero Tolerance Human Trafficking Policy prohibiting contractors from engaging in human trafficking.

If a Contractor/Vendor or member of Contractor’s/Vendor’s staff is convicted of a human trafficking offense, the County shall require that the Contractor/Vendor or member of Contractor’s/Vendor’s staff be removed immediately from performing services under the Contract/Purchase Order. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor’s/Vendor’s staff pursuant to this paragraph shall not relieve Contractor/Vendor of its obligation to complete all work in accordance with the terms and conditions of this Contract/Purchase Order.
