RE: Agreement #580-13 (Freight Rate Increase)

Dear Mr. Allison,

I am writing to you regarding an increase in the cost of freight rates. Our fuel supplier for your contract (Mansfield Petroleum) has submitted to FleetCor a freight rate increase for your consigned automated re-fueling locations listed in Exhibit B of Agreement #580-13. The new freight rates are as follows.

Site Name	Fuel Type	New Freight Rate	Winter Additive	Total Winter Additive & New Freight Rate
ARLINGTON CTY FIRE STATION 2	UNL	\$0.0569		
ARLINGTON CTY FIRE STATION 8	DSL	\$0.0678	\$0.0275	\$0.0953
ARLINGTON CTY FIRE STATION 8	UNL	\$0.0569		
ARLINGTON CTY TRADE CENTER	DSL	\$0.0678	\$0.0275	\$0.0953
ARLINGTON CTY TRADE CENTER	UNL	\$0.0569		

In the past, if freight rates or winter additives needed a change/revision, an amendment was required. Please advise how you wish to proceed.

Sincerely,

Mark Roberts
