Licensed Training Provider Agreement

This **Licensed Training Provider Agreement** ("Agreement") is by and between The American National Red Cross ("Red Cross") and the **County Board of Arlington County, Virginia on behalf of Arlington County Parks and Recreation** (the "LTP") (each a "Party" and together the "Parties"), effective as of the last date of signature set forth below ("Effective Date"), for the purpose of licensing Red Cross training materials and curriculum to LTP in order to permit individuals who are (i) either employees or volunteers of LTP, and (ii) are also Red Cross-certified instructors in good standing ("Instructors"), to deliver instruction in the Red Cross training courses that are included within the product package(s) listed in Appendix B ("Courses") at the locations designated in Appendix C.

1. LTP Responsibilities. LTP will:

- 1.1. Teach Courses using only Red Cross-approved instructional materials and other copyrighted and proprietary educational content as Red Cross may provide from time to time to licensed training providers of Course instruction ("Course Materials"), using only Instructors who possess current, appropriate Red Cross instructor certification for each such Course, and in compliance with the most current Red Cross Training Provider Resource Guide ("Guide"), policies and procedures (collectively, the "Policies")
- 1.2. Before commencing instruction activities under this Agreement, provide Red Cross with a list of all Instructors who will teach Courses on behalf of LTP.
- 1.3. Notify Red Cross within ten (10) business days of any additions to or deletions from LTP's list of Instructors who will teach Courses on behalf of LTP.
- 1.4. Only sponsor, promote, and teach Courses and otherwise perform under this Agreement within the United States of America and its territories ("U.S."), as the Red Cross is only permitted to operate within the U.S.
- 1.5. Permit Red Cross to enter upon LTP's premises and perform random observations of LTP's Courses.
- 1.6. Enter accurate and complete records for each completed Course ("Course Records"), along with all other requested information, into the Red Cross's Learning Management System or any similar, successor system ("LMS") within ten (10) calendar days of each completed scheduling instance of a Course (each such instance hereinafter referred to as a "Class"), and comply with all terms and conditions of the LMS during such use.
- 1.7. Only issue Course completion certificates, using Red Cross-approved systems and forms, to students who have successfully completed a Course that has been administered in compliance with this Agreement (it being understood that Red Cross may invalidate any Course completion certification not issued in conformity with this section 1.7).
- 1.8. Pay all fees payable under this Agreement when due, in accordance with section 5 below.
- 1.9. Obtain and maintain adequate insurance to cover its performance, and the performance of its employees, volunteers, and contractors, under this Agreement, as Red Cross insurance does not extend to LTP or its Instructors.

2. License to Course Materials; Access to Red Cross LMS and CPS.

- 2.1. Red Cross is the owner of Course Materials. Subject to the terms and conditions of this Agreement, Red Cross hereby grants LTP a limited, non-exclusive, non-transferrable, and non-sublicensable license to publicly display and perform, Course Materials solely for the purpose of conducting Courses authorized

under this Agreement. LTP may not revise, edit or create derivative works of Course Materials, in whole or in part.

- 2.2. Course Materials will be made available to LTP by digital download or other means as determined by Red Cross. LTP shall only obtain Course Materials for Courses that LTP is authorized to provide, and only through distribution means either authorized or directed by Red Cross.
- 2.3. Red Cross will provide LTP with access to the LMS and an authorized means of digitally downloading and printing Course completion certificates in a form determined by Red Cross. LTP has no right or authorization to design or create its own Course completion certificates.
- 2.4. LTP shall use reasonable efforts to protect the Course Materials from use not permitted under this Agreement. This Agreement does not constitute a transfer of ownership rights in the Course Materials. LTP shall not use facts and information from the Course Materials to create its own courses and course materials.
- 2.5. LTP may, from time to time, at its election, participate in Red Cross's Class Posting Service ("CPS"). Using the CPS, licensed training providers of Red Cross may advertise the availability of courses to prospective students on Red Cross's on-line store, for additional fees. LTP agrees that its participation in the CPS will be governed by the terms and conditions contained in Red Cross's CPS User Guide, as the same may be amended from time to time. Red Cross may suspend or terminate the CPS with respect to all licensed training providers, including LTP, at any time or from time to time, in its sole discretion.

3. Use of Names and Marks.

- 3.1. Red Cross grants LTP the limited, non-exclusive, non-transferable and non-assignable license in the U.S. to use the name and logo of the Red Cross in the format set forth in the Guide (the "Authorized Mark") solely to promote that LTP is an authorized provider of the Courses, and subject to all restrictions herein this Agreement and the Policies.
- 3.2. Except as expressly provided in this Agreement, neither Party may use the other Party's name(s), logos trademarks or other intellectual property in marketing materials, press releases, presentations other than Courses, or otherwise without the advance written consent of the other Party, which consent may be granted or withheld in the other Party's sole discretion.
- 3.3. LTP shall not state or imply that that Red Cross sponsors or endorses LTP's business, products or services generally, or that any other training courses and services other than the Courses, are owned or endorsed by or otherwise associated or affiliated with Red Cross.
- 3.4. LTP shall not (i) create a compound mark with the Authorized Mark or (ii) use the Authorized Mark with any other design, slogan or trademark when such combination would tend to cause confusion as to source or affiliation.
- 3.5. LTP shall not in any instance, use a Greek red cross design in association with its business, goods and/or services.

4. Term and Termination.

- 4.1 This Agreement will be effective as of the Effective Date listed above and ends on the day before the twelve (12) month anniversary thereof, unless earlier terminated as provided below. LTP may elect to renew this Agreement for up to two (2) additional periods of twelve (12) months each by providing Red Cross with written notice of its intent to exercise said election no later than thirty (30) days prior to the expiration of the then-current 12-month term.
- 4.2 Red Cross may immediately terminate this Agreement if LTP breaches this Agreement. Red Cross may also terminate this Agreement if LTP breaches the terms of the CPS.

- 4.3 Either Party may terminate this Agreement with advance written notice to the other Party of at least thirty (30) days.
- 4.4 Notwithstanding expiration or any termination of this Agreement, the provisions of this Agreement will continue to govern with respect to any amounts payable to Red Cross for Courses completed prior to such expiration or termination. The Parties' obligations under section 7 below will also survive expiration or any termination of this Agreement.

5. Fees and Invoicing.

- 5.1 LTP will remit payment by credit card upon entry of Course Records into LMS; or will be invoiced, if approved. All fees for CPS are non-refundable and will be paid by credit card at the time LTP submits the Class for posting.
- 5.2 For each Class enrollee, LTP will be charged the per student fee that is applicable to that Course. Courses are included within the product package(s) listed on Appendix B. Fees for Courses are set forth in the price list attached to Appendix B.
- 5.3 Red Cross may approve or deny LTP's request to be invoiced at Red Cross's sole discretion. Invoices will be sent via postal mail, may be issued up to four (4) times per month, and will include all transactions submitted in that billing period. Payment in full is due thirty (30) days from the date of each invoice. Past due amounts will be subject to collections actions and may be referred to an external collections agency. In such an event, Red Cross will be entitled to all costs of collection including interest, reasonable attorney's fees and litigation expenses, and collection agency fees and expenses. LTPs with high credit risk or late payments may also result in the suspension or termination of LTP's invoicing privileges at Red Cross's sole discretion. Credit card payment upon submission of Course Records will be required if invoicing privileges are suspended or terminated, and such payment will be a condition to LTP's continued access to Course completion certificates from and after such suspension or termination.
- 5.4 If approved for invoicing, LTP may elect to have invoices delivered electronically to one (1) email address. LTP will provide Red Cross a single valid email address for electronic invoice delivery. LTP will receive a link in the email to a PDF copy of the invoice, which link will expire after thirty (30) days. LTP understands that LTP will not receive an invoice via postal mail after enrollment in electronic invoice delivery.
- 5.5 If LTP desires that invoices issued by Red Cross reflect LTP-issued purchase order numbers, then any such purchase order must be received by Red Cross at least ten (10) business days prior to the Class date; it being understood that under no circumstance will the absence of a LTP-issued purchase order number on any invoice excuse LTP's timely payment of that invoice.
- 5.6 To pay an invoice by credit card or to establish ACH payments, call 888-284-0607. To pay an invoice by check, include the remittance advice showing the LTP account name, customer number and invoice number, and send to:

American Red Cross - Training Services
25688 Network Place
Chicago, IL 60673-1256

- 5.7 If LTP desires that Red Cross use LTP's vendor payment portal, Red Cross will not be obligated to pay LTP or any third party any fee or expense for such use, regardless of any provision to the contrary in such portal's terms of use. LTP will, on demand, promptly reimburse Red Cross for any such fee or expense.
- 5.8 If LTP has account balance or invoice questions or concerns, immediately upon receipt of invoice, LTP may email billing@redcross.org or call 888-284-0607 to report and resolve the inquiry.
- 5.9 At least annually, Red Cross will review its national Course price list, and may increase its prices for Courses. Red Cross will notify LTP of any such increase. Such notice (which Red Cross may send to LTP's contact for notices or contact for billing in Appendix A) will specify the date on which the increase will take effect

under this Agreement. That date will be at least thirty (30) days after the date of such notice. As of that effective date, prices under this Agreement will automatically be modified to reflect such increase without need for the Parties to take any other action, including (without limitation) the execution of any separate modification of, or amendment to this Agreement.

5.10 If the Red Cross determines that any course offered by the LTP and/or its Instructors is not taught in accordance with Red Cross Policies, the LTP will be responsible for any costs associated with the re-training of course participants. Red Cross, at its sole discretion, will determine the appropriate party to conduct the re-training, which may include the LTP or any Red Cross employee, volunteer, or third-party licensed training provider.

6. Notices. Each Party's contacts for notices and billing under this Agreement is listed on Appendix A.

7. Confidentiality. Except as required by applicable law or otherwise provided herein, each Party will maintain the confidentiality of all provisions of this Agreement and other confidential information, documents and materials received for the purposes of this Agreement.

8. Intellectual Property.

8.1 Red Cross reserves all rights not expressly granted herein, in its registered and common law trademarks, service marks, names, emblems, logos and designs including without limitation, the Authorized Mark (the "Red Cross Marks"), and in the Course Materials in whole or in part (collectively the "Red Cross IP").

8.2 LTP acknowledges and agrees that the Red Cross IP is and shall remain the property of Red Cross, and that the license granted under this Agreement does not constitute a transfer to LTP of any ownership rights in the Red Cross IP. Further, the Parties agree and acknowledge that LTP's use of the Red Cross IP shall inure solely to the benefit of Red Cross.

8.3 LTP shall not commit, or cause any third party to commit, any act challenging, contesting or in any way impairing or attempting to impair Red Cross's right, title and interest in and to the Red Cross IP, including seeking registration of the Red Cross IP in whole or in part, or of any confusingly similar trademark or service mark anywhere in the world or incorporating LTP's business under the Red Cross Marks or any aspect of the Red Cross Marks or any name confusingly similar to the Red Cross Marks.

8.4 Upon the expiration or termination of this Agreement, all rights in the Red Cross IP herein granted to LTP immediately expire, and LTP will immediately cease all use of the Red Cross IP.

9. Miscellaneous.

9.1 Severability. In the event any provision of this Agreement is held invalid, illegal or unenforceable (any such provision, an "Invalid Provision") in any jurisdiction, the Red Cross and the LTP shall promptly negotiate in good faith a lawful, valid and enforceable provision that is as similar in terms to such Invalid Provision as may be possible while giving effect to the future benefits and burdens accruing to the Parties hereunder. But, in no way will the Invalid Provision affect the validity or enforceability of any other portion or provision of this Agreement, regardless of the ability of the Parties to negotiate a new provision.

9.2 Independent Contractors. Each Party is an independent contractor with respect to the other, and nothing herein shall create any association, partnership, franchise, or joint venture between the Parties or an employer-employee relationship. No agent, employee or servant of any Party shall be, or shall be deemed to be, the employee, agent or servant of the other Party, and each Party shall be solely and entirely responsible for its acts and the acts of its agents, employees and servants.

- 9.3 **Assignment.** LTP may not assign its rights under this Agreement, or delegate its obligations, in whole or in part, without the prior written consent of Red Cross. Any attempted assignment or delegation in violation of the foregoing will be null and void.
- 9.4 **Governing Law.** The Agreement is governed by the laws of the Virginia, without giving effect to its choice or conflict of law rules.
- 9.5 **Inapplicability of Procurement Terms.** This Agreement does not contemplate the sale or supply of goods or services by Red Cross. It is only a limited license in Red Cross IP. It is, therefore, not subject to policies, regulations, terms, conditions, or other requirements of LTP or any third party (including, but not limited to, the Federal Acquisition Regulation and any agency supplement thereto, and the U.S. Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) that relate only to suppliers and vendors of goods or services. Under this Agreement, Red Cross will not carry out part of any Federal award received by LTP.
- 9.6 **Data Processing.** Red Cross operates the LMS as a nationwide system of course certification. It does not operate the LMS as a service to, or for the benefit of, LTP. Insofar as Red Cross collects, processes, transmits, stores, or otherwise manages data, including personal data, contained in Course completion records, it will not be doing so for, or on behalf of, or as a service to, LTP. Red Cross retains all rights in and to the LMS and any Course completion records uploaded by LTP into the LMS.
- 9.7 **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, understandings and representations, both written and oral, between the Parties with respect to the subject matter of this Agreement.
- 9.8 **Amendments and Waivers.** Amendments, addenda and waivers to this Agreement will be effective only if made, in each case, by a non-preprinted document clearly understood by both Parties to be an amendment, addendum or waiver, as the case may be. Any additional or different terms or conditions contained in any purchase order, confirmation, receipt, invoice, click-through agreement, or similar documents will not be binding on either Party, whether or not such terms and conditions would materially alter this Agreement (and even if the receiving Party has signed or otherwise acknowledged such purchase order, confirmation, receipt, invoice, click-through agreement or similar document), and each Party hereby rejects all such additional or different terms and conditions.

The Parties, acting through their duly authorized officers, have executed this Agreement, which shall come into force as of the Effective Date. Execution of this Agreement confirms LTP's receipt of the Training Provider Resource Guide, which may be updated from time to time.

WELCOME

Thank you for choosing to be a Training Provider for the American Red Cross. As a Red Cross Training Provider, your organization has joined a long tradition of providing life-saving education and training throughout the United States dating back to 1909.

Purpose of the Resource Guide

This *American Red Cross Training Provider Resource Guide* provides your organization with the basic information it needs to serve as an American Red Cross Training Provider. For information about your responsibilities as a Training Provider and the responsibilities of the Red Cross to you, refer to your *Training Provider Agreement*.

Types of Red Cross Training Providers

Both Authorized Providers and Licensed Training Providers are companies or individuals licensed to use Red Cross training materials in the instruction of Red Cross training courses based on their contractual agreement with the Red Cross:

- An **Authorized Provider (AP)** is a company, organization or individual that signs a *Training Provider Agreement* licensing the AP to teach Red Cross courses to individuals within the AP's company or organization.
- A **Licensed Training Provider (LTP)** is a company or self-employed individual that is an independent business offering Red Cross training to outside companies, organizations or individuals as permitted through their *Training Provider Agreement*.

The *American Red Cross Training Provider Resource Guide* provides information about the resources available to you and your instructors in preparing for and delivering Red Cross training programs.

ABOUT THE RED CROSS

Proceeds from Red Cross training support the life-saving mission of the Red Cross - including disaster relief, blood collection, and Service to the Armed Forces.

Global Red Cross and Red Crescent Network

The Global Red Cross and Red Crescent Network is the largest humanitarian network in the world, with a presence in almost every country. The global network is unified and guided by seven Fundamental Principles.

Humanity

The Global Red Cross and Red Crescent Network, born of a desire to bring assistance without discrimination to the wounded on the battlefield, endeavors – in its international and national capacity– to prevent and alleviate human suffering wherever it may be found. Its purpose is to protect life and health and to ensure respect for the human being. It promotes mutual understanding, friendship, cooperation, and lasting peace amongst all peoples.

Impartiality

It makes no discrimination as to nationality, race, religious beliefs, class, or political opinions. It endeavors to relieve the suffering of individuals, being guided solely by their needs, and to give priority to the most urgent cases of distress.

Neutrality

In order to continue to enjoy the confidence of all, the Network may not take sides in hostilities or engage at any time in controversies of a political, racial, religious, or ideological nature.

Independence

The Network is independent. The National Societies, while auxiliaries in the humanitarian services of their governments and subject to the laws of their respective countries, must always maintain their autonomy so that they may be able at all times to act in accordance with the principles of the Movement.

Voluntary Service

It is a voluntary relief movement not prompted in any manner by desire for gain.

Unity

There can be only one Red Cross or Red Crescent Society in any one country. It must be open to all. It must carry on its humanitarian work throughout its territory.

Universality

The Global Red Cross and Red Crescent Network, in which all Societies have equal status and share equal responsibilities and duties in helping each other, is worldwide.

American Red Cross

Mission

The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors.

Vision Statement

The American Red Cross, through its network of volunteers, donors, and partners, is always there in times of need. We aspire to turn compassion into action so that:

- All people affected by disaster across the country and around the world receive care, shelter, and hope;
- Our communities are ready and prepared for disasters;
- Everyone in our country has access to safe, lifesaving blood and blood products;
- All members of our armed services and their families find support and comfort whenever needed;
- In an emergency, there are always trained individuals nearby, ready to use their Red Cross skills to save lives.

History

Clara Barton and a circle of her acquaintances founded the American Red Cross in Washington, D.C. on May 21, 1881. Barton first heard of the Swiss-inspired global Red Cross network while visiting Europe following the Civil War. Returning home, she campaigned for an American Red Cross and for ratification of the Geneva Convention protecting the war-injured, which the United States ratified in 1882.

The American Red Cross Today

Today, the supporters, volunteers and employees of the American Red Cross provide compassionate care in five critical areas:

- People affected by disasters in America.
- Support for members of the military, their families and veterans.
- Blood collection, processing, and distribution.
- Health and safety education and training.
- International relief and development. For more information, visit redcross.org.

The Wilderness and Remote First Aid program emphasizes experiential learning and major portions of the course are meant to be taught in outdoor settings.

First Aid for Severe Trauma

Uncontrolled bleeding is the leading cause of preventable death from trauma. The American Red Cross First Aid for Severe Trauma (FAST) program provides participants with the knowledge and skills they need to respond to an emergency involving life-threatening bleeding, including how to:

- Recognize a life-threatening bleeding emergency.
- Ensure safety and communicate effectively in an emergency.
- Control life-threatening bleeding using direct pressure, a tourniquet, or both.

The program is designed to enhance participants' ability to take decisive, lifesaving action to assist a person with a traumatic injury and life-threatening bleeding until professional responders arrive.

First Aid and CPR training programs for healthcare providers and professional rescuers

Basic Life Support

The purpose of the Basic Life Support (BLS) program is to ensure that healthcare providers have the knowledge and skills necessary to respond to breathing and cardiac emergencies. The course emphasizes active, hands-on learning and uses scenario activities to help participants learn how to provide CPR, use an AED, and relieve an obstructed airway for adult, child, and infant patients.

CPR/AED for Professional Rescuers

The CPR/AED for Professional Rescuers (CPRO) program trains individuals with a duty to act including lifeguards, police, security personnel, firefighters, and athletic trainers — to respond to breathing and cardiac emergencies in adults, children, and infants until more advanced medical personnel take over.

This course is also intended for individuals serving in roles that would be called upon to provide support in emergency situations, such as aquatic facility, gym/fitness club, or community/recreation center staff.

Emergency Medical Response

Longfellow's WHALE Tales

The American Red Cross created Longfellow's WHALE Tales to help teachers and youth leaders teach children about safe behavior in, on, and around the water. WHALE is an acronym for Water Habits Are Learned Early. The materials in the Longfellow's WHALE Tales K–6 Educational Packet are designed to give children an awareness of being safe around the water and to promote healthful aquatic recreation.

The American Red Cross Longfellow's WHALE Tales lessons teach children about water safety in different environments, such as pools, waterparks, oceans, lakes, and rivers. It teaches them about water hazards around the home and neighborhood and covers sun safety, boating safety, and much more. The program features fun, animated videos; colorful posters; stickers; activity worksheets; illustrated, color fact sheets; and three types of completion certificates. INSTRUCTORS AND INSTRUCTOR TRAINERS

Instructor Certification

Certification occurs when an instructor candidate successfully completes the instructor course or the instructor bridge course (if qualified) and is issued an instructor certification indicating that all requirements have been met on that date.

Before an instructor can teach and gain access to the Red Cross Learning Center—Instructor Portal, s/he must be affiliated with a Training Provider. Once certified, an instructor may provide training based upon the affiliation with the Training Provider and the Training Provider’s agreement with the Red Cross.

Instructor Courses

Instructor courses train individuals to be able to teach the course(s) within a specific program. Red Cross instructor courses are in a blended learning format featuring an online introduction to the instructor course and an in-person portion. The online portion typically includes a review of the Red Cross mission and services, an overview of the training program and materials, and an introduction to the tools and resources available to instructors. Successful completion of the online introduction is required prior to attending the first session of the in-person portion of the instructor course.

The in-person portion is led by a certified Red Cross Instructor Trainer (IT) in the specific program area. It includes a precourse skills assessment, a review of the training program and materials, and features one or more practice-teaching assignments, which allow instructor candidates the opportunity to practice teaching sections of the course they will be teaching.

Upon successful completion of the instructor course, individuals will be granted a Red Cross Instructor certification permitting them to teach the course or courses within the training program area during their certification period, which is usually two years. Newly certified instructors must affiliate with a Training Provider in order to teach Red Cross courses and submit training records.

The specific prerequisites and details for instructor courses vary by training program. For information on instructor courses, visit the Red Cross Learning Center at www.redcrosslearningcenter.org (no login required).

To register for an instructor course in your area, interested instructor candidates can search for a class on the Red Cross website <https://www.redcross.org/take-a-class> or call 1-800-RED-CROSS.

For organizations that wish to train multiple instructor candidates, the Red Cross offers “Full Service” instructor courses in which a Red Cross Instructor Trainer delivers the instructor course on-site. For information on scheduling an instructor course at your location, contact your sales representative.

Instructor Bridging

Instructor bridging is an expedited instructor certification option that recognizes an individual's instructor certification and experience – either with the Red Cross or other national training organizations – in order to provide Red Cross Instructor certification without the need to attend a full instructor course. Most instructor bridge courses are online only courses that are made available to eligible instructor candidates at no cost.

Individuals who qualify for and complete the instructor bridge course and process will be granted the same Red Cross Instructor certification as an individual who completed the full instructor course for the program.

Specific requirements for instructor bridging vary by training program and details can be found on the Red Cross Learning Center at www.redcrosslearningcenter.org.

The information contains an extensive collection of resources and information for individuals interested in becoming a Red Cross certified instructor for various training programs.

The program-specific pages available from this site contain:

- Instructor certification options and requirements.
- Prerequisites and process information to complete an instructor bridge.

Instructor Hierarchy

American Red Cross courses vary in the level of knowledge, skills and content as do the instructor certifications required to teach these courses. As a result, some instructors who have certifications can teach other courses the Red Cross offers after completing a self-orientation to the courses and the course materials. In other cases, instructors who have certain certifications qualify to participate in an instructor bridge course to become certified to teach other Red Cross programs.

For additional information, see the Instructor Hierarchy Chart on the “Instructor Lifecycle” section of the Red Cross Learning Center.

Instructor Agreement and Instructor Code of Conduct

As part of the instructor certification and recertification process all Red Cross instructors are required to review and agree to the *Instructor Agreement and Instructor Code of Conduct*. Instructors review and agree to the *Instructor Agreement and Instructor Code of Conduct* during the online introduction to the instructor course, and when completing re-certification assessments. The *Instructor Agreement and Instructor Code of Conduct* outlines the Red Cross obligations to instructors and instructors' obligation to the Red Cross related to the proper delivery and use of Red Cross training materials. A blank copy of this agreement is available on the Red Cross Learning Center.

Instructor Get Started Guide

The *Instructor Get Started Guide* is a resource for newly certified Red Cross instructors detailing the key initial steps that an instructor needs to complete to begin teaching Red Cross programs based on their new Instructor certification.

The *Instructor Get Started Guide* is a digital resource within the online course and is distributed to instructors at the completion of their instructor course and is also available on the Red Cross Learning Center (www.redcrosslearningcenter.org) in the “Resources” section.

Instructor Trainers

Instructor Trainers are individuals certified to teach Red Cross instructor courses which certify new

Red Cross instructors. Similar to instructor requirements, in order for an instructor trainer (IT) to be able to teach instructor courses, the IT must:

- Be affiliated with a Training Provider.
- Agree to the Instructor Trainer Agreement and Instructor Trainer Code of Conduct.

Additionally, once certified as an IT, the IT is permitted to teach instructor courses based upon their affiliation with the Training Provider and the Training Provider's agreement with the Red Cross.

Instructor Trainer Academies

Instructor Trainer Academies are training courses where instructor trainer candidates achieve their IT certification by participating and successfully completing a training program led by a Red Cross Instructor Trainer Educator. IT Academy curriculum is focused on providing the IT candidates with the knowledge, skills and familiarity with the Red Cross training program area so the IT can train new instructors in:

- Skill expertise and mastery in the training program area,
- Facilitation and classroom management, and
- Understanding of Red Cross training tools, resources, and processes.

IT Academies are available for the First Aid/CPR/AED, Lifeguarding, and Water Safety programs. To attend an IT Academy, interested individuals must meet the qualifications and are required to complete an online application that includes providing details of the individual's teaching experience to-date and information on the IT candidates' interest in becoming an IT. Once the application is submitted, the IT Academy Administrative Coordinator reviews the application and contacts approved IT candidates with the steps to register for an IT academy.

The nationwide IT Academy schedule and the specific requirements and process for IT applicants to apply to attend an IT Academy are available in the Instructor Lifecycle section on the Red Cross Learning Center.

The Red Cross is always interested in partnering with organizations that would like to host an aquatic Instructor Trainer Academy at their facility. Program facility needs and requirements depend on the specific program area. Potential host facilities for aquatic Academies can complete the "Host IT Academy" application form located in the Instructor Trainer Candidates page under the Instructor Lifecycle section of the Red Cross Learning Center (www.redcrosslearningcenter.org).

Instructor Trainer Bridging

Instructor Trainer bridging is a certification option for currently certified Red Cross ITs to become an IT in a different training program area. The IT bridging option is also available to ITs from approved external organizations. Similar to instructor bridge courses, the IT bridge programs are online only courses covering key program information with a focus on conducting the instructor course for that program area.

In order to register for an IT bridge, qualified individuals are required to complete an online application which is reviewed by the Training Support Center. Approved ITs will be sent information on completing the online bridge. IT bridges may include a nominal fee due at registration.

For information on whether an IT bridge course is available for a specific program area as well as qualification requirements, refer to the program's Instructor Bulletin available or to the information on the Bridging to Become an Instructor page under the Instructor Lifecycle section on the Red Cross Learning Center.

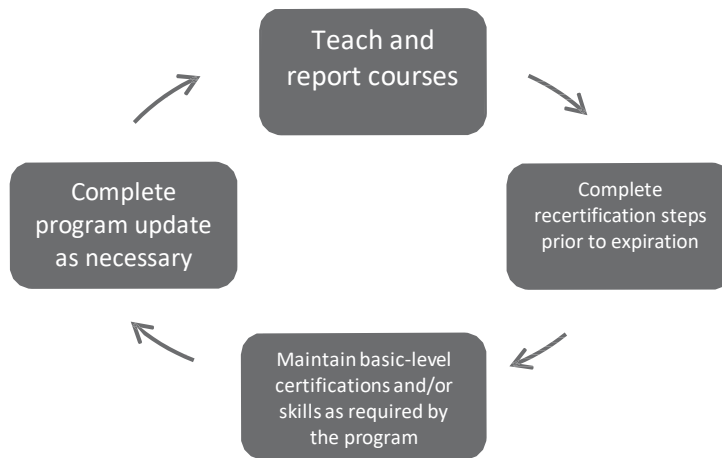

Instructor Trainer Agreement and Instructor Code of Conduct

Instructor Trainers are required to review and agree to the *Instructor Trainer Agreement and Instructor Trainer Code of Conduct* as part of their IT certification and recertification process. A copy of the latest *Instructor Trainer Agreement and Instructor Trainer Code of Conduct* is available on Red Cross Learning Center.

Maintaining Instructor and Instructor Trainer Certification

Requirements to maintain instructor and IT certification varies by training program. However, requirements typically include maintaining a basic-level certification in the program area, teaching a minimum number of classes during the two-year certification period, completing an online recertification assessment or – depending on the program area – an in-person review course, and completing any instructor/IT update course as required by the Red Cross following a program update. Online Instructor/IT recertification assessments and updates are typically available at no cost during the update period.

A visual of the typical instructor or instructor trainer lifecycle is provided below.

For more information on the instructor lifecycle and maintaining certification requirements, instructors and ITs should review the program Instructor Bulletin, instructor's manual, and instructor trainer's guide and should review the contents of the Instructor Lifecycle section of the Red Cross Learning Center.

Quality Assurance

The Red Cross is the leader in quality health and safety training, and it maintains that status by ensuring instructors and instructor trainers are provided the tools, resources and information to allow them to adhere to Red Cross training standards. The purpose of the Quality Assurance program is to maintain integrity and compliance with all American Red Cross products, programs, and instructional personnel. Quality Assurance reserves the right to fully review and take remediation measures for any classes, whether as a response to a reported concern or as a proactive measure to ensure quality. Any Quality Assurance questions or concerns should be addressed to qualityassurance@redcross.org

This quality assurance program maintains integrity of Red Cross training and certification for our Training Providers and the individuals, workplaces, and communities where they train. For questions related to QA or to report an issue, please contact qualityassurance@redcross.org.

Support for Instructors and Instructor Trainers

In addition to program materials such as the instructor's manual and instructor bulletin, a variety of support tools and resources for Red Cross instructors and instructor trainers are available on the Red Cross Learning Center.

iConnection Newsletter

The *iConnection* newsletter is an email newsletter sent to all Red Cross instructors and instructor trainers approximately every six weeks. *iConnection* articles detail program updates and enhancements, answers to frequently asked questions related to content within Red Cross programs, and information on enhancements to instructor tools and resources to help instructors deliver Red Cross training programs.

To ensure they receive the *iConnection* newsletter, instructors, and instructor trainers are required to maintain an updated profile and email address in the Red Cross Learning Center.

How-To Information & Videos

A series of How-To Documents & Videos available in the Resource section of the Red Cross Learning Center provide a step-by-step walkthrough of key actions and processes for both new and experienced instructors with screenshots and narration. A sample of topics covered include:

- Accessing Your Instructor Certification Record
- Accessing Your Teaching History
- Entering Course Records
- Setting Up, Manage and Close Out Blended Learning Courses

Forum

Available in the Forum section of the Red Cross Learning Center, the Forum is a collaboration space for instructors to discuss topics and to share information and best practices. Thousands of fellow instructors and instructor trainers from across the country participate in forums covering a variety of topics. Active groups include program specific groups such as First Aid/CPR/AED, Lifeguarding, and Water Safety Instructor as well as groups for instructor trainers and training networking.

Click-to-Chat and Support Center Case Submission

If instructors or instructor trainers have a question that is not adequately addressed through the Community or the resources available on the Red Cross Learning Center, the Learning Center also includes capability for instructors or instructor trainers to submit a support case to the Training Support Center for non-urgent matters or to chat with a live representative for urgent matters. Click to Chat and Create a Support Case are available on the Questions section of the Red Cross Learning Center.

CONDUCTING RED CROSS TRAINING PROGRAMS

Maintaining Training Standards

Quality, consistency, and standardized delivery of courses are priorities of the American Red Cross. Red Cross courses are designed with standardized instructor outlines and lesson plans based on well-defined objectives to provide an optimal learning experience for a variety of participants. Many of the courses are designed to meet workplace certification and training requirements of different occupational settings, such as day care workers, workplace response teams, lifeguards, swim instructors, healthcare providers, and other professional responders. Both the course participants and organizations that hire individuals with Red Cross certifications expect and depend on the quality of training outlined in the programs.

To meet the objectives of the courses and ensure standardized delivery, the course outlines and lesson plans included in the instructor's manual must be followed. Facility availability or constraints, specific instructor-to-participant ratios, equipment-to-participant ratios, or participant needs may necessitate

the need to adapt the course outline while still maintaining the educational progression of the course. Adapting the training does not mean that instructors or instructor trainers can add to, delete, or change content.

Training Provider Course and Price Listing

The *Training Provider Course and Price Listing* lists the courses available to Training Providers and their instructors. This list is organized by program area and includes course combinations and bundles to satisfy the various needs of Training Providers and their students.

In 2018, the Red Cross implemented the practice of publishing an annual price list that will allow for modest price adjustments rather than larger increases that would more significantly impact our Training Providers.

The annual *Training Provider Course and Price Listing* can be found in the Resources section on the Red Cross Learning Center and will be provided to Training Providers via email each year well in advance of any pricing changes going into effect based upon our contracted agreements and terms to allow our Training Providers to plan accordingly.

To have courses added to your *Training Provider Agreement*, contact your sales representative.

Training Equipment and Supplies

Many Red Cross training programs require specialized training equipment and supplies. The program's instructor's manual outlines the specific equipment needs for each course. Maintaining the equipment ratios outlined in the instructor's manual allows instructors to deliver quality training, stay within the timelines for the training, as well as to provide course participants the time they need to properly practice and learn skills.

Equipment used in Red Cross training must be maintained in good working order to ensure participant safety and effective practice. Equipment that is not in good working order detracts from participant's willingness to learn and practice effectively.

All equipment used in Red Cross training should be maintained according to manufacturer guidelines. Equipment such as CPR manikins should be cleaned after each use according to the manufacturer guidelines. More details on manikin decontamination is available in instructor's manuals for courses that teach CPR and AED. When using equipment during training, Training Providers should ensure that instructors take all the necessary safety precautions.

Equipment and supplies such as CPR manikins, AED trainers, and accessories are available for purchase from the Red Cross Store (www.redcross.org/store.org) or link to it via the Red Cross Learning Center (www.redcrosslearningcenter.org).

Training Materials

Training materials for Red Cross programs, including instructor's manuals, course presentation slides, and videos, are available in digital format on the Red Cross Learning Center or for purchase from the Red Cross Store. To prepare for classes, instructors can download digital versions of participant materials for most programs from the Red Cross Learning Center.

Delivering Blended Learning Courses

The Red Cross offers a variety of blended learning course options for basic-level courses, instructor-level courses and IT Academy training. Blended learning courses feature a combination of online learning and an in-person, classroom experience saving in-person training time while allowing course participants the flexibility to complete the online content at their convenience.

The online content for blended learning courses is accessed through the Red Cross Learning Center. Blended learning classes can easily be set up. Instructors have the option to directly enroll students in a class or save a seat (student voucher) and send the enrollment link to participants once the class is set up. The instructor will be able to view online completion status for all students prior to the in-person portion of the blended learning class.

How-To guides and video for setting up, managing, and closing a blended learning class, including email templates for sending the enrollment links or online course information to course participants are available in the Resources section of the Learning Center.

Reporting Course Activity

Collection of information on course activity benefits both your organization and the Red Cross by:

- Providing records on students trained, which can be used by your organization to verify training requirements have been met.
- Providing statistics that help in health and safety program evaluation.
- Assisting in monitoring for quality assurance.
- Tracking instructor activity for maintaining instructor certification and recognition purposes.

For students to receive certificates, instructors must report courses taught along with students who took the courses. Course reporting is done electronically through the Red Cross Learning Center. There are two methods for instructors to report their teaching activity:

- **Course Record Entry:** This is the method for reporting classes for classroom-only courses. The Course Record Entry function can be accessed through the Red Cross Learning Center— Instructor Portal or Partner Portal home page.
- **Close a Blended Learning Class:** Blended learning classes are reported by using the Close a

Class function which is accessed by clicking on the specific class in the Classes I'm Teaching section on the home page of the Red Cross Learning Center.

When reporting course records, instructors or training partners must enter all the required information including course name, instructor information, training site name and address, student information (phone and or email), and student evaluation (successful, unsuccessful, not evaluated) and provide payment.

Obtaining Course Completion Certificates

Digital certificates are available to students once the training fees have been paid. All students whose email addresses are entered in the Course Record Entry system will receive an email with certificates attached. The email also provides a link to their digital certificate. Instructors can also print certificates immediately from the Course Record Entry system.

Certificates are available in two formats: 8.5" x 11" that can be printed or distributed electronically via email, and wallet-size that are designed to be printed on standard business card cardstock.

In addition to email, participants may also obtain copies of their Red Cross certification by entering the

required information on the Find My Certificate page at redcross.org/digitalcertificate.

Digital certificates include an alpha-numeric identifier and a QA code, which allows the certificate to be validated by electronic means. Employers can verify participants' Red Cross certification by entering the 6-digit alpha numeric identifier on the Find My Certificate page at redcross.org/digitalcertificate.

Payment Options

Payment for course records submitted in the Course Record Entry and Close a Class system can be made by credit card or your organization may submit a purchase order if it has been approved for invoicing. Details on invoicing requirements and terms and conditions are outlined in your *Training Provider Agreement*. Invoices can be paid by check, ACH/EFT, or credit card. Contact Billing Support to pay by credit card or set up ACH/EFT at the number displayed on the Invoice. For more information on

payment options for training and supplies, visit www.redcross.org/PHSSBilling to view frequently asked questions (FAQs).

Training Providers that have been approved for invoicing can choose one of the following options:

- *No PO*: Used when your organization has been approved for invoicing privileges and does not require a Purchase Order number printed on the Invoice in order to remit payment.
- *Existing PO*: Used when Purchase Orders have already been set up in this system. Any existing POs may be updated to amend purchase limits or expiration dates as needed. The PO number you select will be displayed on the Invoice.
- *New PO*: Enter information from your organization's Purchase Order here to set up a new PO. You will be able to select this PO next time you enter training. This PO number will be displayed on the Invoice.
