BLUEMEDICARE GROUP MASTER AGREEMENT

SECTION 1: INTRODUCTION

This BlueMedicare Group Master Agreement (this "Agreement") describes the rights and obligations which you and Blue Cross and Blue Shield of Florida, Inc. ("Florida Blue") have with respect to the group Medicare Advantage, Medicare Advantage Prescription Drug Plan, and/or standalone Medicare Prescription Drug Plan (hereinafter, "Medicare Plan(s)") coverage to be provided by us to your Covered Retirees and Covered Dependents.

References to "we", "us", "our," and Florida Blue throughout this Agreement refer to Blue Cross and Blue Shield of Florida, Inc. In exchange for your payment of the Premium, we agree to provide the coverage and/or benefits specified in the Evidence of Coverage for the Medicare Plan(s) ("Evidence of Coverage"), a copy of which is attached to this Agreement. The coverage to be provided by us under the Group Plan which you have established is described in the Evidence of Coverage.

SECTION 2: DEFINITIONS

Certain terms defined in the Agreement are also used and defined (for the convenience of Covered Persons) in the Evidence of Coverage. If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. The following defined terms apply to this Agreement:

Anniversary Date means the date one year after the Effective Date of coverage and subsequent annual anniversaries or such other date as mutually agreed to in writing by the parties.

Appeal means a request submitted by or on behalf of a Covered Person for a review of our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs.

CMS means the Centers for Medicare and Medicaid Services.

CMS Requirements means the provisions of Parts C and D of Title XVIII of the Social Security Act, CMS Medicare Part C and D regulations at 42 C.F.R. Parts 422 and 423, the CMS Managed Care and Prescription Drug Benefit Manuals, other CMS instructions and guidance and the provisions of Florida Blue's contracts with CMS to offer the Medicare Plans.

Covered Dependent means an Eligible Dependent who continues to meet all applicable eligibility requirements described in the Evidence of Coverage and who is enrolled, and actually covered, under the Agreement other than as a Covered Retiree.

Covered Person means a Covered Retiree or a Covered Dependent.

Covered Retiree means an Eligible Retiree, who continues to meet all applicable eligibility requirements described in the Evidence of Coverage and who is enrolled, and actually covered, under the Agreement other than as a Covered Dependent.

SECTION 3: ELIGIBILITY, ENROLLMENT, AND DISENROLLMENT

A. Eligibility Determination

Determination of whether an individual is an Eligible Retiree or Eligible Dependent will be a two-step process:

1. You will determine whether the individual is eligible to participate in the retiree group health benefit plan that you sponsor. For individuals meeting your eligibility criteria, you will promptly forward completed applications to us. You are responsible for complying with all applicable laws and regulations, including but not limited to the Employee Retirement Income Security Act (ERISA) and the Internal Revenue Code, in making this eligibility determination. You must also comply with all eligibility guidelines included in the benefit administrative guide and Evidence of Coverage.
2. After receiving a complete application, we will process the application in accordance with CMS Requirements. An application must be approved by us and accepted by CMS for an individual to be enrolled in a Medicare Plan.

B. Distribution of Enrollment Materials

You may only distribute materials describing the Medicare Plan that we have provided to you or that we have approved in writing. You will distribute any pre-enrollment materials that we provide to you to each potential enrollee before collecting enrollment applications. Nothing in this Section will preclude you from making additional disclosures about your group health benefit plan as applicable to comply with ERISA, such as a wrap-around summary plan description or other plan document. If applicable, you are solely responsible for compliance with ERISA disclosure requirements in connection with the Medicare Plan(s).

C: Group Disenrollment

If you decide to disenroll all Covered Persons from a Medicare Plan, you must:

1. Notify all beneficiaries that you intend to disenroll them from the Medicare Plan. You will provide this notice at least twenty one (21) calendar days before the disenrollment. This notice will explain how to contact Medicare for information about other plan options that may be available. You will include language provided by Florida Blue in this notice to meet specific CMS Requirements for notice contents.
2. Provide us with all information necessary to submit a complete disenrollment request transaction to CMS in accordance with CMS Requirements.
3. In the event of termination of this Agreement, provide advanced notice in accordance with Section 4 of this Agreement.

D. Individual Covered Person Disenrollment

Covered Persons may be disenrolled from a Medicare Plan by Florida Blue if they become ineligible for continued enrollment. Covered Persons may also be disenrolled if this Agreement terminates or if you

inform us that they are no longer eligible to participate in your retiree group health plan. If Florida Blue determines that a Covered Person is ineligible for continued enrollment or if you instruct us to disenroll an individual, you must:

1. Provide us with at least thirty (30) calendar days advanced notice of the ineligibility or disenrollment election of an individual; and
2. Provide the Covered Person(s) who will be disenrolled with at least twenty one (21) calendar days advanced notice of the termination and of other insurance options that are available to them. You will include language provided by Florida Blue in this notice to meet specific CMS Requirements for notice contents.

The Covered Person will have the opportunity to elect another plan offered by us or by you, join Original Medicare, or join another carrier's Medicare Plan (by submitting an enrollment request to that organization).

SECTION 4: TERM AND TERMINATION

A. Term of Agreement and Renewal Process

This Agreement shall become effective as of the Effective Date provided: (1) that we accept your Group Application; and (2) that you pay the required initial Premium specified by us.

This Agreement shall continue in effect until the first Anniversary Date following the Effective Date unless terminated earlier as permitted by its terms. After the initial term, this Agreement shall automatically renew each succeeding year on the Anniversary Date for an additional one-year period unless:

1. At least sixty (60) calendar days prior to such Anniversary Date, you notify us that you do not want the Agreement to automatically renew; or
2. It is terminated as permitted by its terms.

At least ninety (90) calendar days before each Anniversary Date, we will provide you with notice of changes in Premium and benefits under the Medicare Plan for the upcoming year (the "Renewal Notice").

If this Agreement renews as specified above, all of its terms and provisions (including the Premium due) shall be amended to include the terms of the Renewal Notice, and the amended Agreement shall govern coverage as of the Anniversary Date. Payment of the new charges shall constitute acceptance of the change in Premium rates. This Agreement is conditionally renewable. This means that it automatically renews each year on your Anniversary Date unless terminated earlier in accordance with its terms.

B. Termination by Group

The Group may cancel this Agreement on its Anniversary Date by giving written notice to us at least sixty (60) calendar days in advance, unless we have initiated a termination for any of the reasons stated below.

C. Termination by Florida Blue

We may terminate this Agreement or refuse to renew for the following reasons:

1. **Failure to Pay Premiums.** You do not pay Premiums in accordance with its terms or we have not received timely Premium payments prior to the end of the Grace Period. Termination of this Agreement for failure to pay premiums shall be effective as of the end of the Grace Period. In the event of such termination, you are obligated to pay the following:
 - a. Any portion of the Premium due for coverage provided by us prior to termination; and
 - b. Any amounts otherwise due us.
2. **Fraud or Intentional Misrepresentation of Material Fact.** You perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact.
3. **Group Contribution and Participation and CMS Rules.** You do not comply with: (1) a material provision which relates to rules for Group contributions or Covered Person participation; or (2) any provision in this Agreement which relates to LIS or other CMS Requirements.
4. **Service Area.** There is no longer any Covered Person who lives, resides, or works in the Service Area.
5. **Termination or Non-renewal of the CMS Contract.** We will provide you with at least ninety (90) calendar days' notice upon termination or non-renewal of our contract with CMS.

Except as specifically provided in this Subsection 4.C, if we decide to terminate or not renew the Agreement based on one or more of the circumstances mentioned above, we will give you at least forty-five (45) calendar days advance written notice.

D. Notification of Termination to Covered Retirees

It is your obligation to immediately notify each Covered Person of any such termination of this Agreement for any reason, consistent with the requirements of Section 3 of this Agreement.

E. Representations Made By, and Obligations of, the Group

In agreeing to provide coverage in accordance with the terms of this Agreement, we rely on the representations you made when you applied for coverage with us and your representation that you have authority to act on behalf of all Covered Persons with respect to this Agreement. Consequently, every act by, agreement with, or notice given to, you will be binding on all Covered Persons. You agree that you shall offer to all Eligible Retirees the opportunity to become a Covered Person under this Agreement. You agree that, if requested by us, you will distribute the Evidence of Coverage and other coverage materials to Covered Persons.

SECTION 5: PAYMENT PROVISIONS

2-Year Pro Share Plus Funding Arrangement – 12 Months *Okaloosa County BOCC*

ProShare Plus is a fully insured funding arrangement which allows the group to share in underwriting gains as a result of good claims experience. Blue Cross and Blue Shield of Florida determines and sets premium rates based on:

- The amount of claims anticipated; and
- Anticipated administrative expenses, commissions, taxes, contribution to contingency reserves and a risk charge.
- Premiums are remitted prospectively, on a monthly basis, to Blue Cross and Blue Shield of Florida without regard to the number and amount of actual claims.
- The first policy period will run from October 1, 2020 through September 30, 2021. The second policy period will run from October 1, 2021 through September 30, 2022.
- At the end of the second policy year, following a 3-month runout period, an accounting is done. Underwriting results for the year are determined based on premiums minus incurred claims minus administrative expenses. If the accounting produces a gain, your group will be eligible to receive a refund as follows:

100% of any surplus

Past gains and losses are not carried forward. Each 2-year period stands on its own. If your group has a multiple option plan, gains and losses are combined to determine a net underwriting result.

Advantages of ProShare Plus Funding

- Fully insured funding provides no risk to your group.
- Employers know their costs and can budget effectively during the contract period.
- Rate levels are guaranteed during the first year as long as no major demographic or benefit plan changes occur.
- Participating provider discounts are reflected in the employer's experience.
- Employers share in underwriting gains as a result of good claims experience and are protected against underwriting losses when claims experience is poor.

Considerations

- Since Blue Cross and Blue Shield of Florida assumes all risk, rates are adjusted to reflect charges necessary to underwrite the level of risk associated with each account.
- Since Blue Cross and Blue Shield of Florida holds the claims reserve, there are no cash-flow advantages for the employer.
- If the policy is cancelled, underwriting gains are not refunded.

- Pricing assumes 28% ESN penetration, if that differs by 5%, Florida Blue reserves the right to revise pricing terms and financials accordingly.
- Pricing assumes membership of 10% or less in high deductible (CDHP) benefit designs and no material change in participation over the course of the contract.
- In the event the number of covered members or pharmacy claims volume varies by greater than 10%, Florida Blue reserves the right to revise the pricing terms and financials accordingly.
- If changes occur within the PBM marketplace which lead to a significant deviation from the current economic environment, both parties agree to proactively amend the contract to make all parties commercially reasonably economically neutral.
- Guarantees are subject to change in the event that any law, regulation, interpretation of a law or regulation, or any change within the PBM marketplace would lead to a deviation from the current economic environment upon which these guarantees are based.
- Brand drugs are defined as all drugs that have a Medi-Span multisource code field equal to "M", "N", or "O".
- Generic drugs are defined as all drugs available in sufficient supply that have a Medi-Span multisource code field equal to "Y".

Proposal Assumptions

- Fees assume an effective date of 10/1/2020.
- Our proposal is based on information received from Okaloosa County BOCC and Barnes Insurance and Financial Services.
- This proposal includes an alternatively funded arrangement. In order to provide this arrangement, financial eligibility is required. The group may be asked to provide appropriate financial documentation including the most recent audited financial statements and in some cases a deposit of up to 3 months of estimated claims may be required.
- Fees are based on 682 enrolled lives. If enrollment changes by more than 5% from those used for quotation, we reserve the right to re-rate the quoted fees.
- The proposed ASO funding arrangement is contingent upon Okaloosa County BOCC securing and signing a stop loss coverage agreement. The stop loss coverage must be placed with a vendor that is mutually acceptable to Okaloosa County BOCC and BCBSF. Proof of stop loss coverage must be provided to BCBSF prior to executing the ASO agreement with Okaloosa County BOCC .
- Federal law requires active employees age 65 and over be allowed a choice of coverage between the employer's plan and Medicare. This proposal assumes such employees all select the employer's coverage as primary.
- Notice of fee change for subsequent contract periods will be given 45 days in advance.
- The following services are included in our administrative fee:
 - Account management/account administration services
 - Employee education and implementation services

Helpful information about our ASO

Under the Blue Cross and Blue Shield of Florida (BCBSF) Administrative Services Only (ASO) agreement, BCBSF serves as the Administrator, processing claims and issuing payments from the employer's funds. There is no insurance contract because your group self-insures its health benefits package. Instead, a

service agreement is established between BCBSF (acting as the Administrator) and your group (the buyer of administrative services).

Administrative Services Agreement (ASA)

We offer a full service ASO funding arrangement, which includes:

- employee communications and enrollment;
- the use of our extensive networks;
- the use of our utilization review programs;
- our claims processing and customer service capabilities; and
- the use of standard BCBSF banking arrangements.

All banking arrangements must be completed prior to processing any claims or paying benefits under the ASO program. This is accomplished through the establishment of an Administrative Services Agreement (ASA) between you and BCBSF. This Agreement contains the terms and conditions of the ASO funding arrangement, including a description of the benefit plan selected, a list of services we will provide, and a schedule of the administrative fees which you agree to pay.

The ASO Bank Account

Prior to the implementation of an ASO funding arrangement, a satisfactory credit review must be completed and approved by BCBSF. If complete credit reporting information cannot be obtained from our credit reporting vendor then other documentation of financial performance will be required of your group, such as audited financial statements. We reserve the right to obtain a deposit and/or a letter of credit should the credit review process suggest it to be a high credit risk. The credit review can be conducted at any time during the contract year and at subsequent renewals as necessary to protect us from undue credit risk.

We use our own bank account to pay claims. Approximately 15 days after the end of each month, we will bill your group for the amount of actual claims paid in the preceding month.

- We will provide your group the ability to download and view a detailed report of the actual claims paid for the previous month. Payments will be made by direct debit ACH to your group's local operating bank account to be initiated by us on or immediately following the due date. Prior to the effective date of your group, you will need to provide us the bank name, contact, account number, ABA/Routing number, and a copy of a letter to your bank granting us permission to debit the account for paid claims each month.
- If the direct debit ACH transaction cannot be conducted prior to the tenth calendar day of the month due to refusal by the group's bank to allow the transaction to occur, the payment is considered late and is subject to a charge, calculated on a daily basis, at an annual rate of 15 percent. Any such charge will be added to the amount due on the next billing.
- Approximately 15 days before the first of each month, we will bill your group for the monthly administrative fees and stop loss premium (if applicable). Payment will be made by check or wire transfer initiated by your group.

ASO Stop Loss Provisions

- The risk taken by your group under the ASO arrangement can be reduced by adding stop loss coverage. Under specific stop loss coverage the maximum payment per individual chargeable to your group is limited to a fixed amount based on claims paid during that contract year.
- Under the aggregate stop loss coverage the maximum claims paid for all individuals chargeable to your group is limited to an amount, expressed in terms of a fixed amount of claims dollars paid per contract.
- A stop loss quote is included at the end of this section.

Advantages of the ASO Funding Arrangement

- You receive single source administration, including:
 - Accurate and timely claims processing;

- Customer Service with toll-free telephone lines;
 - Access to an extensive network of participating providers, including a traditional wraparound network;
 - A pharmacy network with access to participating providers;
 - Utilization management programs;
 - Employee communication materials;
 - Onsite enrollment and employee education; and
 - A nationally recognized and accepted identification card.
- The ASO accommodates flexible plan design.
 - Your group immediately shares in any surplus.
 - Your cash flow is improved.
 - There is no risk charge in retention.
 - You do not pay premium taxes.
 - Private employers are not required to offer state mandated benefits.

Considerations

- Your group assumes all plan risks, including monthly claims fluctuations not covered by aggregate or specific stop loss protection;
- Legal services are not provided by BCBSF;
- Your group is responsible for incurred but not reported (IBNR) claims at cancellation; and
- Cash flow may be unpredictable due to claims fluctuations.

BlueCard® Program for BlueOptions

Inter-Plan Arrangements

BCBSF has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Arrangements." These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever members access healthcare services outside the geographic area BCBSF serves, the claim for those services may be processed through one of these Inter-Plan Arrangements.

Typically, when accessing care outside the geographic area BCBSF serves, members obtain care from healthcare providers that have a contractual agreement ("participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, members may obtain care from healthcare providers in the Host Blue geographic area that do not have a contractual agreement ("nonparticipating providers") with the Host Blue. BCBSF remains responsible for fulfilling our contractual obligations to the Employer.

This document briefly describes our Inter-Plan arrangements. Additional details are available upon request.

BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Arrangement, when members access covered healthcare services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its participating healthcare providers.

Value-Based Programs Overview

Employer's members may access covered healthcare services from providers that participate in a Host Blue's Value-Based Program. Value-Based Programs may be delivered either through the BlueCard Program or a Negotiated Arrangement. These Value-Based Programs may include, but are not limited to, Accountable Care Organizations, Global Payment/Total Cost of Care arrangements, Patient Centered Medical Homes and Shared Savings arrangements.

Return of Overpayments

Recoveries from a Host Blue or its participating and nonparticipating providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, healthcare provider/hospital bill audits, credit balance audits, utilization review refunds and unsolicited refunds. Recoveries will be applied in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to BCBSF they will be credited to the Employer. In some cases, the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be charged to the Employer as a percentage of the recovery.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to self-funded accounts. If applicable, BCBSF will disclose any such surcharge, tax or other fee to the Employer, which will be the Employer's liability.

Non-Participating Providers

When covered healthcare services are provided outside of Florida Blue's service area by nonparticipating providers, the amount(s) a member pays for such services will be based on either the Host Blue's nonparticipating healthcare provider local payment or the pricing arrangements required by applicable state law. In these situations, the member may be responsible for the difference between the amount that the nonparticipating provider bills and the payment Florida Blue will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services will be governed by applicable federal and state law.

BlueCard Global® Core Program

If members are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard service area"), they may be able to take advantage of the BCBS Global® Core Program when accessing covered services. The BCBS Global Core Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the BCBS Global Core Program assists members with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when members receive care from providers outside the BlueCard service area, the members will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services.

BlueCard® Program for BlueCare

Out-of-Area Services

Health Options, Inc. (HOI) has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Arrangements." These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever members access healthcare services outside the geographic area HOI serves, the claim for those services may be processed through one of the following Inter-Plan Arrangements.

Typically, when accessing care outside the geographic area HOI serves, members obtain care from healthcare providers that have a contractual agreement ("participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, members may obtain care from healthcare providers in the Host Blue geographic area that do not have a contractual agreement ("nonparticipating providers") with the Host Blue. HOI remains responsible for fulfilling our contractual obligations to you.

This document briefly describes our Inter-Plan arrangements. Additional details are available upon request.

BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Arrangement, when members access Out-of-Area Covered Healthcare Services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its participating healthcare providers.

Non-Participating Providers

When Out-of-Area Covered Healthcare Services are provided outside of HOI's service area by non-participating healthcare providers, the amount(s) a member pays for such services will generally be based on either the Host Blue's non-participating healthcare provider local payment or the pricing arrangements required by applicable state law. In these situations, the member may be responsible for the difference between the amount that the non-participating healthcare provider bills and the payment HOI will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services will be governed by applicable federal and state law.

BlueCard Global® Core Program

If members are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard service area"), they may be able to take advantage of the BCBS Global® Core Program when accessing covered healthcare services/Covered Services. The BCBS Global Core Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the BCBS Global Core Program assists members with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when members receive care from providers outside the BlueCard service area, the members will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services.

The claim form is available from HOI, the BCBS Global Core Service Center or online at www.bcbsglobalcore.com. If members need assistance with their claim submissions, they should call the BlueCard Global Core Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

PROPOSAL QUALIFICATIONS AND CONTINGENCIES

The following conditions and terms are in (or assumed to be in) the Employer's Self-Insured Plan Document. This reinsurance will consider only these or less liberal terms under the Stop-Loss.

Illustrative proposal for 10/1/2020.

Updated reporting through at least 6/30/2020 will be required.

A medical review has not been completed. We will need legal identification and clinical information on all large claimants to determine future liability and possible laser(s).

Our proposal assumes the use of the Florida Blue network. If this network is not used, Florida Blue reserves the right to change our rates and factors.

Any unfunded claims balance must be disclosed, otherwise such claims will not be considered eligible under the Stop Loss Policy.

We reserve the right to change the rates and factors should the initial enrollment vary by 10% or more from the enrollment shown on our proposal.

Florida Blue will accept disclosure information 90 days or less before the effective date and no later than 15 days after the effective date.

The quotation will require additional information, and may require adjustments (including lasers), regarding any claimant with serious condition(s) that may be expected to exceed the selected retention or any claimant with expenses (paid or incurred) in excess of 50% of the retention selected.

Claimants noted as terminated or no longer covered by the medical plan will be excluded from coverage under the Stop Loss. ISU will require claimant names at disclosure.

Our quote is subject to current shock loss information including amount, diagnosis, disposition and prognosis through the proposed effective date.

Assumes current participation and contribution levels will remain constant for the proposed policy period.

Minimum participation level of 65% of all eligible employees is required.

Retirees are covered under the plan.

COBRA participation is limited to 5% or less.

Actively-at-Work provision is waived as follows: For individuals identified and approved by Florida Blue and all other individuals covered on the Effective Date except for those individuals with serious claims known by the employer or the administrator, COBRA individuals, terminated individuals pending COBRA status, or Disabled individuals who have not been disclosed to Florida Blue in writing.

Subject to review and acceptance of Plan Document.

This quote is based on the following Plan Design: Current benefit plan(s) and existing enrollment by plan. We reserve the right to adjust the aggregate factors if enrollment by plan changes by more than 5% during open enrollment.

In the event a plan participant receives health care services in the state of New York, which are subject to the New York Health Care Reform Act, we will cover the bad debt and charity surcharge under the stop loss agreements.

Massachusetts State surcharges are covered under both Specific and Aggregate coverages.

If the group acquires a new entity and adds those members to our policy, a disclosure statement must be presented to Florida Blue for approval. Approval must be received before Florida Blue will assume risk for the new members.

Leave of Absence (LOA) Policy for eligible employees is: _____ Days or _____ Weeks or _____ Other and it is to be applied once per plan year per member and only after FMLA allowance is exhausted. Leave Of Absence allowance need not be used in consecutive days, but total time not actively at work during the plan year as a whole must not exceed the above outlined allowance plus the FMLA allowance.

In the absence of Leave of Absence language in the group plan document, the above will be considered as the LOA policy as it relates to Stop Loss Eligibility and continuation of coverage only. Any subsequent changes must be approved by Florida Blue at least 30 days in advance of the effective date of the change. Failure to notify Florida Blue of your company's policy changes for Leave of Absence may result in a possible Stop Loss claim denial. Upon exhaustion of LOA benefits as described above, to continue Stop Loss eligibility members must be offered COBRA as outlined in the "Continuation of Coverage Under Cobra" section in your Group Benefit Book. All other eligibility requirements beyond the LOA allowance described here are outlined in the Group Benefit Book and apply to the Stop Loss in their entirety.

GENERAL PLAN DESIGN/QUESTIONS

1. Describe in detail required referral, approval and authorization procedures including a list of services that require referrals, approvals and authorizations and member responsibilities.

Referrals are not required. Members have complete freedom to choose a provider. BlueOptions members are not required to select a PCP; however, members are encouraged to choose a Family Physician (i.e., Family Practice, General Practice, Internal Medicine or Pediatrics for children). Services received from participating physicians in the appropriate network will minimize member's out-of-pocket costs.

If a BlueCare HMO product is added, Health Options does not require any member enrolled in BlueCare HMO plans to obtain referrals from their participating primary care physician (PCP) to access participating specialty care physicians (i.e., par-to-par referrals). However, members are required to select a PCP with the role of the PCP to maintain the patient physician relationship and to coordinate over-all health care needs. In the instance that authorization is required for a service, the authorization should be obtained by the ordering physician for the office/facility providing the service. It is not limited to the PCP.

Please see included attachment for a sample of services that require authorization in "Tab 2 – Plan Design"

Requirements could vary based on the group contract. Please also refer to benefit booklet for full details.

2. Outline timelines requesting and processing referrals, approvals and authorizations.

Urgent requests are completed within 72 hours from receipt of all required clinical data. Non-urgent requests are completed within 15 days from receipt of the required clinical data.

3. Describe appeals process for declined benefits and or referrals and authorizations, i.e. peer to peer review process.

Every request for coverage that is denied and requires medical review is given a thorough review by a regional medical director based on the available information provided. Cases not requiring medical review are assigned to an appeals associate (layperson) for contractual review. We may contact the physician requesting the services for additional information or to discuss alternative benefit options. We notify members and providers of all denials in writing, providing the reason for the denial and information on how to appeal the decision.

If members or physicians have a concern about a coverage decision, they can call the member service number shown on the member's ID card. Many issues can be resolved over the phone. Members or their physicians also have the right to submit an appeal at any time during the delivery of the medical service.

Every member health statement includes information on the right to appeal and the internal appeal process. This information is also included in the member's benefit booklet.

The health of the member is always of prime concern. Therefore, we have an expedited appeal process in place for situations where the normal appeal timeline would jeopardize a member's health. A decision in an expedited appeal is made in 72 hours or less.

4. Name and describe responsibilities and or services for all third party vendors provide related to referrals, approvals and authorizations including mental health benefits.

Our commitment to our customers is to provide a high quality, affordable product. As such, we perform the majority of services provided to our customers ourselves. Wherever we believe it is more cost effective to outsource functions, we do so. This enables us to keep administrative costs low. Delegating also enables us to supplement our skill sets. We oversee and monitor services that are delegated and maintain full responsibility and accountability for any such arrangements.

Please refer to document in "Tab 2 – Plan Design" for examples of services that currently may be provided by delegated vendors.

5. Describe organ transplant coverage.

We participate in the Centers of Excellence for Transplant® under the Alternate Model. This value-added service is a nationwide, cooperative effort among Blue Cross and/or Blue Shield Plans, the Blue Cross and Blue Shield Association (BCBSA), and institutions to facilitate the provision of cost-effective care for eight transplant types: heart, lung, combination heart bilateral lung, liver (including living donor), simultaneous pancreas kidney (SPK), pancreas (PAK/PTA), combination liver kidney and bone marrow/stem cell. BlueOptions members who are approved to receive transplant services may choose to access the Centers. BlueCare members have access to the Centers through referral authorization from their PCP.

BCBSA is the program's administrative manager and coordinates all activities among participating plans and institutions. Transplant institutions participate nationwide. Network eligibility requirements include both quality selection criteria and cost-management features. To be named as a Center of Excellence, an institution must pass a credentialing process, including an on-site review. Negotiated global rates for each type of transplant may include hospital, professional and ancillary services, and organ procurement or bone marrow/stem cell harvesting and related services. Blue Cross and Blue Shield of Florida (BCBSF) participates under the Alternate Model agreement and as such rates are seeded to local plan independent provider agreements and global rates may not be in place depending on the in-force provider contract arrangement.

Overall, the advantages of utilizing the Centers are significant. First, members get streamlined national access to quality transplant services at Centers of Excellence institutions that meet a stringent credentialing process and are evaluated annually to ensure they remain in compliance with specific standards. Secondly, they offer cost-effective service. Global package prices are negotiated for a defined episode of care. Savings potential to members is a realistic expectation due to fewer out-of-pocket expenses. All standard Center of Excellence facilities are located outside of Florida; Texas, Massachusetts, and Florida participate under the Alternate Model.

Currently, Florida has 12 facilities who participate in the Alternative Model for Transplants. Reimbursement for these facilities differs by recognizing the existing plan facility contracts

currently in place with BlueCard language rather than the global rate. They meet the same quantity and quality organ specific measures that the standard Centers of Excellence facilities follow.

Provider arrangements for highly specialized tertiary care services also fall under our standard hospital and physician contracts and payment provisions. Contracts are currently in effect within major tertiary care facilities, including all teaching hospitals located throughout Florida.

Prior benefit determination is required for all BlueCare transplants. BlueOptions requests do not require prior benefit determination. However, BCBSF will provide a Pre-Service Voluntary Review if requested.

Transplant Care Coordination is a voluntary program that provides member outreach, facility concurrent review, discharge planning and case management. The program will provide education and assistance guiding the member through every aspect of the transplant process.

6. Describe ambulance coverage and network availability including land, air and water ambulance.

Ambulance Services are covered under Emergency Medical Care. Please refer to Summary of Benefits for coverage information.

7. Explain in detail durable medical equipment coverage, including any third-party vendor involvement.

Durable Medical Equipment, Prosthetics and Orthotics are currently covered.

Utilization management for DME services is handled through our partnership with CareCentrix. CareCentrix is a leading benefit management company focused on home healthcare services. BCBSF has partnered with CareCentrix for the delivery and management of Durable Medical Equipment (DME), Orthotics and Prosthetics (O&P), Home Health (HH), Home Infusion (HI), and Ambulatory Infusion Suites (AIS). CareCentrix supplies a network of providers that coordinate services through CareCentrix's prior authorization program.

Please refer to Summary of Benefits for coverage details.

8. Does the proposed plan cover hearing aids? If so, describe coverage and limitations?

Adult routine hearing exams are not covered. Hearing screenings for newborn/infants are covered based on American Academy of Pediatrics Guidelines. These are covered under the well child benefit. However, our national discount program offers discounts for hearing care. Members can login to their member account at floridablue.com to find additional information on savings offered.

Please refer to your Summary of Benefits for a full list of covered benefits.

9. Describe proposed physical therapy benefits. What therapies are covered and what are the limitations, if any?

Combined Outpatient Cardiac Rehabilitation and Occupational, Physical, Speech, and Massage Therapies and Spinal Manipulations are included.

Please refer to your Summary of Benefits for a full list of covered benefits and limitations.

10. Describe coverage and providers for routine lab work.

BlueOptions members have the freedom to use in-network or out-of-network labs and physicians. Some lab services can be performed in a participating physician's office and are included in the member's office copay or applied to their coinsurance/deductible. Quest Diagnostics is the preferred capitated laboratory for BlueOptions members. Lab services performed in a non-participating physician's office or at a non-participating lab will result in higher member coinsurance and/or deductible amounts.

If a BlueCare HMO product is added, we also have an independent lab agreement with Quest Diagnostics for HMO. Lab services sent to a non-participating lab are considered non-covered unless there has been prior approval. Some lab services can be performed in a participating physician's office and are included in the office visit copay.

Please refer to your Summary of Benefits for a full list of covered benefits.

11. Describe coverage and required approvals for x-ray, CAT scan, PET scan, MRI and mammogram, etc.

Coverage for Diagnostic tests (x-rays and blood work) are included. Tests performed in hospitals may have higher cost share.

Coverage for Advanced Imaging (CT/PET scans, MRIs) are included. Prior authorization may be required. Tests performed in hospitals may have higher cost share. Mammograms are covered as Preventive Care.

Please refer to your Summary of Benefits for a full list of covered benefits.

12. Provide names and duties of third-party administrators that will be involved in the administration of the proposed contract, i.e. claims processing, billing and payment processing, service, network management, authorizations and pharmacy management.

As indicated previously, our commitment to our customers is to provide a high quality, affordable product. As such, we perform the majority of services provided to our customers ourselves. Wherever we believe it is more cost effective to outsource functions, we do so. This enables us to keep administrative costs low. Delegating also enables us to supplement our skill sets. We oversee and monitor services that are delegated and maintain full responsibility and accountability for any such arrangements. Please refer to Attachment A for examples of services that currently may be provided by delegated vendors.

13. Provide a detailed description of your Case Management Program.

Personal case management is one of many services we offer to members as part of our commitment to provide caring solutions. Our program is a voluntary service offered to members with serious or complex health care problems to identify and plan for the help they need to address their health care condition and it is offered at no additional cost.

The primary objectives of our case management program are to improve health outcomes, facilitate access to resources to meet the needs of members with serious health problems and multiple

comorbidities, optimize available health plan benefits, help members regain optimum health and/or improved functional capability in the right setting and in a cost-effective manner.

Optimal outcomes are achieved through early identification of members at high risk for preferable adverse outcomes and costly care that is amenable to case management intervention; and collaboration with the member, family, and physician(s) or other health care providers. Our medical directors serve as consultants and medical advisors during all phases of care.

The program involves assessing member needs through the use of comprehensive evidence-based assessments; facilitating access to appropriate cost-effective care; determining the availability of benefits and resources; and developing and implementing an individualized case management plan to include prioritized goals. Each individualized plan is monitored to assess progress against the goals. The plan is updated as determined by the member's progress.

A number of mechanisms are in place to identify members who can benefit from these services and include:

- Predictive modeling;
- Admission authorization/notification;
- Concurrent review of hospital care;
- Clinical triggers from authorization/utilization data, medical and pharmacy claim data (e.g., frequent ER visits);
- Maternity management when intervention is required for pregnant members who are being monitored due to high risk; and/or
- Other sources, including hospital staff, physicians, account managers, employers, member service representatives, and member/family.

We use the member's diagnoses, surgical procedures, hospital lengths of stay, high-cost stays and repeated hospitalizations as additional triggers for participation in case management.

Cases are closed when:

- The member/family has attained self-management of the health condition(s) and achieved their care plan goals;
- The member chooses not to participate in the program;
- Case managers are unable to reach the member after multiple outreach attempts; and/or
- The member terminates coverage or expires.

14. Provide a detailed description of your Disease Management Program.

As part of our health solutions our objective is to deliver a collaborative and data-driven approach to medical management. We aim to improve quality, utilization, and cost outcomes for our members. Our clinical teams build and improve relationships with members and their medical providers, coordinate care for high-risk members, leverage community resources to assist members with socio-economic issues, and assist members in better managing their health.

We can address and impact member health by offering support at all stages - beginning with prevention and wellness through a lifetime of care, with the level of support varying by condition. We focus on the core chronic conditions such as Asthma, CAD, CHF, COPD and Diabetes along

with co-morbid conditions. We can provide support for additional conditions through our Case Management, and Health Coaching programs.

We actively manage members diagnosed with cancer through our comprehensive oncology case management program. Services are also available via Case Management for members with a number of rare chronic conditions to include: Amyotrophic Lateral Sclerosis (ALS), Hepatitis C, Rheumatoid Arthritis, Chronic Inflammatory Demyelinating Polyradiculoneuropathy (CIDP), Multiple Sclerosis, Scleroderma, Crohn's Disease, Myasthenia Gravis, Seizure Disorders, Cystic Fibrosis, Parkinson's Disease, Sickle Cell Disease, Dermatomyositis, Systemic Lupus, Gaucher's Disease, Polymyositis, Hemophilia, and Pulmonary Arterial Hypertension.

We focus on members through identification and stratification, targeted outreach, personalized health coaching, decision support, access to online tools, and customized care plans to offer a more personalized health care experience.

Member Identification and Stratification

Predictive modeling data (e.g. authorization, claims, lab data, co-morbidities and health risk assessments if applicable) is used to identify those members who can benefit most from condition support to help them improve quality, utilization and cost outcomes, and become proactive in the management of their conditions.

Targeted Outreach

Targeted outreach utilizes results from predictive modeling to reach out and engage the highest risk members. Outreach strategies may include telephone calls by clinicians and Interactive Voice Response (IVR) technology.

Member Engagement

Clinicians use member-centric processes to provide symptom management, significant medical decisions support, and support for conditions (e.g. chronic and rare). In addition, clinicians use a "whole person" approach whereby they can address each member's broad range of health care needs, rather than just one or two discrete health problems. The clinicians provide information and support to individuals so they can make more informed decisions, manage their health intelligently, and navigate confidently through the health care system. BCBSF provides a 24/7 non emergent nurse line for members for symptom management and decision support.

24/7 Nurse Line

We offer members symptom management and decision support. Examples of the support provided include:

- Interpret and manage symptoms related to their non-emergent conditions;
- General health information and prevention support;
- Decision support and assistance in triaging services; and
- Follow-up calls, as appropriate.

Online Tools & Resources

Members have access to some of the best online health and wellness resources and interactive tools through the member log in at *floridablue.com*.

15. Describe any patient outreach/follow-up programs at time of inpatient discharge.

When members are ready for discharge, the BCBSF care coordinator works with the facility discharge planner to understand the discharge plan and assist in the coordination of discharge services. This may require coordination with ancillary providers such as home health. When necessary, BCBSF engages case management and other members of the healthcare team and family to identify short and long term needs. The BCBSF case manager ensures the member and family have a good understanding of their plan benefits and limitations and will assist with the identification of potential community resources that can support the member post discharge. We introduce and reinforce member self-management strategies to the member and family that when adopted can reduce an unnecessary readmissions.

16. Describe telemedicine benefit and cost, if included in proposed plan.

We offer telemedicine services to our employer group clients through an agreement with Teladoc Health, Inc., the nation's largest telemedicine platform. With Teladoc, members have access to U.S. board-certified doctors 24/7/365 through phone or online video consultations.

Teladoc is a convenient and affordable option to urgent care or ER visits. Members who need immediate care can be diagnosed, treated or prescribed medication, if necessary, for a wide range of health issues, including cold, flu, upper respiratory infection, cough, pink eye, allergies and more. In 92% of visits, the member's issue is resolved, with no need for follow up. Teladoc is not a replacement for primary care.

Teladoc is available to Okaloosa County BOCC as a fully insured client as a standard benefit. For ASO clients, when selected, there is a per-employee-per-month charge added to the ASO fee.

PHARMACY PROGRAM

1. Describe plan and structure of co-pays for both mail-order and local pharmacy.

The BlueScript three-tier pharmacy benefit provides an affordable copayment for prescription drugs purchased at participating pharmacies or through the home delivery program. This benefit also provides coverage for prescription oral contraceptives and diaphragms, unless otherwise indicated as not covered on the BlueScript Pharmacy Program Schedule of Benefits.

The Open Formulary Medication Guide identifies prescription drugs selected and reviewed by a panel of physicians and pharmacists. The lowest copayment amount applies to preferred generic prescription drugs. If a preferred generic is not available, the copayment for the preferred brand is the most affordable. Prescription drugs not included on the Medication Guide may still be covered but at the highest copayment.

Drug Tier: indicates the tier level and whether the medication is on the preventive list:

- Tier 1 (Lowest Cost): Covered Generic Prescription Medications
- Tier 2 (Higher Cost): Covered Preferred Brand Prescription Medications
- Tier 3 (Highest Cost): Covered Non-Preferred Brand Prescription Medications or Medications not listed on the Preferred Medication List

2. Describe mail-order program including a list of prescriptions not available via mail-order.

Mail order services are administered through AllianceRx Walgreens Prime through a strategic collaboration between our PBM, Prime Therapeutics LLC (Prime), and Walgreens. AllianceRx Walgreens Prime is the fourth largest mail order pharmacy in the U.S. and will provide competitive cost advantages to clients.

AllianceRx Walgreens Prime mail order offers several features and advantages over other vendors within the mail order market including cost savings, enhanced customer service, convenience, and timely and accurate dispensing. AllianceRx Walgreens Prime mail order brings together mail service pharmacy experts, state-of-the-art automation, and a mail service solution backed by an expert pharmacy staff and account support.

Limitations and exclusions are defined by the Blue Cross and Blue Shield of Florida (BCBSF) Medication Guide and the Okaloosa County benefit design. There are a limited number of medications that AllianceRx Walgreens Prime mail order is unable to dispense due to regulations or requirements from the manufacturer or the Food and Drug Administration (FDA):

- Isotretinoin (member must enroll in iPLEDGE program, quantities limited to a 30-day supply)
- Botox[®] (temperature requirements)
- Clozaril[®] (member must enroll in Clozaril National Registry program, quantities limited to a 30-day supply)
- Temodar[®]
- Thalidomide (dispense only by approved S.T.E.P.S. distribution system with a maximum of 28-day supply)
- Injectable blood products and vaccines (usually plan driven with coverage under major medical or through specialty pharmacy)

- Injectable chemotherapy agents (usually plan driven with coverage under major medical with the exception of injectable Methotrexate)
- Compounded prescriptions
- Schedule I controlled drugs; these drugs do not have an approved medical use by the FDA (i.e. marijuana, heroin, etc).
- Addyi
- Siliq
- TIRF REMS Products and Procedures (Actiq, Abstral, etc)

In addition, AllianceRx Walgreens Prime mail order is currently unable to dispense specialty medication as classified by the manufacturer and/or categorized by the benefit design along with the following products due to limited distribution by the manufacturer:

- Actimmune[®]
- Aralast[®]
- Flolan[®]
- Prolastin[®]
- Remodulin[®]
- Somavert[®]
- Synagis[®]

3. Describe how diabetic supplies are covered/obtained, i.e. insulin, lancets and chem. strips.

Diabetic supplies are covered and obtained through Okaloosa County's retail pharmacy benefit. Members can access these medications and supplies by going to their local pharmacy for a 30-day supply, or they can use the mail-order and extended supply network (ESN) benefit to obtain 90-day supply at one time.

Generally, the cost of these medications would be determined by their tier on the open formulary medication guide. Currently, Okaloosa County Board of County Commissioners has the conditioned care benefit on their H.S.A plans. This benefit waives the deductible for all H.S.A members so that they can get their diabetic supplies at the copay cost before they have met their deductible.

As we focus on keeping medicines more affordable, delivering superior experiences, and leveraging our unique connections to deliver programs that lead to the best health outcomes. Our value-based benefit design offers low-cost drug therapy to members with the goal of reducing overall medical costs. Value based designs (VBD) acknowledge the inverse relationship between the use of medications and members' out of pocket expenses. Reducing member expense in key therapeutic areas may lead to increased drug utilization and greater medication adherence, offering the potential for improved quality of care, member health, and lower long-term medical cost. VBDs focus on core therapeutic categories where the use of drug therapy has proven positive health outcomes that correlate to decreased overall medical spend, including Diabetes (subcategories available: insulin & oral, hypoglycemic agents, diabetic devices and diabetic supplies).

4. Describe insulin pump and supply coverage.

Insulin pumps and pump supplies are covered under Okaloosa County's durable medical

equipment (DME) benefit. Our current DME provider is Care Centrix.

5. Describe how members refill prescriptions for vacations and or travel prior to refill deadline.

Prescription drug overrides for vacations or lost prescriptions are processed at the member's request by contacting customer service within the member's effective benefit coverage period.

6. List customer service procedures, i.e. general pharmacy claims inquiries and mail-order inquiries.

Members need someone in their corner. To help members feel better and live well, our member experience is shaped around their changing needs to help in every meaningful way possible, resulting in superior experiences. Our Contact Centers for retail, mail order and specialty support this overarching focus with easy interactions and helpful information, leveraging tools and technology with operational excellence to educate and empower members. We are leading the charge with a team whose sole purpose is creating loyal, satisfied members.

The member is at the center of everything we do, including how we design our services. We create a welcoming, easy-to-use experience, and keep members engaged across the medical and pharmacy spectrum.

Our Contact Center Teams are structured in a manner to ensure member inquiries, including any escalated issues are contained within the Team. Each Team consists of a Supervisor, Member Service Representative (MSR), Resolution Specialist and designated Quality Coach. For any assistance an agent or a member requires, there is someone readily available for that support. Our goal is first call resolution; however, any issues that may need to be researched and require additional follow-up with the member later are contained within the Team, and the CSR who took the initial call or escalation will contact the member with the resolution.

These efforts have resulted in member satisfaction ratings that surpass our competitors and a client base that remains highly stable. The most recent member survey results show that our "very satisfied" scores lead other PBMs for member experience across ten service metrics and outshine the broader health care field with rankings for member satisfaction.

A few unique approaches to providing superior service and positive results are made possible, in part, through the following unique attributes:

- Our member Contact Centers are based only in the U.S.
- The Contact Center only hires experienced customer service staff, bolstered by advanced training on the specific needs of each client.
- Our integrated Account Management teams follow built-in protocols for ensuring high levels of client satisfaction, including: regular team meetings, issue/resolution logs, project dashboards, client scorecards, and Continuous Improvement (CI) and Quality Assurance (QA) processes for all aspects of program management

The Contact Center is available for service 24/7, including holidays. All members of the Contact Center leadership team have extensive call center experience, are committed to customer service for members and clients, and have proven track records of success in running best in class call centers.

The Contact Center employs supervisors, CSRs, quality coaches, trainers, and operations support. CSRs are well positioned to handle all types of member and pharmacist inquiries for retail – from eligibility to more complex coverage issues.

In addition, bilingual CSRs are available to assist Spanish-speaking members 24 hours a day.

CSRs have on-line, real-time access to claims information to respond to member calls. Calls generally focus on the following topics:

- Prior authorization requests
- General claim inquiries
- Formulary questions
- Eligibility issues
- Deductible questions
- Invalid birthday clarification
- Dosage/days supply questions
- Pharmacy locator requests
- Changes to formulary and/or new drugs available

Specialty Contact Center

Members who use specialty medication require enhanced services and a team that understands the disease and the needs a member using a specialty medication may have.

Different from our retail and mail order contact center, the specialty contact center includes Patient Care Advocates (PCAs), Pharmacists, and Care Management Specialists who are available 24/7 to answer questions, provide prescription support needs, and address emergencies.

Like CSRs, PCAs are the main contact for all members inquires using a specialty drug, but also conduct member interviews using a “scripted” tool to identify issues, review the patient’s medication profile prior to providing education or medication counseling will call the patient to review the patient’s therapy and provide any clinical assistance necessary.

Additionally, our specialty contact center has Specialty Pharmacists who provide all pharmacy consultation, assisting patients in managing their disease and condition, as well as educating members on the disease and medication and progress; and Care Management Specialists, who are nurses by training, participate in patient education and have designated roles in some of our clinical programs, including fertility and bleeding disorders.

Mail Order

The mail order Contact Center is available for service 24/7, including holidays. All members of the mail order Contact Center leadership team have extensive call center experience, are committed to customer service for members and clients, and have proven track records of success in running best in class call centers.

The mail order Contact Center employs supervisors, customer service representatives (CSR), quality coaches, trainers, and operations support. CSRs are well positioned to handle all types of

member and pharmacist inquiries for both retail and mail order – from eligibility and complex coverage issues to mail order status.

In addition, the mail order Contact Center provides bi-lingual CSRs to assist in Spanish and licensed pharmacists are available for assistance 24 hours.

The mail order Contact Center uses interactive voice response (IVR) technology to efficiently guide a caller to the appropriate call option. IVR offers quick and convenient automated options for members to order mail order refills and receive order status and make payment.

Depending on the member's reason for calling, members will have the following options:

- Members are greeted, then directed to the self-service mail order IVR service to order prescription refills, check order status, check balances or make a payment
- Members are greeted or transferred to a live CSR for service (examples: need copay information or other types of calls where members need to talk to a live person)

By offering options on the menu, members can choose to speak with a live person if they feel more comfortable or they can enjoy the convenience of the self-service IVR for home deliveries.

A pharmacist is available on call for urgent medication issues 24/7 including holidays. Non-urgent calls received after hours are accommodated via a voicemail system which allows the member to leave a message for a return call the next business day.

Registered members are able to use an online form to submit questions to the customer care team. Members can email customer service through the "Contact Us" feature on AllianceRxWP.com.

Pharmacy Help Desk

Our Pharmacy Help Desk provides added value to local pharmacies with immediate, toll-free assistance to pharmacists in claims adjudication (e.g., authorization for early refills or emergency cases) 24/7.

At the local pharmacy level, we take the burden off the member to go back to their own physician or to make their own call to customer service. The Pharmacy Help Desk is consistently rated highly by pharmacies due to the quick response time, which allows them to service members faster. As such, our Pharmacy Help Desk supports a smoother pharmacy experience for members and our goal: client and member satisfaction.

An automated telephone answering and routing system is provided to assist retail pharmacists with these issues as quickly and accurately as possible. In addition, our Pharmacy Help Desk is staffed by an experienced team of CSRs within our Contact Center to assist pharmacists 24/7.

CSRs are trained to support pharmacists with the following types of inquiries:

- Eligibility
- Confirmation of birth date / gender
- Early refill requests (lost, vacation need, spilled, stolen, etc.)

- Claim pricing/benefit design
- Reimbursement to pharmacies
- Dosage changes
- Formulary questions
- Incorrect days supply
- Prior authorizations

The Pharmacy Help Desk and overall Contact Centers strive for excellence in efficiency resolving calls in a timely and accurate manner to benefit all customers – the pharmacy, the member, and clients. CSRs have online access to service tools to search all components of the pharmacy program as they assist retail pharmacists with these issues at first contact. For example, CSRs provide the pharmacist with the override code to process the prior authorization on the claim and fill the prescription immediately (as authorized by the plan design).

Our Pharmacy Help Desk also includes on-staff pharmacists who are available to assist CSRs with questions requiring clinical expertise. In addition to pharmacist support, CSRs have direct access to internal teams such as benefit specialists, account management, finance, payment administration, and pharmacy network operations to resolve issues requiring additional intervention. Overrides can also be put in place 5 – 10 minutes after the pharmacist contacts the Pharmacy Help Desk.

7. How often are medications reviewed for tier placement?

New medications are reviewed in full on a quarterly basis through Prime's National Pharmacy & Therapeutics (P & T) Committee, and all medications are reviewed at least annually in regard to tier placement and other coverage considerations.

Deletions/exclusions and up-tiering typically occur quarterly. In the event of market safety events (e.g. recall), prompt action is taken to adjust formulary and notify members. This may occur outside of the typical cycle.

8. Describe the frequency medications are reviewed and added/deleted from the formulary.

All clinical positions for drugs are reviewed at Prime's National Pharmacy and Therapeutics (P&T) Committee, which oversees formulary development for our clients. The P&T Committee is an independent panel of physicians and pharmacists that are highly-credentialed specialists representing a broad range of clinical disciplines.

Prime has administrative authority to add a therapeutically equivalent generic (meeting FDA approval) of an existing formulary drug when it becomes available. Prime receives notification of new generics through weekly updates from Medi-Span and by monitoring FDA postings of new drug approvals.

Therapeutically equivalent generics of non-formulary drugs require P&T Committee review and approval before addition to the formulary for some formularies (if generics are not loaded at the benefit level).

Prime's P&T Committee has the administrative authority to make the following specific changes to the formularies administratively. These changes can occur more frequently than the established quarterly review and include such items as:

- The addition of new strengths or dosage forms of existing formulary products
- The addition of new products within a covered diabetic supply line
- The removal of products when the FDA request that a product be withdrawn from the US market or a marketer voluntarily withdraws a product from the market
- The removal of drugs no longer manufactured
- The removal of legend drugs that become available over-the-counter (OTC) in strength(s) previously available by prescription only

Deletions/exclusions and up-tiering typically occur quarterly. In the event of market safety events (e.g. recall), prompt action is taken to adjust formulary and notify members. This may occur outside of the typical cycle.

9. List any medications not covered by the pharmacy plan, including exclusions.

Please refer to included Open Formulary Medication Guide (January 2020) in "Tab 2 – Plan Design" which details the covered drugs, and included Drug Exclusions document also in "Tab 2 – Plan Design" which contains a list of drugs that are not covered. Our Open Formulary Medication Guide is updated on a quarterly basis and can be found on our website, floridablue.com.

10. How are prescription rebates captured? Are rebates applied to plan experience?

Prime manages rebates on behalf of BCBSF. Prime has extensive experience negotiating discounts with manufacturers, including managing contracts to support BCBSF's rebate program. Through rebates, BCBSF focuses on the primary goal of lowering your overall pharmacy benefit costs. As a fully insured group Okaloosa County does not receive rebate payments from BCBSF. Rebates for fully insured groups are used to reduce their overall medical cost.

If Okaloosa County moves to an ASO arrangement with the October 1, 2020 proposal, then BCBSF would pass back 100% of the County's earned rebates based on plan utilization. Rebates are paid out quarterly, approximately nine months after they are earned.

11. Describe safe dosage limitations and other pharmacy management programs to monitor excessive dosage.

We have concurrent and retrospective drug utilization review (DUR) programs that concentrate on evaluating the entire member population of BCBSF's claims data for inappropriate utilization.

Concurrent Drug Utilization Reviews

The concurrent DUR program screens prescriptions at the point of sale for potential drug-therapy problems. If a concurrent DUR edit flags a claim in the claims system, a response is returned to the pharmacy. Concurrent DUR edits categorize potential interactions by severity, onset, documentation, and if the drugs were dispensed from the same pharmacy and same prescriber (the severity of the response is based on the client's preferences). Each of these categories has multiple layers and each combination can be attached to a unique response. This is particularly

effective for member interventions. Most concurrent DUR edit responses, however, are set as informational only in which pharmacists use their professional judgment in dispensing medication.

Prime complies with the National Council for Prescription Drug Programs (NCPDP) specifications for online DUR and supports all available Medi-Span concurrent DUR edit modules. Medi-Span classifies drug interaction severity based on drugs. The claims system can store multiple messages for handling edits (i.e. override allowed). Receipt of the messages is based on capabilities of the pharmacy software.

Concurrent DUR edits fall into standard screening categories, under which there are multiple edits based on individual drugs. Edits include:

- **Drug-to-drug interaction** – Checks for interaction between drugs based on the sensitivity level of the interaction
- **Drug –to-gender caution** – Identifies drug contraindications based on a member's gender
- **Duplicate therapy** – Checks for use of multiple drugs from the same therapeutic category
- **Duplicate prescription** – Checks for ingredient duplications (based on exact Generic Product Indicator)
- **Drug-to-age caution** – Identifies contraindications for specified age groups. A priority level may also be specified based on contraindication
- **Dosage/duration** – Compares the dosage on the claim to the recommended dosage for the member's age group and then determines whether to send a response*
- **Drug regimen compliance** – Checks to make sure the member is not underutilizing a drug. Reviews member claims history to determine if he or she has received the same drug and if he or she is receiving the new refill within a certain number of days since it was last filled
- **Drug-inferred health state** – Determines if the submitted drug or a profile drug conflicts with inferred health state (e.g., pregnancy)
- **Additive Toxicity** – Calculates the daily dose of acetaminophen across all active prescriptions and identifies claims above the FDA maximum dose.
- **OpMisuse™** – Calculates cumulative daily Morphine Equivalent Dose (MED) whenever a submitted claim includes an opioid drug (intended to help curb the abuse and misuse of opioids); includes ability to set parameters for maximum MED allowed, maximum consecutive days above MED allowed, number of unique physicians, and number of unique pharmacies allowed.

In the concurrent DUR program, pharmacy claims are evaluated for clinical guidelines by identifying patterns of inappropriate prescribing, dispensing and consumption, drug-drug conflicts, drug-disease conflicts, drug-age/sex conflicts, duplication of medicines, appropriateness of drug regimen including dosage and duration, over-utilization, and under-utilization. Pharmacy claims are reviewed at the pharmacy point of sale. If a DUR edit flags a claim in the claims system, a message is displayed online for the pharmacist to identify the potential conflict before the member receives the medication. In severe instances, the claim will be stopped and will require the pharmacist to override the edit in order to adjudicate the claim.

Retrospective Drug Utilization Reviews

The intervention method for our GuidedHealth retrospective DUR programs is most commonly a physician mailing or member mailing or phone call. Based on program selection, drug therapy opportunities are aggregated into a health guide, providing a holistic member view of actionable clinical intelligence. Health guides are sent to physicians and/or members to inform decisions and encourage action, resulting in better outcomes and lower total costs. Other intervention methods include electronic medical record, fax, email, texting and clinician outreach.

The GuidedHealth retrospective DUR programs are generally conducted on a quarterly basis with select programs available more frequently.

NDC Lockout Program

The NDC Lockout Program also referred to as Medications That Are Not Covered is a benefit exclusion which excludes coverage of targeted medications within a class without excluding the whole class of medications.

Some of the reasons a medication may not be covered are:

- The medication has been shown to have excessive adverse effects and/or safer alternatives
- The medication has a preferred formulary alternative or OTC alternative
- The medication is no longer marketed
- The medication has a widely available/distributed AB rated generic equivalent formulation

The Medication Guide includes information on the Responsible Quantity Program. Please also refer to Responsible Quantity Program document included in "Tab 2 – Plan Design" for a list of the drugs in this Program.

12. Describe coverage and process to obtain self-injectable medications.

We have prior authorization processes in place for certain specified self-administered injectables when a physician or member seeks to obtain those medications under the pharmacy benefit rather than under their medical coverage benefit as applicable. These processes are clearly defined in the pharmacy endorsement or certificate of coverage. All other injectables are not covered under the pharmacy endorsement but are covered items under the health portion of the contract.

Pharmacy benefits provide for a select list of self-administrable injectables. Covered drugs recommended for prior authorization include but are not limited to:

- Epogen
- Genotropin
- Humatrope
- Leukine
- Neulasta
- Neumega
- Neupogen
- Norditropin

- Nutropin
- Omnitrope
- Procrit
- Protropin
- Saizen
- Serostim
- Somatropin
- Tev-Tropin
- Zorbtive

We do not use a prior authorization process for other covered medications such as Imitrex injections and anaphylactic kits (bee sting kits). All of the aforementioned injectables may be obtained by the member at the appropriate member cost share once prior authorization requirements are met.

Pharmacy benefits provide coverage for all self-administered injectables as identified on the Medication Guide. Some require prior authorization as indicated by a special symbol designating the requirement on the Medication Guide members receive once enrolled. We typically limit prior authorizations for one year.

13. Outline pharmacy programs that ensure smooth transition at enrollment for members to obtain medications that have been reviewed and approved by the current carrier.

Since BCBSF and Prime are the incumbent providers, this is not applicable overall since implementation has occurred.

For new members, web-based, self-service tools are available specific to the member's selected benefit along with reference material that can be used in discussions between the member and their provider. Additional support services available include specialty and mail order onboarding.

14. List any medications and supplies excluded in the pharmacy benefit but covered under the health plan, i.e. durable medical and specialty pharmacy.

Please refer to included document in "Tab 2 – Plan Design" for a list of medical drugs excluded from coverage in the BCBSF pharmacy benefit as of January 2020. These drugs refer the member to the medical plan for coverage determination. This does not guarantee medical coverage and this list is not an exhaustive list of all DME/specialty medical drugs. Examples of other things that would be covered under the medical benefits would be insulin pumps, pump supplies, continuous glucose monitors.

15. Please include comprehensive Conditional Care Pharmacy list.

BCBSF has Condition Care Rx Value/HSA Preventive Prescription Medications available for certain medical conditions. Refer to the Condition Care Rx Program section of attachment Medication Guide included in "Tab 2 – Plan Design" for a description of the program and applicable conditions.

As the incumbent carrier, all current medical and pharmacy benefits will remain in place.

Please refer to the included alternate proposed HMO BlueCare plans as requested.

In the pursuit of health.

NETWORK

1. **Describe carrier negotiated network discounts in Okaloosa County and surrounding service areas, including Walton, Santa Rosa, Bay and Escambia County.**

Please refer to the Network Savings Report included in “Tab 3 – Provider Network”.

2. **Please provide a network disruption report. Current network is Florida Blue, BlueOptions.**

As the incumbent carrier, there will be no disruption in providers to the employees of Okaloosa County Board of County Commissioners. We have provided the requested disruption reports for your current BlueOptions plans, as well as the proposed BlueCare plans. Please refer to these documents included in “Tab 3 – Provider Network”.

3. **Describe balance billing protections.**

To help BlueOptions members save on out-of-pocket costs, we offer a higher level of benefits when they receive services from a NetworkBlue participating provider. Members may also receive covered services from other providers. We protect them from balance billing by integrating NetworkBlue with the Traditional Program network and BlueCard Program. However, members choosing to receive services from a provider who does not have any participation agreement with BCBSF may be subject to balance billing. Members are encouraged to verify a provider’s network participation status before receiving services.

For BlueCare, covered services are only reimbursed when rendered by a provider who participates in Health Options’ HMO network (except for emergency services). These network participating providers will bill Health Options directly and not balance bill the member for the difference in their normal charges and our reimbursement for the covered services.

4. **Please describe coverage while working or traveling out of state and abroad.**

Our members are secure in knowing their health care coverage goes with them wherever they go, because we can provide them with access to a nationwide network of providers who participate in the BlueCard program. Our members will also receive all the same benefits of their BCBSF health plan.

The BlueCard Program provides Blue Plans and their members access to the networks of independent Blue Cross and/or Blue Shield organizations across the country. The BlueCard network is the nation’s leading network with 96% of hospitals and 95% of physicians participating. The program facilitates efficient claims processing and customer service, and helps Blue Plans maintain strong relationships with their local providers.

Participating physicians and providers accept the contractually agreed upon allowance and may not balance bill the BlueCard member for the difference between their standard charge and contractual allowance. The provider can balance bill only for any applicable copays, deductibles, coinsurance, and any non-covered services. Out of state services for BlueCare HMO members are limited to emergency services and certain covered services that are authorized to be received outside of Florida. Members participating in BlueCare HMO plans are responsible for requesting authorizations.

Members needing assistance when they are out of the service area can call BlueCard's toll-free member service number, (800) 810-BLUE, 24 hours a day to locate a participating provider within the U.S., Puerto Rico and U.S. Virgin Islands. Or they can use the online BlueCard® Doctor and Hospital Finder at <http://provider.bcbs.com/>. Members can also access provider information at floridablue.com.

Business Profile

The following text is derived from Best's Credit Report on Blue Cross & Blue Shield of Florida Group (AMB# 070909):

The ultimate parent, GuideWell Mutual Holding Corporation (GuideWell) operates as a not-for-profit, policyholder owned mutual insurance company and serves as the holding company for Blue Cross and Blue Shield of Florida, Inc. d/b/a Florida Blue and affiliated companies.

Florida Blue, is the oldest and largest healthcare insurance carrier in the state of Florida. Florida Blue has been providing health insurance to residents of Florida for nearly 75 years. The company is an independent licensee of the Blue Cross and Blue Shield Association. In 2014, Florida Blue reorganized its corporate structure from a not-for-profit to a policyholder owned not-for-profit mutual insurance holding company. As a result, Florida Blue is a stock company and an insurance subsidiary of GuideWell, an upstream parent company operating as a not-for-profit mutual insurance holding company. In addition, an intermediary holding company was created to control former subsidiaries and affiliates of Florida Blue, while Florida Blue retained ownership in a number of ventures where ownership share was low. From a product perspective, Florida Blue is responsible for the company's non-health maintenance organization (HMO) health products. Therefore, the company's preferred provider organization (PPO), BlueOptions, Traditional, Medicare Part D, Medicare Supplement, Under 65 and Federal Employees Health Benefit Program (FEHBP) business, as well as a majority of the company's fee-based products, including National Accounts are managed by Florida Blue. Florida Blue's HMO affiliates, Health Options, Inc., Florida Health Care Plan, Inc. and Capital Health Plan, Inc. manage the company's HMO business which includes HMO Group, Medicare Advantage and Individual HMO. GuideWell wholly-owns a number of non-insurance subsidiaries and equity investments in joint ventures.

GuideWell consists of the following distinct businesses: Florida Blue; GuideWell Connect, a consumer-driven sales, marketing and engagement services company serving Blue plans, providers, and brokers; PopHealthCare, a health care services company providing post-acute complex care for Florida Blue and non-GuideWell health plans and providers; GuideWell Health, a healthcare delivery and management organization focused on supporting GuideWell's health insurance business; and GuideWell Source, focusing on administrative business solutions for government health programs. In addition, GuideWell's diversification strategy is to maximize existing investments and actively pursue additional investments and partnerships to add capabilities and advance its transformation to a health solutions organization.

Florida Blue is the state's largest health insurance company and holds approximately one-third of the market share. Florida Blue product lines include commercial group and individual, the federal employees health benefit program (FEHBP), Medicare Advantage, Medicare supplement, and the National BlueCard Program. The group segment is dominated by Administrative Services Only (ASO) arrangement, especially as fully insured small group enrollment has experienced continuous decline. Over the last five years, Florida Blue has actively revised its product portfolio to meet the needs of the market gradually shifting focus from the employer to the consumer, as the majority of the recent growth is attributable to individual lines of business. Membership consists of six customer segments: individual, under 65 years old; small group with 1 to 50 members; mid-size group with 51 to 499 members; public and corporate, includes municipalities and quasi-governmental groups; national and large group with 500 or more members and includes the FEHBP, which are U.S. government employees, retirees and their dependents in Florida; and senior markets. Senior markets cover members over 65 years of age and includes Medicare supplement members, Medicare Advantage PPO and Medicare Part D pharmacy members. National groups are employer groups having multi-state locations, involves partnering with other Blue Cross and Blue Shield (BCBS) plans for administrative services and access to provider networks. Additionally, includes BlueCard members of other BCBS plans utilizing Florida Blue networks and its members utilizing other BCBS plans' networks.

Florida Blue has offered products to Florida's public health exchange, as well as the off exchange market since 2014. The company created myBlue, a branded, tightly managed narrow network product that leverages enhanced web and self-service capabilities. Florida Blue maintains a very high market share of the exchange membership. They are located in all 67 counties with limited competition.

Florida Blue has built an extensive provider network and used it as a competitive advantage by differentiating the network and offering more affordable products based on narrow network. The company is trying to contain health care costs through its performance-based provider network, called NetworkBlue. This network offers administrative efficiencies with more effective medical management techniques, and helps to strengthen the relationship with the medical provider community. By selecting the right providers, targeting medical management programs, and enabling consumer participation in health care delivery, Florida Blue can respond to the marketplace demand to manage costs and offer an array of choices while moving away from a managed care emphasis. That has become especially critical for exchange products where previously uninsured members may generate higher costs. Recent health plan mergers create opportunities for Florida Blue to partner with key health systems across the state.

Florida Blue's ability to reach and support the consumer is leveraged through GuideWell Connect, an entity focused on engagement services. Florida Blue operates twenty-six retail centers across Florida, providing opportunity for customers to select the appropriate plan, as well as to ask health and service related questions. Several retail centers include expanded clinical services.

GuideWell and/or Florida Blue have been a traditional Medicare contractor for the federal government since the inception of the Medicare program in 1966. The high percentage of senior citizens in Florida significantly impacts the marketplace, creating emerging new entrants for Medicare Advantage, Medicare Supplement and Medicare Advantage Part D.

In addition, First Coast Service Options and Novitas Solutions, Inc., both subsidiaries of GuideWell, administer all Medicare claims for FL, PR, UVI, PA, NJ, MD, DE, DC, CO, NM, OK, AR, MS, LA and TX, encompassing nearly one-third of the market share.

Historically, Florida Blue did not participate in Medicaid programs. However, in 2012, Florida Blue entered into a joint venture agreement with AmeriHealth Caritas Health Plan to provide Medicaid managed care services in Florida. The joint venture, called Florida True Health, Inc. began operations in 2012. Florida True Health was responsible for Medicaid member enrollment, claims processing, provider network development, utilization management, quality management, customer service, community outreach, marketing, finance, actuarial and public affairs. The partnership enabled Florida Blue to rely on AmeriHealth's expertise and competitive capabilities in gradual penetration of the Florida Medicaid market. During 2018, its 50% interest in Florida True Health, Inc. d/b/a Prestige Health Choice was sold to AmeriHealth Caritas, who then became the sole owner of Florida True Health.

Provider Match

Company: OKALOOSA CO BD OF CO COMM
 Group: 41954

is Industry practice to include the provider's Tax ID number as one of the data elements used to match providers. It has been our experience that some providers do business under their SSN. It is a best practice to remove or mask
 Tax ID numbers from our response to the provider disruption analysis.

is industry practice to include the provider's Tax ID number as one of the data elements used to match providers. It has been our experience that some providers do business under their SSN. It is a best practice to remove or ask any Tax ID numbers from our response to the provider disruption analysis.

WELLNESS

1. Describe wellness programs available and cost, if any. Meaningful, creative wellness proposals are encouraged.

As a health solutions company, we take a holistic approach to employee health and wellness. Better You, our comprehensive wellness program, is designed to engage employees and initiate behavior change through face-to-face, virtual, and online support. Better You has two components; Better You Strides, our new digital wellness solution with an improved member experience portal, and our Better You Worksite Wellness program.

1. Better You Strides – powered by Onlife Health, Inc. – our wellness engagement platform which brings end-to-end simplicity to population health and wellness, connecting and integrating people, technology, and benefit design through our user-friendly engagement platform to guide employees on the “next right thing to do” in their healthcare journey.
 - All employers will have access to the baseline essentials package
 - Employers interested in a more robust program have the opportunity to upgrade to Enriched, Tailored, or Custom packages that include added features such as incentive programs and challenge options
2. Better You Worksite Wellness – available to all Employers size 51+, that wish to engage in the program
 - Through a partnership with the Better You team, employers can construct a worksite wellness program that meets their unique needs
 - Program will provide employees the opportunity to engage in an array of services including health assessments and biometric screenings, onsite and virtual wellness presentations, Lifestyle Improvement Programs, health coaching, and outreach

This powerful combination results in increased employee engagement, decreased absenteeism, enhanced appreciation of benefits, improved awareness of health risks, and reinforced positive health practices.

Better You Worksite Wellness leverages the powerful combination of instructor-led onsite sessions, live and pre-recorded webinar presentations, and online wellness to provide health and wellness resources and solutions to improve members’ overall health and well-being. The program is fully customizable based on the unique needs of the employer and their employees. Employers participating in Better You Worksite Wellness will be assigned a Wellness Consultant who will assist the employer with developing and implementing a robust worksite wellness program.

With our team of professionals fully certified by the Wellness Council of America (WELCOA), and Registered Nurse Health Coaches who are certified through nationally-recognized coach-training programs, our Better You (BY) health promotion team can help your group build a top notch worksite wellness program from scratch or move your current one from good, to better, to best.

The Next Steps Registered Nurse Certified Health Coaches provide FREE individualized health coaching to assist a member in making healthy lifestyle choices to help manage: healthy eating

habits, a healthy weight, physical activity, stress, and smoking cessation support. Health coaching sessions are available in English, Spanish and Creole.

Employers that do not elect to enroll in the Better You Worksite Wellness program will still benefit from access to the online resources provided by Better You Strides. The Onlife Wellness Portal and the AlwaysOn® Mobile App provide the consumer access to all their wellness engagement offerings in their preferred platform or device. Onlife Health's wellness engagement portal provides an intuitive, seamless user experience for members, presenting information in a way that helps them easily understand the "next right thing to do" for their health. Equally as important, through incentives and gamification, members are motivated to take the logical next step in their healthcare journey.

Our programs include:

HEALTH SCREENINGS

An Employee Health Screening is a cornerstone of effective data collection. Screenings provide a baseline measure and snapshot of your employee population and level of risk for future health issues. We provide a flexible approach to the screening process for the two most important components – the biometric testing and the Health Risk Assessment (HRA). This personalized approach allows your organization to provide a health screening in the way that best suits your needs.

Onsite Biometric Testing

Many organizations prefer the onsite biometric testing because it provides immediate results and the opportunity for face-to-face coaching. Additionally, onsite events are likely to produce greater participation and more data. An online scheduling tool makes it easy for employees to schedule a convenient time for their screening and improves the efficiency of the screening event.

With a BY onsite screening, you can trust you'll get outstanding service from experienced professionals, including a dedicated program manager who will provide valuable assistance with the planning and implementation details. All biometric testing is performed by trained health professionals. A simple finger-stick provides a wide variety of results, most of which are available in less than 10 minutes.

In a standard onsite screening, the following biometric data is collected: Blood Glucose, Blood Pressure, Height/Weight for Body Mass Index (BMI), Total Cholesterol, High –Density Lipoprotein (HDL), and Cholesterol Ratio.

Screenings can also be customized to include additional results such as: Body Fat Percentage, Cotinine, Hemoglobin A1C, Low-Density Lipoprotein (LDL), Osteoporosis, Triglycerides and/or Waist Circumference.

Remote Biometric Screening

When onsite screening is not a feasible option, we offer a remote screening program that provides similar biometric data. Members are given the opportunity to visit a diagnostic lab to participate in the biometric testing. They receive their confidential results either online within 72 hours of testing, or via the U.S. mail. This service is available in both English and Spanish.

Health Risk Assessment (HRA)

We offer an online Health Assessment through Onlife Health, Inc. This HRA utilizes strategies to make completing the assessment easy and intuitive for members. Prepopulated demographics and biometric data, personalized questions with branching technologies keeps the question set relevant to the individual. The HRA incorporates leading behavior change principles with logic that evaluates a member's readiness to change, self-efficacy and beliefs about the benefits of changing unhealthy behaviors. Finally, clients will have the option to upgrade and incorporate questions to seek to understand other barriers to health to incorporate social determinants of health into the wellness program. There is an additional cost for customization.

When our Better You wellness team facilitates onsite biometric screenings, employees will be encouraged to complete their HRA online prior to the event. When we collect biometrics for the employer, we will automatically validate and feed results into the completed HRA. Individuals participating in the remote screening event can manually input their measures into their HRA which are also verified

ONLINE PROGRAMS

Online Mobile and Wellness Program*

Our online portal, Better You Strides powered by Onlife Health, Inc., is a scalable way to engage employees and their family members on a personal level. The highly configurable platform helps you centralize and organize your health goals and interests into a single place for your employees to access health programs, education and incentives. Better You Strides interacts with your employees to identify their areas of interest and personal goals, offering each user that “just right” solution. Better You Strides meets the user at their own level to help each employee be well and get rewarded for their actions.

Onlife Health has taken 23 years of real-world expertise to create *A New Way to Well*, developed with the three key principles that are essential to deliver a consumer-first approach. These three principles outlined below were derived from user, client and thought leadership conversations and drive our development strategies for current and future solutions.

Personalized. The Onlife solution is personalized for each participant, providing each user a unique health journey that guides them to the “next right thing to do” for their health. Leveraging sophisticated data analytics, personas, and algorithms, the Onlife platform presents each user with a personalized experience based on each individual’s clinical needs, applicable programs, preferences, and interests. It then updates dynamically with each user interaction to keep content relevant and the experience engaging.

Supported. We recognize each user has their own unique support system for their individual health care journey. To that end, our platform allows participants to invite others into their experience to support them on their journey through our Onlife Connect social networking feature. Provider information can also be integrated throughout the platform, including the ability to schedule with providers where appropriate.

In addition, community resources that address social determinants of health beyond the support system – both resources internal to the plan and external to the community – can be integrated into the Explore or Journey section of the Onlife platform to support the user on their health care journey

Connected. Today’s consumers expect a seamless user experience in health care, just as they have learned to expect from online retailers. To that end, Onlife’s wellness engagement platform enables users to connect their devices as well as to connect seamlessly with other health plan offerings in one click.

Our online portal is built around lifestyle and behavior change principles and the entire platform is built to encourage behavior and lifestyle change. The journey section is the section that users are presented with when they first enter their portal or mobile app. This section uses large tiles and calls-to-action with relevant imagery and taglines to clearly present each user’s personalized steps. In taking this complex information from multiple sources, we are able to present the user with a simplified experience, a guided Journey for the member, presenting them with the “next right thing

to do” for their health. My Journey can include a view of wellness and healthcare programs, customized rewards, integrated plan benefits, opportunity to connect devices, find social support and access multi-modal coaching options – all in a structured and simple manner to support sustained engagement. The journey evolves as the member interacts with the wellness platform and new data is received.

We also offer digital self-guided programs that are self-paced, trackable digital journeys that guide users through behavior change principles, including B.J. Fogg’s Behavioral model of education and habit formation, to improve their health in specific areas. These programs provide our members with a digital engagement experience on topics related to healthy lifestyle or managing a chronic condition. Programs include a variety of content that help them build healthy habits, including: educational materials, podcasts, videos, challenges, quizzes, and other activities, which together provide a robust, comprehensive program that guides a member through behavior change.

Trackers are also incorporated into the portal and are available to members in both the web and mobile app. Trackers include such topics as weight, tobacco, stress, physical activity, nutrition, blood pressure, sleep, water, oral health, and cholesterol. Members are able to access “previously used” trackers from a streamlined view in both Onlife the mobile apps and the website. Research demonstrates that trackers generate greater results when integrated into wellness programs. That’s the reason these tracking tools are incorporated into the member’s individual journey, where applicable, to support them in obtaining their well-being goals.

In a 2016 study of our book of business, members who used trackers had better overall health improvement results than those who did not use trackers, and the results improved for each additional month a tracker was used.

Trackers are integrated with the incentive platform as well as the Connect feature. This allows members to share their tracker entries with their connections (at the individual tracker level) to elicit social support from their peers. It also provides a mechanism for extrinsic incentives to encourage ongoing engagement within the applications.

Finally, incentives and rewards are integrated into the My Journey and Explore tiles and throughout the entire wellness journey to further engage your members in each facet of the program,

Employees without BCBSF coverage can participate for an additional fee, enabling you to provide a consistent, personalized experience for all employees.

Virtual Live Webinars

The Better You wellness presentations can be delivered via live or recorded webinar and can be scheduled at the convenience of your organization to ensure optimal participation. Our health educators are trained to deliver engaging, dynamic and content-relevant wellness topics. Participation reports can also be provided to enhance your incentive program.

On Demand Multi-Media Presentations

Many of our presentations are available in our on-demand multi-media library. Whether you are unable to offer face-to-face presentations or your employees would like to review the program again, the pre-recorded presentations are a great resource. Employees can access the programs through a URL link on your organization's intranet or via email to view at their leisure.

The library is regularly updated with new presentations, some of which are also offered in Spanish. The topic list includes, but is not limited to: Blood Pressure, Prediabetes, Diabetes, Heart Health, Nutrition, Physical Activity, Stress Management, Stroke Awareness, Tobacco Cessation, and Weight Management.

ASO: Claim information remains the property of the group and will be released to Okaloosa County BOCC with the exception of certain information that is proprietary to BCBSF, such as our negotiated allowances. For privacy reasons, we will provide claim-specific information, including patient identifiable medical information, to the group only after the BCBSF Confidentiality and Indemnity Agreement has been executed.

NO LOSS/NO GAIN PROVISION

- 1. Notwithstanding any actively at work, waiting period, pre-existing condition, or other provision or limitation in the proposed plan to the contrary, if, but for the replacement of the current plan with the proposed plan, an insured would have been covered by the current plan, the insured shall be entitled to the lesser of:**

GENERAL SERVICES INSURANCE REQUIREMENTS – w/CYBER LIABILITY

CONTRACTORS INSURANCE

- 3. All insurance except Workers' Compensation and Cyber Liability shall include the interest of all entities named and their respective officials, employees & volunteers of each and all other interests as may be reasonably required by Okaloosa County as Additional Insureds.. The coverage afforded the Additional Insureds under the policies shall be primary insurance. If the Additional Insured have other insurance that is applicable to the loss, such other insurance shall be on an excess or contingent basis. The amount of the company's liability under this policy shall not be reduced by the existence of such other insurance.**

For clarification purposes, additional insured status for third parties is not applicable to these coverages/policies.

- 6. The County reserves the right at any time to require the Contractor to provide copies of any insurance policies to document the insurance coverage specified in this Agreement**

We do not release copies of our policies to third parties, many are written specific to our exposures and needs, therefore considered proprietary in nature.

INDEMNIFICATION & HOLD HARMLESS

To the fullest extent permitted by law, Contractor shall indemnify and hold harmless the County, its officers and employees from liabilities, damages, losses, and costs including but not limited to reasonable attorney fees, to the extent caused by the negligence, recklessness,

or wrongful conduct of the Contractor and other persons employed or utilized by the Contractor in the performance of this contract.

Our historic and current corporate policy has been to not agree to blanket or broad indemnification provisions. Such indemnification raises liability insurance exclusion issues that would be contrary to the best interests of both parties. Groups have available to them state common law indemnification, if circumstances warrant.

CERTIFICATE OF INSURANCE

- 2. In the event the contract term goes beyond the expiration date of the insurance policy, the contractor shall endeavor to provide the County with an updated Certificate of insurance no later than ten (10) days prior to the expiration of the insurance currently in effect. The County reserves the right to suspend the contract until this requirement is met.**

We do not want to risk a breach of contract should the Certificate of Insurance be issued closer to the expiration date (we may be negotiating coverage terms and conditions) or if it does not get delivered to the right department or person.

GENERAL TERMS

Any type of insurance or increase of limits of liability not described above which, the Contractor required for its own protection or on account of statute shall be its own responsibility and at its own expense.

Any exclusions or provisions in the insurance maintained by the contractor that excludes coverage for work contemplated in this contract shall be deemed unacceptable and shall be considered breach of contract.

The carrying of the insurance described shall in no way be interpreted as relieving the Contractor of any responsibility under this contract.

Should the Contractor engage a subcontractor or sub-subcontractor, the same conditions will apply under this Agreement to each subcontractor and sub-subcontractor.

The Contractor hereby waives all rights of subrogation against Okaloosa County and its employees under all the foregoing policies of insurance, except Cyber Liability.

Clarification: Our carriers will not agree to a waiver of subrogation rights on Cyber Liability.

GENERAL PROPOSAL CONDITIONS

In the event the account has any questions related to the manner in which we are applying their benefits, upon due notice to us, we will conduct a review to investigate the nature of any such concerns. The results of the investigation will be shared with the group subject to any and all HIPAA restrictions. Because of privacy rules governing protected health information, we do not permit insured groups (or their third-party audit firms) to perform audits of claims processed by BCBSF.

In addition, the Blue Cross and Blue Shield Association performs routine reviews of our activities, offering an extra level of protection to our clients.

Grace Period means the sixty (60) calendar day period beginning on the date the Premium is due.

Grievance means a type of complaint submitted by a Covered Person (or other person eligible under CMS Requirements to submit a Grievance) about us or one of our network providers or pharmacies, including a complaint concerning the quality of care. This type of complaint does not involve coverage or payment disputes.

Group means the employer, labor union, association, partnership, corporation, department, other organization or entity through which coverage and benefits are issued by us.

Note: References to "you" or "your" throughout the first part of this Agreement also refer to the Group. References to "you" or "your" in the Evidence of Coverage refer to Eligible Retirees, Eligible Dependents, Covered Retirees and/or Covered Dependents depending on the context and intent of the specific provision.

Group Master Agreement or Agreement means the written document which is evidence of the entire agreement between the Group and Florida Blue whereby coverage and benefits are provided to Covered Persons.

Late Enrollment Penalty ("LEP") means an amount added to the Part D Premium of an individual who did not have Part D coverage or other creditable prescription drug plan when the individual first became eligible for Part D or who had a break in Part D or other creditable prescription drug coverage for at least 63 days.

Low Income Subsidy ("LIS") means the premium subsidy amount paid to us by CMS for qualifying Covered Persons with Medicare Part D coverage.

Medicare Plan means the group Medicare Advantage Plan, Medicare Advantage Prescription Drug Plan, and/or standalone Medicare Prescription Drug Plan that you select.

Premium means the amount required to be paid by the Group to us for coverage under this Agreement.

Service Area means a geographic area where a Medicare Plan accepts members.

SECTION 3: ELIGIBILITY, ENROLLMENT, AND DISENROLLMENT

A. Eligibility Determination

Determination of whether an individual is an Eligible Retiree or Eligible Dependent will be a two-step process:

1. You will determine whether the individual is eligible to participate in the retiree group health benefit plan that you sponsor. For individuals meeting your eligibility criteria, you will promptly forward completed applications to us. You are responsible for complying with all applicable laws and regulations, including but not limited to the Employee Retirement Income Security Act (ERISA) and the Internal Revenue Code, in making this eligibility determination. You must also comply with all eligibility guidelines included in the benefit administrative guide and Evidence of Coverage.
2. After receiving a complete application, we will process the application in accordance with CMS Requirements. An application must be approved by us and accepted by CMS for an individual to be enrolled in a Medicare Plan.

B. Distribution of Enrollment Materials

You may only distribute materials describing the Medicare Plan that we have provided to you or that we have approved in writing. You will distribute any pre-enrollment materials that we provide to you to each potential enrollee before collecting enrollment applications. Nothing in this Section will preclude you from making additional disclosures about your group health benefit plan as applicable to comply with ERISA, such as a wrap-around summary plan description or other plan document. If applicable, you are solely responsible for compliance with ERISA disclosure requirements in connection with the Medicare Plan(s).

C. Group Disenrollment

If you decide to disenroll all Covered Persons from a Medicare Plan, you must:

1. Notify all beneficiaries that you intend to disenroll them from the Medicare Plan. You will provide this notice at least twenty one (21) calendar days before the disenrollment. This notice will explain how to contact Medicare for information about other plan options that may be available. You will include language provided by Florida Blue in this notice to meet specific CMS Requirements for notice contents.
2. Provide us with all information necessary to submit a complete disenrollment request transaction to CMS in accordance with CMS Requirements.
3. In the event of termination of this Agreement, provide advanced notice in accordance with Section 4 of this Agreement.

D. Individual Covered Person Disenrollment

Covered Persons may be disenrolled from a Medicare Plan by Florida Blue if they become ineligible for continued enrollment. Covered Persons may also be disenrolled if this Agreement terminates or if you

inform us that they are no longer eligible to participate in your retiree group health plan. If Florida Blue determines that a Covered Person is ineligible for continued enrollment or if you instruct us to disenroll an individual, you must:

1. Provide us with at least thirty (30) calendar days advanced notice of the ineligibility or disenrollment election of an individual; and
2. Provide the Covered Person(s) who will be disenrolled with at least twenty one (21) calendar days advanced notice of the termination and of other insurance options that are available to them. You will include language provided by Florida Blue in this notice to meet specific CMS Requirements for notice contents.

The Covered Person will have the opportunity to elect another plan offered by us or by you, join Original Medicare, or join another carrier's Medicare Plan (by submitting an enrollment request to that organization).

SECTION 4: TERM AND TERMINATION

A. Term of Agreement and Renewal Process

This Agreement shall become effective as of the Effective Date provided: (1) that we accept your Group Application; and (2) that you pay the required initial Premium specified by us.

This Agreement shall continue in effect until the first Anniversary Date following the Effective Date unless terminated earlier as permitted by its terms. After the initial term, this Agreement shall automatically renew each succeeding year on the Anniversary Date for an additional one-year period unless:

1. At least sixty (60) calendar days prior to such Anniversary Date, you notify us that you do not want the Agreement to automatically renew; or
2. It is terminated as permitted by its terms.

At least ninety (90) calendar days before each Anniversary Date, we will provide you with notice of changes in Premium and benefits under the Medicare Plan for the upcoming year (the "Renewal Notice").

If this Agreement renews as specified above, all of its terms and provisions (including the Premium due) shall be amended to include the terms of the Renewal Notice, and the amended Agreement shall govern coverage as of the Anniversary Date. Payment of the new charges shall constitute acceptance of the change in Premium rates. This Agreement is conditionally renewable. This means that it automatically renews each year on your Anniversary Date unless terminated earlier in accordance with its terms.

B. Termination by Group

The Group may cancel this Agreement on its Anniversary Date by giving written notice to us at least sixty (60) calendar days in advance, unless we have initiated a termination for any of the reasons stated below.

C. Termination by Florida Blue

We may terminate this Agreement or refuse to renew for the following reasons:

1. **Failure to Pay Premiums.** You do not pay Premiums in accordance with its terms or we have not received timely Premium payments prior to the end of the Grace Period. Termination of this Agreement for failure to pay premiums shall be effective as of the end of the Grace Period. In the event of such termination, you are obligated to pay the following:
 - a. Any portion of the Premium due for coverage provided by us prior to termination; and
 - b. Any amounts otherwise due us.
2. **Fraud or Intentional Misrepresentation of Material Fact.** You perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact.
3. **Group Contribution and Participation and CMS Rules.** You do not comply with: (1) a material provision which relates to rules for Group contributions or Covered Person participation; or (2) any provision in this Agreement which relates to LIS or other CMS Requirements.
4. **Service Area.** There is no longer any Covered Person who lives, resides, or works in the Service Area.
5. **Termination or Non-renewal of the CMS Contract.** We will provide you with at least ninety (90) calendar days' notice upon termination or non-renewal of our contract with CMS.

Except as specifically provided in this Subsection 4.C, if we decide to terminate or not renew the Agreement based on one or more of the circumstances mentioned above, we will give you at least forty-five (45) calendar days advance written notice.

D. Notification of Termination to Covered Retirees

It is your obligation to immediately notify each Covered Person of any such termination of this Agreement for any reason, consistent with the requirements of Section 3 of this Agreement.

E. Representations Made By, and Obligations of, the Group

In agreeing to provide coverage in accordance with the terms of this Agreement, we rely on the representations you made when you applied for coverage with us and your representation that you have authority to act on behalf of all Covered Persons with respect to this Agreement. Consequently, every act by, agreement with, or notice given to, you will be binding on all Covered Persons. You agree that you shall offer to all Eligible Retirees the opportunity to become a Covered Person under this Agreement. You agree that, if requested by us, you will distribute the Evidence of Coverage and other coverage materials to Covered Persons.

SECTION 5: PAYMENT PROVISIONS

A. Monthly Invoice

We will prepare a monthly invoice of the Premium due on or before the due date. This monthly invoice will also reflect any prorated charges and credits resulting from changes in the number of Covered Persons and changes in the types of coverage that took place in the previous or current month.

If you become aware that a Covered Person will become ineligible, you must provide us with written notice of such ineligibility as described in Section 3 of this Agreement. You shall be liable to us for the Premium due for each individual enrolled in a Medicare Plan under this Agreement until the effective date of disenrollment, which is set by CMS Requirements.

You must pay the total amount of the invoice. Do not add names to an invoice, change coverage or pay for a retiree or dependent whose name does not appear on the invoice. No changes can be made to a Group invoice unless a signed application form is on file and submitted to Florida Blue. Payment shall be for the total amount of the Group invoice.

B. Payment Due Date

The first Premium payment is due before the Effective Date of the Agreement. Each following payment is due monthly unless you agree with us in writing on some other method and/or frequency of payment. The Premium is due and payable on or before the first day of each succeeding calendar month to which such payments apply.

C. Grace Period

This Agreement has a sixty (60) calendar day Premium payment Grace Period, which begins on the date the Premium payment is due. If we do not receive the required Premium payment on or before the date it is due, it may be paid during this Grace Period. Coverage will stay in force during the Grace Period. If Premium payments are not received by the end of the Grace Period, we will terminate this Agreement and proceed with the disenrollment of Covered Persons as described in Section 3 of this Agreement.

D. Changes in Premium

Premium rates may be changed on your Anniversary Date as described in Section 4.A above regarding renewal.

E. Other Rules Regarding the Payment of Premiums

1. CMS rules govern the effective date of any disenrollment of a Covered Person under this Agreement, and we are not required to retroactively terminate this Agreement or coverage for any Covered Person.
2. If full payment of the Premium is not paid when due, this Agreement may be terminated as described in Section 4 of this Agreement.

F. Premium Subsidization

You may subsidize Premium amounts charged to Eligible Retirees. You are responsible for compliance with all applicable laws and regulations relating to your subsidy of Premiums, including ERISA and CMS Requirements, as applicable. You acknowledge and agree that Premium subsidization may vary for different classes of Eligible Retirees only if such classes are reasonable and based on objective business criteria. You represent and warrant that you will not vary Premium subsidization based on any Covered Person's eligibility for LIS. Further, you will not vary Premium subsidization for individuals within a given class of Eligible Retirees. In no case will you charge an Eligible Retiree more than the sum of the monthly Premium that we charge you for the Medicare Plan benefits.

G. Low Income Subsidy

You will comply with the following requirements in connection with LIS:

1. You are required to pass through any LIS payments received from CMS to reduce the Premium amount that the Covered Retiree pays. You will first apply any LIS amounts to a Covered Person's share of Premium. You may not benefit from any LIS amount until the Premium for a Covered Person (including amounts for the non-drug benefits in a combined Medicare Advantage Prescription Drug Plan) paid by a Covered Retiree is reduced to zero (\$0.00).
2. You are responsible for reducing up-front Premium contributions that you collect from Covered Retirees for any Covered Persons eligible for LIS. In limited situations where you are unable to reduce the up-front Premium contribution (*e.g.* if LIS is awarded retroactively), you will directly refund the LIS amount to the Eligible Retiree within fifteen (15) calendar days of the date you receive the LIS amount from Florida Blue.

H. Late Enrollment Penalty (LEP)

The Premium for an individual Covered Person may be higher if the Covered Person is assessed an LEP for not enrolling in Part B in a timely manner. This higher Premium will be reflected on the bill you receive from us.

I. Premium Billing

You will be responsible for the payment of the "Total Monthly Premium per Covered Retiree" of all Group members. The Total Monthly Premium may be less for Covered Persons who qualify for LIS as defined by CMS. You will also be responsible for any LEP charges that Group members have been assessed by CMS. The first Premium charge is payable before the Effective Date of this Agreement. Monthly charges are payable on the first day of each following month during the time this Agreement is in effect.

J. Retroactive Premium Adjustment

The monthly charge will be determined from our records by the number of Covered Retirees who have been confirmed through the CMS enrollment transaction process. Retroactive adjustments will be made for additions and terminations of Covered Retirees and for Covered Retirees who have been confirmed through the CMS enrollment transaction process after the initial billing statement. Any refund that is owed to a Covered Retiree must come from the Group, unless the Covered Retiree is billed directly by

us. Florida Blue will only adjust the amount due of a Group and will not refund Premium(s) paid to a Covered Retiree, unless we mutually agree that a Covered Retiree is to be directly billed by Florida Blue. You must refund to Covered Retirees any amounts received from us that are due to Covered Retirees in a timely manner.

SECTION 6: HOST BLUE PLANS

A. Out-of-Area Services – Medicare Advantage

We have relationships with other Blue Cross and/or Blue Shield Licensees (“Host Blues”) referred to generally as the “Inter-Plan Medicare Advantage Program.” This Program operates under rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). When members access healthcare services outside the geographic area we serve, the claim for those services will be processed through the Inter-Plan Medicare Advantage Program. The Inter-Plan Medicare Advantage Program available to members under this agreement is described generally below.

B. Member Liability Calculation

When you receive Covered Services outside of our service area from a Medicare Advantage PPO network provider, the cost of the service, on which member liability (copayment/coinsurance) is based, will be either:

- The Medicare allowable amount for covered services; or
- The amount either we negotiate with the provider or the Host Blue negotiates with its provider on behalf of our members, if applicable. The amount negotiated may be either higher than, lower than, or equal to the Medicare allowable amount.

C. Nonparticipating Healthcare Providers Outside Our Service Area

When Covered Services are provided outside of our service area by nonparticipating healthcare providers, the amount(s) a member pays for such services will be based on either the payment arrangements, described above, for Medicare Advantage PPO network providers, Medicare’s limiting charge where applicable or the provider’s billed charge. In these situations, the member may be responsible for the difference between the amount that the nonparticipating healthcare provider bills and the payment we will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services will be governed by applicable federal and state law.

SECTION 7: GENERAL PROVISIONS

A. Administration and Record Retention

You must provide us with any information we need to administer the coverage and/or benefits to be provided or needed to compute the Premium due. While this coverage is in force, we have the right, at any reasonable time, to examine your records on any issues necessary to verify information provided by you. You must retain all records relating to this Agreement, including but not limited to those relating to LIS administration, for the current calendar year plus an additional ten (10) years.

B. Assignment and Delegation

You may not assign, delegate or otherwise transfer this Agreement and the obligations hereunder without our written consent. Any assignment, delegation, or transfer made in violation of this provision shall be void. We may assign, delegate, or otherwise transfer this Agreement to our successor in interest or an affiliated entity without your consent at any time.

C. Authorization

Where this Agreement requires that an act involving the administration of coverage and/or benefits be authorized or approved by us, such authorization or approval shall be considered given when provided in writing by a duly authorized officer of Florida Blue or his or her designee.

D. Evidence of Coverage

We will provide an Evidence of Coverage and ID Card for each Covered Retiree. The Evidence of Coverage will describe the coverage and benefits to be provided to Covered Persons by us.

You agree that, if requested by us, you will distribute the Evidence of Coverage (and any Endorsements to it) and other coverage materials to Covered Persons.

E. Grievance and Appeals Process

We have established and will maintain a process for hearing and resolving Grievances and Appeals raised by Covered Persons in accordance with CMS requirements. Details regarding this process are provided in the Evidence of Coverage.

F. Changes to the Agreement

Florida Blue may make any changes to this Agreement that are necessary to meet CMS Requirements (“CMS Mandated Amendments”) with sixty (60) calendar days advanced written notice to you. Such changes shall become effective as amendments to this Agreement upon expiration of this sixty (60) calendar day notice period.

Except in the case of (a) CMS Mandated Amendments or (b) Renewal Notices as described in Section 4.A., no person may change, modify, or revise the written terms or provisions of this Agreement unless such change is made by a written amendment signed by one of our duly authorized officers. For example, no Eligible Retiree or agent of Florida Blue or the Group can change or waive the written terms or provisions of this Agreement except as stated in the first sentence of this paragraph.

G. Furnishing and Maintaining Enrollment Records

You must provide any information required by us for the purpose of creating and maintaining enrollment records, processing terminations, and recording changes in family status. In addition, you and each Eligible Retiree must submit accurate and complete Enrollment Forms on a timely basis. You are responsible for collecting the Enrollment Forms, reviewing them for accuracy and completeness, and forwarding them to us, along with the applicable Premium payment. All enrollment record information which is relevant to the eligibility or coverage status of any individual must be made available to us for inspection and copying upon request.

H. Errors or Delays

Clerical errors or delays by us in maintaining enrollment records regarding Covered Persons will not invalidate coverage which would otherwise be validly in force or continue coverage which would otherwise be validly terminated, provided you have furnished us with timely and accurate enrollment information. Errors or delays by you in furnishing accurate enrollment information to us will not affect our right to strictly enforce any and all eligibility requirements.

I. Entire Agreement

This Agreement sets forth the exclusive and entire understanding and agreement between the parties and shall be binding upon the Covered Persons, the parties, and any of their subsidiaries, affiliates, successors, heirs, and permitted assigns. All prior negotiations, agreements, and understandings are superseded hereby. No oral statements, representations, or understanding by any person can change, alter, delete, add or otherwise modify the express written terms of this Agreement, which includes the terms of coverage and/or benefits set forth in the Evidence of Coverage, the Schedule of Benefits, and any other attachments, amendments or riders.

J. Financial Responsibilities of the Group

We reserve the right to recover any benefit payments made to or on behalf of any individual whose coverage has been terminated. Our recovery efforts may relate to benefit payments made for health care services rendered subsequent to the Covered Person's termination date and prior to the date notice of coverage termination is required to be made by you. Your cooperation with and support such recovery efforts is required.

In the event that you do not comply with the notice requirements set forth in Subsection 5.A (Monthly Invoice), you shall be solely liable to us for Premium due until the effective date established by CMS for a Covered Person's disenrollment.

K. Indemnification

You shall hold harmless and indemnify Florida Blue, against all claims, demands, liabilities, or expenses (including reasonable attorney fees and court costs), which are related to, arise out of, or are in connection with any of your acts or omissions, or acts or omissions of any of your employees, retirees or agents, in the performance of your obligations under this Agreement. We are not your agent, nor are you our agent, for any purpose. This paragraph shall only apply to the extent allowed under Florida Statutes § 768.28.

L. Representations on the Group Application and the Enrollment Forms

We rely on the information you and your Eligible Retirees provide to determine whether to issue coverage; the appropriate Premium and financing method; and eligibility for coverage. All such information must be accurate, truthful, and complete. Statements made on the Enrollment Forms are representations and not warranties.

We may cancel, terminate, or void this Agreement if the information which you provide is fraudulent, or if you make an intentional misrepresentation.

M. Reservation of Right to Contract

We reserve the right to contract with any individuals, corporations, associations, partnerships, or other entities for assistance with the servicing of coverage and benefits to be provided by us or obligations due, under this Agreement.

N. Service Mark

You, on behalf of the Group and its Covered Retirees, hereby expressly acknowledge your understanding that this Agreement constitutes a contract solely between you and Florida Blue. We are an independent corporation operating under a license with the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, (the "Association") permitting us to use the Blue Cross and Blue Shield Service Mark in the state of Florida and that we are not contracting as the agent of the Association. You further acknowledge and agree that you have not entered into this contract based upon representations by any person other than us and that no person, entity, or organization other than us shall be held accountable or liable to you for any of our obligations created under this Agreement. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other provisions of this Agreement.

O. Third Party Beneficiary

This Agreement was entered into solely and specifically for the benefit of Florida Blue and the Group. The terms and provisions of the Agreement shall be binding solely upon, and inure solely to the benefit of, Florida Blue and the Group, and no other person shall have any rights, interest or claims under this Agreement, including the Evidence of Coverage, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. Florida Blue and the Group hereby specifically express their intent that health care providers that have not entered into contracts with Florida Blue to participate in Florida Blue's provider networks shall not be third-party beneficiaries under this Agreement, including the Evidence of Coverage.

P. Inspection and Audit

You shall permit CMS, The U.S. Department of Health and Human Services, the Comptroller General, or their designees, to inspect, evaluate, and audit any of your books, contracts, medical records, patient care documentation, documents, papers, and other records pertaining to coverage by providing records to Florida Blue, which will submit the records to CMS. This right to inspect, evaluate, and audit shall extend ten (10) years from the expiration or termination of the Agreement or completion of final audit, whichever is later, unless otherwise required by applicable law.

Q. Benefit Administrator Guide

We will provide you with a Benefit Administrator Guide, which provides details related to how your plan is administered and your responsibilities as a benefit administrator.

R. Member Communications and Campaigns

We may send CMS required or Florida Blue member communications without your consent. Samples of all required materials are available upon request for informational purposes.

We may also contact Covered Persons by telephone regarding any Florida Blue campaign and any campaign approved by the Florida Office of Insurance Regulation and/or CMS, as applicable. We will notify you of the campaign prior to making contact with members.

S. COBRA

You are solely responsible for determining when individuals are eligible for coverage under a Medicare Plan pursuant to the Consolidated Omnibus Budget Reconciliation Act (“COBRA”). You will notify us promptly of any COBRA elections. For more information on your COBRA responsibilities refer to the Benefit Administrator Guide.

WHEREAS, Employer has established and currently sponsors a self-insured Employee Welfare Benefit Plan, to provide certain benefits (attached hereto as Exhibit "A" and hereinafter called the "Group Health Plan") for covered group members and their covered dependents; and

WHEREAS, except as otherwise specifically provided herein, Employer is to retain all liabilities under its Group Health Plan, and Florida Blue is to provide the agreed upon services to the Group Health Plan without assuming any such liability; and

WHEREAS, Employer desires that, with respect to the Group Health Plan, Florida Blue furnish certain claims processing and administrative services.

NOW, therefore, in consideration of the mutual promises contained herein, and other good and valuable consideration, the parties agree as follows:

SECTION I

TERM

1.1 Initial Term

The initial term of this Agreement shall be from Date (the effective date) and shall end on Date (the termination date), unless the Agreement is terminated earlier in accordance with the provisions of this Agreement.

1.2 Renewal Terms

After the Initial Term, this Agreement will automatically renew each anniversary date for successive one year terms at the renewal rates then in effect, unless either party notifies the other party of its intent not to extend this Agreement at least 30 days prior to the applicable anniversary date.

SECTION II

DUTIES AND RESPONSIBILITIES OF EMPLOYER

2.1 Final Authority

Employer retains all final authority and responsibility for the Group Health Plan including, but not limited to eligibility and enrollment for coverage under the Group Health Plan, the existence of coverage, the benefits structure of the Group Health Plan, claims payment decisions, cost containment program decisions, utilization benefits management, compliance with the requirements of COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985, as amended), compliance with the requirements of ERISA (Employee Retirement Income Security Act of 1974, as amended), compliance with reporting and remitting abandoned property funds, and compliance with any other state and federal law or regulation applicable to Employer, the Group Health Plan, or the administration of the Group Health Plan.

Employer agrees to provide Florida Blue with any information Florida Blue reasonably requires in order to perform the administrative services set forth herein.

2.2 Eligibility and Enrollment

As of the first day of the term of this Agreement, Employer will have delivered to Florida Blue enrollment information regarding eligible and properly enrolled members, as determined by Employer. Employer shall deliver to Florida Blue all employee and dependent eligibility status changes on a monthly basis, or more frequently as mutually agreed by the parties.

Employer shall be responsible for providing each covered employee with a copy of the plan document which shall include the Group Health Plan.

2.3 Financial Obligations

A. Claims Payment

Employer is financially responsible for the payment of all claims paid under the Group Health Plan. Financial arrangements regarding the payment of such claims are set forth in Exhibit "B".

B. Administrative Fees

Employer agrees to promptly pay all administrative fees as set forth in Exhibit "B". Administrative fees are not subject to change during the initial term of this Agreement, except as set forth below. The administrative fees shall be payable to Florida Blue within 10 days of written notification to Employer of the amount owed.

C. Late Charges

In the event Employer fails to pay any amount owed in full by the due date, Employer shall pay Florida Blue, in addition to the amount due, a late charge as set forth in Exhibit "B".

D. Performance Guarantees

Performance guarantees are set forth in Exhibit D, apply to medical claims only and are for the initial term of the Agreement only. Employer acknowledges and agrees that performance guarantees will be considered null and void if this Agreement is not executed and/or the Agreement is not effective at the time any performance guarantee payment amount is otherwise due under this Agreement. In the event of a conflict between the terms of this Section II, subsection 2.3, letter D and other provisions of the Agreement, the terms of this subsection 2.3, letter D shall control. Performance guarantee results will be available on a quarterly basis for informational purposes only with final settlement made no earlier than second quarter of the following year.

In the event there is a ten percent (10%) increase or decrease in enrollment or projected enrollment (number of lives covered by Florida Blue under the Group's benefit program) for the effective date of the performance guarantees or if Employer makes a material change in benefits during the term of this Agreement, as reasonably determined by Florida Blue, that affects the performance being measured in the performance guarantees, Florida Blue reserves the right to revise or void the performance guarantees.

E. Discount Guarantees

Discount guarantees are set forth in Exhibit E and are for the initial term of the Agreement only. Employer acknowledges and agrees that discount guarantees will be considered null and void if this Agreement is not executed and/or the Agreement is not effective at the time any discount guarantee payment amount is otherwise due under this Agreement. In the event of a conflict between the terms of this Section II, subsection 2.3, letter E and other provisions of the Agreement, the terms of this subsection 2.3, letter E shall control. Discount Guarantee results will be available on a quarterly basis with final results and settlement made no earlier than the second quarter of the following year.

F. Modifications

Florida Blue may modify the administrative fees contained in Exhibit "B" at any time on or after the first anniversary of this Agreement's effective date, upon giving forty-five (45) days prior written notice to Employer. Additionally, Florida Blue, at any time, may modify the administrative fee, if

Employer substantially modifies the Group Health Plan or changes enrollment.

2.4 Use of Names and Logos

Employer agrees to allow Florida Blue to use Employer's name and logo on I.D. cards and other forms necessary to effectuate this Agreement, and to promote Employer's relationship with Florida Blue to potential or existing providers. Florida Blue shall not use Employer's name or logo for any other purpose without the prior written consent of Employer.

Employer agrees that the names, logos, symbols, trademarks, tradenames, and service marks of Florida Blue, whether presently existing or hereafter established, are the sole property of Florida Blue and Florida Blue retains the right to the use and control thereof. Employer shall not use Florida Blue's name, logos, symbols, trademarks or service marks in advertising or promotional materials or otherwise without the prior written consent of Florida Blue and shall cease any such usage immediately upon written notice by Florida Blue or upon termination of this Agreement, whichever is sooner.

2.5 Confidential and Trade Secret Information

Florida Blue maintains proprietary and confidential information and competitively-sensitive trade secret information, which information may be disclosed to Employer for the purposes of analyzing such information in conjunction with the services performed under the Agreement. Employer agrees to hold such confidential and/or trade secret information in confidence and only disclose such information to employees of Employer who have a need to know such information; provided however that such employees of Employer agree to maintain the confidentiality of the confidential and/or trade secret information and take all steps necessary to safeguard the confidential and/or trade secret information against unauthorized access, use, and disclosure to at least the extent Employer maintains the confidentiality of its most proprietary and confidential information.

Employer shall not disclose such confidential and/or trade secret information to any third party without the express written permission of Florida Blue. If Florida Blue, in its sole discretion, approves release of confidential and/or trade secret information to a third party, the third party and Employer will be required to execute a Confidentiality & Indemnity Agreement, in a form specified by Florida Blue, prior to the release of the confidential information and/or trade secret information to the third party. For purposes of this paragraph, trade secret information is competitively sensitive information which is advantageous to Florida Blue in the marketplace and Florida Blue considers such information to be a trade secret protected from public disclosure, including protection from disclosure in any meeting which is subject to Florida's Government in the Sunshine Law Section 286.011, Florida Statutes.

SECTION III

DUTIES AND RESPONSIBILITIES OF FLORIDA BLUE

3.1 Generally

It is understood and agreed that Florida Blue is empowered and required to act with respect to the Group Health Plan only as expressly stated herein.

Employer and Florida Blue agree that Florida Blue's role is to provide administrative claims payment services, that Florida Blue does not assume any financial risk or obligation with respect to claims, that the services rendered by Florida Blue under this Agreement shall not include the power to exercise control over the Group Health Plan's assets, if any, or discretionary authority over the Health Care Plan's operations, and that Florida Blue will not for any purpose, under ERISA or otherwise, be deemed to be the "Plan Administrator" of the Group Health Plan or a "fiduciary" with respect to the Group Health Plan. Florida Blue's services hereunder are intended to and shall consist only of ministerial functions. The Group Health Plan's "Administrator" for purposes of ERISA is Employer.

3.2 Enrollment; Forms and I.D. Cards

Florida Blue shall enroll those individuals who have completed an application and are identified by Employer as eligible for benefits under the Group Health Plan on the effective date of this Agreement, and subsequently during the continuance of this Agreement. Florida Blue shall be entitled to rely on the information furnished to it by Employer, and Employer shall hold Florida Blue harmless for any inaccuracy or failure to provide such information in a timely manner.

Florida Blue shall furnish to Employer, for distribution to persons participating in the Group Health Plan, a supply of identification cards, benefit plan descriptions, forms to be used for submission of claims and enrollment, and any other forms necessary for the administration of the Group Health Plan, as determined by Florida Blue.

3.3 Claims Processing

Florida Blue shall provide claims processing services on behalf of Employer for all properly submitted claims, in accordance with the benefits set forth in Exhibit "A", using funds solely supplied by Employer, as set forth in Exhibit "B". Florida Blue shall furnish each claimant with an explanation of each claim that is paid, rejected, suspended or denied.

For purposes of this Agreement, the term "claim(s)" shall be defined as the amount paid or payable by Florida Blue to providers of services and/or covered group members under this Agreement and the Group Health Plan, and in conformity with any agreements Florida Blue enters into with such providers of

services, and includes capitation, physician incentives, pharmacy, physician, hospital and other fee-for-service claims expenditures. For value-based reimbursement programs Florida Blue enters into with participating providers, an applicable claim level surcharge may be included in the claim amount.

Claim level charges are used to fund a bonus pool for making quality improvement and financial performance incentive payments to providers which have entered into a value-based reimbursement arrangement with Florida Blue. The surcharge is only applicable to services provided by these providers, and shall not affect member cost sharing.

The accrued bonus pool, which shall be held in a non-interest bearing account, will include surcharge amounts contributed by other self-funded employers. All amounts in the bonus pool shall be available to fund incentive payments to providers who have entered into a value-based reimbursement arrangement with Florida Blue and who have achieved the requisite quality and financial goals.

The amount of the surcharge will be set by Florida Blue based on actuarially estimated incentive payments contractually due to providers. Florida Blue will perform periodic reconciliations of the bonus pool and may adjust the applicable claim level surcharge from time to time as it reasonably determines necessary to appropriately fund the bonus pool.

Such claims level surcharge amounts will not be refunded to Employer, including upon termination of this Agreement. Any surplus funds at the end of an incentive payment measurement period shall be used to fund incentive payments in a subsequent period. Any deficit in funds at the end of an incentive payment measurement period shall be collected in the next period through an adjustment to the claims level surcharge amount which will cover the previous period shortfall.

For value-based reimbursement programs Florida Blue enters into with participating providers, an applicable per member per month charge may be included in lieu of a claim level surcharge.

Additionally, Florida Blue may enter into bundled payment arrangements with providers of service which require a single provider to be responsible for providing and/or arranging for the provision of a group of services for a defined episode of care (e.g., hospital, physician and/or ancillary services).

In processing such claims for the defined episode of care, notwithstanding the requirements of Exhibit "A", Florida Blue may calculate the member cost sharing based upon the status of the provider receiving the bundled payment without regard to the fact that other provider types may have provided certain components of the episode included in the bundled payment arrangement.

3.4 Program Administration

Florida Blue shall administer its established cost containment programs and utilization benefits management programs, as selected by Employer and described in the Group Health Plan.

Florida Blue shall make available its Preferred Provider Organization Program(s) to covered group members and their covered dependents, as set forth in the Group Health Plan. Any agreements between providers of services and Florida Blue are the sole property of Florida Blue and Florida Blue retains the right to the use and control thereof.

3.5 Inaccurate Payments

Whenever Florida Blue becomes aware that the payment of a claim under the Group Health Plan to any person was, or may have been, made which was not in accordance with the terms of the Group Health Plan, whether or not such payment was Florida Blue's fault, and whether or not such payment was more than or less than was appropriate under the terms of the Group Health Plan, Florida Blue shall investigate such payment in accordance with its standard commercial insurance business practices and either 1) for an overpayment of \$50.00 or more, make a diligent effort to recover any payment which was more than was appropriate under the Group Health Plan or 2) as the case may be, adjust any claim the payment of which was less than appropriate under the Group Health Plan. Employer delegates to Florida Blue the discretion and the authority to determine under what circumstances to compromise a claim or to settle for less than the full amount of the claim. In the event any part of an inaccurate payment is recovered, Employer will receive a refund from Florida Blue. Nothing herein shall require Florida Blue to institute a legal action or suit to recover payments made by Florida Blue.

Additionally, Employer delegates to Florida Blue the discretion and authority to pursue recoveries for claims paid as a result of fraud, abuse or other inappropriate action by a third party, including the right to opt-out or opt-in Employer from any class action. These claims include, but are not limited to, all legal claims Employer can assert whether based on common law or statute such as RICO, antitrust, deceptive trade practices, consumer fraud, insurance fraud, unjust enrichment, breach of fiduciary duty, breach of contract, breach of covenant of good faith and fair dealing, torts (including fraud, negligence, and product liability), breach of warranty, medical monitoring, false claims and kickbacks. If Florida Blue obtains a recovery from any of these efforts, Florida Blue will reimburse Employer's pro rata share of the recovery. This share is calculated from Employer's claims history or covered members at the time of such recovery, less Employer's pro rata share of costs, if any, fees paid to outside counsel and any other costs incurred in obtaining that recovery. Florida Blue will not charge Employer for any costs if Florida Blue does not obtain a recovery that exceeds those costs.

3.6 Records and Reports

Florida Blue agrees to establish, maintain and provide to Employer, records and reports generated for the purposes of reporting claims experience and conducting audits of operations. Florida Blue will provide claims information only in accordance with Exhibit C (and Exhibit D, if applicable) to this Agreement. Florida Blue will not provide any information with regard to provider pricing agreements or any other information which is of a confidential or proprietary nature, as determined by Florida Blue.

3.7 Pharmacy Rebates

In certain circumstances, Florida Blue and/or its pharmacy benefits manager and/or vendors (collectively "PBM") negotiate(s) and receive(s) formulary rebates, volume discounts, and/or fees from certain drug manufacturers/distributors as a result of the inclusion of such manufacturer's/distributor's branded products on Florida Blue's formularies ("Rebates").

The PBM generally passes Rebates through to Florida Blue, less a 20% fee as part of its compensation for its services. At times, the PBM may pass through a guaranteed minimum amount per prescription that exceeds the Rebates otherwise payable to Florida Blue. In either situation, Florida Blue passes through 100% of the amounts it receives to Employer.

Florida Blue may receive a portion of the Rebates on a prepaid, estimated basis, before any drug claims are filed and paid. To the extent that Florida Blue receives prepaid, estimated rebate amounts, Florida Blue retains, as part of its compensation, the interest earned on such amounts from the time it receives such prepayments until it forwards Employer's Rebates. This time period is generally nine to twelve months. Florida Blue expects to earn interest at the rate of 1.25% per annum.

Florida Blue pays Employer its Rebates or guaranteed minimum amount after Florida Blue is able to determine the share attributable to the drug claims actually made by Employer's group members. This typically occurs seven to nine months after the end of the calendar quarter in which the drugs were dispensed.

Florida Blue will provide more specific information on the amounts retained by Florida Blue or the PBM upon request by Employer.

3.8 Claims Payments

The source or sources of payment under the Group Health Plan are to be only the assets of Employer, and Florida Blue will have no liability whatsoever for providing a source from which payments will be made under the Group Health Care Plan.

3.9 Providers Outside the State of Florida

A. Inter-Plan Arrangements

Florida Blue has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as “Inter-Plan Arrangements.” These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever members access healthcare services outside the geographic area Florida Blue serves, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside the geographic area Florida Blue serves, members obtain care from healthcare providers that have a contractual agreement (“participating providers”) with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (“Host Blue”). In some instances, members may obtain care from healthcare providers in the Host Blue geographic area that do not have a contractual agreement (“nonparticipating providers”) with the Host Blue. Florida Blue remains responsible for fulfilling our contractual obligations to Employer. Florida Blue payment practices in both instances are described below.

This disclosure describes how claims are administered for Inter-Plan Arrangements and the fees that are charged in connection with Inter-Plan Arrangements. (Note that Dental Care Benefits, except when not paid as medical claims/benefits, and those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party contracted by Florida Blue to provide the specific service or services are not processed through Inter-Plan Arrangements.)

B. BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Arrangement, when members access covered healthcare services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its participating healthcare providers. The financial terms of the BlueCard Program are described generally below.

1. Liability Calculation Method Per Claim – In General

a. Member Liability Calculation

Unless subject to a fixed dollar copayment, the calculation of the member liability on claims for covered healthcare services will be based on the lower of the participating provider's billed covered charges or the negotiated price made available to Florida Blue by the Host Blue.

b. Employer Liability Calculation

The calculation of Employer liability on claims for covered healthcare services processed through the BlueCard Program will be based on the negotiated price made available to Florida Blue by the Host Blue (under the contract between the Host Blue and the provider). Sometimes, this negotiated price may be greater for a given service or services than the billed charge in

accordance with how the Host Blue has negotiated with its participating healthcare provider(s) for specific healthcare services. In cases where the negotiated price exceeds the billed charge, Employer may be liable for the excess amount even when the member's deductible has not been satisfied. This excess amount reflects an amount that may be necessary to secure (a) the provider's participation in the network and/or (b) the overall discount negotiated by the Host Blue. In such a case, the entire contracted price is paid to the provider, even when the contracted price is greater than the billed charge.

2. Claims Pricing

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's provider contracts. The negotiated price made available to Florida Blue by the Host Blue may be represented by one of the following:

- (i) An actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
- (ii) An estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim-specific basis, retrospective settlements and performance related bonuses or incentives; or
- (iii) An average price. An average price is a percentage of billed covered charges in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its healthcare providers or a similar classification of its providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether it will use an actual, estimated or average price. The use of estimated or average pricing may result in a difference (positive or negative) between the price Employer pays on a specific claim and the actual amount the Host Blue pays to the provider. However, the BlueCard Program requires that the amount paid by the member and Employer is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims.

Any positive or negative differences in estimated or average pricing are accounted for through variance accounts maintained by the Host Blue and are incorporated into future claim prices. As a result, the amounts charged to Employer will be adjusted in a following year, as necessary, to account for over- or underestimation of the past years' prices. The Host Blue will not receive compensation from how the estimated price or average price methods, described above, are calculated. Because all amounts paid are final, neither positive variance account amounts (funds available to be paid in the following

year), nor negative variance amounts (the funds needed to be received in the following year), are due to or from Employer. If Employer terminates, you will not receive a refund or charge from the variance account.

Variance account balances are small amounts relative to the overall paid claims amounts and will be liquidated over time. The timeframe for their liquidation depends on variables, including, but not limited to, overall volume/number of claims processed and variance account balance. Variance account balances may earn interest at the federal funds or similar rate. Host Blues may retain interest earned on funds held in variance accounts.

3. BlueCard Program Fees and Compensation

Employer understands and agrees to reimburse Florida Blue for certain fees and compensation which Florida Blue is obligated under the BlueCard Program to pay to the Host Blues, to the Association and/or to vendors of BlueCard Program related services. The specific BlueCard Program fees and compensation that are charged to Employer are set forth in Exhibit B. BlueCard Program Fees and compensation may be revised from time to time.

Only the BlueCard Program access fee may be charged separately each time a claim is processed through the BlueCard Program. All other BlueCard Program related fees are included in the Administrative Fee.

The access fee is charged by the Host Blue to Florida Blue for making its applicable provider network available to Employer's. The access fee will not apply to non-participating provider claims. The access fee is charged on a per claim basis and is charged as a percentage of the discount/differential Florida Blue receives from the applicable Host Blue subject to a maximum of \$2,000 per claim. When charged, Florida Blue passes the access fee directly on to Employer.

Instances may occur in which the claim payment is zero or Florida Blue pays only a small amount because the amounts eligible for payment were applied to patient cost sharing (such as a deductible or coinsurance). In these instances, Florida Blue will pay the Host Blue's access fee and pass it along directly to Employer as stated above even Employer paid little or had no claim liability.

An Administrative Fee encompasses fees Florida Blue charges to Employer for administering Employer's benefit plan. They may include both local (within Florida Blue's service area) and Inter-Plan fees. For purposes of this Agreement, they include the following BlueCard Program related fees other than the BlueCard Program access fee: namely, administrative expense allowance (AEA) fee, central financial agency fee, ITS transaction fee, toll free number fee, PPO provider directory fee and Blue Cross Blue Shield Global® Core Program Fees, if applicable.

C. Special Cases: Value-Based Programs

Value-Based Programs Definitions

Accountable Care Organization (ACO): A group of healthcare providers who agree to deliver coordinated care and meet performance benchmarks for quality and affordability in order to manage the total cost of care for their member populations.

Global Payment/Total Cost of Care: A payment methodology that is defined at the patient level and accounts for either all patient care or for a specific group of services delivered to the patient such as outpatient, physician, ancillary, hospital services and prescription drugs.

Patient-Centered Medical Home (PCMH): A model of care in which each patient has an ongoing relationship with a primary care physician who coordinates a team to take collective responsibility for patient care and, when appropriate, arranges for care with other qualified physicians.

Shared Savings: A payment mechanism in which the provider and payer share cost savings achieved against a target cost budget based upon agreed upon terms and may include downside risk.

Value-Based Program (VBP): An outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local providers that is evaluated against cost and quality metrics/factors and is reflected in provider payment.

Value-Based Programs Overview

Employer's members may access covered healthcare services from providers that participate in a Host Blue's Value-Based Program. Value-Based Programs may be delivered either through the BlueCard Program or a Negotiated Arrangement. These Value-Based Programs may include, but are not limited to, Accountable Care Organizations, Global Payment/Total Cost of Care arrangements, Patient Centered Medical Homes and Shared Savings arrangements.

Value-Based Programs under the BlueCard Program

Under Value-Based Programs, a Host Blue may pay providers for reaching agreed upon cost/quality goals in the following ways:

The Host Blue may pass these provider payments to Florida Blue, which Florida Blue will pass directly on to Employer as either an amount included in the price of the claim or an amount charged separately in addition to the claim.

When such amounts are included in the price of the claim, the claim may be billed using one of the following pricing methods, as determined by the Host Blue:

- (i) Actual Pricing: The charge to accounts for Value-Based Programs incentives/Shared Savings settlements is part of the claim. These charges are passed to Employer via an enhanced provider fee schedule.

- (ii) Supplemental Factor: The charge to accounts for Value-Based Programs incentives/Shared Savings settlements is a supplemental amount that is included in the claim as an amount based on a specified supplemental factor (e.g., a small percentage increase in the claim amount). The supplemental factor may be adjusted from time to time.

When such amounts are billed separately from the price of the claim, they may be billed as follows:

- Per Member Per Month (PMPM) Billings: Per member per month billings for Value-Based Programs incentives/Shared Savings settlements to accounts are outside of the claim system. Florida Blue will pass these Host Blue charges directly through to Employer as a separately identified amount on the group billings; or,
- Where Host Blues pass on the costs of Value-Based Programs to Florida Blue as PMPM amounts not attached to specific claims, Florida Blue may elect to pass these amounts to Employer as a claim amount.

The amounts used to calculate either the supplemental factors for estimated pricing or PMPM billings are fixed amounts that are estimated to be necessary to finance the cost of a particular Value-Based Program. Because amounts are estimates, there may be positive or negative differences based on actual experience, and such differences will be accounted for in a variance account maintained by the Host Blue (in the same manner as described in the BlueCard claim pricing section above) until the end of the applicable Value-Based Program payment and/or reconciliation measurement period. The amounts needed to fund a Value-Based Program may be changed before the end of the measurement period if it is determined that amounts being collected are projected to exceed the amount necessary to fund the program or if they are projected to be insufficient to fund the program.

At the end of the Value-Based Program payment and/or reconciliation measurement period for these arrangements, Host Blues will take one of the following actions:

- Use any surplus in funds in the variance account to fund Value-Based Program payments or reconciliation amounts in the next measurement period.
- Address any deficit in funds in the variance account through an adjustment to the PMPM billing amount or the reconciliation billing amount for the next measurement period.

The Host Blue will not receive compensation resulting from how estimated, average or PMPM price methods, described above, are calculated. If Employer terminates, you will not receive a refund or charge from the variance account. This is because any resulting surpluses or deficits would be eventually exhausted through prospective adjustment to the settlement billings in the case of Value-Based Programs. The measurement period for determining these surpluses or deficits may differ from the term of this Agreement.

Variance account balances are small amounts relative to the overall paid claims amounts and will be liquidated over time. The timeframe for their liquidation depends on variables, including, but not limited to, overall volume/number of claims processed and variance account balance. Variance account balances may earn interest, and interest is earned at the federal funds or similar rate. Host Blues may retain interest earned on funds held in variance accounts.

Note: Members will not bear any portion of the cost of Value-Based Programs except when a Host Blue uses either average pricing or actual pricing to pay providers under Value-Based Programs.

Care Coordinator Fees

Host Blues may also bill Florida Blue for care coordinator fees for provider services which we will pass on to Employer as follows:

1. PMPM billings; or
2. Individual claim billings through applicable care coordination codes from the most current editions of either Current Procedural Terminology (CPT) published by the American Medical Association (AMA) or Healthcare Common Procedure Coding System (HCPCS) published by the U.S. Centers for Medicare and Medicaid Services (CMS).

As part of this Agreement, Florida Blue and Employer will not impose member cost sharing for care coordinator fees.

D. Return of Overpayments

Recoveries from a Host Blue or its participating and nonparticipating providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, healthcare provider/hospital bill audits, credit balance audits, utilization review refunds and unsolicited refunds. Recoveries will be applied in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to Florida Blue they will be credited to Employer. In some cases, the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be charged to Employer as a percentage of the recovery.

E. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to self-funded accounts. If applicable, Florida Blue will disclose any such surcharge, tax or other fee to Employer, which will be Employer's liability.

F. Nonparticipating Providers Outside Florida Blue's Service Area

1. Member Liability Calculation

a. In General

When covered healthcare services are provided outside of Florida Blue's service area by nonparticipating providers, the amount(s) a member pays for such services will be based on either the Host Blue's nonparticipating healthcare provider local payment or the pricing arrangements required by applicable state law. In these situations, the member may be responsible for the difference between the amount that the nonparticipating provider bills and the payment Florida Blue will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services will be governed by applicable federal and state law.

b. Exceptions

In some exception cases, at Employer's direction, Florida Blue may pay claims from nonparticipating healthcare providers outside of Florida Blue's service area based on the provider's billed charge. This may occur in situations where a member did not have reasonable access to a participating provider, as determined by Florida Blue (in Florida Blue's sole and absolute discretion) or by applicable state law. In other exception cases, (at Employer's direction) Florida Blue may pay such claims based on the payment Florida Blue would make if Florida Blue were paying a nonparticipating provider inside of Florida Blue's service area, as described elsewhere in this Agreement. This may occur where the Host Blue's corresponding payment would be more than Florida Blue's in-service area nonparticipating provider payment. Florida Blue may choose to negotiate a payment with such a provider on an exception basis.

Unless otherwise stated, in any of these exception situations, the member may be responsible for the difference between the amount that the nonparticipating healthcare provider bills and the payment Florida Blue will make for the covered services as set forth in this paragraph.

2. Fees and Compensation

Employer understands and agrees to reimburse Florida Blue for certain fees and compensation which we are obligated under applicable Inter-Plan Arrangement requirements to pay to the Host Blues, to the Association and/or to vendors of Inter-Plan Arrangement-related services. The specific fees and compensation that are charged to Employer are set forth in Exhibit B, if applicable. Fees and compensation under applicable Inter-Plan Arrangements may be revised from time to time.

G. Blue Cross Blue Shield Global® Core

1. General Information

If members are outside the United States, (the Commonwealth of Puerto Rico and the U.S. Virgin Islands) (hereinafter: "BlueCard service area"), they may be able to take advantage of the Blue Cross Blue Shield Global® Core Program

when accessing covered healthcare services. The Blue Cross Blue Shield Global® Core Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global® Core Program assists members with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when members receive care from providers outside the BlueCard service area, the members will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services.

- Inpatient Services

In most cases, if members contact the Blue Cross Blue Shield Global® Core Service Center for assistance, hospitals will not require members to pay for covered inpatient services, except for their cost-share amounts. In such cases, the hospital will submit member claims to the Blue Cross Blue Shield Global® Core Service Center to initiate claims processing. However, if the member paid in full at the time of service, the member must submit a claim to obtain reimbursement for covered healthcare services. Members must contact Florida Blue to obtain precertification for non-emergency inpatient services.

- Outpatient Services

Physicians, urgent care centers and other outpatient providers located outside the BlueCard service area will typically require members to pay in full at the time of service. Members must submit a claim to obtain reimbursement for covered healthcare services.

- Submitting a Blue Cross Blue Shield Global® Core Claim

When members pay for covered healthcare services outside the BlueCard service area, they must submit a claim to obtain reimbursement. For institutional and professional claims, members should complete a Blue Cross Blue Shield Global® Core International claim form and send the claim form with the provider's itemized bill(s) to the Blue Cross Blue Shield Global® Core Service Center address on the form to initiate claims processing. The claim form is available from Florida Blue, the Blue Cross Blue Shield Global® Core Service Center, or online at www.bcbsglobalcore.com. If members need assistance with their claim submissions, they should call the Blue Cross Blue Shield Global® Core Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

2. Blue Cross Blue Shield Global® Core Program-Related Fees

Employer understands and agrees to reimburse Florida Blue for certain fees and compensation which we are obligated under applicable Inter-Plan Arrangement requirements to pay to the Host Blues, to the Association and/or to vendors of Inter-Plan Arrangement related services. The specific fees and compensation that are charged to Employer under the Blue Cross Blue Shield Global® Core Program are set forth in Exhibit B, if applicable. Fees and

compensation under applicable Inter-Plan Arrangements may be revised from time to time.

SECTION IV

TERMINATION

4.1 Administration After Termination

Employer is solely liable and responsible for all claims incurred under the Group Health Plan by its covered group members and their dependents during the term of this Agreement, including those incurred claims which are not presented to Employer or Florida Blue during the term of this Agreement. Florida Blue will adjudicate all claims incurred during the term of this Agreement. For purposes of this Agreement, the date of an incurred claim is the date the particular service was rendered or the supply was furnished. After the effective date of termination of this Agreement, Employer will continue to provide Florida Blue with funds to pay claims incurred prior to the termination date and will continue to pay the applicable administrative fees as set forth in Exhibit "B".

4.2 Unilateral Termination

Employer or Florida Blue may unilaterally terminate this Agreement upon 90 days prior written notice to the other party after the initial term of this Agreement.

4.3 Termination On Anniversary Date

This Agreement shall terminate as of the date of any anniversary of the effective date of this Agreement, if either Employer or Florida Blue has given at least 30 days prior written notice to the other party of its intention not to renew this Agreement as of that anniversary date.

4.4 Termination Upon Default

Upon the occurrence of any of the following events, as determined by Florida Blue, this Agreement will automatically terminate at the end of the 8th business day following the day upon which Employer is notified in writing of any of the events of default set forth hereunder, and then only in the event that Employer has not cured the incident of default:

1. Employer's failure to provide adequate funds, as set in Exhibit "B", as necessary for the payment of claims pursuant to the Group Health Plan;
2. Employer's failure to pay any administrative fees or late penalty as set forth in Exhibit "B" of this Agreement;
3. Employer ceases to maintain a Group Health Plan;

4. Employer modifies the Group Health Plan without the prior written consent of Florida Blue;
5. At any time Florida Blue has reasonable grounds for insecurity with respect to Employer's financial ability to adequately fund the Group Health Plan, and Employer has failed to immediately provide adequate assurances of financial soundness to Florida Blue;
6. At any time any judicial or regulatory body determines that this Agreement, or any provision of this Agreement, is invalid or illegal, or that this arrangement constitutes an insurance policy or program which is subject to state and/or federal insurance regulations and/or taxation;
7. At any time Employer otherwise materially breaches this Agreement.

4.5 Rights and Responsibilities Upon Termination

In the event of termination of this Agreement, Employer will immediately notify each covered group member of the termination date.

Termination of this Agreement for any reason shall not affect the rights or obligations of either party which arise prior to the date of termination.

SECTION V

LEGAL ACTION; INDEMNIFICATION

5.1 Standard of Care

Florida Blue and Employer shall each use the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims in the performance of its duties hereunder.

5.2 Liability; Indemnification

Florida Blue shall not be liable to Employer or any other person for any mistake of judgment or other action taken in good faith, or for any loss or damage occasioned thereby, unless the loss or damage is due to Florida Blue's gross negligence, criminal conduct or fraudulent acts.

Employer hereby agrees to indemnify and hold harmless Florida Blue, its directors, officers, employees and agents against any and all actions, claims, lawsuits, settlements, judgments, costs, interest, penalties, expenses and taxes,

including but not limited to, attorneys' fees and courts costs, resulting from or arising directly or indirectly out of or in connection with any function of Florida Blue under this Agreement, including the administration of any Cost Containment or Utilization Benefit Management Programs, or payments made pursuant to the direction of Employer, or arising from any legal action or proceeding to recover benefits under this Agreement, in consequence of any acts or omissions occurring during the operation of this Agreement alleged to be a breach of fiduciary duty under ERISA, or arising from any allegation of a breach of confidentiality arising out of a release of confidential information to the Group or a third party unless it is determined that the direct and sole cause of such liability was the result of gross negligence, criminal conduct or fraudulent acts on the part of Florida Blue or any of its directors, officers, employees or agents. Further, Employer agrees to indemnify and hold harmless Florida Blue for any taxes or assessments, including penalties and interest, or any other amounts legally levied based on the terms of this Agreement. This provision applies to any amounts imposed, now or later, under the authority of any federal, state, or local taxing jurisdiction. This provision will continue in effect after termination of this Agreement for any reason.

5.3 Legal Actions

In the event Florida Blue is served with process in any lawsuit or is made a party to any arbitration proceeding or other legal action relating to any matter for which indemnification is required under the preceding paragraph, Employer shall, upon written request by Florida Blue, immediately furnish a defense to and indemnify and hold harmless Florida Blue in any such lawsuit, proceeding or other action and shall use its best efforts to secure, by motion or otherwise, the dismissal of Florida Blue from such lawsuit, proceeding or other action. Florida Blue will provide Employer with available data and materials that are reasonably necessary for the preparation of the defense of such lawsuit, proceeding or other action.

SECTION VI

MISCELLANEOUS PROVISIONS

6.1 Amendment

Except as otherwise provided for herein, this Agreement may be modified, amended, renewed, or extended only upon mutual agreement, in writing, signed by the duly authorized representatives of Employer and Florida Blue.

6.2 Subsidiaries and Affiliates

Any of the functions to be performed by Florida Blue under this Agreement may be performed by Florida Blue or any of its subsidiaries, affiliates, or designees.

6.3 Governing Law

This Agreement is subject to and shall be governed by the laws of the State of Florida, except where those laws are preempted by the laws of the United States.

6.4 Venue

All actions or proceedings instituted by Employer or Florida Blue hereunder shall be brought in a court of competent jurisdiction in Duval County, Florida.

6.5 Waiver of Breach

Waiver of a breach of any provision of this Agreement shall not be deemed a waiver of any other breach of the same or a different provision.

6.6 Inconsistencies

If the provisions of this Agreement are in any way inconsistent with the provisions of the Group Health Plan, then the provisions of this Agreement shall prevail and the other provisions shall be deemed modified, but only to the extent necessary to implement the intent of the parties expressed herein.

6.7 Notices

Any notice required to be given pursuant to this Agreement shall be in writing, postage pre-paid, and shall be sent by certified or registered mail, return receipt requested, or by Federal Express or other overnight mail delivery for which evidence of delivery is obtained by the sender, to Florida Blue or Employer at the addresses indicated on the first page of this Agreement, or such other addresses that the parties may hereafter designate. The notice shall be effective on the date the notice was posted.

6.8 Entire Agreement

This Agreement, including the attachments hereto, contains the entire agreement between Florida Blue and Employer with respect to the specific subject matter hereof. Any prior agreements, promises, negotiations or representations, either verbal or written, relating to the subject matter of this Agreement and not expressly set forth in this Agreement are of no force and effect.

6.9 Severability

In the event any provision of this Agreement is deemed to be invalid or unenforceable, all other provisions shall remain in full force and effect.

6.10 Binding Effect of Agreement

The Agreement shall be binding upon and inure to the benefit of the parties, their agents, servants, employees, successors, and assigns unless otherwise set forth herein or agreed to by the parties.

6.11 Survival

The rights and obligations of the parties as set forth herein shall survive the termination of this Agreement to the extent necessary to effectuate the intent of the parties as expressed herein.

6.12 Independent Relationship

Notwithstanding any other provision of this Agreement, in the performance of the obligations of this Agreement, each party is at all times acting and performing as an independent contractor with respect to the other party. We (Blue Cross and Blue Shield of Florida, Inc., d/b/a/ Florida Blue and Health Options, Inc., d/b/a Florida Blue HMO, collectively referred to as Florida Blue in this Notice) understand the importance of, and are committed to, maintaining the privacy of your protected health information (PHI). PHI is health and nonpublic personal financial information that can reasonably be used to identify you and that we maintain in the normal course of either administering your employer's self-insured group health plan or providing you with insured health care coverage and other services. PHI also includes your personally identifiable information that we may collect from you in connection with the application and enrollment process for health insurance coverage.

We are required by applicable federal and state laws to maintain the privacy of your PHI. We are also required to provide you with this Notice which describes our privacy practices, our legal duties, and your rights concerning your PHI. We are required to follow the privacy practices that are described in this Notice while it is in effect.

We reserve the right to change our privacy practices and the terms of this Notice at any time and to make the terms of our revised Notice effective for all of your PHI that we either currently maintain or that we may maintain in the future. If we make a significant change in our privacy practices, we will post a revised Notice on our web site by the effective date, and provide the revised Notice, or information about the change and how to get the revised Notice, to covered individuals in our next annual mailing.

How we protect your PHI:

- Our employees are trained on our privacy and data protection policies and procedures;
- We use administrative, physical and technical safeguards to help maintain the privacy and security of your PHI;
- We have policies and procedures in place to restrict our employees' use of your PHI to those employees who are authorized to access this information for treatment or payment purposes or to perform certain healthcare operations; and
- Our corporate Business Ethics, Integrity & Compliance division monitors how we follow our privacy policies and procedures.

How we must disclose your PHI:

- **To You:** We will disclose your PHI to you or someone who has the legal right to act on your behalf (your personal representative) in order to administer your 'Individual Rights' under this Notice.
- **To The Secretary of the Department of Health and Human Services (HHS):** We will disclose your PHI to HHS, if necessary, to ensure that your privacy rights are protected.
- **As Required by Law:** We will disclose your PHI when required by law to do so.

How we may use and disclose your PHI without your written authorization:

We may use and disclose your PHI without your written authorization in a number of different ways in connection with your treatment, the payment for your health care, and our health care operations. When using or disclosing your PHI, or requesting your PHI from another entity, we will make reasonable efforts to limit such use, disclosure or request, to the extent practicable, to the minimum necessary to accomplish the intended purpose of such use, disclosure or request. The following are only a few examples of the types of uses and disclosures of your PHI that we may make without your written authorization.

- **For Treatment:** We may use and disclose your PHI as necessary to aid in your treatment or the coordination of your care. For example, we may disclose your PHI to doctors, dentists, hospitals, or other health care providers in order for them to provide treatment to you.

For example, we may use and disclose your PHI to pay claims for services provided to you by doctors, dentists or hospitals. We may disclose your PHI to a health care provider or another health plan so that the provider or plan may obtain payment of a claim or engage in other payment activities.
- **To Family, Friends, and Others for Treatment or Payment:** Our disclosure of your PHI for the treatment and payment purposes described above may include disclosures to others who are involved in your care or the administration of your health benefits policy or contract. For example, we may disclose your PHI to your family members, friends or caregivers if you direct us to do so or if we exercise professional judgment and determine that they are involved in either your care or the administration of your health benefits policy. We may send an explanation of benefits to the policyholder, which may include claims paid and other information. We may determine that persons are involved in your care or the administration of your health benefits policy if you either agree or fail to object to a disclosure of your PHI to such persons when given an opportunity. In an emergency or in situations where you are incapacitated or not otherwise present, we may disclose

your PHI to your family members, friends, caregivers or others, when the circumstances indicate that such disclosure is authorized by you and is in your best interests. In these situations we will only disclose your PHI that is relevant to such other person's involvement in your care or the administration of your health benefits policy.

- **For Health Care Operations:** We may use and disclose your PHI to support other business activities. For example, we may use or disclose your PHI to conduct quality assessment and improvement activities, to conduct fraud and abuse investigations, to engage in care coordination or case management, or to communicate with you about health related benefits, products or services or treatment alternatives that may be of interest to you. We may also disclose your PHI to another entity subject to federal privacy laws, as long as the entity has or had a relationship with you and the PHI is disclosed only for certain health care operations of that provider, plan, or other entity. These Business Associates include lawyers, accountants, consultants, claims clearinghouses, and other third parties. Our Business Associates may re-disclose your PHI to subcontractors in order for these subcontractors to provide services to the Business Associates. These subcontractors will be subject to the same restrictions and conditions that apply to the Business Associates. Whenever such arrangement with a Business Associate involves the use or disclosure of your PHI, we will have a written contract with our Business Associate that contains terms designed to protect the privacy of your PHI.

- **Criminal Activity or Law Enforcement:** We may disclose your PHI to a law enforcement official with regard to crime victims and criminal activities. We may also disclose your PHI if it is necessary for law enforcement authorities to identify or apprehend an individual.
- **Special Government Functions:** When the appropriate conditions apply, we may use or disclose PHI of individuals who are Armed Forces personnel (i) for activities deemed necessary by appropriate military command authorities; (ii) for the purpose of determination by the Department of Veterans Affairs of your eligibility for benefits, or (iii) to foreign military authorities if you are a member of that foreign military service. We may also disclose your PHI to authorized federal officials for conducting national security and intelligence activities, including the provision of protective services to the President or others legally authorized to receive such governmental protection.
- **Inmates:** We may use or disclose your PHI if you are an inmate of a correctional facility and your physician created or received your PHI in the course of providing care to you.
- **To Plan Sponsors, if applicable (including employers who act as Plan Sponsors):** We may disclose enrollment and disenrollment information to the plan sponsor of your group health plan. We may also disclose certain PHI to the plan sponsor to perform plan administration functions. We may disclose summary health information to the plan sponsor so that the plan sponsor may either obtain premium bids or decide whether to amend, modify or terminate your group health plan. Please see your plan documents, where applicable, for a full explanation of the limited uses and disclosures that the plan sponsor may make of your PHI in providing plan administration functions for your group health plan.
- **For Coroners, Funeral Directors, and Organ Donation:** We may disclose your PHI to a coroner or medical examiner for identification purposes, determining cause of death or for the coroner or medical examiner to perform other duties authorized by law. We may also disclose PHI to a funeral director, as authorized by law, in order to permit the funeral director to carry out his or her duties. We may disclose such information in reasonable anticipation of death. PHI may be used and disclosed for cadaveric organ, eye, or tissue donation purposes.

- **Research:** We may disclose your PHI to researchers when their research has been approved by an institutional review board that has reviewed the research purposes and established protocols to ensure the privacy of your PHI, or as otherwise permitted by federal privacy law.

- **For Workers' Compensation:** We may disclose your PHI as permitted by workers' compensation and similar laws.

Uses and disclosures of PHI permitted only after authorization is received:

We will obtain your written authorization, as described below, for: (i) uses and disclosures of your PHI for marketing purposes, including subsidized treatment communications (except for certain activities otherwise permitted by federal privacy law, such as face-to-face communications or promotional gifts of nominal value); (ii) disclosures of your PHI that constitute a sale of PHI under federal privacy law and that requires your authorization; and (iii) other uses and disclosures of your PHI not described in this Notice.

There are also other federal and state laws that may further restrict our disclosure of certain PHI (to the extent we maintain such information) that is deemed highly confidential. Highly confidential PHI may include information pertaining to:

- psychotherapy notes;
- alcohol and drug abuse prevention, treatment and referral;
- HIV/AIDS testing, diagnosis or treatment;
- sexually transmitted diseases; and
- genetic testing.

Our intent is to meet the requirements of these more stringent privacy laws and we will only disclose this type of specially protected PHI with your prior written authorization except when our disclosure of this information is permitted or required by law.

Authorization: You may give us written authorization to use your PHI or disclose it to anyone for any purpose not otherwise permitted or required by law. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosure permitted by your authorization while it was in effect. In the event that you are incapacitated or are otherwise unable to respond to our request for an authorization, (for example, if you are or become legally incompetent), we may

accept an authorization from any person who is legally authorized to give such authorization on your behalf.

Individual Rights:

To exercise any of these rights, please call the customer service number on your ID card.

- **Access:** With limited exceptions, you have the right to inspect, or obtain copies of, your PHI. We may charge you a reasonable fee as permitted by law. We will provide you a copy of your PHI in the form and format requested, if it is readily producible in such form or format or, if not, in a readable hard copy form or such format as agreed to by you and us. Where your PHI is contained in one or more designated record sets electronically, you have the right to obtain a copy of such information in the electronic form and format requested, if it is readily producible in such form and format; or if not, in a readable electronic form and format as agreed to by us and you. You may request that we transmit the copy of your PHI directly to another person, provided your request is in writing, signed by you, and you clearly identify the designated person and where to send the copy of the PHI.
- **Amendment:** With limited exceptions, you have the right to request that we amend your PHI.
- **Disclosure Accounting:** You have the right to request and receive a list of certain disclosures made of your PHI. If you request this list more than once in a 12-month period, we may charge you a reasonable fee as permitted by law to respond to any additional request.
- **Use/Disclosure Restriction:** You have the right to request that we restrict our use or disclosure of your PHI for certain purposes. We are required to agree to a request to restrict the disclosure of your PHI to a health plan if you submit the request to us and: (i) the disclosure is for purposes of carrying out payment or health care operations and is not otherwise required by law; and (ii) the PHI pertains solely to a health care item or service for which you, or a person on your behalf other than the health plan, has paid the covered entity out-of-pocket in full. We may not be required to agree to all other restriction requests and, in certain cases, we may deny your request. We will agree to restrict the use or disclosure of your PHI provided the law allows and we determine the restriction does not impact our ability to administer your benefits. Even when we agree to a restriction request, we may still disclose your PHI in a medical emergency and use or disclose your PHI for public health and safety and other similar public benefit purposes permitted or required by law.
- **Confidential Communication:** You have the right to request that we communicate with you in confidence about your PHI at an alternative address. When you call the customer service number on your ID card to request

confidential communications at an alternative address, please ask for a "PHI address."

Note: If you choose to have confidential communications sent to you at a PHI address, we will only respond to inquiries from you. If you receive services from any health care providers, you are responsible for notifying those providers directly if you would like a PHI address from them.

- **Privacy Notice:** You have the right to request and receive a copy of this Notice at any time. For more information or if you have questions about this Notice, please contact us using the information listed at the end of this Notice.
- **Breach:** You have the right to receive, and we are required to provide, written notification of a breach where your unsecured PHI has been accessed, used, acquired, or disclosed to an unauthorized person as a result of such breach, and which compromises the security or privacy of your PHI. Unless specified in writing by you to receive the notification by electronic mail, we will provide such written notification by first class mail or, if necessary, by such other substituted forms of communication permitted under the law.

Employer and Authorized Person shall comply with all applicable federal, state or local laws, rules, or regulations or any other order of any authorized court, agency, or regulatory commission, and all applicable professional standards and practices, regulating the disclosure of patient records or private or medically sensitive information pursuant to this Agreement, including without limitation, information relating to the treatment of alcohol and drug abuse dependency or patient records, HIV testing results, and psychological or psychiatric evaluation.
10. To the extent permitted by law now or hereinafter enacted, Employer agrees to indemnify, defend, and hold Florida Blue and each of its officers, directors, employees, agents, and other representatives (collectively, "Florida Blue's Related Parties") harmless from any actual or threatened legal or administrative action, claim, liability, penalty, fine, assessment, lawsuit, litigation, or other loss, expense, or damage, including without limitation reasonable attorneys' fees and costs (collectively, "Liability"), that Florida Blue or Florida Blue's Related Parties may incur arising out of or relating to the disclosure of Confidential Information to Employer and Authorized Person.
11. Authorized Person agrees to indemnify, defend, and hold Florida Blue and Florida Blue's Related Parties harmless from any actual or threatened Liability, that Florida Blue or Florida Blue's Related Parties may incur arising out of or in connection with any actual or alleged breach by Authorized Person or any of Authorized Person's Related Parties of any applicable law, regulation, or other legal mandate or any provision of this Agreement.
12. Florida Blue shall have the option to either provide its own legal counsel or arrange for outside counsel for the defense of such matters referenced above, and the costs of either shall be borne by the indemnifying party in the event of indemnification.
13. Employer and Authorized Person acknowledge and agree that Florida Blue operates in a highly regulated and competitive environment and that the unauthorized use or disclosure of Confidential Information will cause irreparable harm and significant injury to Florida Blue, which will be difficult to measure with certainty or to compensate through money damages. Accordingly, Florida Blue shall be entitled to seek injunctive or other equitable relief, without bond, and/or specific performance as a remedy for any breach of this Agreement. Such remedy shall not be deemed to be the exclusive remedy for a breach of this Agreement, but shall be in addition to all other remedies available at law or in equity.
14. It is understood and agreed that no failure or delay by Florida Blue in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power or privilege hereunder.

15. Upon occurrence of any of the following, this Agreement shall terminate without notice, unless notice is specifically required:
 - a. Termination of the Administrative Services Agreement.
 - b. If Florida Blue determines at its own discretion that the Confidential Information released pursuant to this Agreement is not being adequately protected by either Employer or Authorized Person for confidentiality purposes.
 - c. Upon fifteen (15) days' notice to Employer and Authorized Person, as appropriate. Such notice shall be given without need for cause.
 - d. Upon any attempt by Employer and Authorized Person (which attempts shall be null and void) to assign this Agreement or the right to receive information, without the prior express consent of Florida Blue.
 - e. Upon enactment of or the effective date of, whichever first occurs, any applicable state or federal law or any rule or regulation of any agency having applicable jurisdiction, which law, rule or regulation shall prohibit (in part or in full) Florida Blue from fulfilling its obligations hereunder. No penalty, liability or damage shall be applicable or claimed by Employer and Authorized Person against Florida Blue in such event.
16. The relationship between the parties is that of independent contractors. Nothing in this Agreement shall be construed to create a partnership or joint venture between the parties and neither party shall have the right to bind the other to any contracts, agreements, or other obligations without the express, written consent of an authorized representative of the other.
17. This Agreement shall be governed and construed by the laws of the State of Florida (irrespective of its choice of law principles). It constitutes the entire Agreement between the parties in reference to all matters expressed in the Agreement. All previous discussions, promises, representations, and understandings between the parties pertaining thereto, if any, being merged herein.
18. This Agreement may not be assigned, nor any obligations delegated, by Employer and Authorized Person, without the prior written consent of Florida Blue, and any such non-permitted assignment or delegation shall be void.
19. In the event any provision of this Agreement is rendered invalid or unenforceable by any valid act of Congress or the Florida Legislature or by any regulation duly promulgated by the officers of the United States or the State of Florida acting in accordance with law, or if declared null and void by any court of competent jurisdiction, the remainder of this Agreement shall remain in full force and effect.
20. Waiver of breach of any provision of this Agreement shall not be deemed a waiver of any other breach of the same or a different provision.

21. The obligation of Employer and Authorized Person to protect the privacy and/or competitively sensitive nature of the Confidential Information as specified in this Agreement shall be continuous and survive the expiration or termination of this Agreement. In addition, any provision of this Agreement which requires or reasonably contemplates the performance or existence of obligations by either party after termination or expiration of this Agreement shall survive such termination or expiration.
22. This Agreement may be amended by mutual agreement of the parties, but no such amendment shall become effective until it is reduced to writing and signed by duly authorized representatives of each party.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representative as set forth below.
