The County and Contractor hereby agree as follows:

1. **AMENDMENT.** Due to the rising cost of fuel and market volatility, asphalt prices are fluctuating from month to month. As a result, the parties agree to temporarily amend the pricing structure under Section 4 and Attachment "A" of the original Agreement.

Contractor shall submit an updated pricing list to the County in the same format as the "Bid Response" in Contractor's submittal to ITB PW 42-21, which is included in Attachment "A" of the original Agreement ("Pricing List").

Upon approval of the Pricing List by the Public Works Director, Contractor shall honor such pricing for a period of sixty (60) days from the date of such approval. At the conclusion of the sixty (60) day period, Contractor may submit an updated Pricing List under the same terms and conditions herein.

This interim measure shall remain in place until terminated by the County pursuant to Section 7 of the original Agreement.

2. **OTHER PROVISIONS REMAIN IN EFFECT.** Except as specifically modified herein, all terms and conditions of the original Agreement between the parties, and any amendments thereto, shall remain in full force and effect.
3. **CONFLICTING PROVISIONS.** The terms, statements, requirements, or provisions contained in this Amendment shall prevail and be given superior effect and priority over any conflicting or inconsistent terms, statements, requirements or provisions contained in any other document or attachment.

The Offeror also shall enter its EFT indicator, if applicable. The unique entity identifier will be used by the Contracting Officer to verify that the Offeror is registered in the SAM database.

(c) If the Offeror does not have a unique entity identifier, it should contact the entity designated at [www.sam.gov](http://www.sam.gov) for establishment of the unique entity identifier directly to obtain one. The Offeror should be prepared to provide the following information:
