Dear BOARD OF COUNTY COMMISSIONERS,

We would like to thank you for your business and continued partnership. This letter is to inform you of the annual 2023 rate increase. Your annual rate increase will be 13.5% of current rates. However, by implementing the increase on October 1, 2022, we can offer a discounted rate increase of 10.0% instead of 13.5%.

We will automatically implement the discounted rate increase on your October 2022 invoice. If you choose to opt-out of this discounted rate and pay the higher rate stated above, please click the link or paste it into your browser <https://brinksinquiry.secure.force.com/Rlinquiry2023> and a Brink's Advisor will follow up with you to accommodate your needs.

Brink's remains committed to providing the highest quality of products, services, and solutions in the marketplace. If you are interested in learning more about potential cost saving options, your Brink's Advisor will be happy to review your services and recommend alternative solutions. They can also be engaged by clicking the link above.

We appreciate your business and look forward to continuing to serve you.
