Upon mutual agreement, the Agreement may be renewed for two additional twelve (12) month terms. Upon the expiration of the initial term and any subsequent renewals, if it is determined that interim performance is necessary to allow for the solicitation and award of a new contract, the County may extend this Agreement on a month-to-month basis for up to an additional six (6) months. The County shall provide written notice of the desire to renew/extend the Agreement thirty (30) days prior to the expiration of the current term.
3. **Scope.** Contractor agrees to perform in accordance with the scope of services as outlined in Escambia County's Request for Proposals *Escambia County Parks and Recreation Grounds Mowing and Trimming for Athletic Parks (Zone 9), Specification No. P.D. 19-20.016*, attached hereto as **Exhibit A**. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the level of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

A. County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred", however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities but are merely

minimums.

Except for worker's compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the County, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

B. Workers Compensation Coverage

The contractor shall purchase and maintain worker's compensation insurance for all worker's compensation obligations imposed by state law and with employer's liability limits of at least \$100,000 each accident and \$100,000 each employee/\$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

C. General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of \$1,000,000.00 per occurrence for all liability must be provided with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the worker's compensation coverage section) and the total amount of coverage required.

D. General Liability Coverage – Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

E. Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, non-owned and hired automobiles and employee non-ownership use.

The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30-day notification of cancellation.

F. Excess or Umbrella Liability Coverage (if utilized to achieve required policy limits)

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

G. Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability and business auto liability policies.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of \$1,000.
4. Designate Escambia County as the certificate holder as follows:

Escambia County

Attention: Savannah Kruse, Purchasing Specialist
Office of Purchasing, Room 11.101
213 Palafox Place 2nd Floor
Pensacola, FL 32591
Fax (850) 595-4806

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the County, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage, the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

H. Endorsements/Additional Insurance

The County may require the following endorsements or additional types of insurance.

Termination/Adverse Change Endorsement

All of contractor's policies, except for professional liability and worker's compensation insurance, are to be endorsed, and the contractor's certificate(s) of insurance shall state, that the County shall be notified at least 30 days in advance of cancellation, nonrenewal or adverse change.

Motor Truck Cargo Coverage

If the installation floater insurance does not provide transportation coverage, separate motor truck cargo or transportation insurance is to be provided for materials or equipment transported in the contractor's or other vehicles from place of receipt to building sites or other storage sites. All risks coverage is preferred.

Pollution/Environmental Impairment Liability Coverage

Pollution/environmental impairment liability insurance is to be purchased to cover pollution and/or environmental impairment which may arise from this agreement or contract.

16. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgements, and costs of suit, including attorneys' fees and paralegals' fees, for

any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first \$100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

PART IV

SCOPE OF WORK

This project requires mowing and trimming services at specified locations throughout Escambia County. The work will include:

4-1 Game Surface Areas, Athletic Fields, and Common Areas.

These areas are generally Bermuda or Centipede turf areas and will be maintained at a high level of maintenance during the playing season in order to promote improved playability among the users. High speed rotary mowers will be required for this type mowing. The following specifications will apply to mowing areas:

i. **Frequency:** Once per week during growing season as directed by Contract Supervisor. The Cost Proposal requires a "weekly" mowing cost, however, it is estimated that each zone will require approximately forty (40) mows annually due to non-growing season and other events that may impact the ability to mow weekly.

ii. **Type of Mower:** High speed rotary mower.

iii. **Cutting Height:** Maximum 1 ¾ inches for athletic turf. No more than 1/3 of the grass height shall be cut off at any one mowing.

iv. **Scalping:** Mowing decks must not scalp the turf and if this occurs, the contractor shall be responsible for replacing the turf.

v. **Edging and Trimming:** Maximum two-inches, minimum one-inch height or equal to the mowing if using a string or blade trimmer. ***All paved surfaces/grass areas shall be trimmed at each mowing. Failure to do so will cause forfeiture of payment for that facility.***

vi. **Fence Lines:** Chemical treatment (Round-Up) shall be applied to no greater than six-inches either side of the fence or adjacent to other structures such as light poles, building, etc.

ADDENDUM NUMBER 4:

Re: PD 19-20.016 Escambia County Parks and Recreation Grounds Mowing and Trimming
for Athletic Parks

All:

Your firm recently received a Request for Proposals for the above-mentioned specification. This Addendum Number 4 provides a question from a vendor and an answer from the project manager.

Question: Are landscape beds at the community centers to be mulched based on evidence of a previously mulched bed? For example, evident pine straw or mulch existing now. There are quite a few areas that look like they should be mulched but have been unattended for a period of time.

Answer: All beds on the property that have any evidence of mulch need to be included in the quote. If there is an area in question that you can't see any previous mulch than it doesn't need to be included.

This Addendum Number 4 is furnished to all known prospective submitters. Please sign and return one copy of this Addendum, with original signature, with your proposal as an acknowledgement of your having received same. You may photo copy this form for your records.
